PROPOSED BUDGET FY 2023

Dear Mayor and City Council Members,

It is with great pleasure that I present to you the Manager's Proposed Budget for the Fiscal Year 2023 and the Proposed Five-Year Capital Improvement Program (CIP) for FY2023-FY2027, in accordance with the provisions of the City Charter and the State's Fiscal Control Act. Collectively these documents represent a financial roadmap for the City of Raleigh; a map that guides operational decision-making, helps to strengthen our organizational values, advances City Council priorities, and reinvests in vital community initiatives.

Our commitment over the last year has been to resilient service, ensuring that the needs of the residents of Raleigh and Our Community are met while adjusting from the global pandemic. We are committed to providing services in a more efficient and effective manner more than ever before, and we continue to seek innovative and sustainable measures for improvement. The City has been tested and we have risen to meet the challenges by being flexible and transforming patterns in our service delivery models.

The proposed budget reinforces our commitment to fiscal and environmental stewardship, operational efficiency, strategic investments, and effective change management. Through the budget process, we stayed true to our historic guiding principles, which have been:

- Present a balanced budget to reflect the community's economic conditions;
- Maintain our greatest asset, our workforce;
- Avoid solely relying on deferring our capital maintenance to balance the budget; and
- Continue to provide great service to our community.

Through this lens, you will see our robust spirit of optimism as we change our focal point from the unprecedented issues which have challenged our organization and City over the past three years; and we readjust our focus on investments in **Our Community and Our People**.

Our Parks, Recreation, and Cultural Resources Department continues to expand programming and offer additional activities, all while keeping open spaces safe and clean. Our Planning and Development Services Department has been diligent in its efforts to ensure that the unprecedented growth in our community has been done safely and equitably. Raleigh Water continues to deliver safe and clean drinking water to our businesses and residents throughout Raleigh and our merger communities. Our Stormwater Division continues to provide services that protect our natural environment from floods. Our internal service departments continue their high standards of efficient, effective, and accountable services providing backup to those who deliver face-to-face service.

PROPOSED BUDGET FY 2023

The budget cover showcases the John Chavis Community Center. The photo captures the essence of how our community engages with its parks. Listed on the National Park Service's National Register of Historic Places, the center serves as a catalyst in community building, placemaking, and reflects the intersection of community pride and history with our commitment to world-class services

The Proposed Budget for FY2023 reflects our commitment to **Our Community and Our People**.

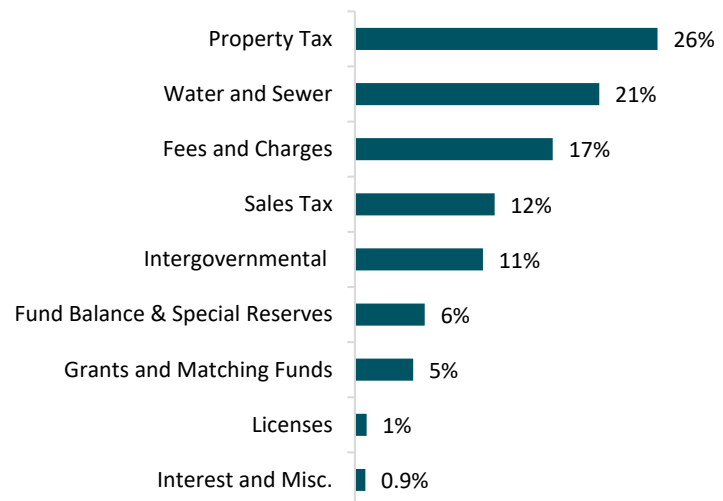

REVENUE OUTLOOK

The FY2023 budget proposes a two (2.0) cent property tax increase from the FY22 adopted tax rate of 37.30 to a proposed tax rate of 39.30 per \$100 valuation. These two (2) cents increase as well as natural increases in the value of property results in \$21.5 million of budgeted growth in regular property tax or 7.4% from FY2022. The property tax revenue assumes a slight increase in the property tax collection rate from 99.30% last year to 99.50% in FY2023.

The proposed tax rate increase reflects City Council's commitment to increase employee compensation to maintain the organization's market competitiveness while enhancing our ability to retain and recruit talented employees. Additionally, funding is provided to support much needed operating enhancements that have been delayed or deferred during the pandemic.

Our budgeted sales tax revenue is estimated to increase by \$16.2 million (14.2%) from the FY2022 budgeted amount of \$113 million for a total of \$130 million. This amount represents a 0.8% increase from projected FY2022 sales tax actuals and is based on expected growth in economic activity as the economy continues to recover from the pandemic. Conversely, the utility franchise tax continues a downward trend in the FY2023 budget. The proposed budget includes a 4.3% decrease (\$2.1m). This continues to decrease due to warmer winters and less people using cable services.

FY2023 Revenues

PROPOSED BUDGET FY 2023

The City continues to see growth in user fees and is projecting a near return to pre-pandemic levels in FY2023 for Parks and Recreation user fees and Development Services fees related to building and development in the community. User fees are budgeted to increase by \$2.9 million (13.2%) from FY2022. Raleigh Parks also adjusted some of their user fees to reflect the costs associated with the implementation of the Permanent Part-Time program and the increase of the average temporary worker rate from \$8.25/hour to \$11.00/hour. This increase in fees will be built into Raleigh Parks' user fees to offset the increase in hourly rates for temporary staff.

In FY2023, Solid Waste Services is proposing a \$.25 increase per month to support increase costs associated with employee compensation, fuel, vehicle repair and maintenance and landfill fees. This increase brings the monthly Solid Waste Services fee for recycling, yard waste and refuse collection to \$20.30 per month in FY2023.

In support of Raleigh Water operations, the proposed budget includes a 1.5% increase in the monthly base and volumetric water and sewer charges, with no changes to the infrastructure or watershed charges. This results in a 1.37% or \$0.80 increase in the average residential customers' monthly utility bill. The proposed rate increase for Raleigh Water customers will afford the utility the opportunity to sufficiently maintain the system, offset operating impacts associated with increased operational costs, and employee compensation and benefits.

Stormwater management is a community and city council priority. In order to enhance and improve our stormwater system, the proposed budget also includes a \$0.18 increase per Single-Family Equivalent Unit (SFEU), bringing the rate from \$7.00 per month in FY2022 to \$7.18 per month in FY2023. The proposed rate increase covers additional staff and helps to accelerate the backlog of CIP projects.

GoRaleigh will continue to suspend transit fares through Fiscal Year 2023. Accordingly, the proposed budget does not include increases in transit or parking rates.

Despite growth in revenues, our expenses have outpaced that growth. As such, we were challenged to find financial solutions that were fair, equitable and addressed the demands of our community.

PROPOSED BUDGET FY 2023

OUR PEOPLE

The proposed budget recognizes the importance of investing in our greatest asset, our employees. Our continued investment reflects a sustainable approach to remaining competitive in the future. This approach is in alignment with our Strategic Plan Organizational Excellence Objective 3.1 to foster a transparent, nimble organization of employees challenged to provide high quality, responsive, and innovative services efficiently, effectively, and equitably. This budget continues the organization's investment in strategies to recruit, develop, and retain a diverse, high-performing workforce.

The proposed budget includes the full-year expense of a 2% Cost of Living Adjustment (COLA) for all full-time employees. The COLA was approved by City Council in April 2022. The total budgeted cost of the COLA in FY2023 is \$5.3 million.

To address growing concerns with pay plan competitiveness in the local market for Public Safety (Police, Fire, and Emergency Communications), a study was conducted to benchmark pay plans and best practices in each public safety area. Based on the study, Police and Fire pay range minimums were moved to the average of Wake County municipalities plus 6%. The pay range maximums were increased accordingly. This shift increases employees' earning potential. Based on market survey findings, Emergency Communications' pay ranges increased by two levels within the General Pay Structure and Broadband Pay Structure.

To increase the stability of service delivery, improve recruitment and retention, and maintain programming and services, a Permanent Part-Time (PPT) classification was established with the FY2022-23 Proposed Budget. Funding for PPT implementation is included in the personnel budgets for departments. Departments with identified PPT needs include Parks, Recreation and Cultural Resources, Raleigh Convention Center, Human Resources, and Transportation.

To assist with recruitment challenges among temporary positions, staff conducted a study to evaluate the hourly pay for temporary employees, or those working 999 hours or less in a 12-month period. As a result of the study, the minimum hourly pay for temporary positions was moved from \$8.25 per hour to \$11.00 per hour. Proposed departmental budgets include changes based on the City's new temporary employee pay structure.

The additional funding for hourly temporary employees will allow the organization to be more competitive in the market for critical staffing and will ensure continuity of operations across the departments.

These new investments in Our People align with the City's continued effort to recognize the value of our employees. The FY2022-23 budget builds on the annual merit increases for employees in the General Pay Structure, Police Pay Structure, and Fire Pay Structure at 3% and 5%. Broadband employees will be eligible for variable merit increases based on

PROPOSED BUDGET FY 2023

performance, at an estimated cost of \$2.1 million. In addition to funding merit increases, the City's living wage rate is adjusted in accordance with the Council-adopted living wage policy. The living wage applies to all permanent, full-time employees. For FY2023, the living wage increases from \$36,052 to \$37,850.

The proposed budget also maintains our highly competitive employee benefits package. Employee and retiree health claims are estimated to increase by 4% for FY2023. Recognizing the uncertainty of post-pandemic recovery for our employees and the need to review our health plans, the City is absorbing the estimated increases in the health insurance program. The budget proposes no increase to the monthly employee and retiree premiums, nor recommends any changes to out-of-pocket maximums. The city continues to maintain the no-premium employee-only plan that covers 40% of our employees.

All regular full-time employees are covered under the North Carolina Local Governmental Employees' Retirement System (NCLGERS). Employees contribute 6% of their annual salary on a tax-deferred basis. For FY2023, contributions increase from 11.35% to 12.10% for regular, full-time employees and from 12.10% to 13.10% for sworn law enforcement employees, totaling \$2.2 million. The city expects that the cost escalation will continue this benefit. The NCLGERS Board has not recommended any changes to the employee contribution.

To maximize retirement income, all regular full-time employees may voluntarily participate in the City's 457 Supplemental Retirement Plan. Employees are vested at enrollment, which allows employees full ownership of both employee and employer contributions and interest earned as soon as they begin participation.

PROPOSED BUDGET FY 2023

OUR COMMUNITY

As Our Community continues to grow and the demand for City services increases, the proposed FY2022-23 Budget focuses on investing in City services that have a direct impact on the Raleigh community. The FY2022-23 budget prioritizes funding to support the following areas.

Equity, Communications and Outreach

Communication with our community is one of our top priorities. According to the 2020 Community Survey, the number one source of information about city services, special events and programs is from our website, Raleighnc.gov. This budget funds a contractual position in Communications to support the ongoing maintenance and continuous improvement of the website and other critical communication channels.

The newly created Office of Strategy and Innovation started building capacity within the organization around creative service delivery and innovative strategies that encourage the organization to ask, “What if?” This new approach sparks creativity and ingenuity in local government. This year’s budget includes funding for an Artist/Innovator in Residence Program. This exciting program will provide support to departments to implement new and innovative solutions for optimizing service delivery.

Community engagement remains a high priority for the community, staff and city council. As such, our new Community Engagement Office has developed a work plan that is transparent and responsive to the growing needs of our community. However, in order to fully meet organizational and community expectations, additional staff resources are needed. I am proposing two additional staff members to carry out the vision and mission of this critical function. In addition, the FY2023 budget proposes funding a Mobile Community Engagement bus that will allow staff to take engagement on the road. These enhancements ensure we are meeting our community where they are available and continuing to advance City Council’s commitment to reaching those that are traditionally underserved and underrepresented in our city.

The FY2023 budget proposes funding for consulting services for the Department of Equity and Inclusion. These resources will provide capacity building, training and facilitation development, and other support services that promote inclusion and address biases.

PROPOSED BUDGET FY 2023

Infrastructure, Public Services and Raleigh Water

Housing affordability remains at the forefront of all community conversations. If we are to create a Raleigh for all, we must ensure that everyone who works, plays and learns in Raleigh is afforded an opportunity to live in Raleigh. I am recommending a new position in Housing and Neighborhoods that will advance the implementation of the 2020 voter approved Affordable Housing Bond.

The FY2023 proposed budget includes funding to support additional licenses of eBuilder which is an enterprise project management and delivery software that is used by several departments. This tool, along with the processes that are currently in place, will enhance service delivery in our Capital Improvement Program (CIP) across all of the CIP elements.

Clean and safe drinking water is a critical resource for our community and to those communities that we provide water and sewer services. This year's budget includes the addition of several positions that will provide Capital Improvement Program oversight. These positions will operate and maintain the Department's new Bio-Energy Recovery project located at the Neuse River Resource Recovery Facility. This \$177 million dollar capital investment will decrease biosolids at an anticipated 48% reduction in the volume and significantly reduce the transportation cost of solids removal. This process will also capture biogas to power as many as 50 City buses per day.

The Stormwater program proposes to add positions to provide critical oversight of developable land to ensure that new projects meet the City's high standards for stormwater runoff, which will facilitate smart growth in our community. Stormwater also proposes adding one position to provide leadership in the oversee the collection, analysis, and reporting of the stormwater data collection process for the division. This flusher truck and crew of two will fill the demand and backlog of service requests and will expand regular maintenance access throughout the city.

Finally, we propose adding a position to provide additional support for the implementation of the Wake Transit Plan implementation through FY2030. The additional staff member will work with the Traffic Control Center on signal timing for Bus Rapid Transit projects. This position is funded at 80% from federal grants and will increase the speed and reliability of bus service throughout the community.

Parks & Cultural Resources

Community partnerships remain critical to the Parks, Recreation and Cultural Resources Department's success. Increased focus on private and philanthropic contributions to the park system have increased our collective impact. Similarly, the partnership between the Dorothea Dix Conservancy and the City continues to bring new programming investments to the highly activated Dorothea Dix Park. High community utilization of the park and increasing event demand have put pressure on existing staff resources. The proposed budget

PROPOSED BUDGET FY 2023

includes three additional staff to provide enhanced programming and maintenance support in order to help free existing staff resources to focus on upcoming investments in the park.

General Government

Two Associate City Attorney positions are included in the proposed budget. One of the positions is partially funded by the 2020 Housing Bond and will support the implementation and administration of the bond. The second position will address increased workload demands in litigation and contracting.

Public Safety

Council and staff are dedicated to creating a safe and vibrant atmosphere for the community to thrive. The current political, social, and economic environments have challenged our ability for recruit and retain public safety personnel. Greater demands for trust, transparency and integrity, increased call volumes and officers' mental wellness have all placed a spotlight on the critical nature of the work. To respond to the growing needs of our sworn and civilian employees, the FY23 budget includes the addition of a Staff Psychologist for the Raleigh Fire Department. This resource will provide mental health and well-being support services to staff who need assistance.

The proposed budget also includes provisions that address concerns in Raleigh Fire Department's fleet. Resources are provided to maintain and upgrade the fleet of vehicles and equipment in the department. My commitment is to ensure that staff has the tools they need to safely complete the job and that these tools will be well maintained and serviced according to industry standards.

The Emergency Communications Center provides dispatching and centralized communications for four EMS agencies, eight law enforcement agencies, and 20 fire departments, serving more than one million residents. This budget proposes funding to replace critical technology infrastructure at the center to provide the highly trained staff with the tools they need to adequately and expeditiously provide compassionate service to those in need. This reinforces our high commitment to public safety.

The Raleigh Police Department's proposed budget includes a digital evidence storage solution. This software will track, and house vast amounts of digital evidence collected by the department. This solution will allow for proper collection, tracking, and storage of evidence to ensure crimes are solved and evidence is preserved. Resources are included for the Annual Youth Summit. This event promotes and supports opportunities for the police department to engage with our youth through various facilitated activities. It is my hope that the summit will help to foster transparency and communication between law enforcement and young adults.

PROPOSED BUDGET FY 2023

Capital Improvement Program

Long-term, planned investments in facilities and infrastructure are critical to our overall success. Properly maintained buildings and facilities ensure that staff can do their jobs safely, effectively, and efficiently. Additionally, investments in capital improvements enhance the user experience for our customers, residents, and staff.

The FY2022-2023 proposed Capital Improvement Budget continues Council's commitment to funding affordable housing, street resurfacing and parks maintenance. Through the penny allocation, each of these program areas have \$7.8 million dedicated. This represents a \$117,000,000 commitment to these program areas over the next five years.

One-time funding is also being utilized for several projects that were identified in the FY2022-2023 CIP process. This one-time funding comes from American Rescue Act appropriations, and a reduction in general fund transfers to debt and General Capital reserves. The projects include funding for 2017 Transportation Bond Program Gaps (\$17.7M), major bridge inspections, neighborhood traffic calming, and pedestrian and bicycle improvements (\$5.5M), and \$500,000 for the Vision Zero Spot Safety program. In general, Public Improvements, one-time funding was identified for building system improvements (\$1.5M), public safety maintenance (\$1.4M), planning and feasibility studies (\$0.8M), continued funding of the Building Upfit Grant (\$0.9M), Public Project Community Support Fund (\$1.5M) and funding to support an institution fiber refresh (\$0.9M).

Finally, the FY2023-2027 Capital Improvement Program includes funding that utilizes debt capacity to fund additional public safety facilities including advancing the design and land acquisition of the Police Evidence Building (\$10.0M) and design of Fire Station #1 and Administration Building (\$5.0M) in year one.

CONCLUSION

This year's budget theme – Our Community and Our People captures our strategic focus on meeting organizational and community goals because the success of each is closely knitted together. Voted most recently by Bankrate, as America's Best Place to Live in 2022, Raleigh has risen beyond the crises that divided us and challenged us over the last two years. I firmly believe that the proposed budget supports both our Community and its diverse People. It represents my desire to be fair, honest, transparent, compassionate, responsive, and prompt in our service delivery. Many of my goals for the organization are contained within this budget proposal that I respectfully submit for your consideration.

I continue to be amazed by the Raleigh community. It's resilience over the last two years has been nothing short of amazing. I am equally inspired by our staff that provide the critical services our community both demands and expects. Over the last two years we have worked

PROPOSED BUDGET FY 2023

tirelessly, in often very difficult and challenging circumstances, to bring exceptional services to our residents and customers.

I would like to thank our dedicated staff for their support and assistance in preparing the FY23 proposed budget. The document aligns with the City's organizational values, strategic plan, departmental business plans and key city initiatives. It is a pleasure to work side-by-side and hand-in-hand with public servants who value the work and those for whom which the work is performed. Every challenge faced over the last year presented an opportunity for our team to get creative and innovative and in my humble opinion, I feel we delivered!

NEXT STEPS

As you review the proposed investments, please share any follow-up questions that you have. We appreciate City Council's support throughout the budget process and the direction received as part of the FY2023 budget prioritization exercise. I look forward to working with you on these important policy decisions. To discuss the proposed budget, the City Council will hold a work session each Monday in June (except June 20th - Juneteenth holiday), beginning at 4 pm. These weekly work sessions continue until the City Council adopts an annual operating budget and five-year capital program. A public hearing will be held on the budget on Tuesday, June 7 at 7 pm.

Thank you,

A handwritten signature in black ink that reads "Marchell Adams-David". The signature is written in a cursive, flowing style.

Marchell Adams-David
City Manager

City Profile

During the past 30 years, growth in Raleigh and the surrounding Research Triangle Region has consistently and significantly outpaced the nation. Fueled by an impressive mix of education, ingenuity and collaboration, North Carolina's capital city has become an internationally recognized leader in life science and technology innovation. It also happens to be a really nice place to live.

The Community

Raleigh, North Carolina is one of the fastest-growing cities in the nation and the state's second-largest city behind only Charlotte, located just over a 2.5 hour drive away. Raleigh covers an area of more than 148 square miles and is home to a growing and diverse population of approximately 470,000 residents. The City of Raleigh is both the county seat of Wake County and the capital of North Carolina. Known as the "City of Oaks" for its treelined streets, Raleigh is situated in the heart of North Carolina's Piedmont region, centering residents between the sandy Atlantic beaches and the Great Smoky Mountains.

Raleigh, Chapel Hill, and Durham form the Research Triangle Park, which was founded in 1959 as a model for research, innovation and economic development; it is now the largest research park in the nation. The Raleigh- Durham-Chapel Hill combined statistical area (CSA), which encompasses Raleigh and surrounding counties including Wake, Durham, and Orange, has a population of over 2 million.

Numerous institutions of higher education are located in Raleigh, contributing to a city abundant in educational opportunities and talent. The list includes North Carolina State University, Wake Technical Community College, Shaw University, Meredith College, William Peace University, St. Augustine's University, and Campbell Law School.

Raleigh is consistently rated one of the best cities in the United States for jobs with a diverse array of opportunities.

The top ten employers within the city include:

- State of North Carolina
- Wake County Public School System
- Wake Med Health and Hospitals
- North Carolina State University
- UNC Rex Healthcare
- City of Raleigh
- Duke Energy Progress
- Wake County Government
- Conduent Business Systems
- First Citizens Bank

Below are some recent national recognitions for the City:

- Raleigh ranked #1 as Best City for Working Women
- ApartmentList, March
- Raleigh in Top 10 for Home Appreciation among Nation's Largest Cities
- Triangle Business Journal, February
- Raleigh ranked #2 as Safest, among all State Capitals
- Raleigh ranked #4 for Economic Well-being, among all State Capitals
- Raleigh ranked #6 for Quality of Education and Health among all State Capitals
- WalletHub, January

Government

Raleigh operates under the Council-Manager form of government. The City Council is Raleigh's governing body, consisting of eight members who are elected for two-year terms. Three of the members, including the mayor, are elected at large, while the other members are elected from five districts. The City Council sets policies, enacts laws, adopts a budget each year, and appoints the City Manager. The City Manager is responsible to the Council for the administration of daily operations and programs of the City, as well as the management of all City employees.

The City provides the full range of governmental services, including police and fire protection, street construction and maintenance, solid waste management, water and sewer services, parks, recreation and cultural services, planning and development services, a variety of transportation and public infrastructure programs, and other traditional support activities.

City Council adopted the following mission statement and vision statement for the City.

Mission Statement

To build a stable platform of evolving services for our community through which we champion positive and sustainable growth and realize visionary ideas for all.

Vision Statement

To pursue world-class quality of life by actively collaborating with our community towards a fulfilling and inspired future for all.

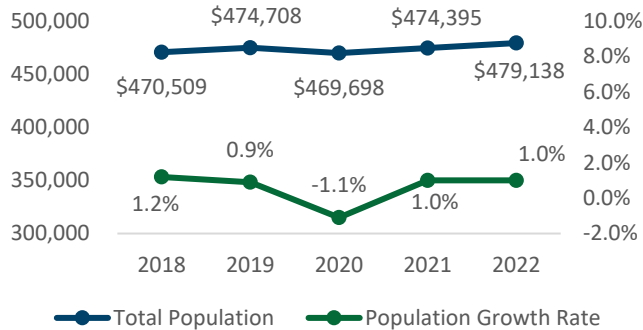

Urban Measures

Urban system measures help gauge the quality of the basic urban system of the community. In many instances, the city does not have total control over the results of these performance measures, but City policies and actions can affect the outcomes.

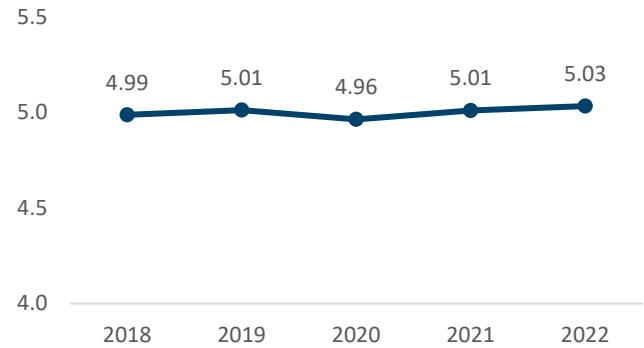

Demographics

Population Within the City Limits & Population Growth Rate

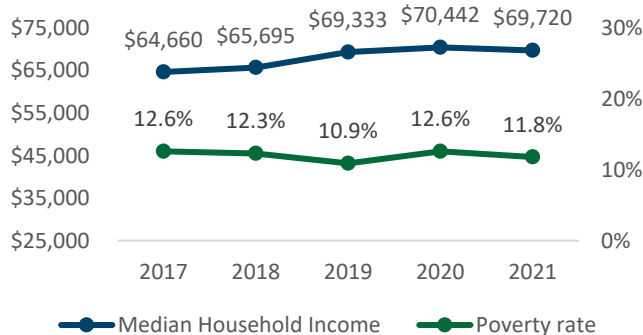

Population Within the City Limits and Population Growth Rate: Based on 2020 ACS Five-Year Estimates. 2021 is a projection.

Population Density (Population per Acre)

Population Density: The total population of the city divided by the total acres within the city limits. Acreage as of January 1 of each year.

Median Household Income and Poverty Rate

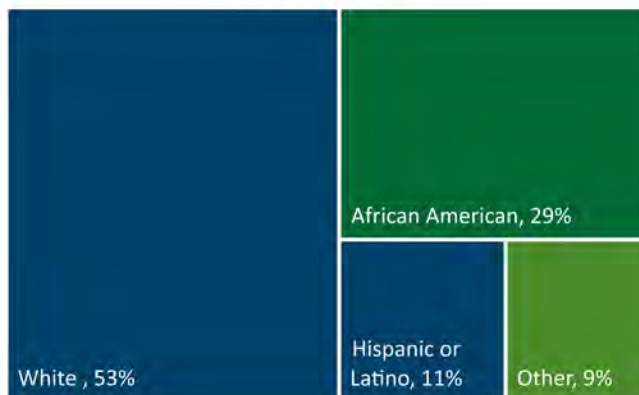

Median Household Income: Data from the American Community Survey. 2021 data is projected based on previous growth.

Educational Attainment

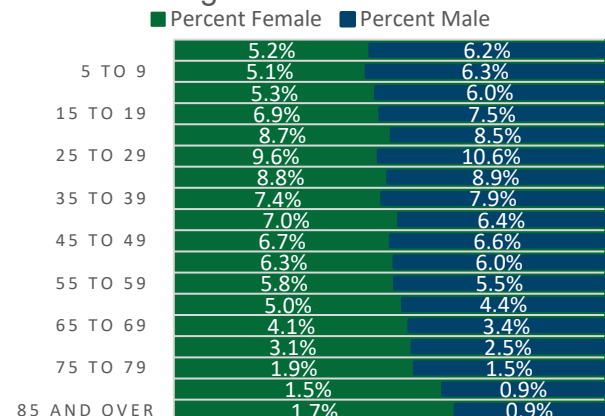

Educational Attainment: Data from the American Community Survey as of 2020 (Five Year Estimates) for the population 25 years or older.

Ethnicity

Ethnicity: Based on 2020 statistics for Raleigh from the American Community Survey (Five-Year Estimates).

Percent of Population by Age And Gender

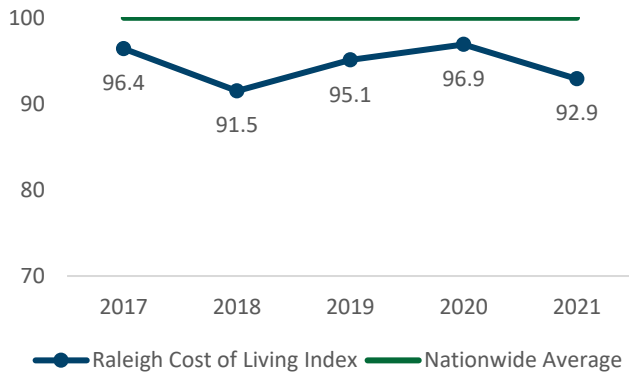

Percent of Population by Age and Gender: Based on 2020 statistics from the American Community Survey (Five-Year Estimates).

Urban Measures

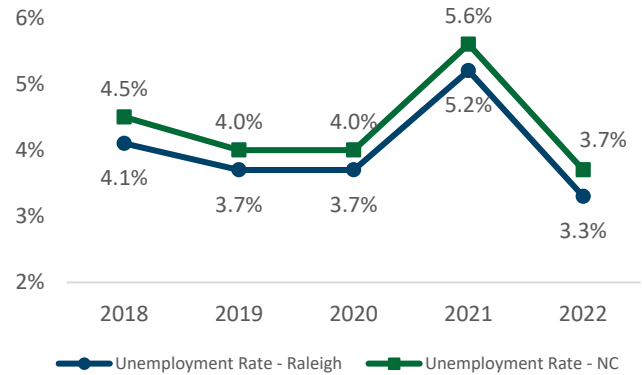

Housing and Economy

Cost of Living Index

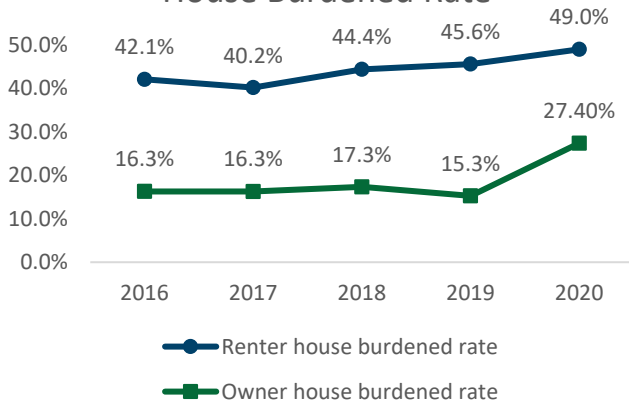

Cost of Living Index: From Council for Community and Economic Research C2ER Report for the City of Raleigh. Based on Nationwide price comparisons. "100" represents the nationwide average; a number below 100 indicates a lower cost of living.

Unemployment Rate

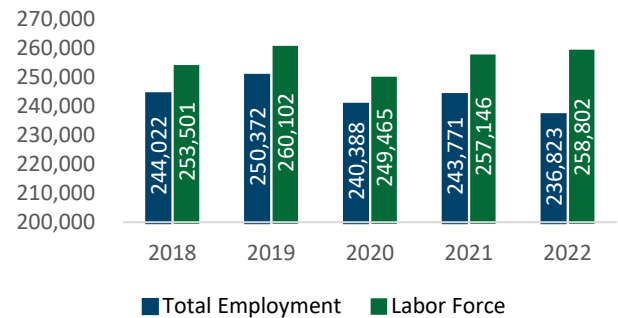

Unemployment Rate: Unemployment Rates for the nation and for the City of Raleigh as of March each year. Data provided by the North Carolina Department of Commerce.

House Burdened Rate

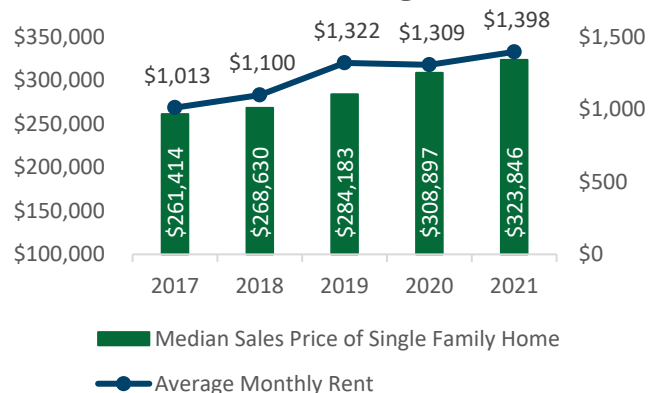

House Burdened Rate: Share of renters or homeowners in Raleigh paying 30% or more of income on housing costs. Data from 2020 American Community Survey (Five-Year Estimates).

Labor Force and Employment Characteristics

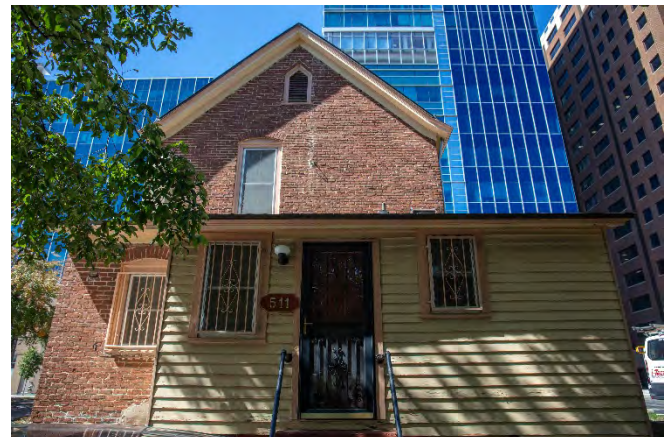

Labor Force and Employment Characteristics: The City's total labor force compared to the number of individuals in the City who are employed as of March each year. Data provided by the North Carolina Department of Commerce.

Rent and Housing Costs

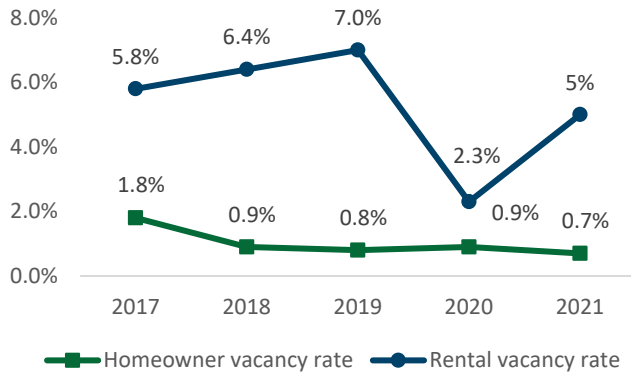

Rent and Housing Costs: Median price of single-family residential properties purchased in the city limits and average monthly rent from Council for Community and Economic Research C2ER Report for the City of Raleigh.

Urban Measures

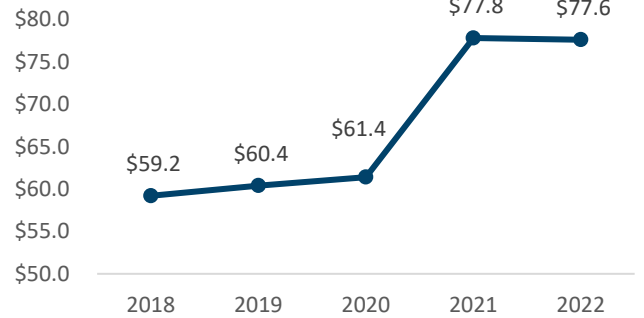

Development

Residential Vacancy Rates

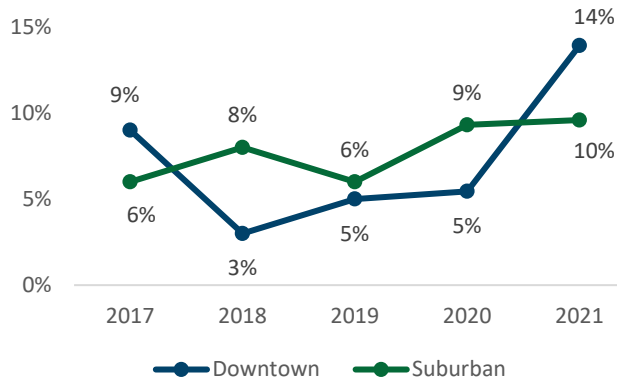

Residential Vacancy Rate: Annual Average of quarterly residential vacancy rates for Raleigh MSA. From U.S. Census Housing Vacancies and Homeownership (CPS/HVS) Tables.

Total Residential and Commercial Tax Base (In Billions)

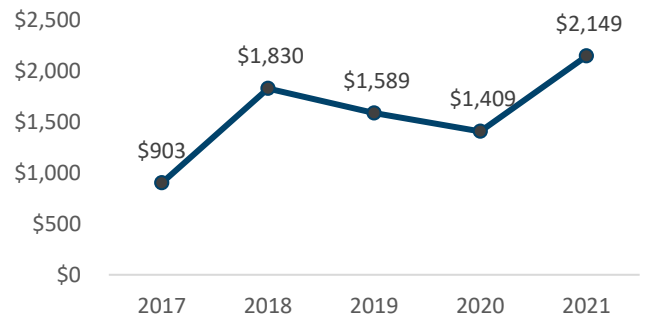

Residential and Commercial Tax Base: the city's total assessed property (real, personal, and state certified) tax valuation pulled from audited city financial statements (CAFR). FY 2021 represents revaluation. 2022 represents a projection based on Wake County Tax Data.

Office Space Vacancy Rates

Office Space Vacancy Rate: For suburban and downtown Raleigh. Based on office vacancy data from Carolantic Realty – Triangle Commercial Real Estate Report. 2022 data not yet available.

Construction authorized (in millions)

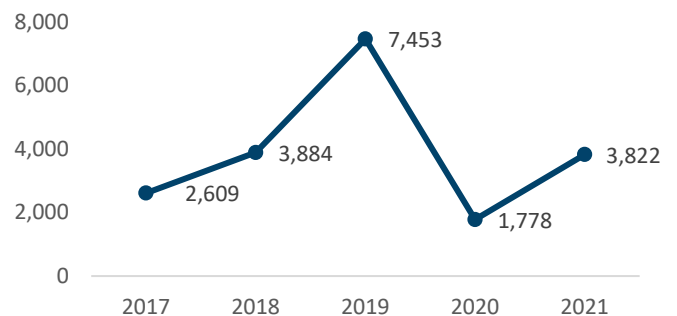

New Construction Authorized (in Millions): Data from building permits approved by the Planning and Development Services Department. Includes value of new residential and commercial (private and publicly owned) construction, residential and commercial alterations and additions, and others (such as demolition).

New Residential Units Permitted

New Residential Units Permitted: based on data from building permits approved by the Planning and Development Services Department.

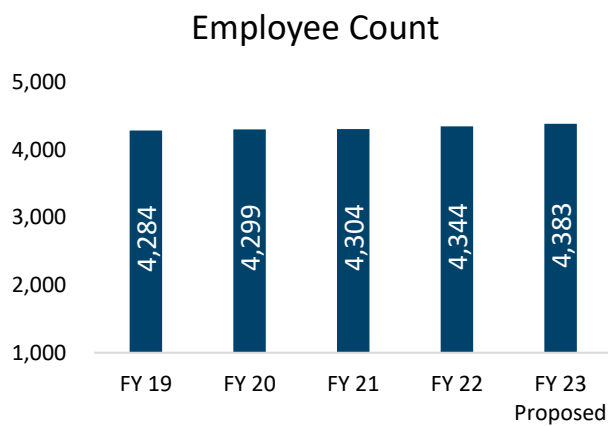

New Commercial Building Square Footage Permitted (in thousands)

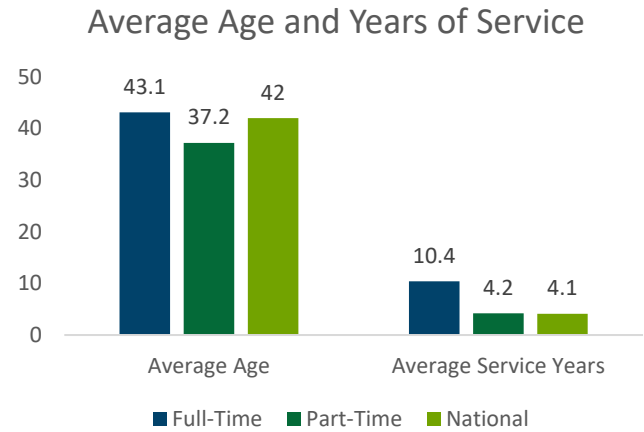

New Commercial Building Square Footage Permitted (in Thousands): Data from building permits approved by the Planning and Development Services Department. Includes new commercial construction and commercial additions. Does not include group housing.

Municipal Workforce Measures

Municipal workforce measures show trends for City of Raleigh employees, part-time and full. Additional metrics are available within the Human Resources budget section.

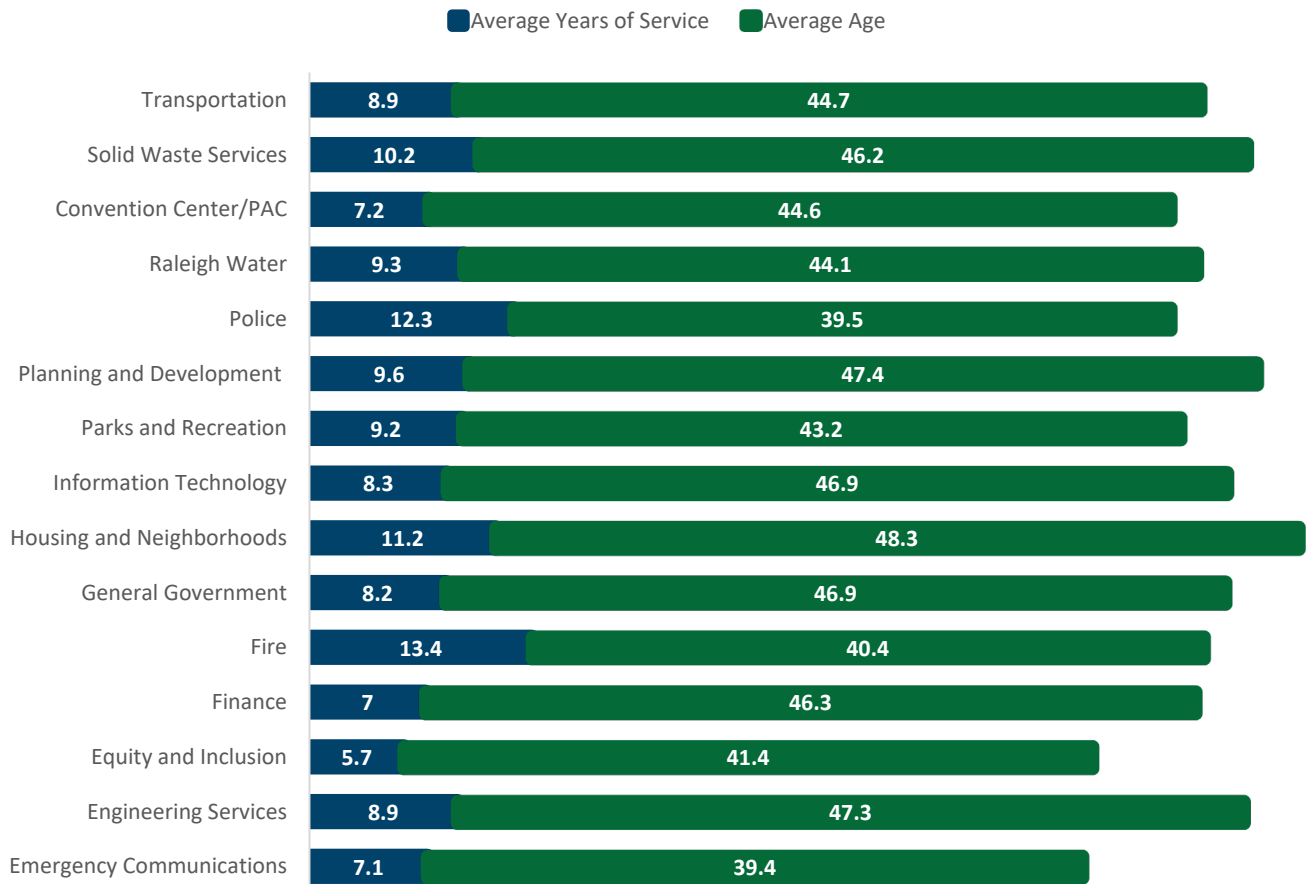

Employee Count: Total number or authorized full-time employee positions as of July 1 of each year.

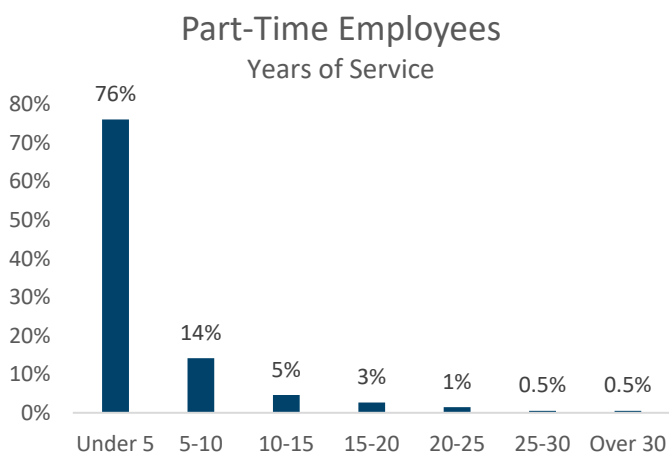

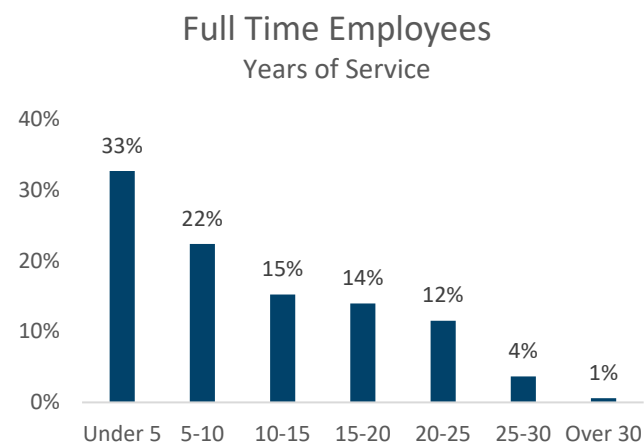

Average age and years of service: Average full-time employee age and years of service as of April 2022. National data from the Bureau of Labor Statistics (2021).

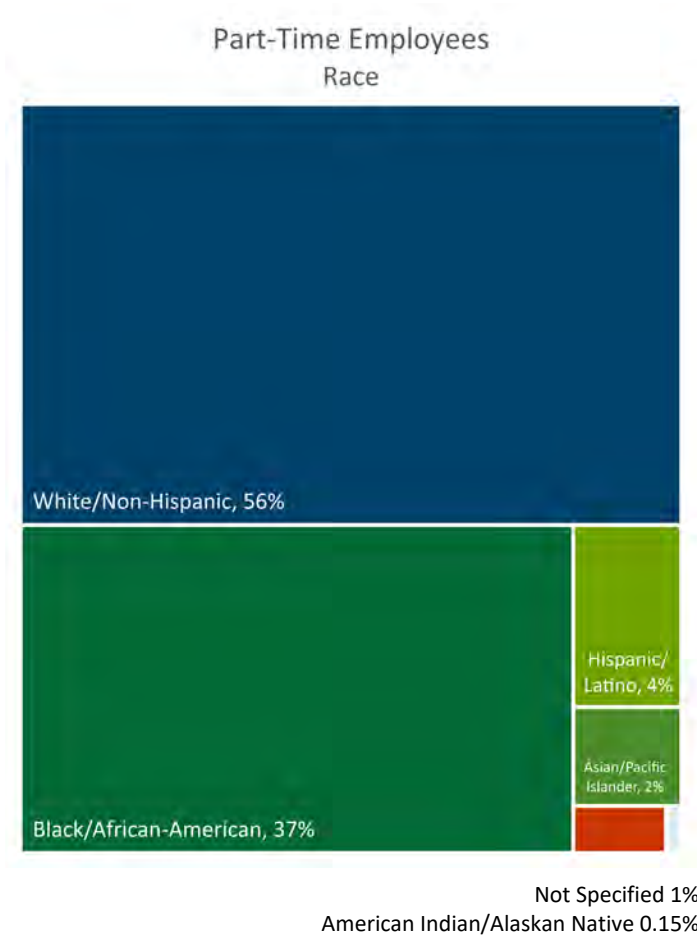

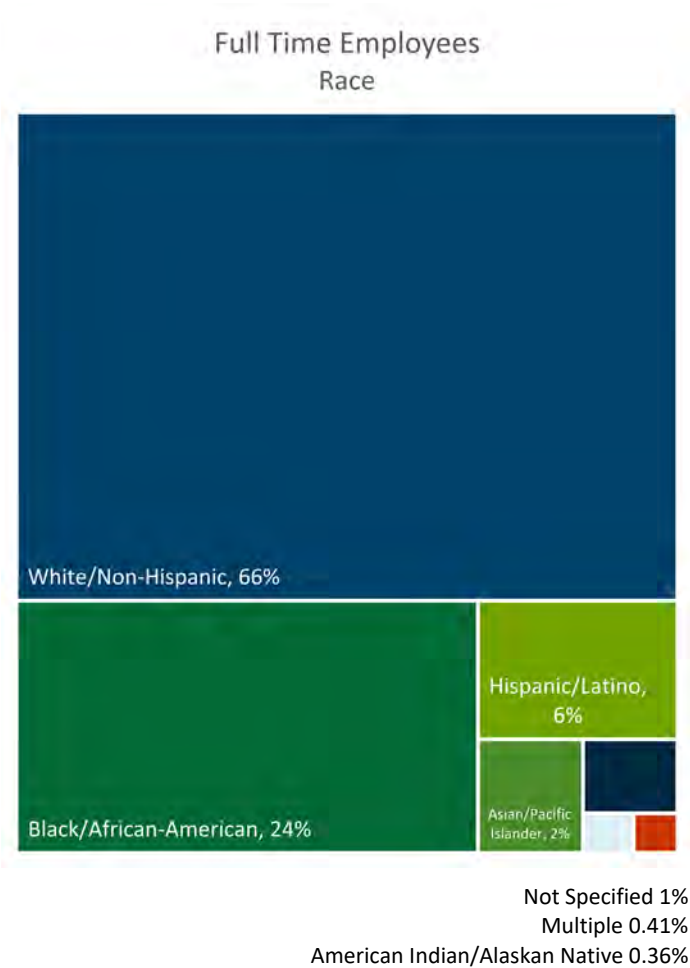

Average Age and Years of Service, By Department for Full-time Employees

Municipal Workforce Measures

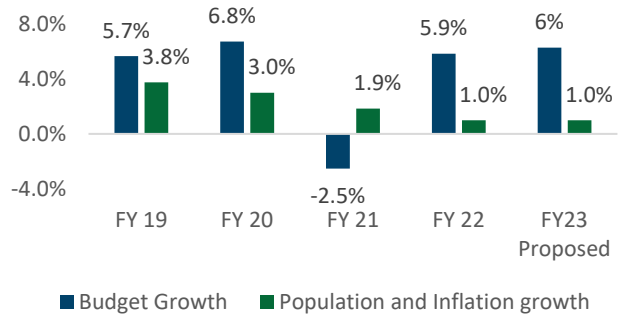

Years of Service: As the city sees a steady increase in the number of retirees, the number of employees with less than five years of service will continue to increase.

Municipal Workforce Measures

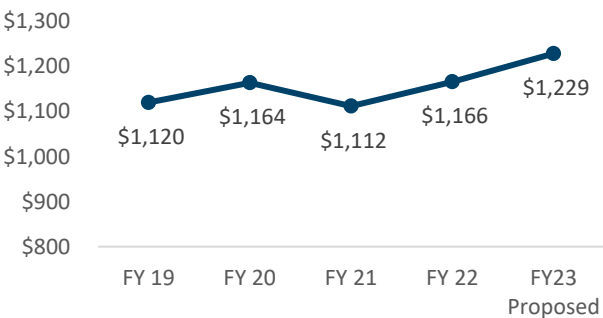

City Organization Measures show trends within the City of Raleigh organization. Many of these measures relate to changes in revenues, expenditures, and personnel. They show the effects of policy and management decisions.

Budget Growth Compared to Population and Inflation Growth

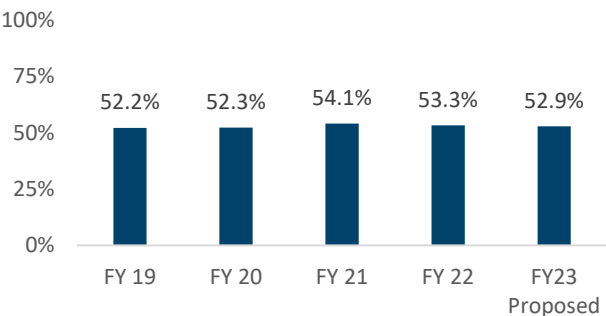

Budget Growth Compared to Population and Inflation Growth: Percent Growth in net operating and capital budgets compared to a composite of city population growth and inflation. FY 22 and FY 23 population and inflation are estimated.

Expenditures Per Capita (Adjusted for Inflation)

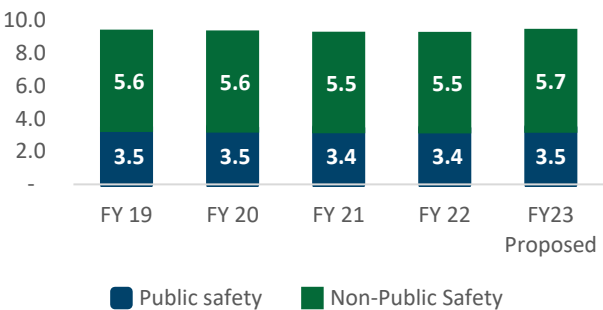

Expenditures Per Capita (Adjusted for Inflation): Total annual budgeted expenditures, including operating and capital costs, divided by city population. FY 22 and FY 23 populations are estimated.

Property Tax as a % of General Fund Revenue

Property Tax as a % of General Fund Revenue: The budgeted amount of revenue from ad valorem property taxes as a percent of total budgeted general fund revenue.

Full-Time Employees per 1,000 Residents

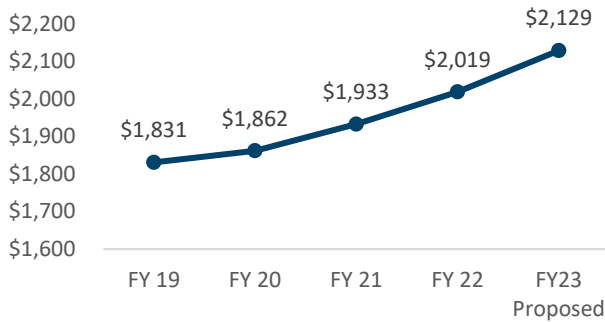

Full-Time Employees per 1,000 Residents: total number of authorized full-time positions (including but not limited to Public Safety functions) for every 1,000 residents.

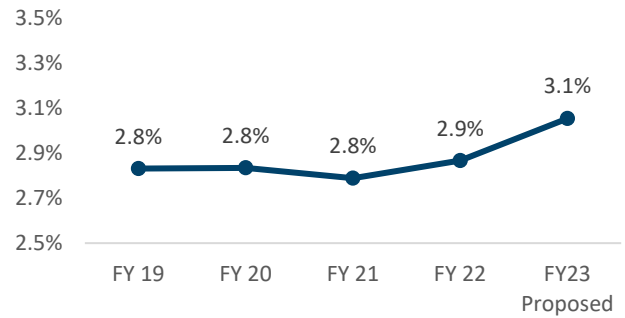

City Organization Measures

Customer Costs for Municipal Services

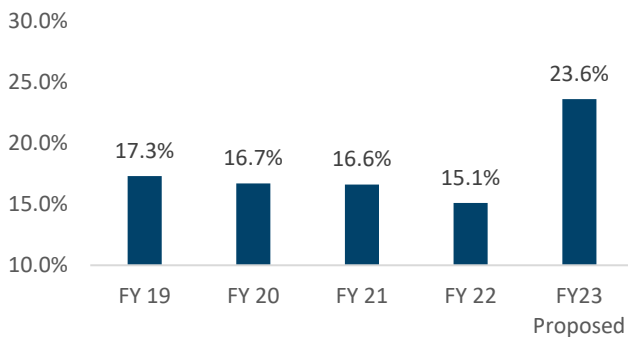

Customer Costs for Municipal Services: \$323,846 is the median value of a City of Raleigh home as of January 1, 2021, based on data from the C2ER Cost of Living Report. Annual Water and Sewer charges are based on 5 CCF per month.

Customer Cost as % of Median Family Income

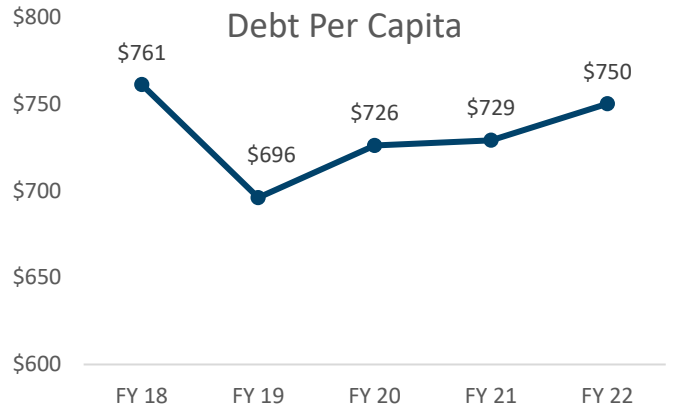

Customer Cost as Percentage of Median Family Income: Customer costs for municipal services as a percentage of the prior year median family income for the Triangle MSA. Income data from the U.S. Census Bureau.

Annual Debt Services Costs as % of Total Expenditures

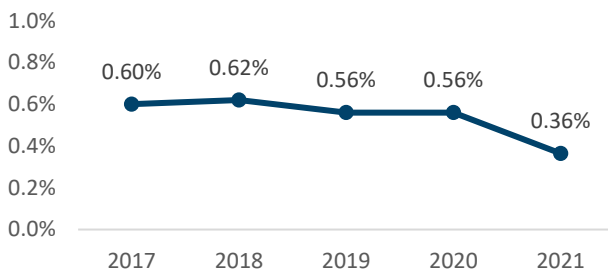

Annual Debt Services Costs as % of Total Expenditures: Annual budgeted debt service costs as a percentage of annual budgeted expenditures. Includes debt service for the General Fund and Enterprise Funds.

Gross General Obligation Bonded Debt Per Capita

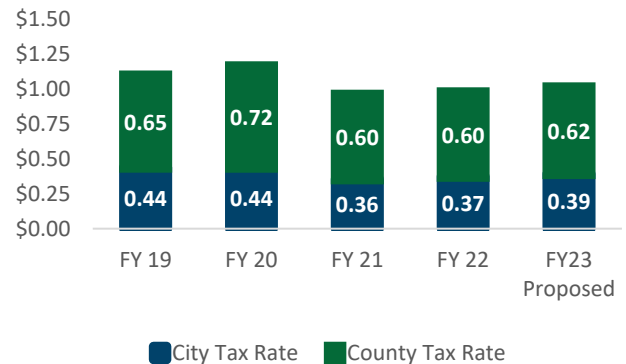

Gross General Obligation Bonded Debt Per Capita: Debt as of last day of the fiscal year. Gross General Obligation bonded debt is the amount of outstanding bonded debt. Shown as debt divided by the total city population. This chart does not include revenue bonds. FY 22 data will be available with the FY 22 CAFR.

Gross General Obligation Bonded Debt as a % of Assessed Property Value

Gross General Obligation Bonded Debt as a % of Assessed Property Value: Debt as of last day of the fiscal year. Gross General Obligation bonded debt shown as percent of assessed value of taxable property in the city. The legal debt limit imposed by state Statute is 8% of assessed value. Does not include revenue bonds. FY22 data will be available with the FY22 CAFR.

City and County Tax Rate

City and County Tax Rate: Property tax rate per \$100 of property valuation. FY 21 represents revaluation.

City Service & Amenities

The City of Raleigh appropriates over \$1 billion in operating and capital funds to provide the community with exceptional services and amenities. The following is FY20 data.

Budget Overview

KEY FINANCIAL DOCUMENTS

The budget document is the annual financial plan for City operations for the period covering one fiscal year. The City of Raleigh's fiscal year begins on July 1 and ends on June 30. This plan describes the sources of revenues and how the funds will be spent during the year. The annual operating budget, the Capital Improvement Program (CIP) and the Comprehensive Annual Financial Report (CAFR) are the key documents which describe the City's financial plans and financial status each year.

The annual budget shows the funding plan for how the City's dollars are to be spent in the coming year. The CAFR provides a review and assessment of the City's year-end fiscal condition, including the status of fund balance in all fund types.

ORGANIZATIONAL STRUCTURE

The operations of the City are grouped into different funds, each with its own source of revenues. Within each fund are one or more departments, with a department being an organizational unit that provides a major type of public service, such as the Police Department or Raleigh Water.

City departments are frequently comprised of one or more divisions (i.e., the Capital Improvement Management Division of Raleigh Water). Divisions may be comprised of one or more programs, which are smaller functional units responsible for performing specific activities (i.e., the Maintenance Program within the Water Plant Division of Raleigh Water).

Account codes, also known as line items, provide the most detail within the budget. These are the most basic units in the budget and make it possible to determine, for example, how much is spent on chemicals for the operation of the water plant.

The City's budget preparation involves detailed budget planning and review at the program line item level.

INTERFUND TRANSFERS

Interfund transfers, also known as interfund appropriations, involve the budgeting of money from one fund to another in order to support the functions to be carried out by the receiving fund. For example, the General Fund transfers money to the Transit Fund to support transit services.

When reviewing the budget, it is more accurate to use a figure that excludes appropriations to other funds. This prevents counting the transfer amounts twice – once in the sending fund and once in the receiving fund.

Most of the fund summary tables in the front of this document reflect both total appropriations as well as appropriations net of (or excluding) transfers. The departmental summary pages in this budget document reflect total appropriations only.

GENERAL STATUTE REQUIREMENTS

In accordance with the North Carolina General Statutes, the City is required to budget and account for its funds on the modified accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they become available. Expenditures are recognized in the accounting period in

which the goods and services incurred (except for unmatured interest on general long-term debt, which is recognized when due). The City's accounting records for general governmental operations are reported on the modified accrual basis. The City's enterprise, internal service and pension trust operations are reported on the accrual basis.

The General Statutes also provide for balanced project ordinances for the life of projects, including both capital and grant activities, which are expected to extend beyond the end of the fiscal year. The budgeted appropriations for capital projects do not lapse until the completion of the project, while appropriations for funds that adopt annual budgets lapse at the end of the fiscal year.

OVERVIEW

The City of Raleigh prepares and adopts an Annual Budget consisting of the Operating Budget and the Capital Budget. The City further prepares a separate Capital Improvement Program (CIP), setting forth planned capital investments over the ensuing five years. The first year of the CIP becomes the Capital Budget component of the Annual Budget. What follows is a calendar of the process and a description of the activities that lead to the preparation of these documents.

OPERATING BUDGET PROCESS

The process begins in December with a staff workshop on budget preparation and distribution of the budget manual. The workshop outlines the requirements of the budget process and specific areas of emphasis for the upcoming budget.

In December and January, City departments prepare their operating budget requests for the next fiscal year. Departments are encouraged to conduct a thorough review and evaluation of their organizational structure and current and proposed programs. Departmental operating budgets are submitted in early February.

During February and March, Budget and Management Services (BMS) staff review and analyze the operating budget requests with each department. Revenue forecasts are further refined during this period. In March, BMS staff

conduct the annual Community Budget Priorities Survey to gauge community priorities for the upcoming budget. The results of that survey are presented to the City Council in April.

Once the budget staff review is finalized, executive work budgets are prepared for the City Manager's review. From February through mid-April, the City Manager reviews the work budgets, meets with departments, considers available revenues and reaches decisions necessary to prepare a proposed budget. During this time, the Council holds work sessions at which the City Manager or her designee from various departments presents additional information to Council, prior to the formalized proposed budget. Work sessions allow Council to become more familiar with the scope and operations of departments and the needs of the community and serve to facilitate discussion between Council and department staff.

In May, the City Manager presents the Proposed Budget to the City Council. A public presentation is made before the City Council, staff, members of the press and interested community members. As required by the Budget and Fiscal Control Act, a copy of the Proposed Budget is filed with the City Clerk and made available for public inspection. Through June 30, the City Council meets to review and discuss the Proposed Budget.

In accordance with the Budget and Fiscal Control Act, the City Council holds a public hearing on the Proposed Budget prior to the adoption of the budget ordinance, generally in the evening on the first Tuesday in June. On or prior to July 1, the City Council adopts the five-year Capital Improvement Program, the final budget ordinance with balanced revenues and expenditures, and sets the tax rate for the next fiscal year.

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM (CIP) PROCESS

A separate Capital Improvement Program (CIP) is prepared each year containing the expenditures and funding sources planned for capital projects over the upcoming five-year period. As noted above, the first year of the CIP is the Capital Budget component of the Annual Budget and provides appropriation authority for capital projects.

Projects included in the CIP are generally defined as physical assets with a useful life of at least ten years and an initial cost of at least \$25,000. Vehicles and heavy equipment (funded through the Operating Budget) are excluded. New building construction funding includes additional equipment directly associated with the building. Examples of capital projects include new roads, park land acquisition, and development and waste treatment plant improvements.

The CIP is updated annually as projects are added, deleted, and modified. Funding sources are reviewed and updated and a feasible funding plan, matching project requirements and available funding sources, is prepared. The full five-year plan is balanced with anticipated funding sources. This process begins in September when instructions and guidelines are issued to departments, and proposed projects are submitted to Budget and Management Services in December. The requests are then reviewed, discussions are held with agencies, and adjustments are made as appropriate. The City Manager's proposals are then included in the Proposed CIP presented to the City Council in May.

The City Council adjusts the CIP as it deems appropriate and adopts the CIP by ordinance at the same time it adopts the Annual Operating Budget by ordinance.

Budget and Fiscal Framework

The City of Raleigh prepares its annual budget and carries out its fiscal affairs within a framework of state law, accounting standards, best practices and local policy. This section discusses how the City's accounting and budgetary system is organized and key financial policies that guide budget development.

BASIS OF BUDGETING

Keeping within state law, the budget is prepared and accounted for on a modified accrual basis for the general fund, enterprise operating funds and new convention center financing fund. All other funds including capital project funds adopt multi-year project budgets.

In keeping with Generally Accepted Accounting Principles, financial statements for proprietary funds are prepared on a full accrual basis. A reconciliation of the full accrual basis to modified accrual basis (budgetary basis) is included in the annual financial statements for enterprise funds.

FUND STRUCTURE/DEPARTMENT RELATIONSHIP

The chart below reflects the interaction of the departments of the City and the City's operating budget fund structure, showing the funds which provide resources to each department.

Financial Policies

These policies provide direction and serve as guidelines for preparation of the annual budget and capital improvement program. They derive from North Carolina law, the recommendations of the Local Government Commission and local decisions, and they serve to guide the overall financial management of the City.

OPERATING BUDGET AND CAPITAL IMPROVEMENT PROGRAM POLICIES

In keeping with the Local Government Budget and Fiscal Control Act:

- The City Manager will present a balanced budget to the City Council no later than June 1 of each year. Continuing practice in Raleigh is to present the budget in mid-May of each year.
- A balanced budget is defined under state law as one in which the sum of estimate net revenues and appropriated fund balance is equal to appropriations (NC statutes 159-8).
- The budget ordinance will cover a fiscal year beginning on July 1 and ending on June 30.
- The City Council shall adopt a balanced budget ordinance making appropriations and levying taxes by July 1 of each year.
- As provided by NC statutes section 159-26(d), the City will maintain encumbrance accounts as “budgetary accounts.” At the end of each fiscal year, encumbrances outstanding are those amounts of expenditures estimated to be incurred as a result of the fulfillment of unperformed contracts/purchases in process at year-end. Such encumbrances are reported as “reserved for encumbrances” against fund balance and are charged to the subsequent year’s budget.
- The City Manager will prepare a recommended Capital Improvement Program (CIP) each year to be presented at the same time as the annual operating budget. The CIP will address the capital needs of the City over a five-year period. The first year of the CIP will be the Capital Budget and will be adopted as a part of the annual budget.
- The City Council will adopt the CIP by ordinance.
- A Capital Improvement (project) is defined as a physical asset constructed or purchased which has a useful life of at least 10 years and a minimum cost of \$25,000.
- Debt or bond financing will not be used to finance current expenditures.
- The City may establish one or more internal service funds. At the same time as the budget is presented and adopted, a financial plan for each internal service fund will be provided. The financial plan will be balanced when estimated expenditures do not exceed estimated revenues.

REVENUE POLICIES

The City will seek to develop and maintain a diversified and sustainable revenue system in order to avoid short-term service level fluctuations.

Revenues are to be conservatively estimated based on a review of historic collections, current and anticipated changes in legal requirements and rates, percentage change over time and in consultation with external assessment and collection authorities, where applicable.

General government fees and charges shall be reviewed annually. Revenues supporting the Revolving Fund shall be set annually so as to recover the full cost of providing those programs and activities.

Utility rates and charges will be reviewed periodically considering net revenue requirements, realistic sales forecasts, bond covenants and debt management policies, utility conservation goals, capital program requirements and reimbursement of indirect costs to the General Fund.

The City will pursue opportunities for grant funding for activities and projects consistent with the City's long-range plans and goals. Grants are adopted by City Council upon recommendation of the City Manager and are approved as balanced project ordinances (estimated expenditures do not exceed estimated revenues) within the appropriate fund.

The City intends that non-recurring revenues be used for capital outlay and one-time expenditures which do not materially increase recurring operating expenditures.

FUND BALANCE POLICY

The Local Government Budget and Fiscal Control Act requires that appropriated fund balance in any fund not exceed the sum of cash and investments minus the sum of liabilities, encumbrances and deferred revenues arising from cash receipts at the end of the fiscal year next preceding the budget year.

The Local Government Commission recommends that governments maintain a minimum undesignated general fund balance of 8% of revenues for cash flow purposes. The City of Raleigh seeks to maintain an undesignated General Fund balance of approximately 14% of subsequent year's budget. This level is considered adequate to protect against emergencies and natural disasters, provide adequate cash flow to avoid short-term borrowing, and to contribute to the maintenance of the City's bond rating. The City will seek to maintain fund balances in other governmental funds sufficient to the long-term stability of the fund.

Estimates of fund balances available shall be presented each year in the General Fund Summary section of the operating budget.

IMPLEMENTATION

During the month of July, Budget and Management Services staff prepares and distributes the Adopted Budget document, which incorporates all changes approved by the City Council. At the start of the new fiscal year in July, the City Manager provides information to departments setting time schedules and priorities for the purchase of equipment and the implementation of new programs or initiatives.

BUDGET AMENDMENTS AND TRANSFERS

Throughout the fiscal year, adjustments to the original budget ordinance may become necessary to meet changing circumstances, better carry out planned programs, and provide for new Council initiatives. Two types of changes can occur — budget amendments and budget transfers. Such changes are required at the line-item level of the budget underlying the budget ordinance.

A budget amendment increases or decreases the revenue and expenditures of an appropriated

fund (this may involve decreases or increases in revenue and expenditures or shifting of monies between funds). Budget amendments, in accordance with North Carolina Statute 159-15, require the approval of City Council. Amendment requests are submitted to BMS and approved by the City Manager prior to submittal to City Council.

A budget transfer changes line-item appropriations within a particular fund without changing the fund total. All transfer actions are reviewed by BMS. Transfer authority is as follows: (1) department heads may approve transfers up to \$10,000, (2) transfer requests between \$10,000 and \$50,000 require the approval of the City Manager or designee, and (3) transfers over \$50,000 require the approval of the City Council.

Capital project contract change orders generally require budget amendments or transfers of funds. Such requests go through an approval process very similar to that described above.

Budget Guide

The City's budget is comprised of many different funds. Some funds are enterprise funds, some are capital funds, but the most notable fund in the City of Raleigh's budget is the General Fund. The General Fund includes operating funds for the majority of City departments including, for example, Police, Fire, Parks, Recreation and Cultural Resources, Emergency Communications, and Planning and Development Services.

Details regarding department budgets are presented in the City's budget document. Department information includes budget highlights, key initiatives, and performance indicators. Also included is the budget detail. An example of the budget detail is included with descriptions to the right to help readers gain a better understanding of the format.

CITY OF RALEIGH

FY21 - FY25 Strategic Plan

raleighnc.gov

Raleigh

Solid Foundation for an Intentional Future

In the City of Raleigh, efforts are focused and intentional. The City's five-year Strategic Plan translates vision and goals into an actionable strategy that guides the organization's focus, work, and resource alignment. The Plan's overarching key focus areas and underlying objectives, initiatives, and performance measures allow us to be transparent about our goals, focused in our efforts, and accountable for our results.

Raleigh's Strategic Plan is a collaborative effort that is led by Raleigh City Council's vision and leadership, influenced by resident feedback obtained from the biennial Community Survey, reflective of staff contributions, and appropriately aligned with other important efforts such as the 2030 Comprehensive Plan.

The City's FY2021-2025 Strategic Plan was adopted by City Council in October 2020 and will receive annual revisions to maintain its relevancy. Each fiscal year, City staff submits a performance report to City Council, and ultimately the public, to document our progress on addressing the Strategic Plan (follow our progress at strategicplan.raleighnc.gov).

This Strategic Plan provides a solid foundation on which we will continue to build an intentional and prosperous future for the city of Raleigh.

MISSION

To build a stable platform of evolving services for our community through which we champion positive and sustainable growth and realize visionary ideas for all.

VISION

To pursue world-class quality of life by actively collaborating with our community towards a fulfilling and inspired future for all.

Key Focus Areas

ARTS & CULTURAL RESOURCES

Embrace Raleigh's diverse offerings of arts, parks, and cultural resources as iconic celebrations of our community that provide entertainment, community, and economic benefit.

ECONOMIC DEVELOPMENT & INNOVATION

Maintain and grow a diverse economy through partnerships and innovation to support large and small businesses and entrepreneurs, while leveraging technology and providing equitable employment opportunities for all community members.

GROWTH & NATURAL RESOURCES

Encourage a diverse, vibrant built environment that preserves and protects the community's natural resources, strives for environmental equity and justice, and encourages sustainable growth that complements existing development.

ORGANIZATIONAL EXCELLENCE

Foster a transparent, nimble organization of employees challenged to provide high quality, responsive, and innovative services efficiently, effectively, and equitably.

SAFE, VIBRANT & HEALTHY COMMUNITY

Promote a clean, engaged community environment where people feel safe and enjoy access to affordable housing and community amenities that support a high quality of life.

TRANSPORTATION & TRANSIT

Develop an equitable and accessible citywide transportation network for pedestrians, cyclists, automobiles and transit that is linked to regional municipalities, rail, and air hubs.

ARTS & CULTURAL RESOURCES

Embrace Raleigh's diverse offerings of arts, parks, and cultural resources as iconic celebrations of our community that provide entertainment, community, and economic benefit.

Objective 1: Cultivate Raleigh's position as a nationally recognized entertainment, cultural, and tourism destination.

- Initiative 1.1: Work with our partners to develop a comprehensive marketing strategy to leverage the community's arts, culture, and innovation sectors to promote Raleigh locally and nationally with a focus on showcasing our creative community.
- Initiative 1.2: Collaborating with our partners, continue efforts to ingrain diverse live music into the culture of Raleigh in both public and privately-owned venues.
- Initiative 1.3: Develop a Public Art Plan to determine future directions for art in public places and identify strategies to guide expansion, develop local artists through mentorship and artist-in-residence programs, and encourage a wide-ranging portfolio of projects.

Objective 2: Identify, protect, and develop places, traditions, and activities throughout the city that recognize Raleigh's rich and diverse history and cultivate innovative and diverse arts, cultural, and tourism opportunities.

- Initiative 2.1: Implement plans for Raleigh's historic and cultural assets to broaden access to our collective history and stories.
- Initiative 2.2: Cultivate projects and partnerships that foster collaboration and business support between the creative community, arts and cultural organizations, and local technology companies.
- Initiative 2.3: Explore and implement opportunities to highlight the culture and history of Southeast Raleigh.

Objective 3: Utilize parks, green spaces, and recreation facilities as cultural hubs, gathering spaces, and neighborhood resource centers to foster connection, creativity, and economic development.

- Initiative 3.1: Collaborate with a broad range of community partners to implement initial phases of the Dorothea Dix Park Master Plan to create an inclusive signature destination park for community members, visitors, and all to enjoy.
- Initiative 3.2: Partner with the community to develop diverse and inclusive arts, recreational, and cultural programming that is affordable, geographically distributed, and representative of the community.

MEASURING PROGRESS¹:

- Number of visitors to Wake County
- Raleigh hotel room nights
- Number of events (by fee type) and attendees at the Performing Arts Center
- Number of events and attendees at the Red Hat Amphitheater
- Number of events and attendees at the Raleigh Convention Center
- Community Survey Rating(s):
 - Variety of arts and cultural programs offered in Raleigh
 - Affordability and availability of arts and cultural programs in Raleigh

¹City Council does not formally adopt performance measures. As part of ongoing evaluation, staff may revise measures as appropriate.

ECONOMIC DEVELOPMENT & INNOVATION

Maintain and grow a diverse economy through partnerships and innovation to support large and small businesses and entrepreneurs, while leveraging technology and providing equitable employment opportunities for all community members.

Objective 1: Identify and enhance workforce development partnerships and efforts and actively serve as a conduit to residents, businesses, and resource partners to attract, retain, and engage a talented workforce of various ages, skill sets, and backgrounds to support a diverse, inclusive, and growing economy.

- Initiative 1.1: Promote and use the Regional Workforce Skills Analysis results in discussions with industry, workforce development, and economic development partners to identify specific strategies and initiatives for each industry sector.
- Initiative 1.2: Create strategies, including public-private partnerships, to support programs that provide workforce development for adults of all ages, skill sets, and backgrounds throughout the community.
- Initiative 1.3: Partner with organizations in the community to continue to enhance youth skill development opportunities with a focus on enhancing the City's Pathways Center.

Objective 2: Cultivate an innovative and entrepreneurial culture based on shared strategic goals.

- Initiative 2.1: Work with partners, including area universities, that encourage and implement creative projects that add jobs and investment in our community.
- Initiative 2.2: Pursue opportunities for the City to participate as a beta customer to support innovation that promotes business development.
- Initiative 2.3: Review and assess the regional innovation and entrepreneurial ecosystems to inform the City's role and involvement in promoting innovation across the region.

Objective 3: Develop strategies and tools that encourage and strengthen the development of businesses throughout the community.

- Initiative 3.1: Implement and increase access to the economic development toolkit for businesses and those seeking to do business in Raleigh.
- Initiative 3.2: Review City policies, programs, and processes for opportunities to reduce barriers to business investment, small business growth, and economic expansion; implement and communicate improvements effectively.

MEASURING PROGRESS:

- Median household income (for those with wage earnings)
- Percent of Raleigh population living below poverty level
- Number of startups reached by the City of Raleigh's Office of Economic Development and Innovation
- Community Survey Rating(s):
 - Satisfaction with the local economy

ECONOMIC DEVELOPMENT & INNOVATION

Maintain and grow a diverse economy through partnerships and innovation to support large and small businesses and entrepreneurs, while leveraging technology and providing equitable employment opportunities for all community members.

Objective 3: Continued

- Initiative 3.3: Create partnerships and identify best practices that assist small, start-up, and minority-owned business development and education.
- Initiative 3.4: Identify opportunities to strengthen and promote the City of Raleigh's Minority and Women-Owned Business Enterprise (MWBE) Program.
- Initiative 3.5: Collaborate with state and regional partners to explore, recruit, and attract corporate headquarters to Raleigh to include evaluation of City strategies, tools, and marketing.

Objective 4: Maintain and develop amenities and infrastructure to support and encourage jobs and business development and expansion in all parts of the city that provides opportunity for all.

- Initiative 4.1: Evaluate downtown parking strategies to address changing office, retail, and residential needs including development of curbside management strategies to adequately support small business in downtown and throughout the city.
- Initiative 4.2: Evaluate the digital divide within our community and develop strategies to connect underserved neighborhoods to affordable internet service through partnerships with the private sector and nonprofits.
- Initiative 4.3: Partner with the business community to promote and collaborate on inclusive and equitable economic development to encourage strategic business investment to areas of the city where the need for that business exists.
- Initiative 4.4: Continue to keep the tourism ecosystem and the Raleigh Convention Center, Red Hat Amphitheater, and Duke Energy Center for the Performing Arts modern, vibrant, and innovative to attract economic generating events to Raleigh.
- Initiative 4.5: Review and update the City's priority areas for economic development for equitable investment and job opportunities throughout the city and develop strategies that promote these areas and encourage developers to invest in these areas.

MEASURING PROGRESS:

- Number of jobs created through economic development toolkit program
- Average annual salary of jobs created through economic development toolkit program

GROWTH & NATURAL RESOURCES

Encourage a diverse, vibrant built environment that preserves and protects the community's natural resources, strives for environmental equity and justice, and encourages sustainable growth that complements existing development.

Objective 1: Identify opportunities to refine and enhance policies and programs that protect and improve environmental resources to include the tree canopy, open space, and plant management policies and practices.

- Initiative 1.1: Conduct a city-wide tree canopy cover assessment; establish canopy metrics and tree planting goals; and identify strategies to improve Raleigh's urban forest to help meet climate, sustainability, resiliency, equity, and accessibility goals.
- Initiative 1.2: Build on the Green Stormwater Infrastructure policy and additional tools to encourage low-impact development in private and public projects.
- Initiative 1.3: Identify opportunities to eliminate barriers and increase education to encourage urban agriculture.
- Initiative 1.4: Identify opportunities to enhance the effectiveness of green waste collection that reflect current best practices.
- Initiative 1.5: Develop and establish a stream restoration prioritization plan, including the identification of dams that create negative impacts.

Objective 2: Complete, adopt, and implement the Capital Area Greenway Master Plan to support a balance of environmental, multi-modal transportation, and recreational uses.

- Initiative 2.1: Develop and implement policy recommendations, operational considerations, and capital investments to position greenway trails as transportation options.
- Initiative 2.2: Expand greenway connectivity and accessibility across all communities, with a focus on connections between residential areas, activity centers, and green spaces.
- Initiative 2.3: Incorporate an array of amenities into the network of greenway trails, based on the priorities identified in the Greenway Master Plan and other emerging best practices, to increase and improve user experience.

MEASURING PROGRESS:

- Raleigh waste generated per household
- Raleigh diversion rate
- Water consumption per capita within the utility system
- Acres of publicly accessible open space
- Percent of population within half-mile distance of a greenway or park trail
- Percentage of good air quality days
- Community Survey Rating(s):
 - Quality of new development in Raleigh
 - Cleanliness of the City's greenways
 - City of Raleigh environmental stewardship efforts

GROWTH & NATURAL RESOURCES

Encourage a diverse, vibrant built environment that preserves and protects the community's natural resources, strives for environmental equity and justice, and encourages sustainable growth that complements existing development.

Objective 3: Identify and facilitate improvements to the built environment and City programs through the use of technology, innovative design practices, and emerging scientific principles.

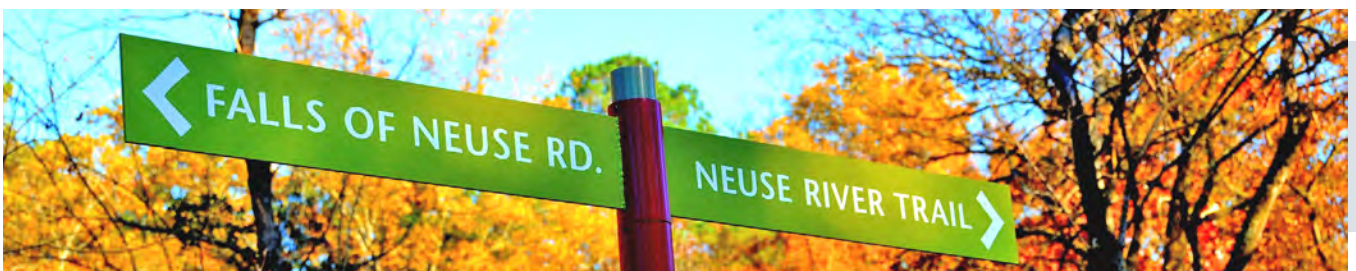

- Initiative 3.1: Utilize an environmental justice mapping tool to enhance understanding of environmental inequities in our community and identify potential options for mitigation.
- Initiative 3.2: Evaluate City programs and resources for scientific and technological investments that could improve environmental performance.
- Initiative 3.3: Evaluate opportunities to enhance sustainability, energy efficiency, and renewable energy in new and existing City facilities.
- Initiative 3.4: Analyze data to identify heat islands within the city and develop potential mitigation opportunities.
- Initiative 3.5: Identify and implement policy, programmatic, and financial strategies to address repetitive structural flooding caused by factors such as undersized infrastructure, land development, and climate change.

Objective 4: Pursue opportunities to advance adoption of comprehensive stewardship practices throughout the community, including efforts to reduce community-wide greenhouse gas emissions, address resiliency, and improve climate equity.

- Initiative 4.1: Identify the priorities and resources necessary for implementation of Community-wide Climate Action Plan (CCAP) actions.
- Initiative 4.2: Identify policy, partnership, and advocacy opportunities that would support modernization of the electricity distribution system and increase use of renewable energy sources.
- Initiative 4.3: Implement strategies for city-wide waste reduction.
- Initiative 4.4: Work with community partners to engage youth in stewardship and environmental education opportunities.

MEASURING PROGRESS:

- Percentage of good air quality days
- Community Survey Rating(s):
 - Quality of new development in Raleigh
 - Cleanliness of the City's greenways
 - City of Raleigh environmental stewardship efforts

ORGANIZATIONAL EXCELLENCE

Foster a transparent, nimble organization of employees challenged to provide high quality, responsive, and innovative services efficiently, effectively, and equitably.

Objective 1: Leverage the City's culture of efficiency, effectiveness, and equity to continue to identify opportunities to improve service delivery.

- Initiative 1.1: Evaluate and implement customer service best practices and training across the organization.
- Initiative 1.2: Develop a comprehensive Citywide customer service system strategy that helps ensure convenience and accessibility for community members.
- Initiative 1.3: Implement a Citywide project management software to enhance project management and delivery.
- Initiative 1.4: Promote a performance management philosophy that encourages continuous improvement and innovation to achieve community and organizational goals.

Objective 2: Align organizational resources to meet the needs of a growing and diverse community and changing environment while maintaining financial stability.

- Initiative 2.1: Ensure the organization's ability to provide services during times of severe stress through a review of business continuity plans and resiliency principles.
- Initiative 2.2: Implement the Civic Campus Phase I, East Tower project, which aims to enhance customer service, create a welcoming and accessible environment, and offer a collaborative, dynamic space for the public and employees.
- Initiative 2.3: Ensure fiscal stewardship by assessing financial trends and addressing potential long-term gaps between available resources and what is required to meet known and emerging community needs.

Objective 3: Recruit, develop, and retain a diverse, high-performing workforce.

- Initiative 3.1: Develop recruitment strategies to ensure the City attracts and hires diverse, highly qualified candidates, while leveraging strengths of the local workforce.
- Initiative 3.2: Work with community partners, including local colleges and universities, on strategies to expand the City's talent pipeline.
- Initiative 3.3: Develop and implement formal workforce planning processes to strategically optimize the City's workforce to meet current and future service needs of the community.

MEASURING PROGRESS:

- General obligation bond rating
- General Fund adopted budget per capita
- Percent of employees trained in a continuous improvement methodology
- Community Survey Rating(s):
 - Overall quality of City services

ORGANIZATIONAL EXCELLENCE

Foster a transparent, nimble organization of employees challenged to provide high quality, responsive, and innovative services efficiently, effectively, and equitably.

Objective 3: continued

- Initiative 3.4: Invest in the professional growth and development of employees through internal and external training, education, and mentorship opportunities.
- Initiative 3.5: Regularly review and refine the City's compensation and benefits package to maintain market competitiveness.

Objective 4: Embed equity throughout the City of Raleigh organization and in the services provided to the community.

- Initiative 4.1: Increase City employees' understanding and adoption of practices to advance social equity through training and continued learning opportunities.
- Initiative 4.2: Develop and implement a Citywide Equity Action Plan to enhance equity in the services provided by the organization.

Objective 5: Promote and enhance inclusive community engagement in City services, programs, and projects.

- Initiative 5.1: Provide access options to communications content and information to meet the diverse needs of our community.
- Initiative 5.2: Obtain regular feedback from community members about City programs, projects, and services and use the information to make improvements.
- Initiative 5.3: Complete a study to review and update the City's community engagement process and implement study recommendations.

MEASURING PROGRESS:

- Employee turnover rate
- City staff demographics
- Community Survey Rating(s):
 - Quality of customer service provided by City employees
 - Ability to access information about the City

SAFE, VIBRANT & HEALTHY COMMUNITY

Promote a clean, engaged community environment where people feel safe and enjoy access to affordable housing and community amenities that support a high quality of life.

Objective 1: Promote a safe and vibrant atmosphere throughout the city of Raleigh by educating community members on City services and the latest safety measures that help support a thriving community in which to live, work, and play.

- Initiative 1.1: Apply Crime Prevention through Environmental Design principles to increase and enhance safety at facilities and open spaces throughout the city.
- Initiative 1.2: Promote safety through education, partnerships, and best practices that empower community members to contribute to a safe and vibrant community.
- Initiative 1.3: Develop and implement strategies to build community members' resilience to disasters, prioritizing vulnerable communities to support equitable recovery and growth following a disaster.

Objective 2: Preserve and increase the supply of housing for all income and age groups, including those with disabilities and supportive service needs.

- Initiative 2.1: Strengthen homeless service resource center partnerships through a robust coordinated entry system to more rapidly deliver homelessness and eviction prevention, rehousing, emergency housing and permanent housing assistance and services.
- Initiative 2.2: Seek new partnerships for the development of mixed-income housing and a broader range of housing choices for varying lifestyles, preferences and age groups.
- Initiative 2.3: Update the Affordable Housing Improvement Plan to include the Affordable Housing Bond and its focus on equitable development around transit and in neighborhoods experiencing escalating housing costs which impact long term residents and limit housing choice.
- Initiative 2.4: Revise the City code to provide greater oversight and authority relative to minimum habitability standards in lodging establishments not intended as dwellings for families with children.
- Initiative 2.5: Eliminate local regulatory barriers to diverse housing types and choices, including options such as tiny homes, accessory dwelling units, and manufactured homes, to accommodate growth, changing life needs and preferences, and enhanced walkability.
- Initiative 2.6: Review City processes for opportunities to streamline and reduce barriers to promote the production of housing.
- Initiative 2.7: Explore partnerships and opportunities to incentivize more landlords to accept housing vouchers.

MEASURING PROGRESS:

- Percentage of Emergency Communications Center calls answered within 10 seconds
- Property crime rate per 100,000 population
- Person crime rate per 100,000 population
- Average time from dispatch to arrival for Priority 0/Top Priority Police Calls
- Percent of Fire Department responses in which first arriving unit arrives at the incident in less than four minutes
- Percent of renters who are cost burdened, spending 30% or more of their monthly income on rent
- Number of census tracts determined to be Racially Concentrated Areas of Poverty (RCAPs)
- Affordable housing goal, number of:
 - Rental units created/preserved
 - Homeowner units created/preserved
 - Down payment assistance
 - Home rehabilitations performed

SAFE, VIBRANT & HEALTHY COMMUNITY

Promote a clean, engaged community environment where people feel safe and enjoy access to affordable housing and community amenities that support a high quality of life.

Objective 3: Promote walkable, mixed-use and mixed-income neighborhoods, including those near transit investments.

- Initiative 3.1: Identify areas characterized by disinvestment and consider funding strategies to adopt and implement plans in these areas.
- Initiative 3.2: Identify and address acquisition of properties in areas undergoing transition, including near future transit and other transformative investments.
- Initiative 3.3: Strengthen neighborhood social fabric through equitable community outreach, connection, engagement, and communication.

Objective 4: Enhance community members' quality of life by providing a well-designed community that facilitates active living and healthy lifestyles.

- Initiative 4.1: Work with the community to implement and support strategies that prevent and address substance use and opioid addiction.
- Initiative 4.2: Implement and support programs and services that offer opportunities for community members to age in place with dignity.
- Initiative 4.3: Work with community partners to implement and support strategies that enhance food security throughout the city.

Objective 5: Pursue efforts to build trust, transparency, and accountability in the City's policing services to provide a positive level of real and perceived safety in the community.

- Initiative 5.1: Implement and support the Police Advisory Board, a diverse and representative body of community members, which aims to build public trust through the review of departmental policies and procedures and serves as liaisons in community engagement efforts.
- Initiative 5.2: Reduce firearm violence in the Raleigh community by utilizing a holistic approach that includes training Police employees, partnering with the community, and using intelligence-led policing.
- Initiative 5.3: Engage in intentional and meaningful dialogue to foster mutual understanding and trust between the Police Department and the community, with an emphasis on face-to-face community meetings.
- Initiative 5.4: Develop and foster meaningful relationships between youth and the Police Department, including continuing the biannual Youth Summit.

MEASURING PROGRESS:

- Community Survey Rating(s):
 - Perception of safety in Raleigh
 - Overall cleanliness of Raleigh
 - Neighborhood's ability to support a healthy and active lifestyle

TRANSPORTATION & TRANSIT

Develop an equitable and accessible citywide transportation network for pedestrians, cyclists, automobiles and transit that is linked to regional municipalities, rail and air hubs.

Objective 1: Develop partnerships and implement a unified and coordinated transportation and land use vision.

- Initiative 1.1: Pursue opportunities and partnerships along high priority transit corridors to advance community priorities, develop specific land use strategies, and support equitable economic development.
- Initiative 1.2: Evaluate the use of curbside space to ensure policies and practices are providing optimum community benefit and flexibility.
- Initiative 1.3: Develop strategies to address transportation infrastructure priorities associated with key development opportunities or City investments.

Objective 2: Enhance the multi-modal transportation network to reduce reliance on single occupancy vehicle trips.

- Initiative 2.1: Develop strategies to strengthen multimodal connections between high impact activity nodes and identify, prioritize, and implement projects that strengthen connections between different modes of transportation.
- Initiative 2.2: Develop and pursue strategies to encourage and incentivize individuals to seek out and utilize alternative modes of transportation, including identification and removal of barriers and improvements to existing transit service.
- Initiative 2.3: Evaluate and pursue opportunities, including partnerships, to expand regional transit opportunities including bus rapid transit, commuter rail, and high-speed rail.

Objective 3: Identify policies, partnerships, and programmatic opportunities to improve the safety of the City's transportation network, with a focus on pedestrians and bicyclists.

- Initiative 3.1: Develop a Vision Zero implementation plan that utilizes partnerships and includes necessary legal, policy, equity, and resource considerations.
- Initiative 3.2: Develop policy considerations on the appropriateness of citywide speed limits and incorporate traffic calming elements into street design requirements for new development; systematically implement changes.
- Initiative 3.3: Update the BikeRaleigh Plan with a focus on equitable outcomes and bike lane implementation focused on linking strategic connections.

MEASURING PROGRESS:

- Percent of commuters using a travel mode to work other than a personal vehicle
- Percent of fuel used in fleet that is alternative fuel

TRANSPORTATION & TRANSIT

Develop an equitable and accessible citywide transportation network for pedestrians, cyclists, automobiles and transit that is linked to regional municipalities, rail and air hubs.

Objective 4: Implement intelligent transportation and emerging technology solutions that activate smart and connected communities.

- Initiative 4.1: Develop a plan to optimize the City's investment in electric vehicle charging infrastructure and model success through continued adoption of electrification and conversion to alternative fuels in the City's fleet.
- Initiative 4.2: Improve the operational efficiency of the City's bus and public transportation vehicles through renewable CNG and electric buses.
- Initiative 4.3: Identify opportunities to install electric vehicle charging infrastructure to advance the public adoption and use of electric vehicles including encouragement for private investment.
- Initiative 4.4: Coordinate, support, and make investments in technology solutions, partnerships, and data collection to improve mobility and support automation, artificial intelligence, service coordination, and other transportation innovations.

Objective 5: Implement equitable transportation programs and service levels with a focus on promoting an inclusive and accessible transportation network.

- Initiative 5.1: Evaluate revisions to transportation programs and policies to improve equitable implementation of infrastructure improvements, broaden options, increase eligibility, and reduce barriers to participation.
- Initiative 5.2: Identify and map areas burdened by past transportation investments and associated air quality or community impacts; and identify mitigation measures to generate better outcomes for impacted residents.
- Initiative 5.3: Improve accessibility for persons with disabilities and active adults by identifying, prioritizing, and implementing transportation supportive infrastructure.

MEASURING PROGRESS:

- GoRaleigh:
 - Ridership
 - Passengers per Hour
 - Passengers per Mile
 - Revenue Recovery
 - On-Time percentage
- Community Survey Rating(s) of:
 - Appearance of the transportation network

Position Summary

The chart below compares the total number of authorized full-time positions adopted with the FY2021-22 budget to the FY2022-23 budget. Mid-year changes represent those actions during the fiscal year FY2021-22 that created or moved positions within a department.

Mid-year changes during FY2021-22 included the creation of two new positions to support American Rescue Plan Act grants in Budget and Management Services and Finance. A position was moved from Information Technology to the Office of Strategy and Innovation to support a collaborative approach to SmartCities initiatives across the organization. An Office Assistant position was moved from Communications to Engineering Services along with the operation of the City's mailroom.

For FY2022-23, notable changes include:

- Two (2) positions were added to the Office of Community Engagement.
- Two (2) positions were added to the City Attorney's Office.
- Three (3) positions were added to Parks, Recreation, and Cultural Resources to provide additional support for Dix Park.
- Two (2) positions were added to support Human Resources, one (1) position for the Benefits program and one (1) position for the Worker's Compensation and Safety program.
- Five (5) positions were added to Engineering Services to support the City's Stormwater program.
- Seven (7) positions were added to Transportation for an additional Signal Crew and to support the Wake Transit Plan and Stormwater Street Maintenance.
- One (1) Psychologist was added to the Fire Department.
- One (1) Senior Community Development Planner/Analyst was added to the Housing and Neighborhoods Department.
- Fourteen (14) positions were added to Raleigh Water. The new positions include eight (8) positions to support the Bioenergy program, two (2) Plant Operations Specialists to support the E.M. Johnson Water Treatment Plant, two (2) Senior Engineers to support plan review, and two (2) positions to assist with Raleigh Water's capital improvement program.

The following page illustrates position counts by department and shows mid-year and proposed changes.

General Fund:
3,045 positions
+11 from
FY2021-22

Other Funds:
1,338 positions
+28 from
FY2021-22

General Fund Budget Highlights

The FY2022-23 General Fund budget includes an 8.2% increase over the FY2021-22 budget. General Fund revenues continue to improve due to citywide growth and the unprecedented growth in sales tax collections. General Fund revenues primarily include property taxes, state shared revenues, sales taxes, licenses, permits, and fees. The FY2022-23 General Fund budget includes a 2.0 cent property tax increase (per \$100 of property value). The property tax increase supports rising costs in employee compensation and critical operational needs for enhancement of core services to the community.

The major operating activities in the General Fund include police, fire, transportation services, general government, planning and development services, parks and recreation, and other governmental service functions.

Strategic investments in the FY2022-23 budget include:

- Continued investment in the City's greatest asset, the employees. This budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- This budget moves Police and Fire pay range minimums to the average of Wake County municipalities plus 6%, with pay range maximums increasing accordingly. Emergency Communications' pay ranges are also adjusted based on market conditions, increasing two ranges in the General Pay Structure.
- The budget moves the General Pay Structure, Police Pay Structure and Fire Pay Structure merit increases to 5% for those below the midpoint and 3% for those at the midpoint and higher. This is an increase from the FY2021-22 budget which funded the merits at 2% and 4%.
- FY2022-23 funds an increase in the Temporary Pay plan from a minimum of \$8.25 to \$11.00 an hour for temporary employees to ensure the City is competitive in the market and continues to provide the critical services our community expects.
- The budget includes a new Permanent Part-Time classification within the City to increase the stability of service delivery, improve recruitment of key positions and maintain programming and services.
- The City is absorbing estimated increases in medical costs and is not proposing increases to the monthly employee and retiree health and dental premiums.
- The LGERS Board of Trustees voted to increase employers' contributions through FY2026 to ensure the pension system is properly funded. For FY2023, contributions for regular, full-time employees will increase from 11.35% to 12.10% and will increase from 12.20% to 13.10% for sworn law enforcement employees.
- The FY2023 budget restores the vacancy credit that was instituted with the

General Fund Budget Highlights Continued

The following investments are included in the FY2022-23 budget:

Public Safety

- Funding in the fleet division of Raleigh Fire to ensure the Department can meet core service delivery through proper maintenance of the Department's vehicles (\$150,000).
- Adds one (1) Staff Psychologist to Raleigh Fire to assist department staff in coping with high stress and trauma situations they face while performing their duties. (\$88,824).
- Replacement of critical core technology at the Emergency Communications Center which will ensure continuity of the 911 Services in the community (\$265,000).
- Funding for Raleigh Police's Annual Youth Summit, a day-long program for youth ages 13 to 18 that features inspirational speakers, roundtable discussions, educational workshops and opportunities for the youth of the community to come together and engage with Raleigh Police (\$100,000).

Equity, Communication and Outreach

- A contracted front-end developer to support the maintenance and continuous improvement of the Raleighnc.gov website and other communication mediums (\$120,000).
- Funding for the Office and Strategy and Innovation's Artist/Innovator in Residence program. The program will provide support to departments across the organization to implement new projects and processes to enhance service to the community (\$135,000)
- Two (2) Community Relations Analyst positions in the Office of Community Engagement to enhance the community engagement efforts of the City and to provide resources for departments in impactful delivery of community engagement (\$161,172).
- Through resources from the American Rescue Plan Act, the Office of Community Engagement will procure a Community Engagement Mobile Bus. The electric bus will be used by the City to take engagement into neighborhoods and that have been traditionally underserved (\$350,000)
- Funding is provided for the Department of Equity and Inclusion for consultant funding. This resource will be used for department organization capacity building, training and facilitation development, and additional support to address inclusion and bias at the department level (\$164,000).

Transportation and Engineering Services

- Additional eBuilder Licenses and updated survey equipment which will assist the Engineering Services Department in project management of capital investments (\$125,000).

General Fund Budget Highlights Continued

Transportation and Engineering Services Continued

- Continue to fund support for the penny dedicated to repaving community streets and roads (\$7.8M)

Parks

- Three (3) positions in Parks, Recreation and Cultural Resources that will enhance programming and maintenance at Dorothea Dix Park (\$640,000).
- Continues to support Parks Maintenance for parks facilities and amenities from a dedication of a penny from property tax revenues (\$7.8M)

General Government

- Two (2) Associate City Attorney positions are added to the City Attorney's Office. One (1) of the positions will support the implementation and administration of the 2020 Affordable Housing Bond while the other will be used to build capacity in the Department..
- To better support the benefits program for all City employees, spouses, dependents, and retirees, the FY2022-23 budget includes the conversion of a part-time employee in Human Resources' Benefits division to one (1) full-time employee.

Affordable Housing

- The FY2022-23 budget continues the City's commitment to the creation of affordable housing and reducing/eliminating homelessness through the general fund contribution of \$7.8 million to support affordable housing development.

Capital Improvement Program

- The FY23-27 CIP utilizes debt capacity to fund additional public safety facilities including advancing the design and land acquisition of the Police Evidence Building (\$10.0m) and design of the Fire Station #1 and Admin Building (\$5.0m) in year one. Funding for construction of the police evidence building (\$25m) is included in FY24 while additional funding for construction of Fire Station #1 and Admin Building was increased to \$35m in FY25.
- The FY23-27 CIP includes utilization of one-time funds for on-going maintenance:
 - **Transportation:** Funding for 2017 Bond Program Gaps (\$17.7m) which includes \$6.7m in facility fees for Barwell Rd and \$6m in one-time capital reserves and \$5m in ARPA funds for Blount/Person Two Way Conversion, major bridge repairs and inspections, neighborhood traffic calming, and pedestrian and bicycle improvements (\$5.5m), and \$0.5m for the Vision Zero Spot Safety program

General Fund Budget Highlights Continued

- **General Public Improvements:** Funding for building system improvements (\$1.6m), Public Project Community Support Fund (\$1.5M) public safety facility maintenance (\$1.4m), planning and feasibility studies (\$0.8m) and continued support for the Building Upfit Grant (\$0.5m)
- **Technology:** Funding to support an institutional fiber refresh (\$.9m)

¹ Special Appropriations includes the General fund contribution to retiree health insurance, payment to Wake County for annual tax collection, municipal elections, and general fund contributions to liability insurance and workers compensation.

² The Office of Economic Development was merged into the Housing & Neighborhoods Department as the Community & Economic Development Division.

³ This amount includes city match for Federal Formula Grants accounted under Fund 810 and shown under special revenue funds.

⁴ General Capital Improvements are explained in greater detail under the "Capital & Debt" tab. These amounts often include one-time transfers pending funding availability.

Revenue Summary

The revenue estimates for the FY2022-23 budget have been made carefully in accordance with City practice. It is City practice to prudently estimate revenues to ensure resources will be available to meet operating, debt, and capital needs pursuant to “no deficiency” budget requirements imposed by state statute.

Property Tax: \$311,500,000

Tax Base

The property tax base is the combination of annually updated values assigned to real, personal, and state certified properties by the Wake County Tax Assessor. The following table indicates growth over the past ten years along with projections for the current and following year in thousands of dollars.

(in thousands of dollars)

Fiscal Year	Tax Base	Growth Rate	Tax	Rate Change
FY 13-14	\$51,293,790	1.7%	0.3826	-
FY 14-15	\$52,432,950	2.2%	0.4038	0.0212 (1)
FY 15-16	\$53,430,640	1.9%	0.4210	0.0172 (2)
FY 16-17	\$57,490,031	7.6%	0.4183	0.0200 (3)
FY 17-18	\$58,894,074	2.4%	0.4253	0.0070 (4)
FY 18-19	\$60,134,760	2.1%	0.4382	0.0129 (5)
FY 19-20	\$61,085,252	1.6%	0.4382	-
FY 20-21	\$76,205,412	24.8%	0.3552	- (6)
FY 21-22 (Adopted)	\$77,181,088	1.3%	0.3730	.0178 (7)
FY 22-23 (Proposed)	\$78,733,526	2.0%	0.3930	0.0200 (8)

(1) 1.12 cents - 2013 streets infrastructure project referendum, 1 cent for street resurfacing

(2) 1.72 cents - 2014 parks project referendum

(3) FY16-17 Revaluation year - Revenue Neutral Rate of 39.83 cents plus 2.00 cent (1 cent each for housing and parks debt)

(4) 0.70 cent for compensation study implementation

(5) 1.29 cents - 2017 transportation referendum

(6) FY20-21 Revaluation year - Revenue Neutral Rate of 35.52 cents

(7) 1.78 cents - 2020 housing bond referendum and 1.0 cent for parks capital maintenance

(8) 2.00 cents - employee compensation and critical operational enhancements

Tax base components are made of Real Property (land, buildings and residences), Personal (business personal property and re-licensed motor vehicles taxed under state law enacted in FY94), and State Certified Values (public utilities and transportation organization assets that extend into governmental jurisdictions across the state; Duke Energy Progress, CSX Transportations, Bellsouth, etc). Projected tax base components for FY2022-23 compared with the projected final FY2021-22 amounts in thousands of dollars are as follows:

(in thousands of dollars)

	Adopted FY21-22	Proposed FY22-23	Percent of Change
Real	68,696,622	69,182,767	0.7%
Personal	7,632,911	8,500,760	11.4%
State Certified	851,555	1,050,000	23.3%
Total	\$77,181,088	78,733,526	2.0%

The ad valorem tax revenue estimate reflects a \$0.393 tax rate per \$100 applied to a projected net tax base of \$78,733,526,000 with a collection rate of 99.50%.

Municipal Service Districts – Ad Valorem Tax

A municipal service district is a defined area within a city in which the City Council authorizes a special property tax, in addition to property taxes levied throughout the city, to fund extra services or projects exclusively benefiting the properties in the district. N.C.G.S. Ch. 160A, Art. 23 regulates the establishment of municipal service districts and types of eligible services Council may authorize. The City of Raleigh has established two municipal service districts: Downtown Business District and the Hillsborough Street District.

	Assessed Value	Tax Rate	Projected Revenue
Downtown Municipal Service District*	3,382,275,000	\$0.0440	1,475,000
Hillsborough Street Municipal Service District	695,470,000	\$0.0965	665,000

**\$1,180,000 for service provider and \$295,000 for the City to provide downtown cleaning.*

Sales Tax: \$130,000,000

The following chart reflects the amount of total sales tax received for the last nine years plus current projected. While estimates vary based on local and other factors associated with individual economies, for sales made within the City of Raleigh, Wake County, and the State of North Carolina, total amount of sales tax received is estimated at **\$130,000,000 for FY2022-23**.

Fiscal Year	Total Amount Received	% of Change
12-13	71,115,246	4.8%
13-14	76,003,994	6.9%
14-15	82,864,205	9.0%
15-16	88,837,128	7.2%

Revenue Summary

Sales Tax continued

Distribution Basis (Articles 39, 40, 42 & Hold Harmless)	Sales Tax Levy	FY2021-22 Adopted	FY2021-22 Projected Receipts	FY2022-23 Projected
Art. 39 distributed on <u>Point of Delivery</u> (Local Economy)	1 cent	51,199,400	58,019,000	58,500,000
Art 40 distributed on Statewide Per Capita (Local Economy)	½ cent	20,765,800	23,532,000	23,700,000
Art 42 distributed on Point of Delivery (Local Economy)	½ cent	25,543,000	28,945,000	29,200,000
Hold Harmless – (municipal adjustments for ½ cent Art. 44 repeal) adds ~¾cent Art. 40, deducts ~ ¼ cent Art. 39		16,329,400	18,504,000	18,600,000
Total Sales Tax		\$113,837,600	\$129,000,000	\$130,000,000

Sales Tax in FY2022-23 is projected to exceed FY22 projected receipts by 0.8%.

- The Local Option Sales tax is distributed to each county based on point of delivery (1 cent point of delivery – local economy) and further distributed on the basis of either the ad valorem tax levy or population within the county, at the option of the Board of County Commissioners. The Wake Commissioners elected the population basis for distribution.
- For Article 40 (Supplemental Sales Tax (two taxes of ½ cents: Articles 40 & 42), the Wake County Commissioners authorized the assessment of the supplemental (half-cent) sales tax beginning July 1, 1984. This half-cent sales tax is collected by the state and remitted to counties and cities on a statewide population basis (1/2 cent per capita – statewide economy).
- Article 42, a second half-cent sales tax was levied beginning in October, 1986. The basis of this half-cent sales tax is point of delivery (1/2 cent point of delivery – local economy) as of October 1, 2009.
- The municipal “hold harmless” provision accounts for prior legislative changes in local sales tax distributions by passing through additional sales tax to municipalities as a result of the half-cent Article 44 sales tax repeal. State Department of Revenue uses a formula which redistributes a share of county sales tax among the cities. This redistribution is calculated based upon Article 39 and 40 allocations.

Revenue Summary

GENERAL FUND

Intergovernmental Revenues: \$49,206,069

North Carolina Franchise Tax

This state-collected revenue source combines: (1) the traditional franchise tax distributed to local governments based on actual receipts of electric service within governmental jurisdictions; (2) an excise tax on piped natural gas, begun in FY00; and (3) a sales tax on telecommunication services begun in FY01 which replaced the utility franchise tax on local telephone service. Effective July 1, 2014, the general sales tax rate is applied to the sale of electricity and piped natural gas, with each municipality receiving a share of state collections using FY14 amounts as a baseline and any leftover/short funds being distributed pro-rata to municipalities on an ad valorem basis. The sales tax on telecommunication is distributed based on each municipality's past share of the old telephone franchise tax. For the FY2022-23 budget, Franchise Tax is projected to continue hold flat at \$28.3M year over year.

Fiscal Year	Budget	Actual Received	% of Change
15-16	25,594,694	29,310,381	
16-17	31,200,000	28,699,407	(2.1%)
17-18	29,400,000	29,425,373	2.5%
18-19	28,141,626	30,320,208	3.0%
619-20	30,300,000	28,865,152	(4.8%)
20-21	30,000,000	28,598,556	(0.9%)
21-22 (Projected)	28,300,000	28,325,000	(1.0%)
22-23 (Adopted)	28,300,000		

Powell Bill

The Powell Bill revenue (\$7,156,000) is a distribution based in part on local state system street mileage and in part on population. Powell Bill funds are to be used primarily for the resurfacing of streets within the corporate limits of the municipality but can also help pay for construction, improvements, repairs and maintenance of any street or public thoroughfare, including bridges, drainage systems, and curb and gutter, as well as when the planning, construction and maintenance of bikeways, greenways or sidewalks. The FY2022-2023 budget includes a reduction of \$2,844,000 over prior year budget associated with a change in the state budget approved in November 2021.

Other select intergovernmental revenues are estimated as follow:

	FY23 Proposed
NC Beer and Wine Tax	1,950,000
ABC Revenues	2,750,000
NC Fire Reimbursement	897,700
Payments in Lieu of Taxes	330,000
Wake County ECC Support	5,156,021

Revenue Summary

GENERAL FUND

User Fees: \$22,383,004

Planning and Development Revenues

Inspection fees reflect revenues from permitting and inspection services for construction and development activity in Raleigh. The local economy, population trends, permit fee rates and the bank lending environment are all factors which contribute to permitting and inspection. Development Services fees, a portion of total inspection fees, are guided by a user fee policy which aligns fees to cover the costs of permitting and inspection services. Inspection fees are budgeted at \$14,181,587, to reflect an increase of 5.2% in comparison to the FY2021-22 Adopted Budget Planning and Development Service Revenues.

Parks and Recreation Revenues

Parks, Recreation & Cultural Resources is estimating a 46% increase in revenues, or \$1.9 million dollars. While this increase is a not a full recovery from pre-pandemic revenues, it does it bring the department closer to those numbers. The increases also include fee increases at pools, amusements, lakes and the addition of a new administrative fee for all registrations over \$15.00. The increase in fees also helps to fund the new temporary part-time pay increases proposed in this budget.

Licenses: \$14,834,000

Automobile License Tax

The state legislature has authorized an automobile license tax of \$30 per vehicle. This tax is expected to generate total collections of \$10,370,000 for FY2022-23. Automobile license tax funds can be used for maintenance and construction of public streets, public transportation, and for general purposes. Other select licenses include Cablevision Franchise, this revenue is programed at \$4,300,000.

Fees and Miscellaneous: \$10,533,971

Penalty Revenues

The enforcement section in the City's Inspection Department assesses penalties for violations related to housing, construction, zoning, conservation, street and other municipal codes. Only 10% of these revenues are retained by the City for administrative costs, the remaining 90% are required to be remitted to the Wake County Public School System. The estimated remittance is reflected in the expenditure section.

Revenue Summary Continued

GENERAL FUND

Interest on Investments

The City receives interest on investments held based on an investment strategy which invests 100% of available cash. In recent years, yields have been decreasing. However, FY 23 is projected to see a slight increase. An amount of \$2,500,000 is estimated for FY2022-23, an increase of \$0.2m from the FY2021-22 Adopted Budget.

Transfer/Reimbursements from Other Funds: \$29,574,007

Appropriations include indirect cost transfers from Parking, Solid Waste, Stormwater and other funds. This also includes reimbursement from the Raleigh Water Funds for water and sewer street cuts performed by Transportation.

General Fund Balance Appropriation: \$20,715,333

The appropriation from fund balance is programmed as part of the General Fund balancing and in alignment with prior years. Appropriated amounts are done so in consideration of not adversely affecting the City's fund balance policy objectives, necessary in maintaining its AAA/Aaa credit ratings. In addition to the annual \$13.0m annual appropriation, the FY2021-23 budget includes \$7.1m in appropriation of General Capital reserves to fund key priorities.

AAA/Aaa

Credit Ratings

Fund Balance

The unassigned General Fund balance of the City was \$104,219,526 on June 30, 2021, which is 19.0 percent of the FY22 General Fund budget. At this point in the fiscal year, the estimated unassigned General Fund balance as of June 30, 2022 is projected to be near the \$83.4 million level. The City seeks a fund balance level of approximately 14% of the subsequent year's budget to assure necessary resources to meet unanticipated emergencies, provide adequate cash flow, and provide the needed measure of financial position to best assure maintenance of the AAA credit ratings for the City.

The budget for FY23 includes the appropriation of \$20,117,733 of General Fund balance. This includes:

- Annual \$13.0m to support citywide operations.
- \$7.1m of general capital reserves to fund Blount/Person Street two-way conversion and the Equity Fund.

Appropriations of this amount should still allow the June 30, 2022 unassigned fund balance to be maintained at an approximate level of 14% of the FY2022-23 budget.

The following chart reports the amount of appropriated fund balance by component and unassigned fund balance amounts for the previous ten years. Generally, the actual annual operating revenues themselves have been sufficient to meet the level of operating expenditures, thus allowing the continuing fund balance appropriations.

Fiscal Year	Appropriated General Fund Balance ⁽¹⁾				Actual Unassigned General Fund Balance	% of Subsequent Years General Fund Budget

General Funds Summary

The City of Raleigh has established separate funds for the purpose of reporting and accounting for all financial transactions. Each fund represents a separate financial and accounting entity established for the purpose of carrying out a specific set of activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations that pertain to the operations or resources of the fund.

The **General Fund (100)** is the principal operating fund for the City of Raleigh. General Fund revenues primarily include property taxes, state shared revenues, sales taxes, licenses, permits, and fees. The major operating activities include police, fire, transportation, general government, planning and development services, parks and recreation, and other governmental service functions.

The **Economic Development Fund (110)** was established to provide a focal point for the City's economic development program. Funding is provided in this budget for selected external organizations that promote growth and development in the Raleigh area.

The **Revolving Fund (130)** was established primarily to account for various year-round recreational activities that are self-supporting with revenues equaling or exceeding expenditures.

The **General Debt Service Fund (190)** provides for the payment of principal, interest and other expenses related to existing debt, other than water and wastewater debt and other enterprise activities.

The **Walnut Creek Amphitheater Operating Fund (652)** was established in FY14 to separate the operating and capital expenses related to maintaining the Walnut Creek Amphitheater. The fund is supported entirely by rental revenue from the facility.

The **Housing Development Funds (735)** receive revenue primarily from City tax dollars that are collected in the General Fund and appropriated to the Housing Development Funds. This funding supports various programs to provide more affordable housing to low and moderate-income residents.

Revenue Summary

OTHER GENERAL FUNDS

Select revenue highlights are as follows:

Fees, Sales & Other Misc. Revenues: \$4,047,329

Fund 130 – Revolving Fund

A variety of fees, sales proceeds and other miscellaneous revenues from Parks, Recreation, and Cultural Resources activities recorded in this fund.

Appropriation of Prior Year Revenues: \$2,910,038

Fund 130 – Revolving Fund (PRCR)

Activities and programs budgeted in this fund support Parks, Recreation, and Cultural Resources. Programs must have collected revenues before they are permitted to incur expenditures. This often results in excess collected revenues being carried forward for use in subsequent years.

Transfers from Other Funds: \$72,460,615

Fund 190 – General Debt Service Fund

The General Fund transfer was reduced by \$8.2 million due to fund FY2022-23 critical capital investments. The major source of funding for the City's general debt service obligations is the general fund capital transfer, with the amount totaling \$67,539,691. Facility fee revenue transfers totaling \$4,920,924 provides support to this fund.

The transfer is inclusive of property tax dedications for capital projects:

- 2.00 cents FY05 referendum pre-revaluation basis
- 1.68 cents various projects in FY09 capital improvement plan
- 0.91 cents FY11 referendum
- 1.02 cents FY13 referendum
- 1.72 cents FY14 referendum
- 1.29 cents FY17 Transportation referendum and 1.0 cents for Dorothea Dix Park
- 0.78 cents FY20 referendum

Fund 735 – General Fund Transfer to support Housing and Neighborhood operations

The major sources of revenue for the Housing Development fund are a transfer from the General Fund to support Housing and Neighborhood operations. This amount is budgeted at \$1,740,317

Amphitheatre Rent: \$1,711,262

Fund 652 – Walnut Creek Amphitheatre Fund

The major source of revenues is made up of operating lease revenue from the agreement with LIVE Nation.

Enterprise Funds

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises — where the intent of the governing body is to recover the costs of providing goods or services to the general public through user charges.

Raleigh Water provides water and sewer operations for the City of Raleigh. The **Public Utilities Fund (310)**, the **Utility Infrastructure Funds (311 and 312)**, **Watershed Protection Fee Fund (313)**, **Utility Debt Service Fund (315)**, and the **Utility Facility Fee Funds (316 and 317)** are supported by user charges and customer fees, covering all operating costs associated with the City's water and sewer systems.

The Solid Waste Services oversees the residential collection, recycling, and yard waste programs. Operations are funded through two funds — **Solid Waste Services Operating Fund (360)** and the **Solid Waste Debt Service Fund (362)** — with support by user fees and by a subsidy from the General Fund.

GoRaleigh is supported by user charges, federal grant contributions and the City's General Fund. Expenditures in the **Public Transit Fund (410)** support the operation of GoRaleigh and the City program for residents with disabilities called GoRaleigh Access.

Raleigh Parking oversees and maintains City owned parking decks and on-street parking. The **Parking Facilities Operating Fund (442)** and **Parking Debt Service Fund (444)** are supported by parking deck and on-street parking rates, and parking violation revenue.

Stormwater manages the City's stormwater system and helps protect resources and reduce flood impacts. The **Stormwater Utility Fund (460)** is supported by revenue generated from a stormwater fee charged to residential and commercial residents of Raleigh.

The Raleigh Convention Center and Performing Arts Complex (RCCC/PAC) is a modern facility attracting conventions and great shows to downtown Raleigh. The **RCCC/PAC Operations Fund (642)** and the **Convention Center Debt Service Fund (644)** are supported partially by ticket sales, user fees, and charges. Operating deficits are supported by an appropriation from the General Fund.

Revenue Summary

ENTERPRISE FUNDS

Select Enterprise Fund revenue highlights are as follows:

Utility Sales: \$230,492,660

Fund 310 – Utility Operating Fund

Raleigh Water revenues are primarily collected from water and sewer volumetric rates. Revenues also include sales related to current municipal contracts with area local governments, regional mergers and a nutrient reduction fee used to fund debt service and utility capital projects. The budget includes an 1.5% increase in the monthly base and volumetric water and sewer charges, with no changes to the infrastructure or watershed charges, which results in a 1.37% increase to the average residential customer.

Residential Solid Waste Fees: \$35,189,880

Fund 360 – Solid Waste Operating Fund

The monthly solid waste refuse fee of \$15.70 per month and the monthly residential recycling fee of \$4.60 total for a combined monthly fee of \$20.30 per month. This includes a \$0.25 per month increase in the Solid Waste monthly yard waste fee to support cost increases associated with fuel, vehicle maintenance, salary and benefits.

Parking Fees: \$14,908,224

Fund 442 – Parking Facilities Operating Fund

Parking continues to experience significant revenue loss associated with downtown parking and special event parking. Parking continues to evaluate the current funding structure of the enterprise to identify savings or changes in the operating model. There are no changes to monthly parking rates.

Stormwater Fees: \$33,292,794

Fund 460 – Stormwater Operating Fund

The City began collecting fees for stormwater services in the spring of 2004. The budget includes a 2.5% increase per Single-Family Equivalent Unit (SFEU), which represents a \$0.18 increase, to cover additional staff and capital improvement projects for the enterprise. The total fee for each single-family equivalent unit (SFEU) is \$7.18 per month.

Revenue Summary

ENTERPRISE FUNDS

Convention Center Fees and Charges: \$18,008,102

Fund 642 – Convention Center Operations Fund

A variety of fees and charges associated with the revenue generating facilities of the Convention Center, Performing Arts Center and Red Hat Amphitheater are used to recover a major portion of the expenses incurred by the various revenue producing operations. Fees include facility rental fees, staff services, and box office services. The FY2022-23 budget assumes a return to normal operations for the facilities in the Department.

Transit Revenues: \$46,861,338

Fund 410 – Public Transit Fund

Fares will be suspended again in FY23. Contracted route and other revenues (\$1,969,463) constitute 4.0% of budgeted operating revenue for the two programs. The Wake Transit plan revenue (\$15,256,653) accounts for an additional 33% of the total operating revenues. Federal and State Grants will be used to offset any net deficit (\$12,178,278). Transfers, primarily from the General Fund (\$17,251,944) are the largest revenue source and provide funding to support transit operations.

Transfers from Other Funds: \$7,730,000

Fund 360 – Solid Waste Operations Fund

A transfer from the General Fund totaling \$7,730,000 is made to the Solid Waste Operations Fund to support solid waste collection, yard waste, and recycling. This transfer was increased by \$1.3m in FY2020-21 to assist in reducing the yard waste legacy pile. FY2022-23 is the final year of the increased transfer.

Position Summary – Enterprise

Enterprise funded positions support the areas of Public Transit, Solid Waste Services, Raleigh Water, the Raleigh Convention Center and Performing Arts Complex, Stormwater, and Parking. New positions include:

- Six (6) positions are being added to Engineering Services and Transportation associated with a Stormwater rate increase to support business operations, inspections, and stormwater street maintenance.
- Eight (8) positions are being added to Raleigh Water to support the completion and commission of the Bioenergy Project and will provide specialized maintenance and operations for the new program.
- Two (2) Plant Operations Specialist positions are being added to Raleigh Water to support services at the E.M. Johnson Water Treatment Plant.
- Two (2) Senior Engineers were added to Raleigh Water’s Development Review Group to meet the growing need for development review and ensure compliance with applicable laws and policies.
- One (1) Senior Engineer and one (1) Engineer Supervisor were added in Raleigh Water’s Project Management Group to ensure the department continues to execute projects within the capital improvement program.
- One (1) Senior Engineer and one (1) Fiscal Analyst have been added to Transit for the expansion of bus services and the implementation of Bus Rapid Transit.

Special Revenue Funds

The primary purpose of the Special Revenue Funds is to account for the proceeds of designated revenue sources that are restricted by law or administrative action for specific purposes. Revenue sources accounted for through the City's special revenue funds include the following:

The **Emergency Telephone System Fund (712)** is comprised of the Emergency Communication Center's allocation of the state's wireless fund. The fund covers wireless eligible costs involved in operating and maintaining a wireless enhanced 9-1-1 system.

The **Convention Center Financing Fund (715)** accounts for hotel and motel occupancy taxes collected by the County and remitted to the City per an interlocal agreement to fund the financing of the Convention Center.

The **Housing Bond Funds (720-724)** account for City housing development programs that are financed by general obligation bond issues.

The **Community Development Funds (741-781)** are primarily supported by federal grant funds allocated to the City for community development programs that are targeted primarily to inner-city areas. In addition to the Community Development Block Grant, revenues in this fund include rental income and loan repayments.

The **Grants Fund (810)** accounts for grants received by the City on an annual basis.

The **CAMPO Fund (811)** supports the Capital Area Metropolitan Planning Organization (CAMPO) activities. Funding comes from federal grants and partner agencies.

Revenue Summary

SPECIAL REVENUE FUNDS

Select Special Revenue Funds revenue highlights are listed below:

Wireless Fees: \$1,948,833

Fund 712 – Emergency Telephone Systems Fund

The fund is used to account for Emergency Communication's portion of the state wireless telecommunications tax. These funds are utilized to cover eligible operating and infrastructure costs associated with responding to inbound 9-1-1 calls that are received from a wireless telecommunications device. In 2007 state law modified the distribution method for 9-1-1 fees. Per the amendment to the City of Raleigh/Wake County 9-1-1 Funding Intergovernmental Agreement, the City now receives 9-1-1 state distributed revenue and is responsible for associated phone line costs.

Occupancy/Food Taxes: \$32,634,675

Fund 715 – Convention Center Financing Fund

The fund is used to account for occupancy and food taxes collected by the County and remitted to the City per an interlocal agreement. These funds are used for the Convention Center facility with the majority of the funding allocated to debt service and capital.

Federal Grants: \$4,838,965

Fund 741-775 – Community Development Funds

Federal grants make up the majority of revenues for the Community Development programs. Funding includes the Community Development Block Grant (\$3,118,483), HOME Grants (\$1,448,216), and Emergency Shelter Grants (\$272,266).

Grants and Matching Funds: \$20,323,083

Fund 810 – Grants Fund

The Grants budget is primarily comprised of Federal grants (\$14,618,029), other grants and State match (\$456,010). City matches are budgeted via a transfer from the General Fund (\$554,872).

Fund 811 – CAMPO Fund

The Capital Area Metropolitan Planning Organization (CAMPO) budget is primarily comprised of Federal funds (\$3,808,255), Wake Transit revenue (\$590,422), and General Fund match (\$295,495).

Internal Service

These funds provide a mechanism by which specific operations can be accounted for and charged to departments on a cost of service basis.

The **Risk Management Fund (230)** includes all expenditures for the City's self-supporting workers' compensation and property/liability insurance programs. The fund also includes the insurance premiums for other types of insurance coverage. The primary sources of revenue are the General Fund and the Public Utilities Fund.

The **Health/Dental Trust Fund (240)** includes all expenditures to provide self-supporting health insurance and dental insurance programs for City employees and retirees. The sources of revenue in this fund include contributions from the City, contributions from employees, and contributions from retirees.

The **Governmental Equipment Fund (251)** and **Enterprise Equipment Funds (252-253)** were established to reduce spikes in annual operating budgets due to equipment purchases and to finance these items in the most beneficial way for the City. Costs for the acquisition of large equipment and vehicles are budgeted in these funds. The sources of revenue to balance the funds are the sum of departmental equipment use charge accounts.

The **Vehicle Fleet Services Fund (260)** was established to provide a mechanism by which the City's Vehicle Fleet Services operation could be reflected in the budget on a full cost basis. Employee salaries and associated operating and equipment costs are budgeted in this fund. The source of revenue to balance the fund is the sum of departmental maintenance and operation (M&O) accounts.

EXPENDITURES

	ACTUAL 2019-20	ACTUAL 2020-21	ADOPTED 2021-22	PROPOSED 2022-23

Position Summary – Other Funds

Authorized positions in Other Funds support the internal service funds of Risk and Vehicle Fleet Services, and positions supported by non-General Fund revenues in the areas of Housing, Grants, and CAMPO (Capital Area Metropolitan Planning Organization). New positions include:

- One (1) position was converted from part-time to full-time in the Risk fund to support the Worker's Compensation and Safety program.
- One (1) Senior Community Development Planner/Analyst was added to the Housing and Neighborhoods Department.
- One (1) Transportation Manager and one (1) Engineer were added to Transit to oversee bus facilities and services, GoRaleigh Access, and Raleigh Union Station.
- Two (2) positions were added mid-year to the Grants Fund to support American Rescue Plan Act grants.

City Agency Grants Programs

The City of Raleigh provides grant funding to not-for-profit agencies through three programs in FY2022-23: 1) Arts, 2) Human Services and 3) Community Enhancement. The following pages summarize these programs and funding for FY23.

City Council requires all outside agencies seeking financial support from the City to apply for grant funding by submitting an application and following the designated grant process. In addition, Council policy limits the amount of funding that can be requested by an agency to a maximum of 25% of the agency's prior year actual operating expenditures. In FY2022-23, this policy is adjusted to allow agencies to submit actual expenditures for either of the last two fiscal years.

In some cases, there are agencies that receive funding from multiple sources including certain human service agencies that receive additional General Fund support. In FY2022-23, the budget includes agencies that requested and/or are allocated funding from multiple sources.

FY23 Agency Grants – Multiple Funding Sources

	GRANT CATEGORY	ADOPTED 2021-22	REQUESTED 2022-23	PROPOSED 2022-23

Arts Agency Grants

Overview

The City of Raleigh arts grant program is the official vehicle for municipal support to the City's arts organizations, providing support in a normal year for a diverse range of opportunities, including City arts festivals, live theatre, dance and music performances, visual arts exhibitions, and youth arts programs. The arts grant program has been critical to the development of many of Raleigh's cultural organizations, helping to bring stability to the City's arts community and providing leverage for groups to seek business, foundation, and other agency matching grants.

Arts and culture-related industries, collectively known as "creative industries," provide direct economic benefits to Raleigh by creating jobs, attracting new investments, generating tax revenues, and stimulating tourism and consumer purchases. Traditionally, the nonprofit arts and culture industry generates hundreds of millions of dollars in annual economic activity in Raleigh while drawing people downtown to enjoy local restaurants, bars and retail establishments, according to the 2017 Arts & Economic Prosperity 5 National Economic Impact Study (AEP5), an economic impact study conducted by Americans for the Arts.

However, the COVID-19 pandemic impacted every FY2022-23 grant applicant over the past year. Arts and cultural organizations saw catastrophic losses to traditional earned revenue streams like ticket sales, event sponsorships, class fees and other earned income sources. Despite beginning to rebuild programming and events, these nonprofit organizations do not project earned income streams fully normalizing until FY2023-24.

All of Raleigh's arts groups pivoted to virtual programming, moved in-person programming to outdoor venues, and/or entered into transformative new partnerships. For example, Artspllosure partnered with the City on *Night of Lights*, the alternative New Year's Eve celebration created in 2020. The African American Cultural Festival developed a new partnership with the Duke Energy Center for the Performing Arts to co-produce Kwanzaa events. The Justice Theater Project partnered with the North Carolina Museum of Art to re-envision its annual holiday production of Langston Hughes' *Black Nativity* into a free outdoor event on museum grounds.

Every organization found ways to continue providing public value even though monetizing the new programming resulted in significantly less revenue than for pre-pandemic events. What has enabled these organizations to survive is COVID-Relief funding, grants, individual contributions, and other pandemic-support, which offset some of those financial losses.

The current per capita allocation for arts is \$5.00 that, based on a population of 474,069, brings the total arts per capita funding level for FY2022-23 to \$2,370,345. The per capita funding also supports implementation of the Raleigh Arts Plan (\$230,000).

Arts per capita funding for arts grants and programming is disbursed by the Raleigh Arts Commission. Arts grant requests are evaluated by grant panels based on established criteria, including artistic merit, management capacity, financial accountability, grant compliance, and community engagement.

In addition to the per capita allocation, an additional \$575,970 is provided for existing lease or operating agreements between the City and the following performing arts organizations: Carolina Ballet, North Carolina Symphony, Raleigh Little Theatre, and Theatre in the Park.

Grant funding requested and the amount allocated for FY2022-23 is listed by agency on the following page. Additional information regarding arts agency appropriations may be obtained by contacting S.A. Corrin, Arts Grant Director, at (919) 996-4686 or via e-mail at Sarah.Corrin@raleighnc.gov.

Community Enhancement Grants

Overview

Annually, the City of Raleigh receives federal Community Development Block Grant (CDBG) funding. The City allocates a portion of this funding through a Request for Proposal process to non-profit organizations providing services to low- and moderate-income persons or neighborhoods. A total of \$230,000 in CDBG funds were made available for this year's Community Enhancement Grant program. Ten proposals, with requests totaling \$429,907, were received and nine were eligible for review. Proposals were evaluated by City staff from the Housing & Neighborhoods Department's Community and Economic Development and Neighborhood Enrichment Divisions. Five agencies are recommended for Community Enhancement Grant funding in FY2022-23: Loaves and Fishes, Partnership to End Homelessness, StepUp Ministry, The Green Chair Project and the YMCA of the Triangle.

Additional information regarding Community Enhancement Grants may be obtained by contacting John Niffenegger, Federal Programs Manager, at (919) 996-4330 or via e-mail at John.Niffenegger@raleighnc.gov.

Human Service Agency Grants

Overview

The Human Relations Commission (HRC) awards annual grants to nonprofit organizations that provide services to Raleigh residents who identify with one of the five targeted groups: the elderly, youth, persons with disabilities, substance users, and persons experiencing homelessness.

The total funding allocated to human service agencies in FY2022-23 is \$1,113,964. Funding includes \$622,464 in grants awarded by the HRC which is a 10% increase over FY2021-22 per Council's direction. Also, included is \$491,500 in additional General Fund support for agencies historically supported by City Council. Funding totals for these agencies remain unchanged from FY2021-22. In FY2022-23, additional General Fund support is included for the following agencies: CASA (\$84,500), Healing Transitions (\$95,500), InterAct (\$70,500), Interfaith Food Shuttle (\$95,500), Legal Aid (\$50,000) and Tammy Lynn Center (\$95,500) to bring their total City grant funding in FY2022-23 equal to the funding those agencies received from the City in FY2021-22:

Human Service Agencies – Combined Funding Totals	ADOPTED	ADOPTED	PROPOSED

Agency Funding Transitions

Per Council action in July 2018, historically funded Other Outside Agency grants with an economic development focus move to the Housing and Neighborhoods – Community and Economic Development Division for management as contracts for services starting with the FY2019-20 budget. The list of economic development agencies managed as contracts for services is provided in the table below. In FY2021-22, The Chamber of Commerce provides additional economic development services resulting in a \$130,000 increase to the contract.

Historically-Funded – Economic Development	ADOPTED 2020-21	ADOPTED 2021-22	PROPOSED 2022-23
Blue Ridge Corridor Alliance	40,000	40,000	40,000
Chamber of Commerce	170,000	300,000	300,000
Downtown Raleigh Alliance	108,450	108,450	108,450
Hillsborough Street CSC	125,000	125,000	125,000
Southeast Raleigh Assembly	46,178	-	-
Total Economic Development	\$489,628	\$574,250	\$574,250

In FY2019-20 historically funded OOA affordable housing agencies moved to the Housing & Neighborhoods Department for management as contract for services. The FY2022-23 budget continues \$75,000 in contract services support for the Oak City Outreach Center for weekend meal distribution. This contract is managed by the Housing & Neighborhoods Department. The list of affordable housing agencies managed as contracts for services is provided in the table below.

Annual Grants

Overview

The City of Raleigh receives several annual grants which are adopted through the budget process. For budgeting purposes, the annual grant revenues and expenditures are estimated based on prior year grant awards. Mid-year amendments are made if official award amounts vary from the budgeted estimates.

Additional information regarding these grants may be obtained by contacting Kirsten Larson, Grants Program Administrative Manager, at (919) 996-4276 or via e-mail at Kirsten.Larson@raleighnc.gov.

Budget Highlights

- The Dix Park Conservancy grant funding supports future phases of development at Dix Park in the Parks, Recreation and Cultural Resources Department.

Annual Grant Descriptions by Department

Fire

Emergency RRT4 (Regional Response Team) – The department maintains and operates a hazardous materials team that responds within the City and contracted areas in Wake County and the State of North Carolina. The program’s mission includes hazardous materials incident mitigation, outreach training programs, purchasing equipment and review and development of response policies.

Housing & Neighborhoods

Foster Grandparent Program – This program is an inter-generational tutoring and mentoring program that partners seniors (ages 55+) with at risk and special needs youth. The “foster grandparents” provide support to help students achieve emotional and educational development benchmarks. The program provides the “foster grandparents” with a means to remain engaged, active members of their communities, putting their life experiences to work. It pays salary and benefits for one full-time position in Community Engagement as well as operating expenses for the program.

Parks, Recreation and Cultural Resources

Dix Park Conservancy Grant - The City of Raleigh and Dix Park Conservancy executed a Memorandum of Agreement (MOA) in 2020 to establish a long-term partnership to implement future phases of development at Dix Park. As part of the MOA, a funding agreement was developed wherein the Conservancy committed to fund the design of the Plaza & Play area and fund requests for additional donations for programs and events at Dorothea Dix Park, capital projects, or other requested donations to support the development of the park.

Annual Grants

Transportation Services – Transit

Transportation Demand Management – Funding from this grant pays 50% of salary costs for two full-time coordinators of the City’s transportation demand management program, along with marketing and outreach costs in the targeted areas. Targeted areas currently include Downtown Raleigh and within and just outside the I-440 beltline for business outreach and within City limits for residential outreach.

Federal Transit Metropolitan Planning – This grant pays salary and training costs for thirteen full-time planning positions within the Transit Division. The funding also supports transit planning for making transit investment decisions in metropolitan areas. Activities include annual data collection, special transit planning studies, transit related National Environmental Policy Act (NEPA), and support of the Triangle Regional Model and Short-Range Transit Planning efforts.

Additional Federal Transit Metropolitan Planning grant funding including operating federal formula grants and city match from the General Fund is noted on the Transit budget page in the Infrastructure and Public Services section.

The City annually receives Community Development Block Grant (CDBG), HOME and Emergency Shelter Grant (ESG) funding. Information on these grants can be found on the Housing & Neighborhoods department budget page.

American Rescue Plan Act (ARPA) Grant Funding

Overview

The American Rescue Plan Act 2021 was signed into law by President Biden on March 11, 2021. The act provided cities and counties with \$130.2 billion. Through ARPA, the City of Raleigh is allocated \$73.2 million which must be fully encumbered by December 31, 2024 and spent by December 31, 2026. A list of all current ARPA projects can found on the City's website at <https://raleighnc.gov/grants-and-funding/american-rescue-plan-act-arpa-funding>.

For additional information, contact Leone Lettsome, ARPA Grant Program Manager, at (919) 996-4272 or via e-mail at Leone.Lettsome@raleighnc.gov.

Budget Highlights

- ARPA grant funding supports two positions responsible for the administration of the ARPA grant funds.
- ARPA funds will be utilized to replace revenue supporting City wide fuel costs. Through this revenue replacement, general fund capacity will be utilized for the Blount Person Two-Way Conversion Capital Project
- ARPA funds a Community Engagement Mobile Bus.

American Rescue Plan Act (ARPA) Funding – Community Health Initiative

Overview

During FY22 Council approved \$10.0M in ARPA funding for community health initiative capital projects. The funding was allocated in effort to partner with nonprofits to expand community health initiatives around mental health, food security and assistance for those disproportionately impacted by the COVID-19 pandemic. An RFP process was conducted. Sixteen proposals were received with over \$36 million in funding requested. The following is a list, by agency, of the requested grant funding the amount awarded, and a short initiative project description of the funded projects.

ORGANIZATION	AMOUNT REQUESTED	AMOUNT AWARDED	PROJECT DESCRIPTION
Wake Med	1,827,611	1,827,611	Funding for a \$1.8M capital project to renovate, upgrade and outfit a recently-acquired property and its landscaping in a trauma-informed design to help support the WakeMed Health & Hospitals Center for Community Health – Care. Innovation.Equity (CHIE) operations.
Haven House	1,225,000	1,225,000	Funding to renovate recently purchased 14,000+ sq ft building. Renovations will use trauma-informed design to double intake space, increase meeting space, provide permanent pantry and climate-controlled boxing/exercise facility.
Passage Home	1,113,250	1,113,250	Funding to purchase property at the corner of Garner Road and Hoke Street property and remediate any environmental concerns related to previous activity on the parcel.
SAFEchild	3,000,000	1,000,000	Funding for a new facility. In a new 18,000+ sq ft building on Kidd Road in Raleigh, SAFEchild will serve children, families and the community in one facility designed specifically for programs, security and confidentiality.
TLC (formerly Tammy Lynn Center)	2,801,293	1,000,000	Funding for a new facility. The first of four phases builds a 7,000 sq ft state-of-the-art Intermediate Care residence for medically fragile individuals.
Southlight	1,385,000	950,000	Funding to provide updates to the Garner Road Treatment Center to increase capacity and serve more people in a transformative environment.
Emmaus House	907,000	653,361	Funding to purchase a multi-family home within 20 miles of downtown Raleigh. This house, named Emmaus House VI, will provide housing for men in recovery that are undergoing Medically Assisted Recovery (MAR).

ORGANIZATION	AMOUNT REQUESTED	AMOUNT AWARDED	PROJECT DESCRIPTION
DHIC	610,000	610,000	Funding will be used to complete the asbestos abatement and building demolition scope that will lay the groundwork for the construction of Milner Commons, an affordable housing development located at the current site of Milner Memorial Presbyterian Church at 1950 New Bern Avenue.
Ship Outreach	538,947	538,947	Funding for upfit for the Ship Outreach transition housing and education center that will provide transitioning, housing, job training and case management for human trafficking victims.
Healing Transitions	504,950	504,950	Funding for capital environmental safety improvements (heating, ventilation and air conditioning) at both the men's and the women's campus. This is an additional mitigation strategy to minimize exposure and transmission of COVID-19 in a congregate living setting.
Triangle Family Services	394,169	394,169	Funding for major renovations to the existing Critical Community Care building's interior, exterior, site and technology infrastructure. The building, was built in 1959.
Salvation Army	2,701,081	120,000	Funding to renovate the current space to provide additional single room occupancy shelter spaces for families in Wake County experiencing homelessness and to renovate the building's current HVAC system in order to provide more adequate airflow, bi-polar ionization and temperature regulation for families in the shelter.
SPCA Wake County	5,435,881	62,712	Funding to support an overarching \$20M capital project includes a renovation of our main building, the replacement and expansion of an aging admissions facility, and the consolidation of operations into one campus in south Raleigh for efficient service delivery. The focus of this proposal is partial funding of the new Admission and Resource Center (ARC).
Boys & Girls Clubs	3,500,000	-	
Autism Society of NC	3,703,000	-	
Urban Ministries	6,696,729	-	
Totals	\$36,343,911	\$10,000,000	\$0

Municipal Service Districts

A municipal service district (MSD) is a defined area within a city in which the City Council authorizes a special property tax, in addition to property taxes levied throughout the city, to fund extra services or projects exclusively benefiting the properties in the district. N.C.G.S. Ch. 160A, Art. 23 regulates the establishment of municipal service districts and types of eligible services Council may authorize. A service district is not a separate entity, instead it may be used to raise money from the property owners who most directly benefit from the provision of additional services or projects.

The City of Raleigh has established two municipal service districts: Downtown Business District and the Hillsborough Street District. The Downtown MSD is defined as a downtown revitalization district, while Hillsborough Street MSD is defined as an urban revitalization district.

The Downtown MSD and the Hillsborough Street MSD were established following a public engagement process. City Council approved a service boundary and contracted service provision to a service provider through a competitive selection process. Those services include street and sidewalk cleaning, a safety ambassador program, economic development assistance, project development, business retention and recruitment, marketing, and promotions.

The City went through an extensive request for proposal process to comply with State legislation during FY2019-20. Through the City's MSD RFP process, Downtown Raleigh Alliance (DRA) was selected to provide services in the Downtown MSD and Hillsborough Street Community Services Corporation (HSCSC) was selected to provide services in the Hillsborough Street MSD from FY21 through FY25. The scope of services, to be delivered in both MSDs, includes addressing a clean and safe environment, economic development, targeted visitor and marketing communications, and community stakeholder engagement and conflict resolution for residents and property owners within the MSDs.

Since Fall 2017, the City performs tasks associated with the clean environment scope of service for the Downtown MSD. Other scope of service tasks are performed by the service providers selected for a five-year term, which is the contract length requested. With the annual budget process, Council adopts a tax rate and budget for each district.

In FY2022-23 the tax rate for the Downtown MSD is \$0.044 per \$100 of assessed property value and the contract amount for DRA is \$1,180,000. DRA also receives approximately \$490,000 in City funding from the Parking Fund for safety ambassadors and contractual support for economic development (\$108,450) through the Economic Development Fund. The approximate total amount of funding DRA will receive from the City in FY23 is \$1,778,450.

In FY2022-23 the tax rate for Hillsborough Street MSD is \$0.0965 per \$100 of assessed property value which equates to \$665,000 in tax revenue. The contract amount for HSCSC is \$750,323 which includes \$85,323 in a payment-in-lieu-of-taxes for the Stanhope Pullen property (see footnote for additional information) and the MSD tax revenue collected. The HSCSC also receives contractual support for economic development through the Housing and Neighborhoods – Community and Economic Development Division (\$125,000). In total, the HSCSC receives \$875,323 from the City in FY23.

¹Payment-in-lieu of taxes (PILOT) for the Stanhope Pullen/Valentine Commons Raleigh Student Housing project. On January 18, 2011, City Council approved a resolution in support of a student residential development by Stanhope Properties LLC (Stanhope). The Stanhope property is located within the boundaries of the Hillsborough Street MSD. Stanhope was organized as a non-profit entity to provide affordable and safe housing and parking accommodations exclusively for students of multiple educational institutions. Stanhope applied for and was granted an exemption from assessment of ad valorem property taxes. Stanhope agreed, in a related operating agreement, to make an annual PILOT to the City in an amount equal to the Special District tax for the MSD.

Tax Increment Grant (TIG)

A tax increment grant (TIG) is a program designed to deliver needed public infrastructure and other benefits by providing development projects with a financial reimbursement equal to a set percentage of new property tax revenues created by the project for a set period of time. The purpose of the TIG is to increase the tax base, advance economic growth in priority areas of the City where private investment has not otherwise historically occurred, encourage job creation, enhance the public realm, and/or gain additional public benefits from development projects. Per City Council policy, the amount of total TIG assistance to all projects is limited to two percent of the annual property tax levy in any given year.

The City does not have any TIG agreements to report for the FY23 budget year.

City Council

Department Overview

The City Council is Raleigh's governing body, consisting of eight citizens elected to serve two-year terms. Three of the members are elected by the entire city, including the Mayor, and the other five members are elected by district. The Mayor, a member of the Council, is the presiding officer.

The City of Raleigh has operated under the council-manager form of government since 1947. The City Manager is responsible for the day-to-day operations of the city. The City Council sets city policy, enacts ordinances as required by law, and authorizes all public service programs to maintain an orderly, healthy, and safe environment for the Raleigh community. The Council appoints members to the various advisory boards, commissions, and committees, approves certain licenses and permits, adopts the annual budget, and sets the tax rate on an annual basis. The City Council also appoints and removes the City Manager, City Clerk, and City Attorney.

Additional information regarding the City Council may be obtained by contacting Louis M. Buonpane, Chief of Council Services, at (919) 996-3070 or via email at Louis.Buonpane@raleighnc.gov.

Budget Highlights

- The FY2022-23 budget for City Council does not include any funding enhancements or service level changes.
- Effective with the FY2018-19 adopted budget, City Council pay is adjusted by the same average merit increase applied to regular employees assigned to the broadband system.

City Clerk

Department Overview and Key Programs

The City Clerk, one of the three positions appointed by the City Council, reports to the Mayor and City Council and is responsible for the permanent, official records of the City. The City Clerk's Office attends all meetings of the City Council and its committees and records official actions, acts as the records custodian, and responds to requests for information and research assistance to staff and the public on all aspects of City and Council actions. Other responsibilities include tracking and coordinating City Council appointments to their advisory boards.

Key programs in the City Clerk's Office are included below. A full list of programs can be found in the City's Program Catalog,

located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **City Council Support:** Provides state mandated support for City Council and its committees. Which includes assisting with agenda preparation, advertisement and notification to the public, providing backup material and reports to facilitate council actions, attending and recording minutes for all meetings, developing ordinances/resolutions, updating municipal code, and other duties that may be assigned by Council. The City Clerk's Office also manages the appointment process for Council-appointed boards and commissions.
- **City Staff Support:** Provides research assistance to staff that allows them to provide service to the City Council and carry out work that ensures the continuity of City services (includes contract execution and records retention as required by law and to preserve historical assets of the City).
- **Community Support:** Provides customer service, research assistance, and disseminates information to the public on various City services and acts as a direct line between Council and the public.

Additional information regarding the City Clerk's Office may be obtained by contacting Gail Smith, City Clerk at (919) 996-3040 or via email at Gail.Smith@raleighnc.gov.

Budget Highlights

- The FY2022-23 budget for City Clerk does not include any service level changes outside of personnel and benefit increases.
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

City Attorney

Department Overview and Key Programs

The City Attorney serves as the primary legal advisor to the Mayor, City Council, and City administration. The City Attorney's Office supports the City Attorney in the provision of these legal services and provides legal guidance and direction to City departments and the City's advisory boards and commissions. The City Attorney is appointed by the City Council and reports directly to the Council.

The City Attorney's Office represents the City in lawsuits filed by or against the City in all courts and in administrative and quasi-judicial matters before other review bodies, including the Board of Adjustment and North Carolina Industrial Commission.

The practice areas of the City Attorney's Office also include real estate acquisition and disposition, negotiation of City contracts, representing the City in economic development projects and public-private partnerships, and offering guidance in planning and zoning matters, including development plans review. For matters where the City seeks external legal representation, the office coordinates the retention and oversight of outside counsel.

Key programs in the City Attorney's Office are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- Legal Services: The City Attorney's Office represents the City in lawsuits filed by or against the City in all courts and in administrative and quasi-judicial matters before other review bodies, including the Board of Adjustment and North Carolina Industrial Commission.

Additional information regarding the City Attorney's Office may be obtained by contacting Robin Tatum, City Attorney, at (919) 996-6560 or via email at Robin.Tatum@raleighnc.gov.

Budget Highlights

- Two Associate Attorneys are included in the proposed budget for the Office. One of the positions will assist with the litigation practice and general municipal law issues. The other position, funded through the 2020 Housing Bond, will be utilized to assist with the transactional practice areas, increasing the Office's capacity to support the City's affordable housing efforts.
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

City Manager's Office

Mission

To build a stable platform of evolving services for our community through which we champion positive and sustainable growth and realize visionary ideas for all.

Department Overview and Key Programs

The City Manager's Office is the center for administration of the City of Raleigh organization. In addition to the coordination and oversight of activities of all City departments, the City Manager's Office also provides direct staff assistance to City Council members, including the Mayor and Council committees.

The City Manager's Office leads the financial and budget management processes for the City and directs the City's efforts to plan for the future. Staff members perform research, suggest public policy development and direction for City Council, and evaluate potential public programs. The City's established organizational values – responsiveness, integrity, respect, collaboration, honesty, diversity, stewardship, and initiative – guide the work of the City Manager's Office and staff throughout the organization.

The City Manager's Office includes the Office of Emergency Management and Special Events, Office of Internal Audit, Office of Sustainability, Office of Community Engagement and the Office of Strategy and Innovation. Much of the City's interaction with outside organizations, including federal, state, and local government relations and initiatives, local colleges and universities, and numerous external nonprofit agencies, is coordinated through the City Manager's Office.

Key programs in City Manager's Office are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Council Support:** The City Manager's Office provides direct staff assistance to City Council members (including the Mayor and Council committees). The department answers Council member questions and distributes information prior to posted meetings. The department also prepares and distributes Council agendas in accordance with the NC Open Meetings Act and provides After Action Reports following each Council meeting.
- **City Management:** The City Manager's Office coordinates and oversees all activities of City Departments. The department executes policies and prepares City Council agenda, leads financial and budget management process for the City, directs the City's efforts to plan for the future, and performs research, suggests public policy development and direction for City Council and evaluates potential public programs.

Additional information regarding the City Manager's Office may be obtained by contacting Michele Mallette, Chief of Administrative Services, at (919) 996-3070 or via email at Michele.Mallette@raleighnc.gov.

TOTAL	\$2,474,744	\$2,780,385	\$2,958,303	\$3,144,436

Budget Highlights

- The FY2022-23 budget for City Manager's Office does not include any service level changes.
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

Office of Community Engagement

Mission

The Office of Community Engagement works to advance the City's goal of improving and reimagining community engagement efforts. The office helps encourage active participation in decision making dialogue and public policy. The Office of Community Engagement will lead a people-focused process that increases the collective capacity of the community to improve the quality of life for the individuals who live, work, and play here.

Office Overview and Key Programs

The Office of Community Engagement promotes strategic public engagement efforts, advises and supports City departments, participates in community-wide events, recommends opportunities for organizational improvement, and develops meaningful and sustainable relationships with communities.

Key programs in the Office of Community Engagement are included below.

- **Strategic Planning & Implementation:** Supports the citywide strategic plan with identified goals, objectives, and focus areas specific to community engagement efforts. Incorporates internal and external stakeholder input. Responsible for advancing City Council priorities with innovative approaches to how we engage with the public and enhance meaningful community engagement into city services, decision-making processes, and programs.
- **Training and Department Support:** Serves as a consultant and subject matter expert to city departments by identifying improvement opportunities and barriers to participation.

Monitors and evaluates the effectiveness of community engagement activities. Develops community engagement resources and training tools to assist in the development of staff capacity. This includes the utilization of Public Engagement Plans, Outreach Summaries, and the City's Public Participation Playbook.

- **Outreach & Education:** Develops opportunities to make the public aware of city services, programs, and initiatives. Builds relationships with community-based groups with a focus on delivering information and resources to historically underrepresented and underinvested communities. Implements the process by which the results of engagement activities and projects are shared with the public.

Additional information regarding the Office of Community Engagement may be obtained by contacting Tiesha Hinton, Community Engagement Manager, at (919) 996-2707 or via email at Tiesha.hinton@raleighnc.gov.

General Fund Contribution	-	-	\$190,054	\$498,396
TOTAL	-	-	\$190,054	\$498,396

Budget Highlights

- The Office of Community Engagement proposed budget includes the addition of two Sr. Community Relations Analyst positions. These positions will provide resources for strategic engagement efforts that establish relationships with historically underrepresented groups.
- The proposed budget includes additional operating resources that allows for staff training and the purchase of program supplies that support the Office's mission.

- Funding is included in the ARPA grant to purchase an electric mobile engagement bus. The bus will provide opportunities for the office to provide outreach in neighborhoods around the community.
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

Key Initiatives

- Develop a community engagement strategy to better connect residents with city resources, promote relationship building, establish partnerships, and increase the awareness of City services (Organizational Excellence, Objective 5)
- Establish a Community Engagement Board to assist with the development, evaluation, and implementation of organizational community engagement efforts. (Organizational Excellence, Objective 5)
- Develop and implement an organizational process to operationalize regular feedback received from public engagement events, and strategically close the loop by communicating the results of engagement activities and project results. (Organizational Excellence 5)

Office of Emergency Management and Special Events

Mission

The Office of Emergency Management and Special Events establishes and maintains a strategic framework to efficiently guide and coordinate City resources while collaborating with external partners throughout emergencies and special events. The Office also oversees the private use of public space, acting as a liaison to the nightlife industry to ensure a more vibrant and safe community. Whether guiding the City through disaster response or establishing a clear and accountable process for those who are interested in generating on-street activity, the Office is committed to protecting the health, safety and welfare of community members and visitors.

Department Overview and Key Programs

The Office of Emergency Management and Special Events is one of the independent offices organizationally housed within the City Manager's Office. Primary responsibilities include providing leadership in disaster preparedness and response, inter-departmental coordination related to event management and nightlife activity, and project management for high consequence initiatives.

Key programs in the Office of Emergency Management and Special Events are included below. A full list of programs can be found in the City's Program Catalog, located at

<https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Hospitality:** The Office's Hospitality program regulates the standards and procedures for approving the private use of public space (PUPS) for outdoor seating, pushcart vending, parklets, street performers, and newsracks. Hospitality also focuses on community engagement, building relationships with local businesses to mitigate challenges associated with nightlife activities.
- **Special Events:** The Office's Special Events program provides a single point of contact for event management and compliance, overseeing all aspects of special events that use City streets, public plazas, and Dorothea Dix Park.
- **Emergency Management:** The Office's Emergency Management program coordinates disaster planning efforts and training of City employees to strengthen preparedness, response, recovery, and mitigation during all hazards affecting our community. Emergency Management also oversees the Emergency Operations Center (EOC), which is staffed with City personnel to ensure a unified response to support our community throughout the duration of any disaster.

Additional information regarding the Office of Emergency Management and Special Events may be obtained by contacting Whitney Schoenfeld, Office of Emergency Management and Special Events Interim Manager, at 919-996-2200 or via email at specialevents@raleighnc.gov.

Budget Highlights

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- Funding for the City's July 4th Fireworks display was removed from the Office of Emergency Management and Special Events and added to Parks Recreation and Cultural Resources budget in FY23 (\$41,000).

Performance Indicators

	ACTUAL 2019-20	ACTUAL 2020-21	ESTIMATE 2021-22	PROJECTION 2022-23
Overall Event Attendance	911,946*	70,782*	930,000	1,000,000
Number of Events	277*	221*	442	500
Number of Outdoor Seating Permits	N/A**	46	52	55
Number of PUPS Permits (Newsracks, Street Performers, Pushcart Vending)	N/A**	110	110	100

* In FY2020 to some extent, and more evidently in FY2021, events were impacted by Executive Orders that imposed restrictions intended to slow the spread of the COVID-19 virus by, among other things, limiting large events and gatherings of people.

** The Office took on Hospitality-related management responsibilities in April 2020, so data collection began with FY2021.

Key Initiatives

- Oversee a formalized Emergency Management program that allows the City to continue critical operations. This includes plan development, training, exercises, and the implementation of the organization's Business Continuity Plan, which outlines the steps that the City will take to return to normal business operations during times of severe stress. (Organizational Excellence, Objective 2; Safe, Vibrant & Healthy Community, Objective 1)
- Work with internal and external partners to coordinate the City's COVID-19 response, including the restoration of normal City of Raleigh operations, supporting the vibrancy of our community through the management of extended outdoor dining, reestablishing a perceived sense of safety downtown, and developing and implementing new health and wellness protocols to encourage the safe return of special events. (Economic Development and Innovation, Objective 4).
- Develop a comprehensive Hospitality and Nightlife Management Program to address issues related to establishment operations and the Private Use of Public Space (PUPS), while considering the needs of an increasingly diverse population and a growing number of downtown stakeholders. (Transportation & Transit, Objective 1)
- Devise and implement technological advancements, including data visualization platforms, a special event management system, and a downtown text alert system, to support our community and streamline office processes. (Organizational Excellence, Objective 1)
- Maintain a transparent platform for open dialogue concerning the impacts of special events, outdoor dining, Private Use of Public Space, and nightlife. (Organizational Excellence, Objective 5)

Office of Internal Audit

Mission

The Office of Internal Audit is an independent audit and consulting function. The Office helps the City accomplish its objectives by bringing a systematic, disciplined approach to evaluating and improving the effectiveness of risk management, control, and governance processes. The Office's audits identify emerging risks in all areas of the City, including strategy and governance, stewardship of assets, performance of programs, and compliance with regulations.

Office Overview and Key Programs

The Office of Internal Audit conducts audits of City departments, divisions, and programs. Key programs in Office of Internal Audit are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Audit Services:** Audit services are comprised of two areas: a) Audits; and b) Follow-ups. Audits are independent reviews of programs, operations and activities that result in recommended improvements to the stewardship of city assets, the performance of City processes and/or compliance with rules and regulations. Follow- ups are procedures that determine the adequacy of actions taken by management to implement recommendations agreed to by departments in prior audits.
- **Investigations and Consulting Services:** Investigations are examinations of reported instances of possible fraud, waste, abuse, policy violations or legal non-compliance related to city assets, procedures, or personnel. Consulting services include activities such as training, special studies, and participating in committees or teams where staff can add value and improve operations. The scope of consulting services are agreed upon with departments.

Additional information regarding the Office of Internal Audit may be obtained by contacting Martin Petherbridge, Internal Audit Manager, at (919) 996-3162 or via email at Martin.Petherbridge@raleighnc.gov.

Number of follow-ups performed on key audit recommendations	22	79	91	50

Key Initiatives

- Optimize audit choices with an enhanced risk assessment process to develop an audit plan that provides the most value for the City.
- Enhance process for follow-up procedures related to audit findings. (Organizational Excellence, Objective 1)

Office of Strategy and Innovation

Office Overview and Key Programs

The Office of Strategy and Innovation was established in FY2022 to boldly reshape strategy and support ongoing cycles of continuous improvement for greater service delivery by collecting and connecting talent to spark new ideas. The Office leads citywide strategy and transformative projects with internal and external partners.

The Key Programs in the Office of Strategy and Innovation are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Strategic Planning and Performance Management:** Leads the development and management of the City's Strategic Plan with identified focus areas, goals, objectives, and performance measures. Co-leads and facilitates the development of Departmental Business Plans. Manages the City's performance management system which houses the Strategic Plan, Departmental Business Plans, and the City's Comprehensive Plan. Assists other City departments with strategy development and implementation as needed. Oversees the administration of the City's biennial community survey, including dissemination of survey results to inform decision-making across the organization.
- **Internal Capacity Building for Strategy, Performance, and Innovation:** Programs and manages the City's Strategic Planning and Performance Analytics Academy, which builds employee capacity to advance the City's strategy, performance management, and innovation goals.
- **Innovation Ecosystem Support and Partnerships:** Numerous startups, entrepreneurial coworking centers, social enterprises, universities, nonprofits, main street businesses, technology companies, and others contribute to a uniquely vibrant and collaborative innovation ecosystem in Raleigh. The Office of Strategy and Innovation works to connect the external ecosystem to internal partners to advance City priorities and to provide opportunities for mutual learning. The Office also seeks opportunities to support the growth and development of innovation ecosystem partners.

Additional information regarding the Office of Strategy and Innovation may be obtained by contacting Heather McDougall, Sr. Manager of Strategy and Innovation, at (919) 996-3396 or via email at Heather.McDougall@raleighnc.gov.

- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- The two (2) positions transferred mid-year in the FY2021-22 budget are fully funded in FY23.
- One (1) Technology Supervisor position was moved to the Office of Strategy and Innovation (OSI) to promote and coordinate SmartCities' initiatives between OSI and Information Technology for the organization (\$121,229).
- Funding was added to support operating needs and for the addition of a pilot program for Artists in Residence, Innovator in Residence, and intern positions (\$162,000).

Office of Sustainability

Mission

The Office of Sustainability works collaboratively to prioritize economic, social and environmental efforts at an individual, organizational and community-wide level. The Office works to create efficiencies, save resources, and strengthen innovative partnerships through testing new technology and encouraging new ways of thinking that positively impact the environment, the local economy and all who live, work and play in Raleigh.

Office Overview and Key Programs

The Office of Sustainability is uniquely positioned in the City Manager's Office to work collaboratively with all City departments to prioritize sustainability at an individual, organizational and community-wide level that is critical to retain the City's recognized national leadership in this area.

Key programs in the Office of Sustainability are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Strategy Development & Implementation:** Serve as a catalyst to launch new ideas, actions and strategies to achieve sustainability goals, incorporating internal and external stakeholder input and expertise. Leading and supporting interdepartmental and community initiatives, such as the Community Climate Action Plan, Transportation Electrification and other topics related to sustainability, climate, equity, and resilience.
- **Consulting and Technical Support:** Serve as a consultant, technical expert and/or convener to departments and community stakeholders, identifying opportunities and barriers to implementation. Provide leadership and implementation support for ongoing sustainability, climate, equity, and resilience related work within the community. This includes policies and programs included in the Strategic Plan and Comprehensive Plan, and other sustainability related efforts.
- **Environmental Advisory Board:** Serve as the staff liaison and provide technical support for the Environmental Advisory Board (EAB). Manage and coordinate meetings, board inquiries, and facilitate the EAB work plan with input and participation from partner departments. Plan and host the Annual Environmental Awards.

Additional information regarding the Office of Sustainability may be obtained by contacting Megan Anderson, Sustainability Manager, at (919) 996-4658 or via email at Megan.Anderson@raleighnc.gov.

TOTAL	\$628,470	\$581,783	\$635,401	\$669,265

Budget Highlights

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

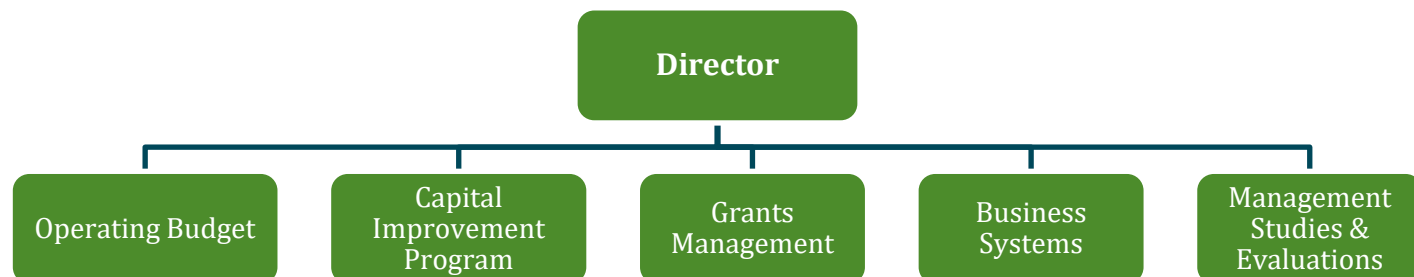

Key Initiatives

- Collaborate with internal and external stakeholders to identify greenhouse gas (GHG) reduction strategies and performance metrics to be reported in the Community Climate Action Plan (CCAP). CCAP addresses the community-wide greenhouse gas (GHG) reduction goal that Raleigh City Council set: 80% reduction of GHG emissions by 2050, with strategies that also consider climate equity impacts and building community resilience. (Growth & Natural Resources, Objectives 1, 3, 4; Safe Vibrant Healthy Communities, Objective 1)
- Collaborate and empower the local community most impacted by climate change. Support the implementation of climate action projects that are linked to addressing equity and resilience for Raleigh's most critical climate stressors, including flooding and heat health. This includes developing methods that build community capacity to prepare for the impacts of climate change, in particular for those community members that are most impacted. (Growth & Natural Resources, Objectives 1, 3, 4; Safe Vibrant Healthy Communities Objective 1)
- Continue to support sustainability initiatives such as the BeeCity USA designation, the Equity team, the Vehicle Fleet Services Executive Fleet team, Solid Waste and waste reduction, the Sustainability Facilities Review Committee, initiative teams throughout the Strategic Plan related to climate action and equity, and the North Carolina initiatives (such as the State of North Carolina Clean Energy Plan, Duke Energy NC Climate Cities Initiative, NC Cities Initiatives Zero Emission vehicle planning, etc.). (Growth & Natural Resources, Objective 3, 4; Transportation & Transit, Objective 4)
- Support a culture of innovation in the city by serving as a resource for pilot projects, new technologies (such as the implementation of the Community Climate Action Plan and the Transportation Electrification Study, smart city applications, energy data access, and analysis), by working to improve processes and building organizational capacity. Through collaboration, community engagement, and by serving as a resource, the Office will encourage practices that make Raleigh a more sustainable, equitable, and resilient city. (Growth & Natural Resources, Objective 3, 4; Transportation & Transit, Objectives 3, 4; Safe Vibrant Healthy Community, Objective 1; Organizational Excellence, Objective 3)
- Develop and support opportunities for the city and partners to fund climate action projects and emerging city priorities, including alignment with local, regional and federal funding opportunities. Align and create opportunities through the CCAP, Resiliency, Equity, and other strategic sustainability initiatives. (Growth & Natural Resources, Objective 4; Transportation & Transit, Objective 2)
- Support the Environmental Advisory Board (EAB), their meetings and board inquiries, the annual work plan including partnering with departments on impacts and opportunities related to their work, the Annual Environmental Awards celebration, and other EAB efforts and programming.

Budget and Management Services

Mission

We ensure fiscal stewardship and encourage a strong foundation for an intentional future so that Raleigh remains a community of choice. We bring useful data and analysis to key decision points and provide strategic resource allocation. We are guided by our organizational values, professional ethics, and open communication.

Department Overview and Key Programs

The Budget and Management Services Department (BMS) supports the City Council, City Manager and City departments as they provide quality public services to Raleigh residents. The department helps with the development and execution of the City's annual operating and capital budgets; Citywide performance measurement and benchmarking; conducting ongoing program and policy analyses to inform Council and executive decisions; and citywide grants program administration.

Key programs in Budget and Management Services are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Budget Development and Department Support:** Coordinates development and monitoring of \$1.01 billion in annual operating budgets, including the General and Enterprise Funds. Develops and builds relationships with departments to perform analysis and research as needed, including process improvements, benchmarking, and service enhancements. Monitors ongoing budget performance through development of quarterly financial report and department expense projections; consults with departments to develop solutions for budgetary issues and partners in the development and review of enterprise rates charged to users.

- **Capital Improvement Program Coordination:** Coordinates development and monitoring of \$469.5 million annual Capital Improvement Program; the five-year capital budget is \$1.75 billion. Analyzes major facility and equipment needs, establishes priorities, estimates fiscal resources, and schedules the development of funded projects. Coordinates the cross-departmental CIP Steering Committee, Financial Managers Task Force, and Program Managers Task Force.
- **Grants Management:** Supports the coordination of all City grant activities (grants the City receives and grants the City awards) from grant application through grant closing with a focus on three areas: governance, budget and administration; fiscal and program compliance; and departmental administration. Partners with Finance in grants management leadership. Works collaboratively with departmental staff that manages both internal and external grants. Coordinates the annual budget and monitoring of two municipal service districts: Downtown and Hillsborough Street.

Budget Highlights

- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- In FY2022-23 a grants management system was added to manage the City's grant process.
- In FY2021-22 one (1) mid-year position was added to the department to support the American Rescue Plan Act grants in Budget and Management Services and Finance.

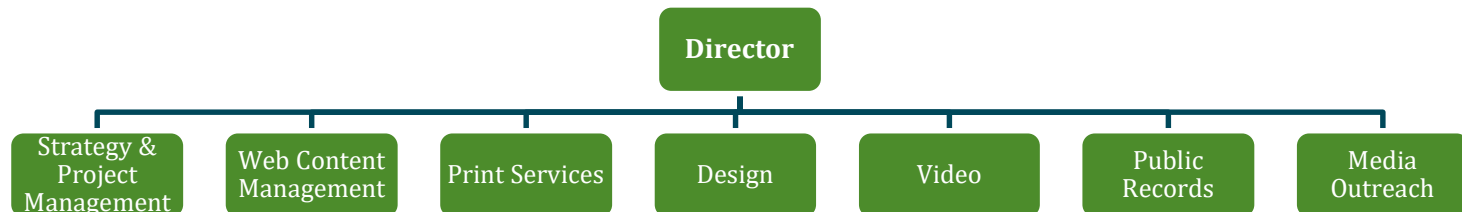

Key Initiatives

- Continue to monitor revenues and expenses to maintain financial stability. (Organizational Excellence, Objective 1)
- Continue to explore public engagement and communication opportunities as it relates to strategic planning, budget development, and grants management. (Organizational Excellence, Objective 3)
- Develop and implement organizational processes that maximize the ability to use departmental business plans to increase strategic cross-department discussions, aid in organizational planning, and promote transparency. (Organizational Excellence, Objective 1)

Communications

Mission

Communications advances the City's strategic vision to help position the City as a thriving, healthy, smart, and innovative community. Our goal is to create an internal public relations agency that serves each of the City's businesses through media strategy and response, marketing, graphic design, print production, social media, web management, public records and video production.

Department Overview and Key Programs

The Communications Department serves as a public relations (PR) and marketing agency within the City. The Department works with all service areas to develop communications strategies for service changes, initiatives, and programs to better inform and serve the community. Using the City brand as a guide, the team works to bring a seamless communications experience across our growing number of platforms, and to meet the community where they are in the most simple, user-friendly way possible.

Services include communications strategy and user experience, media relations, event management (where media is present), graphic design, video broadcasting and production, print services, public records management, ADA / accessibility communications best practices, and digital communications across the City's website, intranet (internal site), email, text, online engagement / surveys, and social media.

Key programs in Communications are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>.

- **Web Content Management:** Web Content Management team manages content marketing of the City's primary communications channel, raleighnc.gov. In collaboration with the rest of the department and IT, this group recommends website strategies to meet organization and departmental objectives, ensures content is current, accurate, and delivered consistently across the site. The Web Content Management team also maintains Corecon, the City's intranet, and our bi-weekly internal newsletter.

- **Brand, Design and User Experience:** Provides vision and stewardship for the City brand strategy and architecture. Sets visual direction for the corporate brand and sub brands and provides design services and technical guidance to all departments. Develops guidelines for the organization and our partners, maintains our trademark (logo), and provides tools to staff to produce their own materials within brand guidelines. Provides user experience design, user
- **Video Services:** Provides video streaming and production services for RTN TV, web and social media. Video Services streams public meetings, i.e. City Council, Council Committees, Planning Commission and other boards and commissions. Produces regularly scheduled and special original programs about City of Raleigh services and initiatives. Through the community program, provides training and assistance to the public to produce and edit video programs for RTN public access channels.

Additional information regarding the Communications Department may be obtained by contacting Damien Graham, Communications Director, at (919) 996-3002 or via email at Damien.Graham@raleighnc.gov.

1) @raleighgov FB, Twitter, IG only. There are 70+ other City sanctioned accounts, and social following is expanding to NextDoor and more

2) With more staff using print storefront templates, we should see custom design go down over time

3) Transitioned to capture all PlanDev requests in fall 2021. Does not include most requests for RPD, Raleigh Fire or ECC. Anticipate phasing in RPD, Raleigh Fire and ECC in FY23.

4) New City website launched Nov '19 so data before then not comparable

Key Initiatives

- Use Partnership Agreements and annual surveys to assess effectiveness of relationships with clients (departments). (Organizational Excellence, Objective 1)
- Improve equity and accessibility of communications for the public through a data-based approach. (Organizational Excellence, Objective 5)
- Develop a training roadmap for the department and Communications staff citywide as tools and channels proliferate. (Organizational Excellence, Objective 1)
- Apply brand (architecture, structure and visuals) to all communications channels – current and future. (Organizational Excellence, Objective 5)
- Partner with IT to implement a digital transformation strategy and create a complementary digital communications marketing strategy. (Organizational Excellence, Objective 1)
- Continue to prioritize regular storytelling based on city priorities (Council, Community Survey) and key focus areas. (Organizational Excellence, Objective 5)

Equity and Inclusion

Mission

To embed equity into the culture, practices, and policies for the City of Raleigh. Specific focus areas include Human Relations, Civil Rights, Community Health, Equity & Inclusion Services, and the Minority and Women-Owned Business Enterprise program.

Department Overview and Key Programs

The Department of Equity and Inclusion (DEI) is focused on embedding equity within the organization and the community. This team oversees equity initiatives' planning, implementation, and evaluation and supports equitable policy development. Additionally, this team manages equity-related assessments, reporting, and action planning. DEI leads all learning and development efforts related explicitly to inclusion. DEI is one of the few departments that works with both internal staff and external community members. DEI is responsible for managing seven council-appointed boards and commissions that deal with topics related to persons with disabilities, gender identity, race, ethnicity, community health, civil rights, and social justice. DEI also houses Raleigh's business inclusion efforts.

Key programs in the Department of Equity and Inclusion are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Human Relations:** This program manages community boards and commissions to promote unity and harmony within the City. These boards include Human Relations, Mayor's Committee for Persons with Disabilities, Police Advisory Board, Mayor's Committee on Compassion, Fair Housing Hearing Board, Substance Use Advisory Commission, and the Hispanic and Immigrant Affairs Board. This program also focuses on community celebrations of culture, ethnicity, and race. This program will also lead the annual Municipal Equality Index (MEI) process.

- **Equity and Inclusion Services:** This program will lead the organization to develop and implement the City's Equity Plan. This program will manage all equity-related assessments and reporting, action planning, and lead the City of Raleigh Equity (CORE) Team and Employee Resource Groups. This group will serve as the primary racial, health, and social justice trainers. They will provide technical assistance to departments around policy development, cultural sensitivity and planning for equity.
- **Minority & Women-Owned Business Enterprise (MWBE):** The City's Minority and Women-Owned Business Enterprise (MWBE) program was established to promote economic growth and development by ensuring minority and women-owned businesses have equal opportunities to participate in all aspects of the City's contracting process. Since its inception, the MWBE unit has tripled in size and has worked to create an awareness of the benefits of having a robust business environment inclusive of minority and women-owned businesses.

Additional information or questions regarding the Department of Equity and Inclusion may be obtained by contacting Dr. Aretina Hamilton, Equity and Inclusion Director, at (919) 996-5698 or via email at Aretina.Hamilton@raleighnc.gov.

Budget Highlights

- In FY2021-22 Equity and Inclusion was elevated to a Department to advance the important work across the organization and community.
- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- Funding was added for Raleigh Equity Grants to encourage, support, and broaden how the City of Raleigh delivers diversity, equity, and inclusion services. These grants will support equity knowledge or interventions for City staff awardees (\$6,000).
- Funding was added for a part-time executive assistant to help meet the growing demand for internal and external administrative work in the Department (\$28,000).
- The Department of Equity and Inclusion plans to host a Reimagine Raleigh conference, a two-day conference that addresses issues pertaining to social justice and the City of Raleigh (\$30,000).

Budget Highlights Continued

- The Department of Equity and Inclusion will utilize consultants for department and organizational capacity building, training and facilitation development, and additional support to address inclusion and bias at the department level (\$100,000).

Key Initiatives

- Deliver equity trainings to Citywide staff to develop an organizational foundation on equity and build cultural competency. (Organizational Excellence, Objective 4)
- Coordinate the City of Raleigh Equity (CORE) Team, a group of representatives from every department in the City, to operationalize equity in the organization. (Organizational Excellence, Objective 4)
- Foster and maintain meaningful relationships with community partners through engagement efforts to build community trust. (Organizational Excellence, Objective 5)
- Partner with departments across the City to implement initiatives outlined in the Racial Equity Action Plan. (Organizational Excellence, Objective 4)
- Work with a consultant to complete a Minority and Women-Owned Business Enterprises (MWBE) disparity study. (Economic Development & Innovation, Objective 3)

Finance

Mission

To demonstrate excellence in our financial services to the City organization and our customers through a commitment to continuous improvement.

Department Overview and Key Programs

The Finance Department provides support services for City Council, City management, departments and Raleigh residents. Services provided include treasury, accounting and financial reporting, management accounting, procurement, payroll and accounts payable, revenue, ERP Center of Excellence, and risk management. The Finance Department ensures the integrity and accuracy of the City's financial transactions in accordance with applicable accounting standards, City ordinances, state statutes, and federal laws.

Key programs in Finance are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Revenue:** Revenue division is responsible for the receipting, recording, and depositing of all payments including those processed in person at the Municipal Building, mail, phone and online. Provides citywide oversight of revenue collection and payment card processing. Manages and supports an enterprise-wide cashiering application and provides accounts receivable services for multiple City departments.

- **Procurement:** Manages citywide procurement of equipment goods and services. Key activities include oversight of citywide procurement guidelines to ensure statutory compliance, eProcurement, P- card program administration, Surplus Program administration, supplier onboarding, bid and request for proposals administration, contract administration, as well as department and supplier assistance. Procurement also works closely with the Office of Equity and Inclusions' MWBE program.
- **Accounting and Financial Reporting:** Responsible for Accounting & Financial Reporting for the citywide financial transactions. Responsible for annual external reporting (ACFR, PAFR and other deliverables). Maintains oversight of underlying systems, processes and controls to ensure ledger integrity at the level required to achieve excellence in financial reporting. Manages the general ledger for the City and monthly and yearly close-outs.

Additional information regarding the Finance Department may be obtained by contacting Allison Bradsher, Chief Financial Officer, at (919) 996-3215 or via email at Allison.Bradsher@raleighnc.gov.

Purchase Orders	13,146	14,163	13,000	13,000

Key Initiatives

- Maintain City's AAA general obligation bond rating and revenue bond rating from all three rating agencies. (Organizational Excellence, Objective 2)
- Complete FY22 Annual Comprehensive Financial Report (ACFR) with an unqualified opinion from the independent auditors and submit to Government Finance Officer Association (GFOA) for consideration of the GFOA Certificate of Achievement for Excellence in Financial Reporting. (Organizational Excellence, Objective 2)
- Complete FY22 Citizens' Annual Financial Report and submit to the GFOA awards program. (Organizational Excellence, Objective 2)

Key Initiatives Continued

- Continue Finance participation and leadership in various City-wide committees, working groups, and Strategic Plan work efforts. (Organizational Excellence, Objective 1)
- Improve processes via expanded and enhanced utilization of PeopleSoft and other financial systems. (Organizational Excellence, Objective 1)
- Continue to support bond-related spending by providing reporting, tracking and data analytics. (Organizational Excellence, Objective 2)
- Develop an environment of data-driven information to aid in decision-making as well as increase the use of technology to drive efficiencies and quality of work. (Organizational Excellence, Objective 1)

Risk Management Fund

Fund Overview

The Risk Management program provides risk management services to support the City's interests. The Risk Management program is administered within Finance and is responsible for a variety of functions, such as obtaining insurance policies to protect City property and liabilities, as well as management of automobile and general liability claims. Additionally, the program oversees insurance requirements for contractors and vendors, claims training and data/analytics to help proactively promote safety in the workplace. While worker's compensation is administered in Human Resources, the Risk Management Fund provides funding for the worker's compensation claims, expenses and personnel costs.

Property insurance premiums are allocated to the departments responsible for the property based upon the insured values of the properties, as determined by the annual city appraisal. General liability and auto liability costs and premiums are allocated within individual departments based upon claims experience and actuarial claims cost projections. Workers' compensation costs and premiums are allocated to departments based upon actuarial claim cost projections developed from a combination of past experience and projected payroll costs.

Additional information regarding the Risk Management program may be obtained by contacting Ryan Wilson, Risk and Insurance Manager, at (919) 996-2241 or via email at ryan.wilson@raleighnc.gov.

- Leverage annual actuarial reports for long-term risk funding strategies and planning. (Organizational Excellence, Objective 2)
- Expand knowledge of industry best practices; identify and implement improvements to the City's risk management practices. (Organizational Excellence, Objective 1)
- Monitor the Civic Campus construction project and maintain adequate insurance coverage throughout the process. (Organizational Excellence, Objective 2)

Human Resources

Mission

The Human Resources Department supports and partners with the entire organization to attract, recruit, develop and retain a high performing, diverse workforce.

Department Overview and Key Programs

The Human Resources Department facilitates and coordinates the development, implementation, and administration of a variety of programs, initiatives, and processes, while focusing on the workforce strategically and staying in compliance with local, state, and federal laws/regulations. We are committed and driven to attract, motivate, reward, and retain a diverse, inclusive, responsive, and high-performing workforce.

Key programs in Human Resources are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Classification and Compensation:** Activities include development and administration of pay structures & classification systems, as well as related practices/policies; compensation studies/surveys, reclassification review, development of job specifications; establishing hiring ranges; implementing citywide pay changes.
- **Recruitment and Selection:** This program is centered around attracting, recruiting, hiring, and on-boarding city employees. Job posting, managing requisitions, providing eligibility lists to departments, developing diversity and recruiting strategies, position advertisements, verifying I-9 documentation, and administering Personnel Action Forms are a sampling of activities that occur within this program. This program also coordinates executive level recruitment and selection.

- **Employee Health Center:** Activities include police and fire physicals, audio/visual exams, health exams, administration of flu shots for the city, blood work, medical staff responding to some workers compensation injuries, administration of city response to public health crises (COVID-19), and maintenance of employee medical files and information.

Additional information or questions regarding the Human Resources Department may be obtained by contacting Fagan Stackhouse, Human Resources Director at (919) 996-4711 or via email at Fagan.Stackhouse@raleighnc.gov.

TOTAL	\$4,009,015	\$4,193,604	\$4,591,887	\$5,266,355

Budget Highlights

- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- Human Resource's proposed budget includes changes made based on the City's new temporary employee pay structure. The additional funding for hourly temporary employees will allow the organization to be more competitive in the market for critical staffing and will ensure continuity of operations in the department.
- The proposed budget adds Permanent Part-Time staffing to the Human Resource's personnel budget. These additional resources provide funding to implement the Permanent Part-Time positions which will go into effect in FY2022-23.
- To better support the benefits program for all City employees, spouses, dependents, and retirees, the FY2022-23 budget for Human Resource includes the conversion of a part-time employee in the Benefits division to one (1) full-time employee.

Key Initiatives

- Lead the organization's "future of work" vision and implementation of efforts in a COVID and post-pandemic world with focus on recruitment and retention. (Organizational Excellence, Objective 2 & Objective 3)
- Enhance diversity, equity, inclusion and belonging in the organization, supporting efforts to develop a strategic diversity and inclusion plan for the City. (Organizational Excellence, Objective 4)
- Review and refine compensation administration to more align with the adopted philosophy to ensure best compensation practices for the City. (Organizational Excellence, Objective 3)
- Assess current health plan design, wellness programs, and health and safety programs to develop a cohesive well-being strategy that encompasses a cost-sharing philosophy to help mitigate increasing health insurance costs yet offers competitive benefits. (Organizational Excellence, Objective 2)
- Study and identify a workforce planning and development model that embraces employee growth and opportunity through succession planning, knowledge management, career planning, and professional, leadership, and executive leadership development. (Organizational Excellence, Objective 3)
- Develop and execute new strategies for the Citywide Safety & Health Oversight Committee by establishing processes and programs that will instill personal ownership by each employee through safety policies and practices. (Organizational Excellence, Objective 3)

Health/Dental and Other Post-Employment Benefits Trust Funds

Department Overview

The Health/Dental Trust Fund provides for the payment of the City's self-funded health and dental costs for current employees and dependents. The City established the Other Post-Employment Benefits (OPEB) Trust in FY08 to fund post-employment benefit costs (health insurance, Medicare Supplement, and life insurance), as well as the future retiree benefit liability of current employees. Annually, the City engages an actuary to calculate the Annual Required Contribution (ARC) to fully fund the OPEB trust.

Information Technology

Mission

IT is a trusted partner that provides secure, stable, smart and innovative services that enable City departments, partners and residents to achieve world-class quality of life.

Department Overview and Key Programs

The Information Technology (IT) Department provides technology services and information systems that deliver business value to the City and the greater Raleigh community. As the demand for technology evolves, the IT organization must provide services to align IT investment with citywide goals. The IT Department extends beyond the traditional operational model with its focus on civic engagement, information transparency and the promotion of constituent-facing platforms to support a highly technological region.

Key programs in Information Technology are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Enterprise Security and Compliance:** Designs, implements, and maintains security services for the City of Raleigh to ensure confidentiality, integrity, and availability of technology assets.
- **Service Management and Integration:** Provide guidance to City departments on application solutions and software architecture within our portfolio. Deliver application design, configuration, development, and support of off the shelf-applications that meet specific business needs within the organization.
- **Enterprise IT Infrastructure:** Designs, implements, and maintains IT Infrastructure services for the City of Raleigh. This includes Enterprise Servers and Storage, Database Administration, Network Operations Center, and related equipment.

TOTAL	\$22,314,664	\$22,441,954	\$23,204,595	\$24,564,357

Budget Highlights

- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- The FY2022-23 budget for Information Technology includes additional funding for contractual obligation increases including Microsoft Office 365, ServiceNow, and other enterprise-wide tools (\$652,591).
- One (1) Technology Supervisor position was moved to the Office of Strategy and Innovation from Information Technology to promote and coordinate SmartCities' initiatives across the organization and city.

Key Initiatives

- Enhance partnerships with all internal City Departments and external stakeholders to strengthen service delivery to the City's customers. (Organizational Excellence, Objective 1-5)
- Provide outstanding support every day to all City core technology systems. (Organizational Excellence, Objective 1 & 3)
- Build Upon Cyber Resiliency, Infrastructure Stability, Application Enhancement. (Organizational Excellence, Objective 1 and 3)
- Streamline allocation of budget and resources for technology needs at the City. (Organizational Excellence, Objective 2)
- Foster process improvement as new technology is introduced in City operations and service delivery. (Economic Development and Innovation, Objective 2, Organizational Excellence, Objective 1)
- Recruit, develop and retain a diverse, high-performing workforce. (Economic Development and Innovation, Objective 1 and 2, Organizational Excellence, Objective 3 and 4)

Special Appropriations

The City of Raleigh Special Appropriations budget reflects services or functions that are not specifically associated with a particular department. These functions are grouped into six categories: Employee Benefits, Intergovernmental Payments, Non-departmental Expenses, Risk Management, and Transfers to Other Funds.

Employee Benefits: The Employee Benefits category budgets the City's contribution toward health and life insurance for retirees, workers compensation, and unemployment.

Intergovernmental Payments: Intergovernmental payments include items such as tax billing and collections.

Non-Departmental Expenses: Non-departmental expenses include operating costs not associated with a specific department. These include postage, Council contingency, and the maintenance and operations reserve.

Risk Management: The risk management accounts fund a portion of the Risk Management Internal Service Fund. As in the past, direct expenses of risk management will be paid from the Internal Service Fund.

Transfers to Other Funds: Transfers to Other Funds include transfers made from the General Fund to other funds. Transfers to the General Debt Service Fund, Technology Fund, General Public Improvements Capital Projects Fund and Park Improvement Fund represent the General Fund contributions to the City's debt service and five-year capital program. Transfers are also made to Public Transit, Convention and Performing Arts Center, Solid Waste Services and Community Development funds. These funds are operated as business-like enterprise funds but are partially supported with General Fund dollars.

TOTAL	\$149,199,677	137,212,398	\$152,910,280	\$167,315,860

Budget Highlights

- Special Appropriations includes the following transfers to capital elements:
 - Represents the City's prior commitment to fund parks capital maintenance (\$7.8m), development of affordable housing (\$7.8m), and street resurfacing (\$7.8m).
 - In addition to on-going maintenance, the General Fund transfers include one-time investments including: maintenance of general government and public safety facilities (\$3.4m); creation of a Public Community Support Fund (\$1.5m); Building Upfit Grant funding (\$0.5m); Small Area Studies (\$0.1m); bridge repairs and inspections (\$2m), Neighborhood Traffic Management Program (\$1.5m), Vision Zero funding (\$0.5m), Bike/Pedestrian improvements (\$1.0m), Blount/Person Street two-way conversion (\$6.0m); and City fiber replacements and repair (\$0.8m).
- The transfer to Housing and Neighborhoods operations fund increased due to addition of a Sr. Community Planner and administrative increases associated with bond implementation FY2022-23 to support housing initiatives (\$0.4m).
- Continued investment in Solid Waste Services to assist in removing the legacy yard waste pile and support for Solid Waste operations (\$7.7m). This transfer was increased by \$1.3m in FY2020-21 to assist in reducing the yard waste legacy pile. FY2022-23 is the final year of the increased transfer.
- Continued support for the Utility Billing Assistance program to assist utility customers. Raleigh Water identified cell tower lease revenue as a source of funding for this program.

Engineering Services

Mission

Design, build, and operate sustainable and resilient public infrastructure that protects and improves quality of life, supports healthy natural resources, and complements diverse growth for the vibrant Raleigh community.

¹Internal Service Fund ²Enterprise Fund

Department Overview and Key Programs

The Engineering Services vision focuses on innovative, efficient, and effective management and delivery of modern public infrastructure assets for the Raleigh community. This is done through strategic planning, key partnerships, teamwork, and collaborative implementation leading to focused, measurable, and beneficial results and outcomes.

Engineering Services seeks strategic alignment across the City to incorporate leading sustainable and resilient infrastructure and natural resource management practices that protect and add to quality of life in Raleigh.

A general overview of the divisions within Engineering Services Department is listed below. A full list of programs can be found in the City’s Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

Engineering Services

- **Construction Management:** Construction Management provides advanced planning and comprehensive project management for vertical construction projects included in the Capital Improvement Program. The division oversees the process from planning and design development through post-construction activities. Advanced planning can be a beneficial initial step in project chartering as it includes the evaluation of potential land parcels selected as possible locations for facilities including the review of zoning and deed restrictions, and stormwater requirements. Customer departments supported by Construction Management include PRCR, Transportation, Police, Fire, Raleigh Convention Center, and general government.
- **Roadway Design and Construction:** Provide engineering design services, management and construction management, oversight for all transportation projects and greenway projects. These projects include capital roadway improvements, corridor and petition sidewalks, complete streets implementation, bicycle facility implementation, traffic calming, traffic signal implementation and greenway improvements. Customer departments include PRCR and Transportation.
- **Integrated Facility Services:** Provides a broad spectrum of services, competencies, processes, and tools to improve the efficiency of systems and achieve smart buildings that can reduce energy consumption and waste, by leveraging the use of a building automation system (BAS), security and access, utility data management and software, asset management, capital planning (construction, space upfits, facility and equipment upgrades), and city mail services for enhanced operational efficiencies, improved work atmosphere, and productivity.

Additional information regarding Engineering Services may be obtained by contacting Richard L. Kelly, Engineering Services Director, at (919) 996-5576 or via email at Richard.Kelly@raleighnc.gov.

Key Initiatives

- Continue to implement use of e-Builder, the department-wide project management software that will assist in managing and tracking project delivery. (Organizational Excellence, Objective 1)
- Engage with the community and other external stakeholders to encourage collaborative project development. (Organizational Excellence, Objective 5)
- Enhance utilization of asset management data to maximize asset performance and allocation of resources. (Organizational Excellence, Objective 1)
- Continue to promote the use of alternative fuels, especially E85 ethanol fuel blend, by increasing access at strategically located fueling stations. (Growth & Natural Resources, Objective 4; Transportation & Transit, Objective 4)
- Continue to provide leadership to appropriate city-wide and cross-departmental initiatives such as capital projects, various city-wide plans, large city facilities, sustainability efforts, emergency response efforts, and strategic plan initiatives. (Organizational Excellence, Objectives 1-5)

Stormwater Management

Mission

Manage stormwater to preserve and protect life, support healthy natural resources, and complement sustainable growth for the vibrant Raleigh community.

Department Overview and Key Programs

The Stormwater Management Program delivers a wide range of high quality stormwater services to the citizens of Raleigh through the City's Stormwater Utility, including drainage and water quality assistance programs, major capital improvement projects, public drainage system operation and maintenance, flood early warning programs, stormwater control measures and lake management and asset maintenance, and implementation of the surface water quality program mandated by the federal Clean Water Act. The Stormwater Management Program also provides private development review and inspection to ensure development is in accordance with stormwater, erosion and sediment control, and floodplain management requirements. Moreover, the program includes integral communication, public outreach, and public engagement efforts to residents along with addressing citizen inquiries regarding stormwater services.

Key programs in Stormwater Management are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Capital Improvement Program:** The Stormwater Capital Improvement Program provides a wide range of stormwater improvement projects for the community including neighborhood stormwater system upgrades, lake management projects, water quality projects, and asset management improvements. The program costs also include the transfer to the Stormwater capital fund.
- **Water Quality Program Services:** This program includes a wide range of water quality services including illicit discharge detection and elimination, public education and outreach, NPDES Stormwater Program administration, and water quality monitoring.
- **Drainage Assistance Program:** This program provides drainage inquiry review and response services, as well as plans, designs, and implements prioritized drainage assistance projects for the community.

Additional information regarding the Stormwater Management Program is available by contacting Wayne Miles, PE, Stormwater Program Manager, at (919) 996-3964 or Wayne.Miles@RaleighNC.gov.

Budget Highlights

- The FY2022-23 budget includes a 2.5% stormwater utility fee rate adjustment which results in a \$0.18 increase for the typical single-family residential property owner. This fee increase will support Stormwater's capital improvement program budget.
- The FY2022-23 budget also includes the addition of six (6) positions to support business operations, inspections, and stormwater street maintenance
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

Performance Indicators

	ACTUAL 2019-20	ACTUAL 2020-21	ESTIMATE 2021-22	PROJECTION 2022-23
Stormwater drainage complaints investigated	325	454	230	375

Accepted annual inspection of permanent stormwater devices	94%	92%	88%	96%
Approved Raleigh Rainwater Rewards Projects	25	34	40	40

Key Initiatives

- Continue to effectively deliver stormwater Capital Improvement Program projects, including timely delivery of priority projects in the community, standardizing processes, implementing project management solutions and technology, and providing supplemental training to staff. (Organizational Excellence Objective 1; Growth & Natural Resources, Objectives 3 & 4)
- Continue to implement internal and external communication strategies that inform people about stormwater projects and initiatives with increased emphasis on community equity, inclusion, and environmental justice priorities. (Organizational Excellence, Objectives 5; Growth & Natural Resources, Objectives 4; Safe, Vibrant & Healthy Community, Objective 1)
- Expand participation in volunteer stormwater opportunities for people living or working in Raleigh. (Organizational Excellence, Objective 5; Safe, Vibrant & Healthy Community, Objectives 1).
- Continue building and implementing a comprehensive Stormwater Asset Management program to assess the condition of stormwater infrastructure assets. This also includes prioritizing actions to reduce risks from infrastructure deficiencies. (Growth & Natural Resources, Objective 3; Organizational Excellence, Objective 1 and 2).
- Further develop the proactive Flood Early Warning System to provide as much lead time as possible to alert people and first responders in advance of storm and flooding conditions. This will further advance public safety from hazardous flooding. (Safe, Vibrant & Healthy Community, Objective 1; Organizational Excellence, Objective 1)
- With support from the Stormwater Management Advisory Commission, citizen stakeholders, and Raleigh City Council, implement improved local floodplain regulations. The improved floodplain ordinance helps better protect people and property from hazardous flooding impacts while preserving undeveloped floodplain for ecological benefits. (Growth & Natural Resources, Objectives 1, 3, & 4)
- Continue to develop and implement the use of green stormwater infrastructure on City of Raleigh projects and also inform and incentivize the community to realize the benefits of following more sustainable green development practices. This includes collaborating with and supporting staff with training and providing tools and policies that will help in this effort. The goal is to lead by example to encourage private developers to use these features on non-City projects. (Growth & Natural Resources, Objectives 3 & 4)

Vehicle Fleet Services

Mission

To provide high quality, cost-effective fleet and fuel management services for all City vehicles and motorized equipment, except for Fire Department vehicles, to keep City departments operational and sustainable.

Department Overview

Vehicle Fleet Services works to meet the transportation and equipment needs of the City by providing cost effective maintenance and repair services, procuring vehicles and equipment, managing fuel operations and operating the City motor pool. As an internal service fund, Vehicle Fleet Services provides the ability to manage and track fleet needs across all City departments.

Key programs in Vehicle Fleet Services are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Fleet Management:** Vehicle fleet services performs all maintenance, scheduled and unscheduled, and repair of City vehicles and motorized equipment with the exception of the Fire Department. The program also performs equipment replacement, fleet rightsizing, surplus disposal, wash station maintenance, and data management.
- **Fuel Management:** Maintains all City fuel sites and ensure compliance with State and Federal regulations. Procure fuel in accordance with City purchasing policies.

Additional information regarding Vehicle Fleet Services may be obtained by contacting Rick Longobart, Fleet Operations Manager, at (919) 996-5616 or via email at Rick.Longobart@raleighnc.gov.

Average daily fleet availability	95.22%	92.58%	95.32%	95.81%

Vehicle Fleet Services

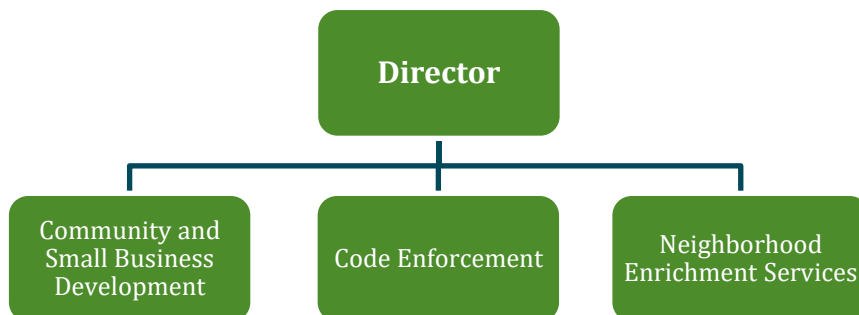

Key Initiatives

- Continue to promote the use of alternative fuels by educating fleet operators and replacing the current fleet with alternative fuel and hybrid vehicles when feasible during the regular replacement process. (Transportation & Transit, Objective 4)
- Expand telematics use within the City's fleet, which includes installing a GPS system to gather data with the goal of reducing fuel consumption, optimizing fleet size and lowering the emission of greenhouse gases. (Organizational Excellence, Objective 1; Growth & Natural Resources, Objectives 3 & 4)
- Perform a utilization study and work with Department to right size the fleet and determine which vehicles would be good candidates for electrification and alternative fuel based on (Transportation & Transit Objective 4.1)
- Encourage use of Motor Pool System and evaluate Motor Pool software for possible upgrade, replace motor pool vehicles with EV vehicles, and provide additional training citywide. (Organizational Excellence, Objective 1)
- Identify electric and alternative vehicle options and work with Budget and Finance on new policy to finance these through the equipment replacement process and develop charge back rates for these type of vehicles. (Organizational Excellence, Objective 1; Transportation & Transit, Objective)
- Identify and establish locations for public access EV charging stations. (Transportation & Transit, Objective 4.3)
- Replace outdated fuel management system with new system where software can manage petroleum based and EV transactions. (Transportation & Transit, Objective 4.3)

Housing and Neighborhoods

Mission

A safe, vibrant, diverse, and engaged community providing affordable housing choice and social equity.

Department Overview

The Housing and Neighborhoods Department provides funding for the creation and preservation of affordable housing and for services and programs benefitting low-to-moderate income persons. The Department enforces codes to ensure safe and decent housing and carries out neighborhood revitalization and enrichment activities.

Key programs in Housing and Neighborhoods are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Affordable Rental Housing Development:** The Rental Development Program oversees the allocation of funds to developers on a competitive basis for the creation or preservation of affordable rental housing. City Council previously dedicated ~\$6.2 million per year to support affordable housing creation. These city funds are leveraged for federal low-income housing tax credits, bond financing, conventional financing, and/or other public sources. The City will continue to support affordable rental housing developments through the expanded use of the 4% tax credits for affordable housing allocated through the North Carolina Housing Finance Agency (NCHFA) to create housing opportunities for individuals and families making less than 60% of Area Median Income. Program costs listed below include salaries and operating support allocated to community partners. These costs do not include capital funds.
- **Homebuyer Assistance:** The Homebuyer Assistance Program provides funds to first-time low-income homebuyers for down-payment and closing cost assistance, or to provide gap financing.

- **Homeowner Rehabilitation:** The Homeowner Rehab and Limited Repair Program helps homeowners finance the cost of major repairs to homes, including leaking roofs, faulty plumbing, electrical or heating systems, broken windows, flooring, and lead paint removal.

Additional information regarding the Housing and Neighborhoods Department may be obtained by contacting Larry Jarvis, Housing and Neighborhoods Director at (919) 996-4330 or via email at Larry.Jarvis@raleighnc.gov.

* FY2022-23 is the first year the budget book provides revenues by type. Moving forward revenue information will be provided annually for Housing and Neighborhoods.

Budget Highlights

- The proposed FY 2022-23 budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- A Senior Community Development Planner/Analyst position was added to the Community and Small Business Development division to support the 2020 Affordable Housing Bond (\$72,686).
- The department's proposed budget includes changes made based on the City's new temporary employee pay structure. The additional funding for hourly temporary employees will allow the organization to be more competitive in the market for critical staffing and will ensure continuity of operations in the department.

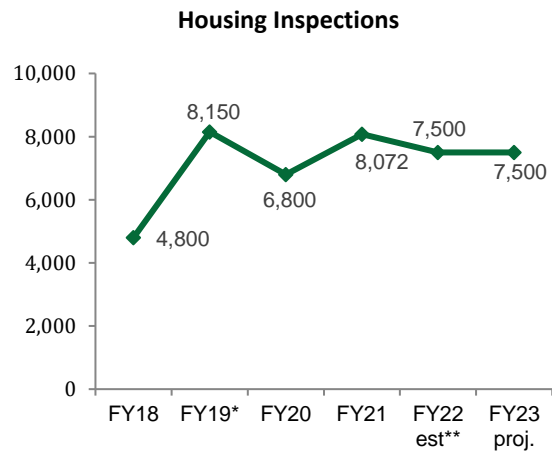

Performance Indicators

	ACTUAL 2019-20	ACTUAL 2020-21	ESTIMATE*** 2021-22	PROJECTION 2022-23
Affordable Rental Units Created*	339	205	150	344

*Does not include permanent supportive housing, which is reported separately.

**Due to challenges associated with COVID-19, senior volunteers were unable to provide services to students within Wake County Public Schools and childcare centers in FY21.

***Estimates and projections take the impacts of COVID-19 into consideration in this reporting.

* A new system (EnerGov) came online in FY19 which allows for more accurate tracking of completed inspections

** Estimates impacted by COVID-19 response

Key Initiatives

- Achieve the annual goal of 570 affordable housing units by continuing to acquire and preserve units throughout the City, as well as facilitating the low-income housing tax credit gap financing process. (Safe, Vibrant & Healthy Community, Objective 2)
- Partner to construct new supportive housing units and provide funding and capacity building opportunities to support partners who provide services to the homeless. Nonprofit organizations, such as Healing Transitions, will be supported in FY2021-2022. (Safe, Vibrant & Healthy Community, Objective 2)
- Secure City-owned sites near transit corridors. (Safe, Vibrant & Healthy Community, Objective 3)
- Update Affordable Housing Location Policy and Affordable Housing Plan. (Safe, Vibrant & Healthy Community, Objective 2)
- Work with Radius Learning to develop a new virtual workforce model in response to COVID-19 with the Raleigh Summer Youth Employment Program. The model will demonstrate a scalable solution to the City of Raleigh to upskill the future workforce in coordination with leading employers. (Economic Development & Innovation, Objective 1 and 3)
- Support bridging the digital divide through the distribution of 100 free computers to families in need with a partnership with Raleigh Digital Connectors, Kramden Institute, and Citrix. (Economic Development & Innovation, Objective 4)
- Create Neighborhood Enrichment district boundaries. (Organizational Excellence, Objective 2).

Economic Development Fund

Overview

The Economic Development Fund provides support for economic development activities that benefit Raleigh. The budget continues funding for the economic development initiatives of Greater Raleigh Chamber of Commerce and the Triangle J Council of Governments. Also funded are economic incentives. The City continues to support economic development partner agencies in downtown Raleigh, the Hillsborough Street business district, and southeast Raleigh.

Planning and Development

Mission

To provide timely, predictable, equitable, and customer-oriented services in the areas of policy development, compliance, long-term planning, design services, and real estate that support the future growth of Raleigh.

Department Overview and Key Programs

The Planning and Development Department provides comprehensive planning, design and implementation, regulation, real estate, plan review, field inspections, and customer service in service of our mission. Comprehensive planning includes corridor, area, and neighborhood planning processes supports community involvement and visioning for future growth and development throughout the City. In our recent past, there has been a focus on bringing these planning efforts to fruition through design services and capital project planning, assisting applicants in meeting the design-based standards of the development code, and promoting good design through public education and citizen engagement. The newly created Urban Projects group will seek to close the gap of internal coordination around plan implementation and the ability to pursue and execute public-private partnerships to implement adopted plans and policies. Two key subgroups include:

- 1. **Civic Infrastructure:** Internal focus on plan implementation and inter-departmental coordination around major civic projects; and
- 2. **City Partnerships:** Responds to and pursues public-private partnerships to accelerate plan implementation, complete capital projects, and manage recent Council-approved tools such as Tax Increment Grants and Development Agreements.

The Real Estate division, which plays a critical role in capital project implementation, will also join this group. Real Estate services include property acquisition and disposition, deed research, and real property lease management services to the City, as well as strategic and advisory support for planning and economic development efforts.

Additionally, by managing requests for zoning map changes, variances from development standards, annexations and other regulatory processes, the department’s regulatory role ensures that current development meets standards identified in the zoning ordinance. The plan review, field inspections, and customer service functions work to ensure that development projects meet all applicable code and

standards, from the Unified Development Ordinance (UDO) and Raleigh Street Design manual to state and federal building codes. By providing central intake functions for development projects, coordinating interdepartmental services, and providing project oversight, the department works to ensure a high-quality development process with flexible, cost-effective solutions and excellent customer service.

Key programs in Planning and Development are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Customer Service Center:** Customer Service is responsible for application processing, permit finalization, general calls and payment processing at the Litchford Road and One Exchange Plaza (4th Floor) locations. In addition, they provide general client engagement and payment processing via phone, email, in-person, and online support for over 35,000 permit applications annually.
- **Building Inspections:** The Building Inspection Unit is charged with enforcing the provisions of the North Carolina Building Code through inspections of commercial and multi-family buildings and structures. This program also includes Commercial Plan Review, which is charged with reviewing plans and supporting documents for all projects that are not residential. In addition, this unit is also responsible for ensuring compliance with the adopted North Carolina Construction code series.
- **Current Planning:** This program assists residents, the development community, and all interested stakeholders with the land development process. Staff enforces the City's zoning and subdivision regulations of the Unified Development Ordinance through the review of subdivisions and plats, site plans, signs, and other residential and commercial permit applications. This area is also responsible for reviewing plans to ensure compliance with existing rules and regulations.

Additional information regarding Planning and Development may be obtained by contacting Patrick Young, Planning and Development Director, at (919) 996-2704 or via email at Patrick.Young@raleighnc.gov.

¹Land Development moved to the Transportation Services Department as part of FY2021 department re-organization.

Budget Highlights

- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- The FY2022-23 budget includes a 50% allocation from the Transit Operating fund for two full-time employees to support real estate acquisition as New Bern Bus Rapid Transit nears construction.
- The FY2022-23 budget for Planning and Development does not include any funding enhancements or service level changes.

Key Initiatives

- Conduct research, develop and implement a transparent review of cost recovery programs and identify opportunities to generate revenue for all development, matrix and reimbursement fees (Implement Community engagement best practices with the goal of creating a best practices manual. (Organizational Excellence, Objective 5)
- Conduct a study to inventory, assess, and propose edits to code language related to aesthetics, design, design alternates, and other urban design issues. (Growth & Natural Resources, Objective 3)

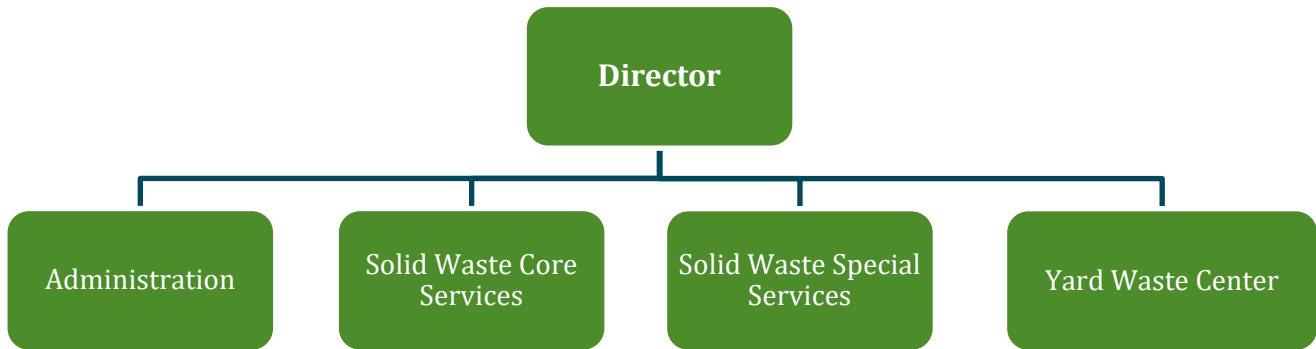

Key Initiatives Continued

- Continue to implement EnerGov, a software system that fully automates the interdepartmental activities associated with the land development process and serves as the system of record for all permitting, applications, plan review and fees. (Organizational Excellence, Objective 1)
- Establish Standard Operating Procedures to standardize operations at Planning and Development customer intake locations. (Organizational Excellence, Objective 1)
- Enhance the electronic plans review and remote inspection service. (Organizational Excellence, Objective 1)
- Completion of a unified business plan for FY22-25 in alignment with the citywide Strategic Plan, inclusive of a comprehensive mission, vision to chart the way forward for the new department. (Organizational Excellence, Objective 1)

Solid Waste Services

Mission

To provide cost effective and environmentally sound waste management services while maintaining our role as a national leader in creating a sustainable future for our community through our continued focus on safety, innovation, and customer care with an emphasis on the City's organizational values of initiative, collaboration, and respect.

Department Overview and Key Programs

Solid Waste Services provides safe and efficient residential curbside garbage, recycling, yard waste, special/bulky, and e-waste collection, as well as disposal services across the City, including specialized services in the Central Business District and during City sponsored special events. Additional programs include Geographical Information System (GIS), training and development, safety, and code enforcement that support and enhance the departmental operations. Education, communication, and public outreach efforts focus on increasing community awareness of solid waste services and programs. The Yard Waste Center recycles and sells yard waste materials that are prohibited by state law from being disposed of in landfills.

Key programs in Solid Waste Services are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Garbage Collection:** This program provides one of the City's essential services for the protection of public health, safety and environmental quality. This weekly service involves the collection of garbage via curbside collection and the transportation and disposal of waste materials at the landfill.

Solid Waste Services

- **Recycling Collection:** This program provides one of the City's essential services for the protection of public health, safety and environmental quality. This bi-weekly service involves the collection of recycling material via curbside collection and its transportation to a recycling facility for processing. In addition, this program supports the City's commitment to waste diversion and sustainability efforts.
- **Yard Waste Collection:** This program provides weekly collection of yard waste materials for City of Raleigh customers that pay solid waste collection fees. This service involves the collection of yard waste debris via curbside collection and its transportation to our yard waste center for processing. In addition, this program supports the City's commitment to waste diversion and sustainability efforts.

Additional information regarding the Solid Waste Services Department may be obtained by contacting Stan Joseph, Solid Waste Services Director, at (919) 996-6880 or via email at Stan.Joseph@raleighnc.gov.

Budget Highlights

- The FY2022-23 proposed budget includes a \$0.25 increase to the monthly Solid Waste Collection fee, moving the monthly customer fee from \$15.45 to \$15.70. The increase will support increasing costs associated with salary and benefits, fuel and vehicle maintenance.
- The proposed budget includes three conveyors at the Yard Waste Center to assist with service delivery of yard waste materials.
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.

Solid Waste Services

Performance Indicators

	ACTUAL	ACTUAL	ESTIMATE	PROJECTION
	2019-20	2020-21	2021-22	2022-23
Total Recycling Tons Collected	28,605	30,648	27,891	28,170
Total Residential Garbage Tons Collected	95,435	100,490	96,599	97,565

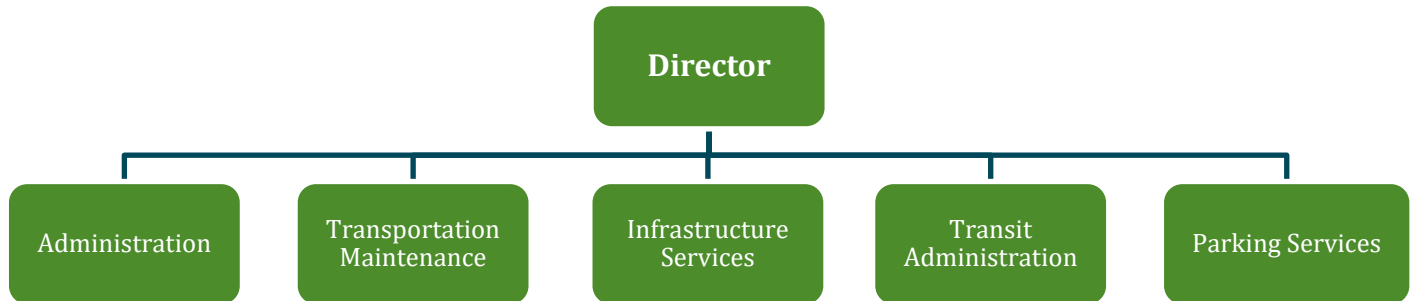

Key Initiatives

- Invest in the professional growth and development of our employees through internal and external training, education, and mentorship opportunities. (Organizational Excellence Objective 1 and 3)
- Evaluate current services to ensure offerings are equitable for all residents. (Organizational Excellence Objective 1 and 4)
- Enhance the department's customer engagement by increasing consistency, diversifying media platforms, and increasing transparency of our operations. (Organizational Excellence Objective 4 and 5)
- Develop a customer service strategy that cultivates customers' centrality, assesses customer needs, and enhances internal processes. (Organizational Excellence Objective 1 and 4)
- Enhance the City's residential curbside yard waste collection program to increase efficiency of collection and prepare for residential composting. (Growth and Natural Resources Objective 1)
- Develop a strategy to maintain balanced, optimized routes and plan for future growth. (Growth and Natural Resources Objective 3)

Transportation

Mission

The Department of Transportation is committed to solving problems while planning, operating, and maintaining a safe and efficient transportation infrastructure, and to providing excellent service and response to the inquiries and concerns of all customers.

Department Overview and Key Programs

The Department of Transportation provides all aspects of transportation infrastructure services including planning, management and operations, and maintenance. The Department works diligently to optimize service delivery, steward the community's investment and trust, and position the city for ongoing growth. Key programs in Transportation are included below.

Key programs in Transportation are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>.

- **Street Maintenance:** The Street Maintenance program provides alley and street repairs, repairs pavement cuts after Public Utilities has made repairs to utilities and also parking lots repairs for PRCR. This group is also involved with clearing streets of snow and ice along with storm debris clean up.
- **Traffic Signals, Signs and Markings:** Maintain City and State Traffic Signals and Signal System/network. Municipal agreement with State allows reimbursement/revenue for work done on State system assets.
- **Bicycle and Pedestrian Program:** The Bicycle and Pedestrian Program is responsible for retrofitting the City for walking and cycling. Activities for this program include project identification, prioritization and development, design consultation for City projects and private development, and community education and outreach.

Additional information regarding the Department of Transportation may be obtained by contacting Michael Moore, Transportation Director, at (919) 996-3030 or via email at Michael.Moore@raleighnc.gov.

Transportation

Key Initiatives

- Develop a 5-year operating and 10-year capital plan that provides comprehensive road map of projects and priorities for the department. (Organizational Excellence, Objective 1, 2)
- Research program funding for Artificial Intelligence technologies that enhances data collection, asset condition and management, and analytics to improve the quality and frequency of data collection, and to automate regular analytic processes. (Transportation & Transit, Objective 4)
- Develop tools and evaluation strategies to assess projects and programs for equity and for consistency with Vision Zero principles. (Safe, Vibrant & Healthy Community, Objective 1; Transportation & Transit, Objective 3, 5)
- Continue completion of asset inventories and condition assessments, including ADA ramps, sidewalks, and culvert inventories; incorporate the data and analysis into management structures, mapping, and future CIP planning. (Transportation & Transit, Objective 5)
- Develop and implement management tools, policies, and strategies, for improved maintenance of existing alleys. (Transportation & Transit, Objective 4)

Capital Area Metropolitan Planning Organization

Department Overview

The Capital Area Metropolitan Planning Organization (CAMPO) serves as the coordinating agency among local governments, the North Carolina Department of Transportation, the Federal Highway Administration, and the Federal Transit Administration. CAMPO is comprised of three parts: An Executive Board, a Technical Coordinating Committee (TCC) and a staff that serves the members of these boards. The organization carries out an annual work program approved by the Executive Board, a portion of which includes updating the Transportation Improvement Program (a ten-year project programming schedule) and the Metropolitan Transportation Plan (a minimum 20-year forecast of projects and programs).

Additional information regarding CAMPO may be obtained by contacting Chris Lukasina, CAMPO Manager, at (919) 996-4402 or via email at Chris.Lukasina@campo-nc.us.

Parking Fund

Mission

The City of Raleigh's Parking Division is committed to delivering high quality services through innovative solutions that enhance the customer parking experience.

Fund Overview and Key Programs

Raleigh Parking administers on-street and off-street parking programs. Off-street parking is provided in eight parking decks and five surface lots in the downtown area which are managed and operated under contract with the City. The on-street program manages street parking spaces including enforcement, fine collection, pay station maintenance, and residential permit parking. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>.

Key programs in Parking are included below.

- **On Street Parking Operations:** Manages all aspects of curb space management including 1,155 metered spaces within the City limits. This includes parking regulations, enforcement and implementation of parking permits and programs as well as customer service.
- **Off Street Parking Operations:** Manages and operates ten parking garages for a total of 8,000 parking spaces within Downtown as well as several surface parking lots of 678 spaces.
- **Downtown Raleigh Alliance Ambassadors:** Raleigh Parking partners with the Downtown Raleigh Alliance to provide Downtown Safety Ambassadors within the City owned parking decks which includes 8,000 covered spaces. The ambassadors patrol the parking decks and provide a range of safety related services.

Additional information regarding Raleigh Parking may be obtained by contacting Matthew Currier, Parking Administrator, at (919) 996-4041 or via email at Matthew.Currier@raleighnc.gov.

Parking Fund

Budget Highlights

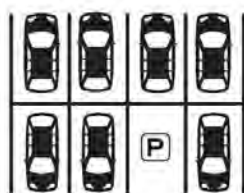

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- Parking continues to experience significant revenue loss associated with downtown parking and special event parking. Parking continues to evaluate the current funding structure of the enterprise to identify savings or changes in the operating model.
- There are no proposed increases to monthly parking rates.

- Evaluate curb space management opportunities to enhance & balance curb usage, expand multimodal opportunities, and provide system flexibility. (Economic Development & Innovation, Objective 4; Organization Excellence, Objective 1; Transportation & Transit, Objective 1, 2)

Transit - GoRaleigh

Mission

To improve mobility for Raleigh residents and visitors by providing safe, affordable, and customer-oriented transportation while proactively promoting economic opportunity, intermodal connection, and sustainable regional development.

Fund Overview

GoRaleigh operates 33 fixed routes and 7 express / regional routes. Included are 3 express routes for GoTriangle, an express for Wake Technical Community College, and a circulator route for the Town of Wake Forest. GoRaleigh operates seven days a week and 363 days per year. Modified bus schedules are provided on most holidays. Weekday, Saturday and Sunday bus service ranges from 4:30 a.m. to midnight. With a fleet of 106 revenue vehicles, GoRaleigh serves the major commercial, employment, educational and medical centers within the City of Raleigh. Coordination with GoTriangle and GoCary provide connections to other transit systems that enable residents to travel across the Triangle. Wake Transit Plan ½ cent sales tax funding is also provided to GoRaleigh for services into Garner, Rolesville and Knightdale.

Raleigh residents with disabilities who are unable to use GoRaleigh Fixed Route services may apply for eligibility under the GoRaleigh Access program. The GoRaleigh Access program provides subsidized curb-to-curb transportation service through participating taxi companies and one prime contractor, performing over 500,000 passenger trips each year. GoRaleigh Access contracts with GoTriangle to provide regional trips originating in the GoRaleigh service area.

Additional information regarding GoRaleigh Transit may be obtained by contacting David Eatman, Assistant Director of Transportation at (919) 996-4040 or via email at David.Eatman@raleighnc.gov.

Transit - GoRaleigh

Budget Highlights

- FY 2022-23 budget includes one (1) Transportation Manager to oversee bus facilities and services, GoRaleigh Access, and Raleigh Union Station (\$95,523)
- Includes two (2) engineers for signal timing and construction management related to the implementation of Bus Rapid Transit (\$221,413)
- Includes one (1) fiscal analyst for financial support within division for the implementation of Bus Rapid Transit (\$110,000)
- Includes additional operating funding for a Hillsborough Street bus route and Wake Transit Plan Marketing efforts (\$670,680)
- Includes a 50% allocation for two (2) real estate positions in Planning and Development Services to support real estate acquisition as New Bern Bus Rapid Transit nears construction.
- The budget includes a continuation of suspended fares for FY2022-23 to allow for continued access to transit services. Coronavirus Aid, Relief, and Economic Security (CARES) Act funding will support transit operations.

Key Initiatives

- Systematically review existing projects and their alignment with the City of Raleigh's Community Climate Action Plan in collaboration with the GNR 4.1 Initiative Work Team and identify gaps and areas of conflict. (Growth & Natural Resources, Objective 4)
- Develop new projects and recommendations that further align with the City's Community Climate Action Plan. (Growth & Natural Resources, Objective 4)
- Review existing federal policy to project future federal funding increases and major reductions in funding flexibility. (Organizational Excellence, Objective 2)
- Perform a comprehensive review of future maintenance needs and the related required funding for future years. (Transportation & Transit, Objective 1; Organizational Excellence, Objective 2)
- Hold public events targeting underserved yet transit-accessible communities to promote ridership, educate on available services, and establish relationships with riders. (Safe, Vibrant & Healthy Community, Objective 3; Transportation & Transit, Objective 2)

Emergency Communications

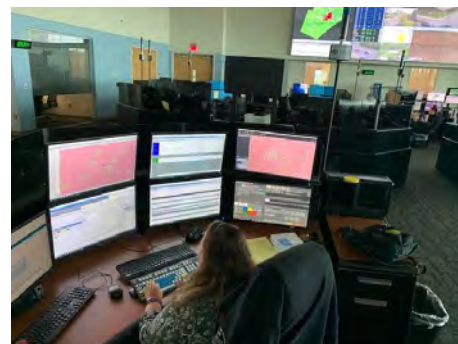

Mission

The Raleigh-Wake Emergency Communications Center is committed to saving lives, protecting property, assisting the public in their time of need, and ensuring the safety of our first responders through prompt, impartial, and professional call taking, dispatch, technical and support services.

Department Overview and Key Programs

The Raleigh-Wake Emergency Communications Center processes emergency and non-emergency calls for police, fire and EMS for the City of Raleigh and the majority of Wake County. The department also provides dispatching and centralized communications and coordinates the development, implementation, maintenance, security and administration of public safety information technology and radio systems.

Key programs in Emergency Communications are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Operations:** Provide 911 call answering, responder dispatch, centralized communications by working varying schedules to include days, nights, weekends and holidays. Staff assist the public in their time of need ensuring the safety of our first responders through prompt, impartial and professional call taking while remaining committed to saving lives and protecting property.
- **Information Technology:** Security and administration of public safety information technology systems including maintenance and monitoring of hardware, software, and infrastructure. Support integration and use of the new Computer-aided Dispatch (CAD) system within the Operations Division, Training and Compliance Division and external stakeholders while implementing vendor provided improvements.
- **Radio Shop:** Provide centralized electronics maintenance for radio frequency functions including component repair and replacement, inventory management and evaluating new technologies. Components are monitored to reduce system down time.

Additional information for Emergency Communications may be obtained by contacting Dominick Nutter, Emergency Communications Director, at (919) 996-5015 or via email at Dominick.Nutter@raleighnc.gov.

Public Safety Dispatches	448,811	461,811	475,204	498,964

Key Initiatives

- Increase the number of calls reviewed by emergency medical dispatch, emergency fire dispatch, and Police (Safe, Vibrant & Healthy Community, Objective 1).
- Identify current industry trends for developing Computer-aided Dispatch (CAD) standards and other applications and training that increase effective service delivery provided to our community members and visitors to Wake County (Safe, Vibrant & Healthy Community, Objective 1).
- Continue to invest and create opportunities for employees to cross train and increase skillsets to deliver excellent service and maintain compliance (Safe, Vibrant & Healthy Community, Objective 1).

Emergency Telephone System Fund

Fund Overview

The Emergency Telephone System Fund encompasses the annual disbursement made to the City by the State 911 Board in support of the emergency telephone system (911). The Emergency Communications Center estimates eligible expenses based on the guidelines distributed by the Board. The personnel and operating expenditures associated with this fund are managed as part of the annual operating budget for the larger Emergency Communications Department.

Additional information regarding the Emergency Telephone System Fund may be obtained by contacting Dominick Nutter, Emergency Communications Director, at (919) 996-5015 or via email at Dominick.Nutter@raleighnc.gov.

Fire

Mission

To serve the City of Raleigh with the highest level of customer service through excellence in public safety and community engagement.

Department Overview and Key Programs

The Fire Department is responsible for fire prevention, fire inspections, fire suppression, rescue, hazardous materials response and life safety education for the citizens and visitors of Raleigh.

Key programs in the Fire Department are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Emergency Response:** Provides emergency incident mitigation services in areas of fire suppression, medical first responder (EMS), vehicle accidents/extrication, water rescue, high-angle rescue, trench rescue and others as requested. In addition, RFD's hazmat crew and Response Team #4 respond to hazardous material emergencies within the state, county, and locally.
- **Fire Inspections:** Responsible for the inspection of all newly permitted work that leads to the issuance of a Certificate of Occupancy, and for the routine fire inspections of existing business occupancies according to State-mandated schedules.
- **Fleet Maintenance:** Maintain a fleet of approximately 200 pieces of rolling stock; complete preventative maintenance and emergency repairs; provide 24/7 emergency repair response; maintain a parts inventory warehouse; plans for and control builds of new apparatus; decommission legacy apparatus.

Additional information regarding the Fire Department may be obtained by contacting Herbert Griffin, Fire Chief, at (919) 996-6115 or via email at Herbert.Griffin@raleighnc.gov.

Budget Highlights

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- To be more competitive in the local market, Fire minimum pay ranges were adjusted to the average of Wake County municipalities plus 6%.
- The FY2022-23 budget includes the addition of one (1) staff psychologist position to help with mental health and employee well-being (\$88,824).
- Increased funding for apparatus and fleet repairs due to increased costs and limited stock availability (\$150,000).
- The County contracted with the Raleigh Fire Department to provide services in the New Hope fire district. Additional revenues were used to increase overtime budget (\$300,000).

Performance Indicators

	ACTUAL	ACTUAL	ESTIMATE	PROJECTION

Permits issued	1,915	1,585	1,600	1,700

*Updated methodology as of FY2020. Data has been recast for consistency.

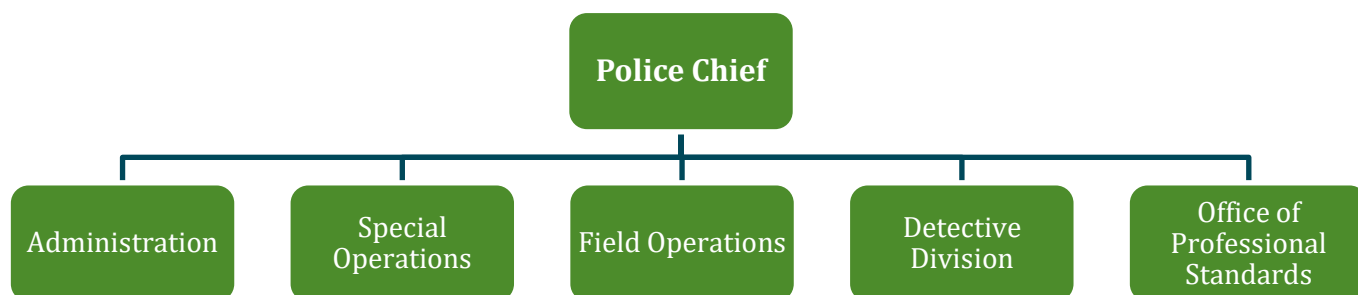

Key Initiatives

- Plan for, execute and control the continuous improvement process, using phased funding mechanisms, for the adjustment of human, facility and equipment assets to proactively respond to current and future risk (Safe, Vibrant & Healthy Community, Objective 1 and Organizational Excellence, Objective 2).
- Continuously research, field test, acquire and implement technology and create systems for the optimization of business process and to improve public safety capability (Organizational Excellence, Objective 1).
- Provide a diverse and prepared workforce to meet current and future staffing needs by graduating one or more recruit training academies annually (Organizational Excellence, Objective 3).
- Continue the Community Outreach Program that identifies a flexible system for public safety education, use of various communication mediums, and marketing (Safe, Vibrant & Healthy Community, Objective 1).

Police

Mission

In the spirit of service, the Raleigh Police Department exists to preserve and improve the quality of life, instill peace, and protect property through unwavering attention to our duties in partnership with the community.

Department Overview and Key Programs

The Raleigh Police Department (RPD) works in partnership with the community to advance strategies that focus on reducing crime. The Department employs a community- and intelligence-led approach that emphasizes the importance of maintaining a full range of enforcement priorities, including quality-of-life issues and violations that lead to more serious crime. Through the dedicated service of officers and civilians, district policing, innovative programs, effective technology use, and enhanced relationships between residents and the police, the Department is addressing crime in Raleigh and making the City an even better place to live, work, play and learn.

Key programs in the Police Department are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Field Operations:** The primary purpose of this division is responding to calls for service from residents and providing preventive patrol for all areas of the city to positively impact the level of real and perceived safety in the City of Raleigh. The division is composed of six districts: the Northwest District, North District, Northeast District, Southeast District, Downtown District, and Southwest District. The FLEX Team and Watch Commanders are also a part of the Field Operations division.
- **Detective Division:** The Detective Division exists to investigate and solve crimes, thereby affecting the real and perceived safety within Raleigh. The division is composed of units that investigate a wide variety of criminal activity, including homicide, robbery, aggravated assault, drugs and vice, financial crimes, gangs, criminal enterprises, and family violence. The division also houses the units that focus on criminal intelligence, fugitives, technical assistance, and youth and family services.

- **Special Operations:** The Special Operations Division exists to provide auxiliary and support functions for the department, including specialized response to field situations, special events, and emergency incidents. The Division is comprised of several units, such as the Selective Enforcement Unit, Crash Reconstruction Unit, Traffic Enforcement Unit, Canine Unit, Mounted Unit, Animal Control Unit, and Code Enforcement Unit. Secondary Employment and Special Events and Planning are also managed by the Special Operations Division.

Budget Highlights

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- To be more competitive in the local market, Police minimum pay ranges were adjusted to the average of Wake County municipalities plus 6%.
- Increased police separation allowance to for retired sworn officers.
- Utilizes Asset Forfeiture funds in FY2022-23 to fund leased vehicles for the Detective Division and the second of a five-year planned replacement of tasers (\$545,600).
- Additional operating funds were added for a digital evidence storage and management system to house and track evidence (\$300,000).
- The FY2022-23 budget includes an increase for financing vehicle equipment and upfit. (\$295,000).
- The FY2022-23 budget includes a one-time increase in operating expenses to pay for contractual services for the department's promotional process (\$275,625).
- The FY2022-23 budget in support of the City's Strategic Plan includes funding in special appropriations for the Raleigh Youth Summit (\$100,00) and to provide training for the Crime Prevention Through Environmental Design strategic planning team (\$6,000).

Performance Indicators

	ACTUAL 2019-20	ACTUAL 2020-21	ESTIMATE 2021-22	PROJECTION 2022-23
Traffic Collision - Injuries	2,160	2,208	2,245	2,274
Traffic Collision - Fatalities	15	35	37	39
High Priority Response Time (Dispatch to Arrival)	8.77 minutes	12.03 minutes	12.04 minutes	12.15 minutes
Property Crime Rates per 1,000 people	30.53	28.44	32.08	35.53
Personal Crime Rates per 1,000 people	13.77	14.74	14.99	15.23
Community Calls for Service	255,690	241,228	242,016	243,379
Self-Initiated Calls for Service	171,906	143,234	146,335	149,745

* The new Computer Aided Dispatch (CAD) system, implemented May 2019, measures response time differently and categorizes high priority calls differently than the previous system.

Key Initiatives

- Continue collaborating with our city partners to use Crime Prevention through Environmental Design (CPTED) principles in strengthening our city. (Safe, Vibrant & Healthy Community, Objective 1 & Growth & Natural Resources, Objective 4)
- Bolster RPD's response to the opioid epidemic by exploring new team-based approaches to opioid overdoses and following up opioid overdose cases with referrals to partnering organizations and resources. (Safe, Vibrant & Healthy Community, Objective 4)
- Continue developing strategies to generate community input such as I-CARE and the Raleigh Citizens Police Academy in order to promote intentional and meaningful dialogue to foster mutual understanding and trust between the Police Department and the community, with an emphasis on face-to-face community meetings. (Safe, Vibrant & Healthy Community, Objective 5)

Convention and Performing Arts Complex

Mission

Through the professional actions of our staff, we will provide our guests with a distinctive level of service excellence while maintaining a fiscally responsible operation that contributes to the cultural and economic benefits of the City.

Department Overview and Key Programs

The Convention and Performing Arts Complex operates the Raleigh Convention Center, the Duke Energy Center for the Performing Arts, the Red Hat Amphitheater, Special Events and the maintenance and capital projects of the Walnut Creek Amphitheater. The Raleigh Convention Center provides space for conventions, meetings, banquets, trade shows and other assembly events. The Duke Energy Center for the Performing Arts provides space for concerts, plays and festivals and is the home venue for the North Carolina Symphony, the North Carolina Theatre, PineCone and the Carolina Ballet. Additionally, the City produces and presents national and international touring productions and concerts. The Red Hat Amphitheater is a 5,990 seat outdoor venue centrally located in downtown and offers a variety of outdoor concerts and performances. The Complex produces the Wide Open Bluegrass Festival.

Key programs in the Convention and Performing Arts Complex are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Raleigh Convention and Performing Arts Complex:** The Raleigh Convention and Performing Arts Complex welcomes visitors from near and far and is a significant economic driver for the City of Raleigh. Through support from partners such as the Greater Raleigh Convention and Visitors Bureau we are able to increase tourism revenue and keep conferences, conventions and performing arts events local. This includes keeping many high-profile client events local, such as SAS, Pendo, and Lenovo, which assists in highlighting

Raleigh as a hub for technology. In addition to the performances, conventions, and concerts, the Raleigh Convention and Performing Arts Complex produces the International Bluegrass Music Association's World of Bluegrass Week, an annual mix of private and public events that brings record crowds to downtown Raleigh. The Complex also highlights local talent through rotating art exhibits and purchased pieces. Services areas within this program include sales, marketing, event management, logistics, building maintenance, security, and cleaning services. This program supports events by serving as representatives and liaisons between clients, the public and department management. Produces shows, events, festivals, concerts and plays, where single event attendance can range between 100,000 - 150,000 patrons (high-end).

- **Performing Arts Complex:** Raleigh is home to various community organizations which bring exciting arts, cultural and entertainment experiences for residents and visitors to enjoy. The Performing Arts Center is home to five resident companies and known for hosting entertaining and creative performing arts that draws thousands of visitors annually to Raleigh. The Duke Energy Center is proud to be the home of the Carolina Ballet, NC Opera, NC Symphony, NC Theatre, and PineCone, while also playing host to other non-profits as well as national revenue generating rental events. Services areas within this program include box office management, customer service, administration support, and facility maintenance.
- **Red Hat:** The Red Hat Amphitheater, situated in the heart of Downtown Raleigh, offers an immersive entertainment experience with stunning views of the Raleigh skyline. Since opening on June 4, 2010, Red Hat Amphitheater has become a beacon for live entertainment in the Southeast. Just steps from the fun and energy of downtown Raleigh's bars, clubs, galleries and restaurants, this approximately 6,000- seat venue blends the state-of-the-art with the simply convenient. Located just steps from the Raleigh Convention Center and four nearby parking garages, Red Hat Amphitheater has showcased acts like Maroon 5, Stone Temple Pilots, Vampire Weekend, Paramore, Chelsea Handler, Heart, Barenaked Ladies and the North Carolina Symphony. Events will run from April-Oct. The venue books acts through an agreement with Live Nation. Capacity at the venue is 5,990: 1,800 fixed seats; 2,700 movable seats; and lawn space for 1,000.

Additional information regarding the Convention and Performing Arts Complex may be obtained by contacting Kerry Painter, Raleigh Convention and Performing Arts Complex Director/General Manager, at (919) 996-8503 or via email at Kerry.Painter@raleighnc.gov.

TOTAL	\$18,219,770	\$9,949,184	\$19,401,621	\$27,978,766

Budget Highlights

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- The proposed budget adds Permanent Part-Time staffing to the department's personnel budget. These additional resources provide funding to implement the Permanent Part-Time positions which will go into effect in FY2023.
- The department's proposed budget includes changes made based on the City's new temporary employee pay structure. The additional funding for hourly temporary employees will allow the organization to be more competitive in the market for critical staffing and will ensure continuity of operations in the department.
- The Department's proposed budget reflects an expectation that the facilities will return to a pre-pandemic level in events, productions and concerts.

Key Initiatives

- Continue to remain focused on equity and inclusive efforts to ensure a belonging environment for current staff and future recruitment. Hire and promote staff that represent our community. (Organizational Excellence)
- Increase communication to our community and guests to build an audience and loyalty to our venues by creating marketing campaigns that promote our guest service results and programs. (Organizational Excellence and Arts and Cultural Resources)
- Identify and mentor one arts organization that provides diverse programming, with a goal of creating a long-term partnership. (Arts and Cultural Resources)
- Complete safety and security recommendations from PROTUS3 security study.
- Explore opportunities for exterior renovations at the venues in order to enhancement the guest arrival experience and access. (Arts and Cultural Resources)
- In partnership with the Greater Raleigh Convention and Visitors Bureau and local hoteliers, continue to enforce booking strategies as outlined in the Destination Strategic Plan. (Economic Development and Innovation)
- Continue to collaborate with community hospitality partners to increase visitation and economic impact. (Economic Development and Innovation)
- Work with city leaders to explore alternate funding solutions to attract convention hotel development.
- Work with city leaders to explore requirements for convention center expansion.

Walnut Creek Amphitheater

The Walnut Creek Amphitheater is a concert and performance venue owned by the City of Raleigh and operated by Live Nation. The Convention and Performing Arts Complex monitors general facility maintenance and performs capital maintenance at Walnut Creek Amphitheater. Amphitheater rental revenue, generated from the operating agreement with Live Nation, exclusively funds operating and capital needs. Staff coordinates with Live Nation to identify and prioritize capital needs, and all approved capital projects are incorporated into the City's capital improvement plan.

Additional information regarding the Convention and Performing Arts Complex may be obtained by contacting Kerry Painter, Raleigh Convention and Performing Arts Complex Director/General Manager, at (919) 996-8503 or via email at Kerry.Painter@raleighnc.gov.

Budget Highlights

- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- The proposed budget includes a transfer from Walnut Creek Amphitheater operating fund to the Walnut Creek Amphitheater Capital Improvement program (\$1.7m) for facility improvements at the venue.

Parks, Recreation and Cultural Resources

Mission

Together we connect and enrich our community through exceptional experiences.

Department Overview and Key Programs

The Parks, Recreation and Cultural Resources Department (PRCR) plays a leading role in determining the quality of life and character of the Capital City. With over 10,000 acres of parkland, 118 miles of greenway trails and over 1.3 million square feet of facilities, the department provides a wide range of creative programming opportunities that promote the social, cultural, mental, and physical well-being of citizens. The City's vision for its parks, recreation and cultural resources system is "bringing people to parks and parks to people."

Key programs in Parks, Recreation and Cultural Resources are included below. A full list of programs can be found in the City's Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **Parks Maintenance:** Maintains 9,845 acres of public property across 6 park districts located within the City limits. Provides general park maintenance (cleanliness, safety compliance, turf maintenance, vegetative maintenance, horticulture, environmental stewardship, repair/replacement of park amenities, structures, and infrastructure). Minor grants have been received for trash can/recycling cans.
- **Greenway Trail Maintenance:** Maintains 117 miles of greenway trails and associated amenities (trail surface, parking lots, fencing, trail heads, signage, wildflower beds, 9.5 miles of structures, bridges, and stairs.) Cleans trail tunnels, repairs & restores trails after storms and flooding events. Perform seasonal scheduled turf maintenance and year-round vegetation

management. Performs biannual trail inspections to identify safety issues and make timely repairs. Oversees annual 3rd party engineering services for trail and structure inspections. Staff also support running events (marathons, 1/2 marathons) held on city trails.

- **Aquatics Program:** The Aquatics program provides a fun and creative atmosphere for the development of swimming skills for all residents in the Triangle area. We advocate the importance of water safety and are committed to the process of continuous improvement and training of our lifeguards, swim instructors, and community. The importance of swimming is invaluable, serves as a lifetime skill and is a healthy recreational activity. The American Red Cross Swimming and Water Safety program is our standard and all our instructors are certified as Water Safety Instructors to meet these goals.

Additional information regarding PRCR may be obtained by contacting Scott Payne, PRCR Interim Director at (919) 996-4815 or via email at Scott.payne@raleighnc.gov.

TOTAL	\$48,361,275	\$47,271,990	\$54,530,845	\$60,780,068

Budget Highlights

- The proposed budget adds three (3) positions to Parks, Recreation and Cultural Resources associated Dix Park support in maintenance and operations (\$640,972). These positions will provide additional resources to support the general upkeep of the parks open spaces and natural areas and provide program oversight at the park.
- The proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- The proposed budget adds Permanent Part-Time staffing to the department's personnel budget. These additional resources provide funding to implement the Permanent Part-Time positions which will go into effect in February 2023.

- The department's proposed budget includes changes made based on the City's new temporary employee pay structure. The additional funding for hourly temporary employees will allow the organization to be more competitive in the market for critical staffing and will ensure continuity of operations in the department.
- The budget includes fee increases that are related to the temporary employee pay increases. These fees help offset the cost of the employees and are built into the program costs.

Performance Indicators

	ACTUAL 2019-20	ACTUAL 2020-21	ESTIMATE 2021-22	PROJECTION 2022-23
Total Park and Greenway Acreage	10,214	10,055	10,055	10,055
Total Greenway Mileage	118	119	119	119
New Households enrolled in PRCR Programs	5,569	7,134	7,273	7,500
Program Delivery Rate	57%*	75%	82%	82%

Key Initiatives

- Several capital planning and improvement related projects are schedule to launch and be completed in FY23. PRCR will launch an update to its 2014 System Plan. This Plan update will improve alignment with the City Council Strategic Plan and other core guiding documents within the City of Raleigh. (Arts & Cultural Resources, Object 1, Growth and Natural Resources, Objective 2 and Safe, Health and Vibrant Community, Objective 4)

Key Initiatives Continued

- Program partnerships will continue to be a significant aspect of the PRCR business platform. In FY23 groundbreaking will occur for the construction of the \$50 million partnership with SWING Racquet & Paddle. Once fully operational this project will host 1.0 million annual visitors with an estimated annual economic impact of \$80 million. In FY22 PRCR began its partnership with the Bucy Foundation to establish the first permanent futsal courts at Peach Round Park and Brentwood Park. FY23 discussion is focusing on the potential to introduce a covered, multi-court playing area within the Raleigh Parks system. (Safe Vibrant & Healthy Community, Objective 4)
- PRCR remains committed to providing healthy food opportunities for the community. For summer camp 2022 the department will continue the partnership with WCPSS for the Summer Meal service and the PRCR Summer Nutrition Specialist program. Combining these two efforts ensures that eligible camp participants receive healthy lunch and snack while attending PRCR summer camps, and teach youth about health and nutrition, how to prepare healthy meals at home and the long-term benefits of healthy lifestyle choices. Prior to COVID the Department served 50,000 meals over the course of 10 weeks.
- In effort to provide affordable, fresh produce to the community, in December 2021 PRCR began partnership with the Produce Project at John Chavis Memorial Park. The Produce Project works to provide affordable, fresh food to people in need. In May of 2022 the Department will expand to a second location, Marsh Creek Park. For FY23, PRCR will work with Budget & Management Services and the Produce Project to extend our reach to additional areas of Raleigh. (Safe Vibrant & Healthy Community, Objective 4)
- Play It Forward Raleigh has awarded \$131,592 in assistance which supports 409 families through non-taxpayer resources. In FY 22, community partnerships increased, the Department will continue collaborating with other community organizations in FY 23. (Arts and Cultural Resources, Objective 3 and Organizational Excellence, Objective 4)
- Continue to seek economic impact opportunities by working with the Greater Raleigh Convention & Visitors Bureau, specifically the Greater Raleigh Sports Alliance to support post pandemic business recovery through sports tourism and other recreation events. (Economic Development & Innovation, Objective 4)
- Two programs have been established to target youth employment in conservation and leadership development. The PRCR/Partnership Raleigh Youth Conservation Corps (YCC) Program will be held for 10-weeks this summer (Growth & Natural Resources, Objective 4)

Revolving Fund

Overview

The Revolving Fund consists of self-sustaining programs within the Parks, Recreation, and Cultural Resources (PRCR) Department. PRCR programs classes, workshops, and camps held at community centers and parks. Participant fees make up most of the revenues, and programs are expected to recover or exceed their costs. A portion of the fees collected are returned to the General Fund to support the overall PRCR budget. This is the last year that Housing and Neighborhoods will use the Revolving Fund.

Raleigh Water

Mission

Our mission is to provide inclusive, safe, and sustainable water services to our diverse community while equitably protecting public health and contributing to our service area’s economic, environmental, and social vitality.

Department Overview and Key Programs

Raleigh Water is an award-winning regional utility that provides drinking water, sanitary sewer, and reuse water services to Raleigh and six neighboring towns: Garner, Knightdale, Rolesville, Wake Forest, Wendell, and Zebulon. In total, Raleigh Water serves more than 190,000 metered water and sewer customers and a service population of approximately 600,000 people.

Key programs in Raleigh Water are included below. A full list of programs can be found in the City’s Program Catalog, located at <https://raleighnc.gov/services/grants-and-funding/current-city-budget>

- **EM Johnson Water Treatment Plant Operations & Maintenance:** This program works out of the EM Johnson Water Treatment Plant and is responsible for controlling process flows to meet system demands, adjusting chemical feeds and equipment to meet water quality standards, monitoring distribution system storage tank levels and starting and stopping water booster pumps to ensure proper fire flow and storage are met 24/7/365. Staff conduct routine plant inspections and gather data, offload bulk chemical trucks into storage tanks, and ensure accuracy and compliance with all water quality standards. Maintenance staff analyze maintenance records, technology changes and useful life expectancy for asset and equipment upgrades to prevent, predict, and correct equipment failures and consequences.

- **Customer Care:** This program consists of a contact center that provides customer service to Raleigh Water, Solid Waste Service, and Stormwater customers through phone, email, in-person, fax, and postal mail interactions. The program provides information regarding billed services, current rates and fees, scheduling start and stop services, assisting with payment options, offering payment plans and available assistance, processing leak adjustment requests, scheduling work orders and field activity review for special services or requests, and providing 24/7 on-call support for Raleigh Water emergencies. Customer Service representatives process nearly 60,000 customer contacts per month and work closely with other Raleigh Water divisions, Solid Waste Services, as well as the City Manager's Office for any escalations.
- **Asset Management:** This program is a data-driven, decision-making program that identifies utility assets that require investment for inspection, maintenance, rehabilitation, and/or replacement, which include water and wastewater treatment facilities, pipelines, and remote facilities. This program plans the right level of infrastructure investment at the right time for reliable service. This program also includes the GIS team, which supports and leverages a geospatial platform to ensure GIS data availability and accuracy for use within Raleigh Water for the purposes of system modeling, asset management, project planning, and field operations support.

Additional information regarding Raleigh Water may be obtained by contacting Whit Wheeler, Interim Director, at (919) 996-4582 or via email at william.wheeler@raleighnc.gov.

Budget Highlights

- The FY2022-23 budget includes a 1.5% increase in the monthly base and volumetric water and sewer charges, with no changes to the infrastructure or watershed charges, which results in a 1.37% increase to the average residential customer.
- The FY2022-23 proposed budget includes the full year costs of a 2% Cost of Living Adjustment (COLA) for all full-time employees in the department. The COLA was approved by City Council in April 2022.
- With the completion and commissioning of the Bioenergy Project, eight (8) full-time positions are included in Raleigh Water's FY2022-23 budget to provide operations and maintenance support for the Bioenergy program (\$461,932).
- Two (2) full-time Plant Operations Specialist positions were added to provide support to the 24/7/365 services in the E.M. Johnson Water Treatment Plant Operations program (\$115,534).
- Two (2) full-time Senior Engineers were added to Raleigh Water's Development Review Group to meet the growing need for development review and to ensure compliance with the Public Utilities Handbook and City Code (\$154,890).
- Raleigh Water's FY2022-23 budget includes the addition of one (1) Senior Engineer and one (1) Engineer Supervisor in the Project Management Group to ensure the department continues to execute projects within the capital improvement program (\$163,732).

Performance Indicators

	ACTUAL 2019-20	ACTUAL 2020-21	ESTIMATE 2021-22	PROJECTION 2022-23
Drinking water regulatory compliance rate	100%	100%	100%	100%
Regulatory wastewater compliance rate	100%	100%	100%	100%
Total Reportable Sanitary Sewer Overflows (SSO) per 100 miles of pipe ¹	1.75	1.27	1.33	1.39
Water Main Break per 100 miles of pipe	8.72	9.05	7.99	8.38

¹A Sanitary Sewer Overflow (SSO) is a condition in which untreated sewage is discharged from a sanitary sewer into the environment prior to reaching sewage treatment facilities. A reportable SSO is an overflow with 1,000 or more gallons or where any volume reaches surface waters.

²Data is current as of March 18, 2021.

Key Initiatives

- Recruiting, developing, and retaining a diverse competent, safety-focused workforce and investing in opportunities for professional and leadership development, considering the differing needs and expectations of our workforce. For example, collaborating with the Human Resources department to create a formalized recruitment plan for hard-to-fill and retain positions. (Organizational Excellence, Objective 3)
- Anticipating and responding to the risks affecting resources, systems, and operations as well as seeking ongoing performance improvements to deliver quality services, ensure business continuity, and reduce environmental impacts. For example, implementing and transitioning to the bioenergy program. (Growth & Natural Resources, Objective 3)
- Maintaining and enhancing assets over the long-term by planning for equitable and inclusive infrastructure improvements and investments consistent with community needs, anticipated growth, and system reliability. For example, rehabilitating the Utility's raw water intake infrastructure. (Organization Excellence, Objective 2)
- Providing reliable, responsive, and professional services and products that meet or exceed regulatory compliance and customer needs. For example, enhancing water testing capabilities by improving laboratory functionality and space. (Organizational Excellence, Objective 1)
- Informing and involving customers and other stakeholders to promote an appreciation of the value and life cycle of water and the services provided by the Utility. For example, establishing processes to proactively provide system work notifications to customers. (Organizational Excellence, Objective 5)

Raleigh Water - Water and Sewer/Reuse Infrastructure Funds

The Infrastructure Replacement Charges help fund replacement of aging infrastructure within the Water Distribution and Wastewater Systems. Billed monthly, the Infrastructure Replacement Charge is based on each individual meter size. Infrastructure Replacement Charges are collected in two operating funds: one to account for water infrastructure and a second to account for sewer/reuse infrastructure. Amounts collected in these funds are transferred to support cash infrastructure replacement capital projects.

- **Sanitary Sewer Inspections & Maintenance:** Staff assigned to this program clean and maintain the entire sewer system to limit environmental damage, respond to customer concerns and environmental emergencies, and mitigate impacts from sewer system overflows (SSOs). To meet Collection System Permit requirements, this program conducts preventative maintenance on 10 percent of our sewer system, at a minimum, annually. A "stop, control, collect, and restore" process is performed in response to SSOs to limit impacts of overflows and backups. This program manages the residential loan backflow prevention program, which provided loans to customers in need of a residential backflow device to prevent sewer from backing up into their home when their dwelling's finished floor elevation is below the next upstream manhole.
- **Utilities Repair:** This program plans, schedules, and facilitates infrastructure repairs related to residential services, sewer mains, manholes, stream bank stabilization, and other appurtenances as required. Staff conduct emergency sewer infrastructure repairs to minimize and mitigate environmental impacts. This program provides mutual aid to other City of Raleigh departments during inclement weather and other emergencies that require debris management and excavation.
- **Easement Inspections and Maintenance:** These programs manage inspection and maintenance services (a permit-driven function) for approximately 1,300 miles of sanitary and water easements. This program completes visual inspections of sanitary sewer structures and appurtenances, provides National Association Sewer Service Companies (NASSCO) asset condition coding, generates reactive work orders, documents, and verifies asset data as required by the Collection System Permit, completes investigative work as directed by management, and interacts with customers daily. This program removes vegetative growth in easements through mowing, bush hogging, and vegetation grinding/mulching to ensure easement access during emergencies such as sanitary sewer overflows (SSOs) or emergency repairs.

Budget Detail

Budget Highlights

- There are no proposed fee changes to the Water Infrastructure or Sewer Infrastructure Fees.

Raleigh Water - Watershed Protection Fee Fund

The Watershed Protection Program works to protect natural areas in the City's drinking supply watersheds. The Watershed Protection Fee is billed monthly to Raleigh, Garner, Knightdale, Rolesville, Wake Forest, and Zebulon water customers.

The funds are used to pay for the Upper Neuse Clean Water Initiative, as well as additional drinking water quality improvements to the treatment system, and for protective restoration projects.

Watershed Protection projects will be labeled with specific program codes so they can be identified within pay-go (cash) capital fund 330.

Overview of the Capital Improvement Program

The FY2023 – FY2027 Capital Improvement Program (CIP) includes funding of \$553.8m in FY2023. The City continues its commitment to funding of the penny towards affordable housing, street resurfacing and parks maintenance in the FY2022-23 budget through dedicated funding from the General Fund:

- \$7.8m to support affordable housing initiatives
- \$7.8m to support street resurfacing and pavement management
- \$7.8m to support park maintenance

The FY2022-23 CIP process included an inventory of current capital needs that address major programmatic and facility needs across the City's assets. Through this inventory, the most critical needs were prioritized and funded through one-time funding:

- **Transportation:** Funding for 2017 Bond Program Gaps (\$17.7m), major bridge repairs and inspections, neighborhood traffic calming, and pedestrian and bicycle improvements (\$5.5m), and \$0.5m for the Vision Zero Spot Safety program.
- **General Public Improvements:** Funding for building system improvements (\$1.6m), Public Project Community Support Fund (\$1.5M) public safety facility maintenance (\$1.4m), planning and feasibility studies (\$0.8m) and continued support for the Building Upfit Grant (\$0.5m)
- **Technology:** Funding to support an institutional fiber refresh (\$0.9m)

The FY23-27 CIP also utilizes debt capacity to fund additional public safety facilities including advancing the design and land acquisition of the Police Evidence Building (\$10.0m) and design of the Fire Station #1 and Admin Building (\$5.0m) in year one. Funding for construction of the police evidence building (\$25m) is included in FY24 while additional funding for construction of Fire Station #1 and Admin Building was increased to \$35m in FY25.

The CIP inventory identified other new facilities and maintenance needs which were not funded. They include:

- **Transportation:** Additional sidewalk improvements, pavement markings, signal installations, planning and feasibility studies (\$10.9m)
- **Parks, Recreation and Cultural Resources:** Additional site, facility, and greenway improvements above and beyond the penny supporting parks maintenance (\$13.7m)
- **Public Safety Facilities:** Additional public safety renovations and maintenance (\$4.0m)
- **General Public Improvements:** Building system improvements including life safety/compliance, technology upgrades, Mechanical, Electrical and Plumbing (MEP) system upgrades, roof repairs, and lighting needs (\$8.9m)
- **Technology:** Software to support core functions within the City (\$1.0m)

In addition to funding City Council's top priorities and critical asset maintenance, the FY2022-23 CIP includes a 2.5% rate increase to the Stormwater utility in order to continue funding initiatives in the Stormwater CIP. The rate increase results in an additional \$1.2m that will be utilized to complete additional major infrastructure projects.

The FY2022-23 budget does not include any parking capital investments as the Parking Enterprise has experienced slow revenue recovery associated with downtown parking and special event parking.

Raleigh Water continues significant investment in water and sewer infrastructure including \$222.9 billion over the next five years.

GoRaleigh continues to work with Wake Transit on investments in transit access across the region including \$131.3m over the next five years. This includes the ADA facility (\$43.0m), vehicle replacement and expansion (\$32.3m), and facilities and shelter improvements (\$10.0m).

Overview of the Capital Improvement Program

Below is a brief description of each element used in the Capital Improvement Program.

Housing: The Housing element provides capacity for increasing the stock of affordable housing throughout the city through neighborhood revitalization, first time home ownership programs and house rehabilitation projects. Recent housing bond projects are implemented through this element.

Transportation: The Transportation element addresses major city streets, infrastructure maintenance, parking facility maintenance, long-term studies, and multimodal-oriented projects. Recent transportation bond projects are implemented through this element.

Parks, Recreation & Cultural Resources: The Parks, Recreation & Cultural Resources element funds capital maintenance and renovations at the city's community centers, athletic facilities, greenways, and cultural sites. Projects can include structural repairs, mechanical repairs, or pavement repair and resurfacing. This element also funds land acquisition and long-term studies.

Raleigh Water: The Raleigh Water element funds the ongoing maintenance and improvement of water and sewer infrastructure. These projects include main replacements, water and wastewater treatment plant renovations, and pump station maintenance.

Stormwater: The Stormwater element funds projects meant to manage and mitigate the effects of stormwater runoff. Project categories include general

infrastructure, lake preservation, and neighborhood drainage.

Convention and Performing Arts Complex: The Convention and Performing Arts Complex element funds maintenance, renovations, and improvements at three downtown facilities: Raleigh Convention Center, Performing Arts Center, and the downtown amphitheater. This element also includes the Walnut Creek Amphitheater in southeast Raleigh.

General Public Improvements (GPI): The General Public Improvements element funds maintenance and construction of general government and public safety facilities and infrastructure. This element also includes selected economic development projects.

Technology: The Technology element funds the planning, design and implementation of new technological infrastructure. These projects include maintaining the City's enterprise resource management system and implementing a 911 dispatch system.

Capital Revenue Sources

Capital funding can be classified into two broad types: cash (pay-as-you-go or “paygo”) and debt-financing. Paygo sources include transfers from the City’s General Fund, facility fees, or program income. For debt financing, the City uses a range of debt mechanisms, including general obligation bonds, revenue bonds, and bank loans. Some revenue sources, such as General Fund transfers, can be applied to any project, while other sources such as facility fees and certain fees, may only be spent on eligible projects.

Debt Financing

Debt financing represents the largest funding source for the CIP. Examples are provided below:

- **General Obligation Bonds:** Approved by taxpayers through ballot initiatives and are backed by the taxing power of the City
- **Limited Obligation Bonds:** Issued based on available debt capacity and generally used for new facility construction. The security pledge is the asset being financed.
- **Two-Thirds Bonds:** A type of General Obligation Bond that does not require voter approval and is based on a calculation pertaining to the reduction of General Obligation Bonds outstanding. The security pledge is the taxing power of the City.
- **Revenue Bonds:** Used primarily by Raleigh Water to fund water and sewer infrastructure projects. The security pledge is the revenue generated by the utility system fees.
- **General Capital Reserves**

Transfers from the General Fund

The General Fund transfers a portion of the City’s property and sales tax revenues to capital funds. Compared to other sources, General Fund transfers are a flexible revenue source without restrictions on their use. The City applies these funds to a wide range of projects, including general government and public safety facility maintenance, parks facility maintenance, street resurfacing, and technology projects.

Appropriated Fund Balance

Unspent funding accumulates into capital reserves, which are available to fund future projects. Capital reserves can also build up when the City collects additional revenues above the budget estimate. Staff annually estimates the reserve funds available for capital projects and may budget this additional funding source.

Transfers from Enterprise & Internal Service Funds

Enterprise funds, such as Raleigh Water, Stormwater, and Parking, collect fees as part of their operations, then invest a portion of that revenue into capital projects. The City uses these transfers for corresponding enterprise purposes. For example, Raleigh Water transfers are only used for water and sewer projects. Transfers from enterprise and internal service funds are the CIP’s second largest revenue source.

Grants and Interlocal Funds

This category includes any revenue the City receives from Federal and State grants, as well as revenue from the Wake Transit Plan. These revenues typically align with a specific project identified within the CIP and have increased in the last couple of fiscal years due to the City’s continued and growing participation in the Wake Transit Plan implementation process.

Facility Fees

The City assesses charges on new development to help pay for the capital facility burden created by development. Each new residential or commercial project pays its proportionate share of the cost of new infrastructure facilities required to serve that development. These fees support debt service and cash-funded projects for parks and road widening. Facility fees are based on a standard formula and a pre-determined fee schedule.

User Fees and Program Income

In some capital elements, selected user fees and program income sources are dedicated to capital projects rather than operating budgets. This includes program income from affordable housing programs, selected development fees and lease revenue from the Walnut Creek Amphitheater.

CIP Policies and Practices

The City adheres to several policies and practices to ensure long-term financial sustainability, promote effective planning, and ensure appropriate use of capital funds. Below is a summary of major items:

- **Alignment with Strategic Plan:** The Strategic Plan serves as the primary guide for capital investments. The plan articulates areas of strategic focus that will target the City's efforts and resources in ways intended to have the greatest impact in the six key focus areas over the life of the plan. Several of the Strategic Plan's initiatives require staff to evaluate and implement capital investments in transportation, technology, economic development, and other areas.
- **Defining capital projects:** Generally, a capital project will be a fixed asset with a useful life greater than ten years and with a cost of at least \$25,000. Capital projects include not only new assets, but projects that improve an asset or lengthen its useful life. Scheduled purchases of vehicles and equipment for routine operations are, generally, addressed through the annual operating budget. The operating budget also funds routine maintenance of facilities.
- **The CIP serves as a policy document:** Upon adoption by the City Council, the CIP becomes a statement of City policy regarding the timing, location, character, and funding of future capital investments. The CIP represents City administration's and City Council's best judgment at that time. Future needs and financial constraints may result in programmatic changes over the five-year period. Policies and priorities established in the CIP guide subsequent decisions made by City administration and the various boards and commissions appointed by City Council.
- **Complementing the City's Comprehensive Plan:** All capital projects should complement the Comprehensive Plan. The Comprehensive Plan includes specific policies that establish it as the City's lead growth and development guide and connect it to the CIP. Policies also require staff to consult the Comprehensive Plan when establishing capital priorities, share long-term plans with other city staff, and identify long-term planning opportunities.
- **General debt policies:** The City uses a long-range debt model to track general debt obligations, as well as approved but unissued amounts. The model allows staff to forecast debt service requirements and perform "what if" scenarios. Historically, the City's general debt service should not exceed 15% of the General Fund budget, and fund balance in the debt service fund should be at least 50% of annual debt expenses.
- **Budget transfers:** City Council approves all increases and decreases to active project budgets. City staff may transfer up to \$50,000 from one project to another within the same fund and category. Project transfers in excess of \$50,000 require Council approval. All transfers are reviewed.
- **Identifying operating impacts:** Requests for new projects must include an estimate of operating impacts. These costs include new staffing and operating costs essential to operate and maintain a new asset, such as a public facility or software system. Examples of operating costs include utilities, vehicles, annual licensing, and service contracts. Operating impacts do not include new services or programs that are not essential to the asset's operation.
- **Long-range cost estimates:** Staff uses common cost escalators to better estimate future construction costs. The City uses a default escalator of 3.5% per year. Staff applies this to new construction and significant building rehabilitations. In some elements, such as Raleigh Water and Transportation, staff applies other escalators developed for those specific service areas.
- **Closing projects:** Projects are closed when the approved scope of work is complete. Staff reviews the project status periodically to identify projects that are complete. If the budget for a completed project is not fully expended, generally, the budget is closed and the remaining balance accumulates in fund balance. The accumulated fund balance is available to pay for future projects.

Area Plans

Raleigh's growth and evolution creates an ongoing need for area and corridor planning to address land use change, transportation needs, and neighborhood quality of life. Detailed planning studies provide specific policy guidance and capital project concepts that shape growth to the benefit of Raleigh's neighborhoods by defining appropriate densities, identifying lands suitable for conservation, building connected transportation networks, and supporting mixed-use centers that combine economic vitality with transportation choice. While some of the projects listed have been funded, this list serves as a tool for funding future capital projects.

Avent Ferry

- Midtown Waterfront Park Acquisition

General Capital Project Funds

The purpose of the General Capital Projects Funds is to account for the financial resources segregated for the acquisition or construction of major general capital assets and facilities. The budgets within these funds are adopted for the life of the project. Under the project accounting concept, project expenditures, and the revenues used to fund them, are accumulated until the year the project is completed. General projects accounted for within the general capital projects funds include street projects, park improvements, technology projects, major public facilities and other miscellaneous capital projects.

The **Technology Fund (501)** accounts for long-term technology projects as recommended by the City's technology governance process. These projects are financed from General Fund resources.

The **Capital Projects Fund (505)** accounts for capital improvement costs not applicable to other capital improvement programs. financed from non-bond resources.

The **Capital Projects Bond Fund (506)** accounts for capital improvement costs not applicable to other capital programs financed from bond resources.

The **Street Improvement Fund (525)** accounts for all street improvement programs to be financed from applicable street assessment proceeds and other non-bond street improvement resources.

The **Union Station Project Fund (527)** accounts for capital project costs related to the construction of Raleigh Union Station.

The **Street Facility Fees Fund (545) and Park Facility Fees Fund (610)** accounts for facility fees collected from developers to be expended for street and park capital purposes within designated zones.

The **Park Improvement Fund (625)** accounts for transfers from the general fund and other revenues and allocations, and all project costs in the construction of park improvements as well as park land and greenway acquisition.

The **Walnut Creek Amphitheatre Fund (650)** accounts for capital project costs of the Amphitheatre financed by a portion of the Amphitheatre rent.

The **Housing Projects Fund (736)** accounts for the City's commitment to affordable housing from General Fund contribution through a property tax increase.

EXPENDITURES	ADOPTED 2020-21	ADOPTED 2021-22	PROPOSED 2022-23
Fund 501 – Technology	-	-	875,000
Fund 505 – Capital Project	3,843,650	3,981,165	11,615,015

Fund 650 – Walnut Creek Amphitheatre	-	-	1,572,915
Fund 736 – Housing Projects	6,241,000	6,365,820	7,800,000
TOTAL	\$22,345,573	\$43,893,901	\$259,938,142
<i>Less Appropriations to Other Funds</i>	<i>(6,165,923)</i>	<i>(7,520,924)</i>	<i>(4,920,924)</i>
Net General Capital Project Funds	\$16,179,650	\$36,372,977	\$254,017,218

Enterprise Capital Funds

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs of providing goods or services to the general public be recovered through user fees. These capital funds support the operations of the enterprise funds.

Raleigh Water provides water and sewer operations for the City of Raleigh. The **Water and Sewer Capital Projects Funds (320 and 325)** account for capital costs associated with the City's water and sewer operations. As part of the FY22-23 CIP, all pay-go and bond funds have been consolidated into the **Raleigh Water Consolidated Capital Fund (330)**.

The **Public Transit Project Funds (415 & 420)** are supported by federal grant contributions and the City's General Fund. These funds include GoRaleigh's allocation of Wake Transit funds as recommended by the Transit Planning Advisory Committee (TPAC) and adopted by CAMPO and GoTriangle boards.

The **Parking Facilities Project Fund (446)** provides for the capital costs for City-owned parking facilities. This fund is supported by a transfer from parking operations.

The **Stormwater Utility Capital Project Fund (470)** provides for stormwater infrastructure investments in the City of Raleigh. These funds are supported by revenue generated from a stormwater fee charged to residential and commercial residents of Raleigh.

The **Convention Center and Memorial Auditorium Project Fund (646), Convention Center Complex Fund (648)** account for the capital costs at the Convention Center and Performing Arts Center.

EXPENDITURES	ADOPTED 2020-21	ADOPTED 2021-22	PROPOSED 2022-23
Fund 320 – Water Capital Projects	53,540,000	33,955,000	-

Fund 648 – Convention Center Complex	-	2,500,000	3,000,000
TOTAL	\$150,669,739	\$180,829,668	\$288,057,270
<i>Less Appropriations to Other Funds</i>	-	-	-
Net Enterprise Funds	\$150,669,739	\$180,829,668	\$288,057,270

Bond Funds

The purpose of the bond funds is to account for the financial resources segregated for the acquisition or construction of major capital facilities. The budgets within these funds are adopted for the life of the project, with revenues and expenditures accumulating until the year in which the project is completed.

The bond funds are substantially similar in nature to the capital project funds. The main difference between the funds is the primary revenue source. Funding for capital projects, using bond funds, comes primarily from the issuance of long-term debt.

These funds are accounted for separately from the capital project funds to avoid double-counting the debt costs. The cost of the City's long-term debt is captured in the capital debt service funds as the debt is paid rather than in the bond funds as the debt is issued.

EXPENDITURES	ADOPTED 2020-21	ADOPTED 2021-22	PROPOSED 2022-23
Fund 348 – Water Revenue Bond Fund*	84,950,000	11,650,000	-
Fund 349 – Sewer Revenue Bond Fund*	158,895,000	26,700,000	-

Fund 724 – Housing Bond Fund*	-	24,800,000	22,955,000
TOTAL	\$300,660,962	\$110,406,563	\$207,955,000
<i>Less Appropriations to Other Funds</i>	-	(135,379)	-
TOTAL	\$300,660,962	\$110,271,184	\$207,955,000

** As part of the FY22-23 CIP, all pay-go and bond funds have been consolidated into the Raleigh Water Consolidated Capital Fund (330). For details on the FY22-23 allocation, see the Enterprise Capital Funds page.*

Relationship to Annual Operating Budget

Capital improvement projects can have corresponding impacts to the operating budget commensurate with the capital investment. Identifying the operating budget impacts is useful for decision-making because it provides a greater understanding of the financial obligations associated with the capital investment. New or expanded facilities may increase the annual costs needed to maintain the facility and desired level of service, which can contribute to the growth of annual operating budgets. Other new facilities, such as swimming pools, may generate offsetting revenues from program fees, which provide additional revenues to help support operating expenses related to the new facility.

Given the potential impact to future operating budgets, it is important to have reliable operating cost estimates for capital projects contained in the City's Capital Improvement Program. These operating costs can then be programmed into the operating budget during the budget development process; ensuring funding is available when a project becomes operational. Operating cost estimates are developed during the CIP application development process and factor in variables such as project location, structural impacts, energy costs, staffing costs, maintenance, and/or future replacement. Each application includes a section where operating departments identify potential impacts to the operating budget. While these estimates are preliminary, the estimates still assist in the decision-making process to ensure proper consideration is given to the full cost of the project over the estimated lifespan. As a project moves from development to construction and then operation, these costs are reviewed to ensure future operating budgets include the necessary funding.

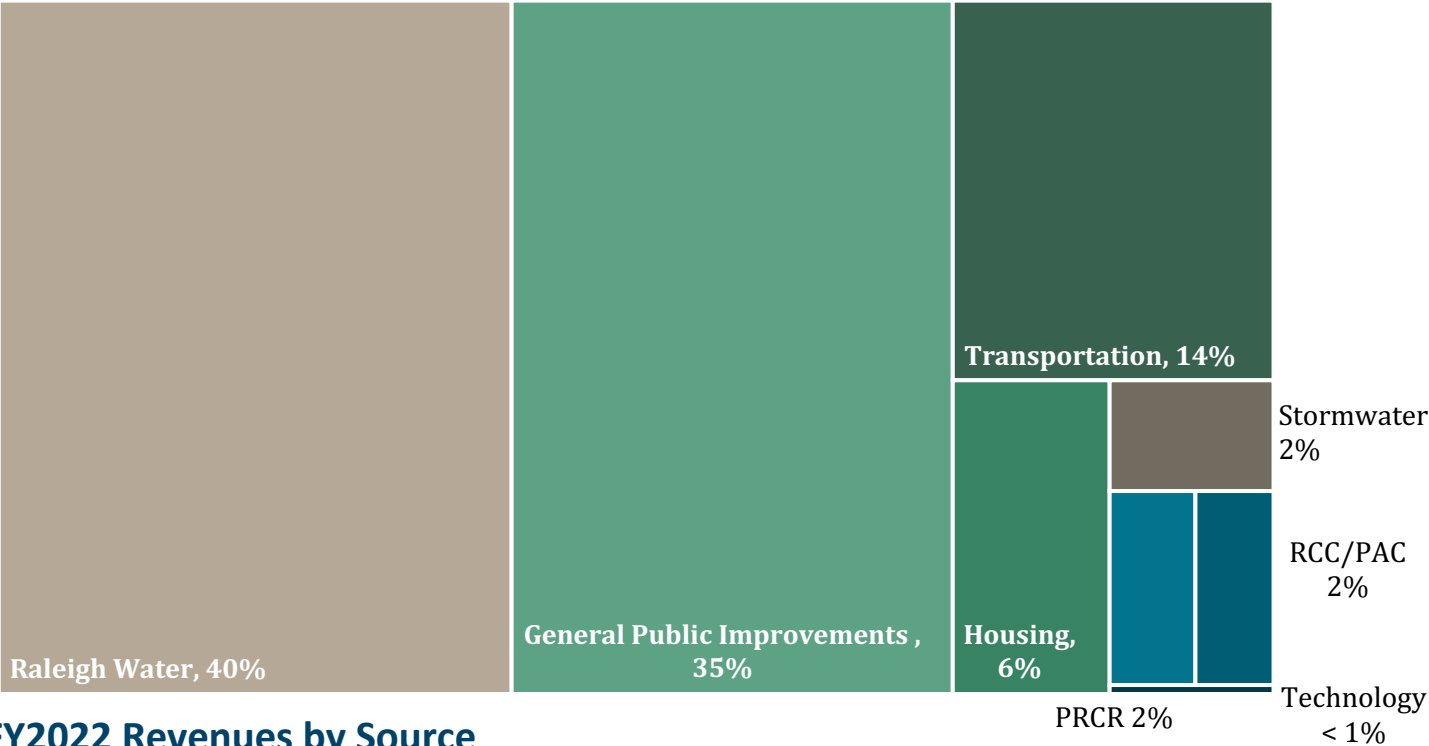

The 2020 Affordable Housing Bond provided \$1m in funding for operating expenses. In the FY2022-23 two positions and operating expenses for contractual services will use \$316,641 of the allotted \$1m. One of the positions will be added in the City Attorney's Office and one position in Housing and Neighborhoods to work on affordable housing activities associated with the bond. The total cost of the positions is \$195,346. Programmed in Housing and Neighborhoods budget will be \$121,295 for contractual services and other operating needs.

	Annual Operating Impact	Explanation
2020 Affordable Housing Bond	\$316,641	Adding funding for (1) Associate City Attorney, (1) Sr. Comm. Development Planner/Analyst and funding for contractual services
Total	\$316,641

Housing

Element Overview

Staff continues to use all available funding sources to advance the City Council's aspirational goal to produce and/or preserve 5,700 affordable housing units over ten years. Staff will use local funds and federal grant funds to implement the activities. Several programs contribute to the direction provided by City Council, and these programs include: providing gap financing for developers to produce and/or preserve affordable rental housing; providing assistance to income-qualifying first-time homebuyers; offering a limited repair program and a substantial rehabilitation program for income-qualifying homeowners; and facilitating the construction of new affordable housing on city-owned property.

Capital Highlights

- The 2020 Affordable Housing Bond approved \$80.0m towards affordable housing investment. Over the next five fiscal years, funding will be allocated towards:
 - Transit-Oriented Site Acquisition (\$16.0m)
 - Public-Private Partnerships (\$28.0m)
 - Low Income Housing Tax Credit Gap Financing (\$24.0m)
 - Owner-Occupied Home Rehabilitation (\$6.0m)
 - Down Payment Assistance (\$6.0m)
- The City continues the prior commitment to affordable housing totaling \$7.8m.

Completed Projects

- In FY22 Housing and Neighborhoods completed two projects.
 - Abbington Square was a new construction project awarding 9% Low Income Housing Tax Credits, as well as City and County gap financing funds. The development created 40 one-bedroom units, 30 two-bedroom units, and 12 three-bedroom units with 26 apartments targeting extremely low-income households (earning at or below 30% of the area median income, AMI) and 56 households at or below 60% AMI. The development provided 18 units of supportive housing.
 - Capital Towers was an acquisition and rehabilitation project awarding City gap financing funds and 4% Low Income Housing Tax Credits. The project rehabilitated 120 efficiency units and 178 one-bedroom units for low-income seniors, with 125 units targeting households earning at or below 50% of the AMI and 173 units for households at or below 60% AMI. The site is located in the North Hills area where there is little existing affordable housing.

Housing

Affordable Housing Bond Capital Highlights

Affordable Housing Bond Capital is authorized by the 2020 Affordable Housing Bond referenda. These funds help reduce the rents in assisted rental developments, finance the rehabilitation of housing for citizens of low to moderate incomes, provide down-payment assistance for homebuyers, and support neighborhood revitalization and homelessness activities.

Housing

Rental Development Capital Highlights

Local funding in the form of a one penny of property tax dedicated to affordable housing and bond proceeds, will support the production and preservation of affordable rental housing:

- Affordable Rental Development (\$9,355,000) - The City will continue to support affordable rental housing developments through the expanded use of the 4% tax credit for affordable housing allocated through the North Carolina Housing Finance Agency (NCHFA) to create housing opportunities for individuals and families making less than 60% of Area Median Income.

Housing

Homeowner Rehabilitation Capital Highlights

Local funding in the form of a one penny of property tax dedicated to affordable housing and bond revenue will support the production of affordable rental housing production and owner-occupied housing rehabilitation. Homeowner rehabilitation funds provide low-income homeowners with funds to make repairs to their homes that, if left unattended, pose a threat to the occupants' health and/or safety, thus preserving affordable housing.

Housing

COR Affordable Rental Program Capital Highlights

This program will provide for the acquisition of new units to be added to the Citywide affordable housing stock and/or to rehabilitate units to ensure continued marketability of units to potential renters. In addition, the ongoing preventive maintenance protects the City's real estate assets and investments. The affordable rental units provide housing for citizens with income below 50% of the area medium. This program accomplishes a two-fold objective, addressing both affordable housing and neighborhood revitalization goals simultaneously.

Transportation

Element Overview

The Transportation Element includes major street construction, street improvements, pedestrian and bicycle projects, and parking and transit projects. All capital projects are consistent with the adopted goals of the 2030 Comprehensive Plan, including integration of “Complete Streets” principles. The City continues close coordination with regional partners to implement the Wake Transit Plan.

Capital Highlights

- The FY 2022-23 budget includes the City’s continued prior commitment to resurfacing and pavement preservation totaling \$7.8m.
- One-time funding has been utilized to fund major bridge repairs and inspections, neighborhood traffic calming, and pedestrian and bicycle improvements (\$5.5m).
- The FY 2022-23 CIP also includes funding of \$0.5m for the Vision Zero Spot Safety program.
- The FY2022-23 budget also includes additional funding of \$17.7m in one-time funding sources to cover gaps identified in the 2017 Bond Program. This includes \$6.7m in Facility Fees for Barwell Road and \$6m in one-time capital reserves and \$5m in ARPA funds for Blount/Person Two Way Conversion.

Completed Projects

- Tryon Road Part C: improved Tryon Road from Lake Wheeler Road to Par Drive through widening to a 4-lane median divided section with bike lanes, sidewalks, landscaping, street lighting and a HAWK signal.
- Yonkers Road: improved Yonkers Road from Capital Boulevard to New Bern Avenue through roadway reconstruction and adding curb and gutter, multi-use path and Green Stormwater Infrastructure (GSI) devices.
- Gorman Street Connector: improved bicycle and pedestrian connectivity along Gorman Street between Ligon Street/Sullivan Drive and Hillsborough Street/Clark Avenue by establishing a two-way separated bicycle facility, wide multi-use path and intersection improvements
- Jaguar Park Drive: improved Jaguar Park Drive from Athens Drive to the Thomas Crowder Woodlands Center through street resurfacing and installation of a multi-use path with street lights
- Leesville Safe Routes to School: installation of sidewalks and bicycle lanes along O’Neal Road, Pride Way and Country Trail
- Cross Link Road: installed traffic calming devices, sidewalks, bicycle facilities and transit improvements between Garner Road and Dandridge Drive
- Brentwood Road: installed traffic calming devices between Capital Boulevard and New Hope Church Road
- Bike Facilities on 17 streets including N Harrington Street, N West Street, Shanta Drive and Dunn Road

Completed Projects Continued

- Petition Sidewalks at Barksdale Drive between Raleigh Boulevard and Timber Drive, Winthrop Drive between W Millbrook Road and Sleepy Hollow Drive, Fiesta Way between Falls of Neuse Road and existing sidewalk south of Mediera Court, Featherstone Drive between Six Forks Road and Mourning Dove Road, and Whittier Drive between Killington Drive and Optimist Park.
- Corridor Sidewalks at Raleigh Boulevard between New Bern Avenue and Martin Luther King Jr. Boulevard, Holston Lane between Sunnybrook Road and Calumet Drive, and Ileagnes Road between South Saunders Street and Cherry Circle.
- In FY22 Transportation completed a variety of street maintenance projects including:
 - 86 lane miles of pavement preservation projects,
 - Over 9,000 square feet of sidewalk replacement, and
 - Over 250,000 square feet of trip hazard abatement.
- Repairs on the Pullen Rd, Ashe Ave, Atlantic Ave and Gorman St railroad bridges to include joint replacements, concrete spall repairs and epoxy overlays.
- Installation of Traffic Signals at Johnson St and Glenwood South and Hawk Installations at the WakeMed Bus Shelters on Sunnybrook Rd, Sunnybrook Rd. greenway crossing and Gorman St. greenway crossing. These projects were done in partnership with North Carolina Department of Transportation (NCDOT).
- Partnered with NCDOT to replace and reconfigure Capital Blvd which included bridge replacements over Wade Avenue and Peace Street. The project created wider sidewalks, bikeways and grass medians as well as installations of public art.

Transportation

Major Street Projects Capital Highlights

This category funds road widening and other significant improvements in the City's Street network. The primary source of funds for these projects is bond funding, with a smaller percentage coming from thoroughfare facility fees. Raleigh residents approved bonds through the 2017 Transportation Bond to fund these projects. The FY2022-23 CIP includes an addition of Facility Fees for construction cost increases for Barwell Road.

Transportation

Maintenance & Continuous Improvements Capital Highlights

Street maintenance and continuous improvement projects address ongoing maintenance needs. In FY 2013, Raleigh City Council dedicated one penny of property tax to street resurfacing. This amount adjusts annually based upon sales tax growth. For FY2022-23 \$2.0m is included for ongoing bridge repair.

Parks, Recreation and Cultural Resources

Element Overview

The City of Raleigh Strategic Plan, the City of Raleigh Comprehensive Plan, and the Parks, Recreation and Cultural Resources System Plan are the primary guiding documents for on-going park and greenway maintenance and development as well as land acquisition to address growth needs. Existing feasibility studies, reports, master plans, and policies also guide the timing, scope and location of capital investments required to sustain a maturing Parks, Recreation and Cultural Resources system. Staff regularly evaluates and prioritizes maintenance demands while studying improved capacity to accommodate increasing recreation, education and conservation needs. In addition to working with the established Capital Improvement Program, staff actively pursues grant and partnership opportunities and introduces supplemental funds and resources.

Capital Highlights

- The FY2022-23 CIP includes the second year of an additional 1.0 cent dedicated to parks maintenance, a highlight of projects include:
 - ADA transition plan and Greenway Master Plan intended to address accessibility priorities. (\$0.5m)
 - Realignment of two miles of Crabtree Creek Greenway between Crabtree Blvd. and Ratchford Rd. (\$0.8m)
 - Several Park Facility maintenance projects that include replacement of building systems at Fletcher Park, Jaycee, and Lake Johnson, Norman and Betty Camp Education Center at Walnut Creek Wetland Park fire protection replacement, Millbrook Exchange Pool HVAC replacement, Comfort Station renovation at Lake Wheeler, Lake Johnson waterfront deck replacement, and paving at Marsh Creek Operations Facility. Dorothea Dix Park projects include building demolition, site stabilization and general repairs. Safety and security enhancements include emergency lighting replacements at 40+ facilities and replacing antiquated security systems (\$6.4m)
- Park improvement funding is included for sports lighting at the futsal court at Brentwood Park, reconstruction of the Peach Road Park basketball court, upgrading park signage, Thornton Road canoe launch, and Walnut Creek Wetland Park grant match for construction of amenities at Baily Drive. (\$0.8m)

Completed Projects

- Greenway Master Plan Update was approved by City Council serving as a policy document to reflect the greenway system's environmental, recreational, and transportation benefits and establish recommendations and actions that will prioritize and guide investment to meet the Raleigh community's needs.

Completed Projects Continued

- Progress continues at Dorothea Dix Park. Rehabilitation of the Gregory Poole, Jr., All Faiths Chapel was complete. Multiple grants were awarded for Rocky Branch Enhancement.
- Major improvements along Crabtree Creek Greenway were completed including bank stabilization and trail realignment.
- Several greenway trail repaving projects were completed including Wakefield Trail, Lake Johnson east loop north side.
- A series of projects to improve pedestrian access was completed at Lake Lynn, Laurel Hills, Peach Road and Crabtree Creek Greenway.
- Phase One of the revised John Chavis Memorial Park Master Plan was completed including a new community center with public art integration, multipurpose central plaza incorporating a spray ground, playground, significant renovation of the historic carousel building, and the Past to Present interpretive exhibit featuring a timeline of events that impacted the history and development of the park.
- Several major projects at Pullen Park were completed including Pullen Art Center renovation and expansion as recommended by Pullen Park Master Plan, and Theatre in the Park HVAC and fire protection renovation.
- Several park master plan phase 1 implementations were completed at Barwell Road Park, Brentwood Park, John Chavis Memorial Park, River Bend Park and Wooten Meadow Park
- Aquatic improvements have been completed at Longview Pool and Pullen Aquatic Center administrative wing and therapy pool.
- Major improvements were completed at several community centers including Tarboro Road, Lake Lynn, Worthdale, and Optimist.
- Playground reconstruction was completed at Jaycee Park, Davie Street Park, Kingwood Forest Park and Worthdale Park.
- New comfort stations and picnic amenities were completed at Sanderford Road Park and Shelley Lake Park.
- Partnering with the US Soccer Foundation, the Bucy Foundation, and NC Courage, the City's first futsal pitch was constructed at Peach Road Park.
- Marsh Creek Operations Facility upgrades included improvements on fencing, security, greenhouse controls as well as the reconstruction of the machine shop.

Facility Improvements Capital Highlights

The facility improvements category includes projects that maintain, upgrade or replace infrastructure and amenities in existing buildings serving various functions such as recreation, education, sports, visual and performing arts, historic properties, as well as operations. Continued investments in existing facilities are critical to support safe and healthy neighborhoods, stimulate the economy, improve services, and enhance overall quality of life. Many of these improvements focus on regulatory compliance, life cycle needs, environmental quality, building automation, and equipment modernization.

Parks, Recreation and Cultural Resources

Greenway System Capital Highlights

The Capital Area Greenway System is a network of public open spaces and recreational trails, which provides for activities such as walking, jogging, hiking, bird watching, nature study, fishing, picnicking and outdoor fun. In addition to recreation and commuting, users appreciate ecological features in their natural state along the greenway. The trail system connects many of Raleigh's parks and neighborhoods with extensive open space corridors providing environmental benefits. The current greenway system consists of nearly 4,000 acres of land and 117 miles of trails throughout the city.

Park Site Improvements Capital Highlights

This category funds new park master plans, existing master plan amendments, subsystem planning and policy making, feasibility studies and cost forecasting for existing facility improvements. These planning projects heavily involve public engagement to ensure that future development meets residents' expectations. Additionally, this category includes major renovation and expansion projects, as guided by the system plan and park master plans, to accommodate evolving recreation and education opportunities. Major site amenities improvements such as comfort stations and picnic shelters are also included in this category to encourage active living and enhance patron experience.

General Public Improvements

Element Overview

The City of Raleigh's General Public Improvement element focuses on maintaining the City's general government and public safety facilities. This element also funds new facilities, selected economic development projects, and other projects funded with general tax revenues. General government facility projects address capital maintenance at various downtown facilities, a multi-modal transit center, and remote operation facilities. Public safety facility maintenance projects focus on police, fire and emergency communications facilities and infrastructure. The scope of all these projects includes life safety improvements, mechanical system replacements, structural repairs, technological upgrades, security enhancements, and office space renovations. Economic development projects assist small businesses and visitors to our growing downtown.

General Public Improvement Highlights

- The FY2022-23 CIP includes funding of \$1.6m is included for ongoing facility maintenance at City facilities including electrical work at City Plaza and water remediation at the Police Evidence Building.
- The FY2022-23 CIP includes funding of \$1.4m for continued public safety improvements. This includes roof repairs, ADA compliance, and remodels as determined through regular facility assessments.
- Funding is included for the Building Upfit Grant to continue small business support.
- Funding of \$1.5m is included to support the Public Project Community Support Fund.
- Debt capacity has been identified to advance design and land acquisition of the Police Evidence Building beginning in FY23 (\$10.0m) and the design of the combined Fire Station 1 and Administrative Building (\$5.0m). Funding for construction of the police evidence building (\$25m) is included in FY24 while additional funding for construction of Fire Station #1 and Admin Building was increased to \$35m in FY25.
- FY2022-23 includes the final appropriation for Civic Campus (\$170m).

Completed Projects

- In September 2021 completed the Law Enforcement Training Center (LETC). The project has been submitted for LEED Silver certification in accordance with the LEED Green Building Rating System. The new facility connects via a breezeway with the existing Wake County Law Enforcement Training Center.
- Completed roof replacements at the Downtown Police Station and Fire Stations 1, 9, and 24 as well as interior facility improvements Fire station 17, 19, and 21.
- Replacement of the UPS system at the Raleigh Municipal Building. This system supports the backup 911, data center, and other critical functions within the building.
- LED upgrades for City of Raleigh parking decks. The City received a rebate from Duke Energy for the upgrade for advancing more sustainable lighting solutions.

General Public Improvements

General Facility Maintenance Category

This category of projects funds major capital needs in the City's general government facilities. City staff analyzes, audits, and assesses facilities on an annual basis. This process identifies necessary building repairs, replacement of mechanical, electrical, and plumbing (MEP) systems, and other projects that will improve life safety, prolong building lifespan, meet compliance requirements, and make facilities more adaptable for staff and patrons.

General Public Improvements

Public Safety Maintenance Category

This category of projects addresses maintenance and improvements at the City's public safety facilities. These projects keep the facilities safe for employees, ensure compliance requirements are met, extend the useful life of the assets, and improve system operating efficiency through necessary building repairs and replacement of mechanical, electrical, plumbing (MEP) and life safety systems. All public safety departments work with Facilities and Operations Division and Construction Management to identify and prioritize these projects.

General Public Improvements

New Facilities Category

This category funds high-priority facility projects for the City of Raleigh. To support a growing city, the Capital Improvement Program balances the need for new facilities with maintenance of existing facilities. The FY2022-23 CIP includes the final year of Civic Campus along with land acquisition and design for the Police Evidence Building and design for Fire Station #1 and Administration building. Also included in these project costs are the 1% allocation for public art totaling \$1.3m for Civic Campus and \$0.5m for public safety facilities.

New Facility Projects	PROPOSED 2022-23	PLANNED 2023-24	PLANNED 2024-25	PLANNED 2025-26	PLANNED 2026-27	5 Year Total

Technology

Element Overview

The Information Technology (IT) Capital Fund provides funding for the City's major technology infrastructure and major business system projects. The FY2023-FY2027 CIP enhances existing systems and invests in new systems to improve City operations. These projects continue our efforts to streamline and eliminate paper-based processes from City operations, increase efficiency and cybersecurity, and make City government more data-driven, transparent, and accessible to the public through an overall digitization strategy.

Capital Highlights

- FY 2022-23 includes funding of \$0.9m for an institutional fiber backbone refresh.

Completed Projects

- A Vulnerability Management Program was implemented to help identify vulnerabilities in the City's hardware and software systems to remediate cybersecurity threats. This helps to improve the overall security posture of the City of Raleigh's technology assets.
- The Information Technology and Human Resources departments partnered to identify, evaluate, select, plan, and execute a new Employee Performance Management system. The new system builds off two years of a revised process for electronic evaluations while providing a more robust, user-friendly, and flexible platform to meet the City's Talent Management future needs.
- The City implemented its first Electronic Health Record System through a partnership between Human Resource, the Employee Health Center (EHC), IT Project Management. The system allows the EHC to manage digital records and provide employees a self-service method to request appointment and receive results.

Raleigh Water

Element Overview

Raleigh Water treats and distributes drinking water, collects and treats wastewater, distributes reuse water and protects watersheds in Garner, Knightdale, Raleigh, Rolesville, Wake Forest, Wendell and Zebulon. Raleigh Water capital projects are fully funded by revenues received from rates and fees for services, and from fees associated with new development. Project funding consists primarily of revenue bonds, pay-go (cash-funded), and State Revolving Fund loans administered through the North Carolina Department of Environmental Quality. The utility system plans to invest a total of \$1,737,580,000 in capital needs over the next 10 years.

Capital Highlights

- Funding for Crabtree Valley Sewer Interceptor project, which is the upstream continuation of the Crabtree Pipeline project. This project will repair and replace 15,000 linear feet of sanitary sewer main along Crabtree Creek, addressing capacity and condition issues that led to sanitary sewer overflows.
- Additional funding for the 72-inch Interceptor Rehabilitation project is programmed in FY2022-23. This project involves replacement and/or rehabilitation improvements, such as cast-in-place pipe lining or cement lining, to areas of poor condition in the critical twin 72-inch sanitary sewer interceptors that carry wastewater from the Walnut Creek Lift Station leading to the Neuse River Resource Recovery Facility.
- Funding for the Perry Creek Interceptor Outfall project, which will install approximately 7,700 feet of gravity sewer to replace or parallel the existing Perry Creek Outfall. The sewer will follow the alignment of the existing sewer along Perry Creek and Gresham's Lake.
- Funding for the next phases of the Lake Benson/Lake Wheeler Dam Armoring project. This project will raise and further strengthen the dams at Lake Wheeler and Lake Benson. In 2016, Hurricane Matthew caused issues with the dam at Lake Benson, and this project will alleviate future concerns.
- Work has begun on the expansion of Raleigh Water's E.M. Johnson Water Treatment Plant, which will address condition issues at the 55-year-old facility as well as expand the capacity of the plant to 120 million gallons per day of treated drinking water.
- The Little Creek Transfer Pump Station and East Raleigh Wastewater Conveyance projects are entering preliminary engineering and design. These interrelated projects will be long-term sewer solution for the Wendell & Zebulon service areas. When complete, they will transfer flows from eastern Wake County to the Neuse River Resource Recovery Facility once capacity is reached at Zebulon's Little Creek Wastewater Treatment Plant.

Completed Projects

- The Oberlin Road Waterline project improves system capacity and water flow. The project replaced an existing 8-inch waterline with a 12-inch waterline to improve water flow and system resiliency. Project limits were Oberlin Road from Bedford Avenue north to Davis Street.
- The Pine Hollow Elevated Water Storage Tank was put into service in December 2021. The project installed a new 500,000-gallon elevated water storage tank off Leesville Church Road. This installation will improve system reliability and water age in that pressure zone. It replaces the existing Springdale Tank, which will be taken out of service with completion of this project.
- Neuse River Resource Recovery Facility Return Activated Sludge project consists of replacement of nine existing return activated sludge screw pumps. There are three screw pumps at three cell locations found on-site. Also, project covered all associated electrical upgrades along with repairs to concrete structures and railings. The replacement of the screw pumps will improve the efficiency of the wastewater treatment process and provide a more reliable system for community use.
- The Oregon Trail 24-inch Waterline Improvement project will increase resiliency and expand infrastructure capacity. This project included installation of approximately 10,000 linear feet of 24-inch water transmission line along Hebron Church Road and New Bethel Church Road in Garner.
- The D.E. Benton Water Treatment Plant Dewatering Facility finished substantial completion in Spring 2022. The project constructed a new dewatering facility to receive water treatment waste streams and residuals. This will improve operational efficiency at the plant.

Raleigh Water

Interceptors Capital Highlights

The projects represented in the Interceptor Upgrades category are mainly the result of the 2014 Sewer System Capacity Study. The projects outlined in the study address wet weather flow capacity within the sanitary sewer collection system, as well as to accommodate future growth within the associated drainage basins.

Interceptors	PROPOSED 2022-23	PLANNED 2023-24	PLANNED 2024-25	PLANNED 2025-26	PLANNED 2026-27	5 Year Total

Raleigh Water

Water Treatment Plant Expansion Capital Highlights

This category includes the phased expansion of EMJWTP to a treatment capacity to 120 MGD. Plan assumptions and cost estimates were revised in 2018 to update for changes in technology, consumption patterns, and equipment condition since the original 2007 expansion study.

Water Treatment Expansion	PROPOSED 2022-23	PLANNED 2023-24	PLANNED 2024-25	PLANNED 2025-26	PLANNED 2026-27	5 Year Total

Raleigh Water

Asset Management Capital Highlights

This category funds the City's Asset Management Plan (AMP), which is a proactive, sustainable, and continuous infrastructure replacement prioritization plan. The AMP uses a risk-based prioritization process to answer "how much" rehabilitation and replacement (R&R) is required to meet current and anticipated future rates of infrastructure replacement to mitigate risks of failure.

Asset Management	PROPOSED 2022-23	PLANNED 2023-24	PLANNED 2024-25	PLANNED 2025-26	PLANNED 2026-27	5 Year Total

Raleigh Water

Little River Projects Capital Highlights

Wake County, in partnership with the City of Raleigh and the utility merger municipalities, has worked for many years to acquire the land necessary for the construction of the Little River Reservoir in Eastern Wake County. Due to jurisdictional issues, Wake County managed the land acquisition, so this category includes an annual repayment of 500,000 to Wake County until the land acquisition costs are repaid. This category also provides funding for the City to develop other economically and environmentally feasible sources for future water supply.

Stormwater

Element Overview

The Stormwater Capital Improvement Program (CIP) budget projected for FY2023 through FY2027 totals \$64.08 million. This budget provides capital funding for the program's wide and diverse range of high-quality stormwater service areas which include lake management evaluation, water quality improvement, stream restoration and stabilization, stormwater system repairs and asset management, drainage assistance, flood hazard mitigation, watershed master planning, stormwater control measures and dam repairs, neighborhood stormwater improvements, and street stormwater system improvements

Capital Highlights

- The FY2022-23 CIP includes a 2.5% rate increase to the Stormwater utility which is dedicated to CIP major infrastructure projects. This increase is equivalent to \$0.18 per month per Single Family Equivalent Unit.
- The FY22-23 CIP includes \$1.2m for major infrastructure projects for Camp Pond Lake Dam, Carolina Pines, and Battleford Area Stormwater Improvements

Completed Projects

- Water Quality Cost Share projects, or the Raleigh Rainwater Rewards program, reviewed, and approved approximately 40 projects. Twenty projects were completed costing a total of approximately \$250,000, which included work at Chavis Park to install an innovative Silva Cell project, which promotes stormwater infiltration into the ground and evapotranspiration through trees.
- Four major infrastructure projects, including Brockton Drive Lake Phase 2, North Ridge Phases 4 & 5, Laurel Hills Dam and Swann Street have been completed.
- Approved 10 projects have through the Drainage Assistance Program with costs totaling over \$1 million. Three projects have been completed in FY22: Doverton Court, Edgedale Drive, and Wakestone Court.
- Completed construction of the bundled Raleigh GSI Retrofits, including the Glenwood Avenue Bioretention, Glen Eden Pilot Park Bioretention, Peterson Street Linear Bioretention, and innovative Walnut Creek Wetland Park Subsurface Gravel wetland. These highly visible projects serve as community amenities while effectively managing stormwater runoff and protecting local water quality.

Convention and Performing Arts Complex

Element Overview

The 500,000 square foot Raleigh Convention Center (RCC) opened in 2008 and hosts approximately 400,000 attendees annually. The Center has extensive meeting space, exhibit halls, and catering service. It is nationally recognized as a premier facility for conferences and events. In 2012, the City of Raleigh and Wake County negotiated the use of hospitality tax revenues to fund the capital improvements. The Interlocal Agreement establishes a long-term funding source to maintain this important facility.

The Raleigh Memorial Auditorium was originally constructed in 1932 and additional performance spaces were opened in 2001. The City completed an over \$20 million capital renovation project in 2016 and continues to focus on improving the infrastructure of the venue. The Performing Arts Center (PAC) is an iconic building on the southern end of Fayetteville Street and serves as a book end to the State Capital on the northern end of the street. The venue provides rehearsal and performance facilities for the North Carolina Symphony, North Carolina Theatre, Carolina Ballet, Pinecone, North Carolina Opera, and other local organizations. Staff procured an update of the facility condition analysis during FY19.

The Red Hat Amphitheater opened in 2010. The 5,990-person capacity venue hosts concerts, festivals, and other events. The amphitheater has been recognized by the Independent Weekly, Midtown Magazine, Raleigh Magazine and Triangle Downtowner as the best outdoor music venue in the Triangle. The Walnut Creek Amphitheatre, located on Rock Quarry Road, holds over 20,000 attendees. Live Nation leases and operates the facility. The City utilizes proceeds from the lease to fund needed capital improvements.

Capital Highlights

- Performing Arts Center Highlights for this year include lighting upgrades for the exterior of the building to improve patron experience (\$0.1m), security enhancement designs (\$0.1m), design and installation of coming attraction digital signage (\$0.2m) and sound upgrades in all of the venues at the Performing Arts Center (\$0.2m).
- Convention Center Highlights for this year include modernizing lighting fixtures in public spaces and upgrading of Shimmer Wall lighting for enhanced customization (\$0.2m), installation of exterior event digital signage (\$0.6m), and technology upgrade to include automation of equipment in public spaces (\$0.4m).
- Walnut Creek highlights for this year include modernization of the concession area (\$0.2m), stage enhancements (\$60,000), and backstage life safety upgrades (\$0.1m).

Completed Projects

- The 22nd amendment Interlocal Agreement continues to support building improvements at the Convention Center and Performing Arts Center.
- Projects at the Convention Center included: security upgrades, new power and data access floor boxes were added in the ballroom, carpet installation has begun and will be complete in FY23
- Projects at the Performing Arts Center, include replacement of all of the stair treads throughout the complex, replacement of the roof on Fletcher and Kennedy theaters, and maintenance of the Fletcher theater loading dock.
- Projects at Red Hat Amphitheater include installation of awnings at the concession area, upgraded point of sales equipment for customer ease, and addition of a VIP patio.

Long-Term Debt Program

The City of Raleigh continues to construct, upgrade and maintain its infrastructure to a highly satisfactory level. The use of federal grants in earlier years along with regular use of pay-as-you-go current resources and debt financing for capital improvements has allowed this high level of facility and public improvement work to be done. The incremental issuance of debt by the City has supplemented other capital resources, providing sufficient funding to permit necessary improvements to the infrastructure. The payback of borrowed funds over multiple years allows the cost of the asset to be spread equally over the life of the item.

The City of Raleigh manages its debt program along with its 5-year Capital Improvement Program (CIP) on a long-term basis in order to have the opportunity to structure debt events well in advance of specific need. This process also allows for a proper funding plan for debt service requirements before maturities must be met. In so doing, specific revenue sources are identified and dedicated to the debt retirement program, including new property taxes as appropriate. The objective realized is the avoidance of spontaneous funding of debt service and consequently, a much smoother channeling of funds to debt and related annual taxation adjustments.

General obligation bonds are periodically issued by the City. These bonds are secured by the full faith and credit of the City's taxing authority. The funding resource for this type of debt is the general revenues of the City, including property taxes. The City also utilizes Bond Anticipation Note (BANs) programs to fund capital improvements for the City's general governmental needs. BANs are short-term interest-bearing securities that are issued in advance of a larger, future bond issue, which is used to retire (or pay off) the BANs.

The City also periodically issues utility revenue bonds, which are secured by the net revenues of the combined utility enterprise system.

Installment financing agreements are another type of debt the City issues. This type of debt is allowed under North Carolina G.S. 160A-20 and is typically issued as either limited obligation bonds (long term debt) or private bank loans/draw programs (short term debt). This type of debt is secured by a pledge of certain City assets financed with such debt and the debt service of which is appropriated by City Council during its annual Budget process.

As a matter of internal policy, the City maintains a debt position far below its legal debt limit. By State Statute the legal debt limit for debt secured by the City's taxing authority (general obligation bonds) is 8% of assessed valuation. At June 30, 2020, the City's assessed valuation was \$61,441,676,000 yielding a legal debt limit for general obligation bonds of \$4,915,334,000. As of June 30, 2020, the City's net debt position was \$1,212,052,000 (net of allowable deductions) or approximately 2.0% of assessed valuation. A significant portion of the City's debt matures within 10 years. Naturally, an increase in future capacity is realized as this debt retires.

The City of Raleigh continues to construct, upgrade and maintain its infrastructure to ensure the City provides its citizens and users of City services the highest level of customer service and satisfaction. The use of pay-as-you-go current resources and debt financing for capital improvements allows an appropriate mix of funding for the City's infrastructure. The payback of borrowed funds over multiple years allows the cost to be spread equally over the life of the asset.

Long-Term Debt Program

The City of Raleigh manages its long-term debt program along with its 5-year Capital Improvement Program (CIP) in order to have the opportunity to structure and plan for debt financing well in advance of specific need. This long-range review of needs ensures a smoother allocation of funds needed to support debt service obligations and any related annual taxation adjustments.

General obligation bonds are periodically issued by the City. These bonds are secured by the full faith and credit of the City's taxing authority. The funding resource for this type of debt are the general revenues of the City, predominately from property taxes. The City utilizes Bond Anticipation Note (BANs) programs to fund capital improvements for the City's general governmental needs. BANs are short-term interest-bearing securities that are issued in advance of a future bond, which is used to retire (or pay off) the BANs.

The City also issues revenue bonds, which are secured by the net revenues of the combined Raleigh Water utility enterprise system. Like the governmental BANS program, short-term interest-bearing securities are used to support Raleigh Water utility enterprise systems and issued in advance of a future revenue bond.

Installment financing agreements are another type of debt financing the City utilizes. This type of financing is allowed under North Carolina G.S. 160A-20 and is typically issued as either limited obligation bonds (long term debt) or private bank loans/draw programs (short term debt). This type of debt is secured by a pledge of certain City assets used as collateral with debt and the debt service requirements which are appropriated by City Council during its annual budget process.

As a matter of internal policy, the City maintains a debt position far below its legal debt limit. By State Statute the legal debt limit for debt secured by the City's taxing authority (general obligation bonds) is 8% of assessed valuation. As of June 30, 2021, the City's assessed valuation was \$77,762,621,000, yielding a legal debt limit for general obligation bonds of \$6,221,010,000. As of June 30, 2021, the City's net debt position was \$1,266,748,000 (net of allowable deductions) or approximately 1.6% of assessed valuation.

The City has earned a AAA credit rating on its general obligation bond debt since 1973 and is currently rated Aaa by Moody's, AAA by Standard and Poor's, and AAA by Fitch. The City's utility revenue bond debt is also currently rated Aaa by Moody's, AAA by Standard and Poor's and AAA by Fitch. The City anticipates its AAA ratings, for both general obligation bond debt and utility revenue bond debt, to continue into the foreseeable future given the City's strong financial position and debt guidelines utilized in the management of the long-term debt program.

Capital Debt Service Funds

This category is comprised of General, Raleigh Water, Solid Waste, Parking and Convention Center Funds debt service payments (principal and interest payments on bond issues and installment-purchase payments) for large capital improvement projects financed on a long-term basis. While current revenues provide funding for some capital projects, a portion of the City's capital program is funded through the issuance of general obligation bonds, revenue bonds, limited obligation bonds, or other installment financing.

The City's outstanding debt is summarized and reported in the Annual Comprehensive Financial Report. Further details regarding the City's outstanding debt program as of June 30, 2021, can be found on the City's website: [Annual Comprehensive Financial Report | Raleighnc.gov](https://www.raleighnc.gov/annual-comprehensive-financial-report)

After the long-term debt has been authorized, the actual issuance of the debt may take place in several future increments. Debt service requirements on the individual debt issues begin at the time of issuance. The debt service requirement on governmental long-term debt is generally paid with property tax revenues or other dedicated general revenues of the City. Enterprise debt is funded by revenues generated by the operations of the enterprise and not supported by property taxes.

	ADOPTED 2021-22	PROPOSED 2022-23	CHANGE FY22 to FY23
Fund 190 - General Debt Service Fund	72,488,494	76,888,311	4,399,817

General Debt Service Fund

The General Debt Service Fund provides for the payment of principal, interest, and other expenses related to debt, other than Raleigh Water enterprise debt and other City enterprise activities. State statutes require full funding for debt service obligations in the budget. The majority of general governmental debt has been issued as fixed rate debt. The General Fund provides the revenues for this fund which is predominately supported by property taxes.

Appendix

- Glossary..... 328

Raleigh

Glossary

Account: The detailed record of a particular asset, liability, owners' equity, revenue or expense.

Accrual Basis of Accounting (or Full Accrual): Accounting method for proprietary funds that recognizes revenues in the accounting period in which they are earned and recognizes expenses in the period incurred.

Ad Valorem Tax (or Property Tax): Levied on real and personal property according to the property's valuation and tax rate.

Appropriation: A legal authorization by City Council to incur obligations and make expenditures for specific purposes.

Assessed Value: The value of real estate or personal property as determined by tax assessors and used as a basis for levying taxes. (Note: Wake County establishes property values.)

Authorized Bond: Bonds that have been legally approved but may or may not have been sold.

Balanced Budget: Expenditures equal revenues. N.C. state statute requires the adoption of a balanced budget.

Base Budget: Those resources necessary to meet an established and existing service level.

Bond Agency Fees: Fees charged by bond agencies for services related to debt issuance.

Bond Covenant: Provision in a bond or debt contract which require the debt issuer to meet certain standards or do certain things.

Bond Rating: Grade indicating a unit's investment qualities; ratings range from AAA (highest) to D (lowest). The City of Raleigh maintains the highest investment ratings available from each of the rating agencies: Standard and Poor's, Moody's, and Fitch.

Bond: A written promise to repay a specific amount of money with interest within a specific time period, usually long-term.

Budget Amendment: A legal procedure used by the City staff and the City Council to revise a budget appropriation or recognize new revenues and expenditures to amend the operating budget. Results in an overall budget increase or decrease.

Budget Message: A written overview of the proposed or adopted budget from the City Manager to the Mayor and City Council that discusses the major budget items and changes and the City's present and future financial condition.

Budget Ordinance: The official enactment by the City Council to establish legal authority for City officials to obligate and expend resources.

Capital Expenditure (or outlay): Expenditures that create future benefits, incurred when a business spends money to buy fixed assets or to add to the value of existing fixed assets with a useful life that extends beyond one year.

Capital Improvement Program (CIP): A multi-year plan for the construction or acquisition of major capital items.

Certificates of Participation (COPs): A security created as a part of a lease-purchase agreement. The lender, the holder of the certificate, owns a right to participate in periodic lease payments (interest and return of principal) as they are paid.

City Council: The governing board elected by districts and at large.

Glossary

City Manager: An individual appointed by the Mayor and City Council to serve as the chief administrative officer of the City.

Contingency: A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

Cost Allocations: A process that shares the costs of a central service provider with the internal departments that consume the service.

Debt Service Funds: Funds used for the accumulation and disbursement of financial resources that will be used to make principal and interest payments on general long-term debt.

Depreciation: The process of estimating and annually recording the lost usefulness, expired useful life, or diminution of service from a fixed asset that cannot or will not be restored by repair and must be replaced. The cost of the fixed asset's lost usefulness is the depreciation or the cost to the reserve to replace the item at the end of its useful life.

Designated Fund Balance: Monies over the years that remain unspent after all budgeted expenditures have been made, but which are reserved for specific purposes and are unavailable for appropriation.

Effectiveness Measures: A performance measure describing the results achieved and the quality of the service (ex. timeliness, customer satisfaction). They indicate whether the program is achieving its mission.

Efficiency Measure: A performance measure identifying inputs used per unit of output, or unit costs (ex. cost per ton of yard waste/leaves collected).

Employee Benefits: Benefits beyond salary compensation including healthcare, retirement, disability, life insurance, etc.

Encumbrance: A financial commitment or earmark for services, contracts, or goods that have not as yet been delivered. An encumbrance typically occurs when a purchase order or contract is approved and budget is obligated for the future payment.

Enterprise Fund: A fund that accounts for governmental activities supported wholly or partially with user fees or charges and is operated using business principles. Examples include the Stormwater, Public Utilities and Solid Waste Services funds.

Fiscal Year: A declared accounting 12-month time period, not necessarily a calendar year. The fiscal year for the City of Raleigh is July 1 – June 30.

Fixed Asset: An asset of long-term character. For budgetary purposes, a fixed asset is defined as an item costing \$5,000 or more with an expected life of more than one year. Examples are land, buildings, furniture, and other equipment.

Fund Balance: Amounts shown as fund balance represent a running total of monies over the years that remain unspent after all expenditures have been made. N.C. General Statutes require general fund balance reserves of at least 8% of expenditures at the end of the fiscal year; City Council requires a minimum of 14% General Fund unassigned fund balance reserve.

General Fund: The main operating fund accounting for governmental functions supported by general taxes and revenues, and financial resources that legal requirements do not require to be accounted for in another fund. Revenues to support the General Fund are derived from sources such as property tax, sales tax, franchise fees and service fees.

General Obligation Bonds (GO Bonds): Bonds issued by a government that are backed by the full faith and credit of its taxing authority.

Glossary

Indirect Cost: The component of the total cost for a service provided by and budgeted within another department or division.

Internal Service Fund: A fund that may be used to account for any activity that provides goods or services to other departments or funds within the same government such as Vehicle Fleet Services.

Liability: A loan, expense, or other form of claim on the assets of an entity that must be paid or otherwise honored by that entity.

Modified Accrual Basis of Accounting: Accounting method for governmental funds that recognizes revenues in the accounting period in which they become available. Expenditures are recognized in the period the fund liability is incurred, except for unmatured interest on (and principal of) general long-term debt, which should be recognized when due.

Net Assets: The difference between total assets and current liabilities including non-capitalized long-term liabilities.

Operating Expenditures: Portion of the budget pertaining to the daily operations.

Ordinance: A legal document adopted by a governing body setting policy and procedures, adopted by the City Council.

Pay-As-You-Go: Financial policy that finances capital outlays from current revenues rather than borrowing.

Per Capita: Per unit of population; per person; equally to each individual.

Performance Measurement: The regular collection of quantifiable information regarding the results of city services.

Powell Bill Funds: Funding from state-shared gasoline taxes restricted for use on maintenance of local streets and roads.

Proprietary Funds: Funds used to separate, control, and track financial resources of business-type activities carried out by a government. The two proprietary fund types include enterprise funds and internal service funds.

Reappraisal (or Revaluation): The process of revaluing a jurisdiction's real property in order to adjust the tax value to the market value. By North Carolina law, a revaluation must be conducted at a minimum of every eight years.

Reclassification: A change in the classification and corresponding job title of an existing position, which results from a major change in assigned responsibilities.

Reserve: An account designated for a portion of the fund balance that is to be used for a specific purpose.

Revenue bonds: Bond secured by and repaid from specific and limited revenues. The pledged revenues are most often net revenues or earnings from a self-supporting enterprise. Such revenue sources include special assessments and water/sewer fees.

Tax Levy: Revenue produced by applying the tax rate to a property's assessed, or tax, value.

Unassigned Fund Balance: The amount of fund balance available for future appropriations.

User Fee/Charge: Payment for direct receipt of a service by the party who benefits from the service.

Workload Measure: A performance measure identifying how much or how many products or services were produced (ex. number of yard waste/leaf collection points served).

City of Raleigh Fee Schedule

Raleigh Water Fee Schedule

The City of Raleigh Fee Schedule serves as the centralized listing of most fees the City charges for services. The fees in this document are organized by City department and category. The fees listed within this schedule are presented to City Council yearly are adopted with the budget.

Communications Department

The Communications Department manages the Raleigh Television Network (RTN); a state-of-the-art digital media center dedicated to serving the needs of Raleigh and Wake County through the operation of Public, Educational and Government (PEG) access channels. RTN also offers training to develop community producers/users as responsible programmers and effective communicators via cable television. No fee changes are proposed in FY23.

RALEIGH TELEVISION NETWORK					Fee / Rate Description	FY22	FY23	Unit of Measure	Change Reason
Raleigh Television Network (RTN) Membership									
Certified Producer	A resident or citizen of Raleigh/Wake County who meets the following criteria: successfully completed the certification process by taking the appropriate production classes; completed the application; is in good standing and permitted to use the facilities and equipment for which they are certified; may or may not be the program/show host; may also serve as a crew person on other studio productions					\$70.00	\$70.00	per person	
Certified Affiliate Access User	A local producer/program provider who meets the following criteria: uses their own equipment or equipment from sources other than RTN to produce a program and schedules time to ingest episodes for play out on RTN10 or RTN22; is certified to use the Crispin Asset Base or Final Cut Pro to ingest videos or video files to the server					\$60.00	\$60.00	per person	
Certified Production Access User	Adult resident or citizen who resides in Raleigh/Wake County and meets the following criteria: successfully completed the certification process by taking the appropriate production classes; completed a production crew member form; is in good standing and permitted to use the facilities and equipment for which they are certified; may serve as a crew person on more than one studio production					\$40.00	\$40.00	per person	
Senior Citizen	Individuals age 60 years and older. Must take the required training for certification and be in good standing. Present ID.					\$35.00	\$35.00	per person	
Student User	High school student under age 18 (requires certified adult supervision) or college student 18 years or older. Must take the required training for certification and be in good standing. Present student ID.					\$30.00	\$30.00	per person	
Host/Volunteer	May be a resident or citizen who resides in Raleigh/Wake County, is not certified in any category to use the equipment and meets the following categories: completed appropriate form as a host or volunteer and is not a producer; may have successfully completed the certification process by taking the appropriate production classes but does not use the facilities and equipment for which they are certified to produce a program. Fees may not apply (unless individual has dual production responsibilities).					\$0.00	\$0.00	per person	
Raleigh Television Network (RTN) Training Workshops									
Public Access Orientation Workshop	Potential community producers and access users interested in utilizing the RTN studio, editing or field production equipment must first attend an orientation workshop prior to class enrollment. Orientations from other access facilities do not apply					\$0.00	\$0.00	per person	
Public Access Information Workshop	One session (4 hours). Designed to review the operational policies and procedures for successful studio production. Learn creative roles and responsibilities in developing a show, pre-production techniques, time management skills, and recruiting crew and volunteers on how to format a show.					\$15.00	\$15.00	per person	
Basic Field Production Workshop	Three sessions (4 hours per session). Intended for individuals who either already have a basic understanding of the fundamentals of video production or for those who have never operated a camera. We focus on three areas video production; cinematography, lighting and audio. It will help you utilize the facilities and equipment that RTN provides and the working knowledge of equipment functions and basic field production.					\$80.00	\$80.00	per person	
Adobe Premiere Pro Editing Workshop	Two sessions (4 hours per session). Designed for the veteran independent producer using advanced techniques in non-linear Adobe Premiere Pro for producing high-quality videos and programs.					\$80.00	\$80.00	per person	
Basic Studio Training Workshop	Two sessions (3 hours per session). Introductory workshop for working in the studio. Covers operation of the studio camera, basic lighting, set design and floor directing. Participants will also learn the basics of shot composition, safety procedures and rules of the studio. The workshop will include a written test and a practical test. Following the final session, each student will also be required to complete a studio mock production in order to receive final certification.					\$50.00	\$50.00	per person	
Studio Control Room Operation Workshop	Four sessions (3 hours per session). Prerequisite: Basic Studio Training Workshop. Required for individual directing shows, though additional training or workshops may be required. Designed to cover basics of live and taped video and audio production in a studio control room environment. Includes training in switching and audio mixing and microphone use, graphics, title pages, credits, teleprompter operation. The course will include written and practical tests. Following the final session, each student will also be required to complete a studio mock production in order to receive final certification.					\$80.00	\$80.00	per person	
Basic Directing Workshop	Two sessions (3 hours per session). Prerequisite: Basic Control Room Operations. For individuals who wish to learn the basics of leading a studio production. Before taking this workshop, one should be comfortable with the other positions of the control room. The course will concentrate on the logistics of guiding a crew and the "rules of directing". The final workshop will include a written test and a practical test of directing a short program along with students in the Basic Studio and Control Room Operation workshop. This will complete the certification requirements.					\$50.00	\$50.00	per person	
Video File Transfer Workshop	One session (1.5 hours). Designed to provide skills to cue, set-in/out points for dubbing complete productions. Downloading video to server for editing and programming. Producers given login identification name and space accommodation. Required for content produced outside of RTN.					\$15.00	\$15.00	per person	

* Additional user fees may apply based on individual needs and equipment use. If you are an affiliate user, volunteer or host and would like to use RTN's production facility and equipment to produce a show, you will be required to join at the producer membership level.

** The producer membership fee applies to the use of RTN studio, field and editing equipment and facilities. RTN reserves the right to increase fees and amend membership criteria based upon changing operational needs and conditions.

*** All membership and class fees are annual fees and subject to review and increases. RTN reserves the right to cancel or postpone classes.

Engineering Services Department

The Engineering Services Department's Stormwater Management Division is responsible for services, programs, and projects that reduce pollution in Raleigh's waterways and address critical flooding and erosion issues that impact streets and private properties in order to preserve and protect life, support healthy natural resources, and complement sustainable growth for the Raleigh community. The Stormwater Utility Fee provides dedicated funds to administer and pay for needed and approved stormwater management capital improvement projects throughout the city, manage and maintain the public stormwater system, and meet or exceed state and federal regulatory requirements.

The Stormwater Utility rates are determined by stormwater service levels and requirements for the Raleigh community and are reviewed annually during the budget process. For FY23, the single-family equivalent unit (SFEU) will increase by \$0.18 per unit or 2.5%. Tiered rates will also increase based upon the SFEU increase.

Fees listed under Specific Fees Enumerated are indexed on an annual basis using the Consumer Price Index (CPI). This year's CPI rate is 2.5%. The rate is modified based on personnel and benefits.

STORMWATER		Fee / Rate Description	FY22	FY23	Unit of Measure	Change Reason
Stormwater Fees						
Commercial Stormwater Utility		Stormwater Utility User Fee Rates are solely based upon impervious surface areas	\$7.00	\$7.18	per month per Single-Family Equivalent Unit (SFEU)	
Single-Family Stormwater Utility		Stormwater Utility Fee Rates are solely based upon impervious surface areas. Tier One: 400 to 1,000 square feet	\$2.80	\$2.87	per month	
	Rate Description	Stormwater Utility Fee Rates are solely based upon impervious surface areas. Tier Two: 1,001 to 3,870 square feet	\$7.00	\$7.18	per month	
	Rate Description	Stormwater Utility Fee Rates are solely based upon impervious surface areas. Tier Three: 3,871 to 6,620 square feet	\$11.90	\$12.21	per month	
	Rate Description	Stormwater Utility Fee Rates are solely based upon impervious surface areas. Tier Four: 6,621 to 9,500 square feet	\$20.30	\$20.82	per month	
	Rate Description	Stormwater Utility Fee Rates are solely based upon impervious surface areas. Tier Five: over 9,500 square feet	\$7.00	\$7.18	per month per Single-Family Equivalent Unit (SFEU)	
Specific Fees Enumerated						
Flood Permit w/o Studies			\$212.00	\$217.00	per permit	CPI
Flood Study			\$1,284.00	\$1,316.00	per study	CPI
Land Disturbing Permit Fee			\$309.00	\$317.00	per disturbed acre, rounded to nearest 1/10 acre	CPI
Land Disturbing Plan Review Fee			\$153.00	\$157.00	per disturbed acre, rounded to nearest 1/10 acre	CPI
Minimum Stormwater Control Permit			\$209.00	\$214.00	per permit	CPI
Stormwater Control Permit			\$212.00	\$217.00	per parcel/project area	CPI
Watercourse Buffer Permit			\$192.00	\$197.00	per permit	CPI
Watercourse Permit			\$192.00	\$197.00	per permit	CPI
Downstream Flood Analysis				\$1,298.00	per analysis	New
Land Disturbing Permit Fee for Single Family Dwellings (not indexed)				\$100.00	per lot	New
Stormwater Control II Permit				\$91.00	per permit	New
Watershed Permit				\$181.00	per permit	New
				\$78.00	per re-inspection	New

* One SFEU is equivalent to 2,260 square feet of impervious surface area. Properties with less than 400 square feet of impervious surfaces are not subject to a Stormwater fee.

Finance Department

The Finance Department works to demonstrate excellence in our Financial Services to the City Organization and our customers through a commitment to continuously improving within our philosophy of "People Helping People."

Per Part 2 and Part 12 of city code, the Chief Financial Officer or Revenue Manager manages the receipt of certain taxes and the processing of payments related to particular license and permit fees.

As part of the FY23 budget process, the Amplified Entertainment Permit and Hospitality District Entertainment Permit fees have been moved to the Office of Emergency Management and Special Events. The Massagist license fee has been discontinued.

FINANCE					
Operations					
	Fee / Rate Description	FY22	FY23	Unit of Measure	Change Reason
	Returned Check Processing Fee	Processing fee for any check made to the City which is returned because of insufficient funds or because the drawer did not have an account at the bank	\$35.00	\$35.00	per returned check

	Massage Business License Fee	Fee to obtain regulatory license to operate a licensed massage business	\$50.00	\$50.00	per license

Fire Department

The Office of the Fire Marshal is the enforcement, educational, and informational arm of the Raleigh Fire Department. The division performs site inspections, issues permits, enforces fire codes, and coordinates pre-fire planning for buildings and facilities within the city. The division is also responsible for conducting fire investigations to determine origin and cause of all fires and provides public fire education to the citizens of Raleigh.

Fees associated with fire prevention and permits are indexed on an annual basis using the Consumer Price Index (CPI). This year's CPI rate is 2.5%. The rate is modified based on personnel and benefit increases. Fees outlined below have been updated to include the annual increase for FY23.

In FY23 the addition of a non-emergent lift assist at skilled nursing facilities, assisting living, and independent living facilities has been added.

FIRE MARSHAL					FY23	FY22	Unit of Measure	Change Reason
Construction Permits								
Alternative Fire Extinguishing Systems (Inert Gas)	Installation of or modification to a gas type automatic fire-extinguishing system. Examples: Clean Agent, Carbon Dioxide, FM 200, etc.				\$181.00	\$186.00	per system	CPI
Alternative Fire Extinguishing Systems (Hoods)	Installation of or modification to an automatic fire extinguishing system.				\$181.00	\$186.00	per system	CPI
Battery systems	Installation of battery of systems with liquid capacity in excess of 50 Gallons				\$181.00	\$186.00	per system	CPI
Compressed gases	Where the compressed gases in use or storage exceed the amounts listed in the NC Fire Code 105.6.9, a construction permit is required to install, repair damage to, abandon, remove, place temporarily out of service or close or substantially modify a compressed gas system.1				\$181.00	\$186.00	per compressed gas system	CPI
Cryogenic Fluids	Installation of or alteration to outdoor cryogenic fluid storage systems in excess of the limits of the NC Fire Code (See table 105.6.11)				\$181.00	\$186.00	per cryogenic fluid system	CPI
Emergency responder radio coverage system	Installation of or modification to emergency responder radio coverage system(s)				\$119.00	\$122.00	per system	CPI
	Per square foot after shop draws are reviewed				\$0.017	\$0.020	per sq. ft. after shop draws are reviewed	
Fire Alarm & Detection System	Installation of or modification to fire alarm and detection systems and related equipment.				\$0.017	\$0.017	per sq. ft. gross floor area for each system	CPI
Fire Hydrants - Private	Installation or modification of private fire hydrants.				\$181.00	\$186.00	per private hydrant system	CPI
Fire Pumps and related equipment	Installation of or modification to fire pumps and related fuel tanks, jockey pumps, controllers and generators.				\$682.00	\$699.00	per pump or related equipment	CPI
Gates and barricades across fire apparatus access roads	Installation of or modification to a gate or barricade across a fire apparatus access road.				\$181.00	\$186.00	per permit project	CPI
Hydrant Flow Test	To perform flow testing of municipal and private fire hydrants. Testing required for submitting fire sprinkler construction plans.				\$120.00	\$123.00	per test	CPI
Membrane structure, tents, and air supported structure	Construction permit to Erect an air supported temporary membrane structure, temporary stage canopy, or tent having an area in excess of 800 square feet.				\$181.00	\$186.00	per tent, stage, or air-supported structure	CPI
Pressure Reducing Valves	Installation				\$12.00	\$12.00	per valve	CPI
Spraying & Dipping Operations	Install or modify a spray room, dip tank or booth.				\$181.00	\$186.00	per spray room, dip tank or booth	CPI
Sprinkler System	Installation of or modification to an automatic fire-suppression system.				\$0.02	\$0.00	per sq. ft. gross floor area for each system	CPI
Standpipe Systems without Sprinklers	Installation, modification or removal from service of a standpipe system. This fee is for first Standpipe only.				\$385.00	\$395.00	first standpipe	CPI
Additional Standpipe Installations (each)	Installation, modification or removal from service of a standpipe system.				\$129.00	\$132.00	per each additional standpipe	CPI
Smoke control or smoke exhaust system	Installation of or alteration to smoke control or smoke exhaust systems.				\$181.00	\$186.00	per smoke control or exhaust system	CPI
Solar photovoltaic power systems	To install or modify solar photovoltaic power systems.				\$181.00	\$186.00	per solar photovoltaic power system	CPI
Flammable & Combustible Liquids	To install, repair or modify a pipeline for the transportation of flammable or combustible liquids.				\$181.00	\$186.00	per pipeline for transportation of flammable & combustible liquids	CPI
	To install, construct or alter tank vehicles, equipment, tanks, plants, terminals, wells, fuel-dispensing stations, refineries, distilleries and similar facilities where flammable and combustible liquids are produced, processed, transported, stored, dispensed or used.				\$181.00	\$186.00	per flammable and combustible liquids system	CPI

Fire Department

Fee / Rate Description					FY22		FY23		Unit of Measure		Change Reason
Rate Description											
	To install, alter, remove, abandon or otherwise dispose of flammable or combustible liquid tank.				\$181.00		\$186.00		per flammable and combustible liquids tank		CPI
Hazardous Materials	To install, repair damage to, abandon, remove, place temporarily out of service, or close or substantially modify a storage facility or other area regulated by the NC State Fire Code when the hazardous materials in use or storage exceed the amounts listed in Table 105.6.20.				\$181.00		\$186.00		per hazardous materials facility		CPI
Industrial Ovens	New installation				\$181.00		\$186.00		per industrial oven		CPI
Shop Drawings per Review per Hour (New Construction)	Work requiring construction permits prior to work being performed.				\$119.00		\$119.00		per review per hour		
Emergency Generator	Load bank testing for emergency generators				\$181.00		\$181.00		per generator		
Fire Line - Private (aka groundwork or under ground)	Installation of or modification to Private Fire Lines and site containment backflow preventer.				\$254.00		\$254.00		First 500 linear feet is base fee only.		
Fire Line - Private (aka groundwork or under ground)	Installation of or modification to Private Fire Lines and site containment backflow preventer.				\$25.00		\$25.00		Each additional 100 linear feet after initial 500 linear feet of base fee.		
Periodic Fire Inspection											
Re-inspection Fee - Extra Inspections					\$77.00		\$79.00		per business re-inspection		CPI
Fire Incident and Inspection Reports (per page)	Costs for reports for fire incident and inspection reports				\$0.06		\$0.06		per page		CPI
Work without a required permit					\$302.00		\$310.00		per inspection		CPI
Electronic Filing System Reporting	Fee previously included within municipal code.				\$12.00		\$12.00		per report		
Maintenance of Safeguards	Maintaining life safety systems and devices with applicable codes and standards. Fee previously charged under "Special Inspection Request."				\$90.00		\$92.00		per inspection		CPI
Periodic Fire Inspection	Fire inspection fee based on square footage ^{1,2,3} - Up to 999sf				\$30.00		\$31.00		per inspection		CPI
	Fire inspection fee based on square footage ^{1,2,3} - 1,000-2,499sf				\$60.00		\$62.00		per inspection		CPI
	Fire inspection fee based on square footage ^{1,2,3} - 2,500-9,999sf				\$121.00		\$124.00		per inspection		CPI
	Fire inspection fee based on square footage ^{1,2,3} - 10,000-49,999sf				\$217.00		\$222.00		per inspection		CPI
	Fire inspection fee based on square footage ^{1,2,3} - 50,000-149,999sf				\$414.00		\$424.00		per inspection		CPI
	Fire inspection fee based on square footage ^{1,2,3} - 150,000-399,999sf				\$603.00		\$618.00		per inspection		CPI
	Fire inspection fee based on square footage ^{1,2,3} - 400,000-and greater				\$845.00		\$866.00		per inspection		CPI
Operational Permits											
Aerosol Products	Level 2 or 3 aerosols in excess of 500 lbs.				\$90.00		\$92.00		per facility operation		CPI
Amusement Buildings	To operate a special amusement building				\$181.00		\$186.00		per building		CPI
Carnivals and Fairs	To conduct a carnival, fair or street festival				\$181.00		\$186.00		per carnival, fair or festival		CPI
Combustible Dust-Producing Operations	To operate a grain elevator, flour starch mill, feed mill, or a plant pulverizing aluminum, coal, cocoa, magnesium, spices or sugar, or other operations producing combustible dusts as defined in the NC State Fire Code.				\$181.00		\$186.00		per dust-producing operation		CPI
Compressed Gases - Corrosive ²	Storage, use and handling in excess of 200 cu ft @ NTP				\$90.00		\$92.00		per facility operation		CPI
Compressed Gases - Flammable ²	Storage, use and handling in excess of 200 cu ft @ NTP				\$90.00		\$92.00		per facility operation		CPI
Compressed Gases - Highly Toxic ²	Storage, use and handling in any amount				\$90.00		\$92.00		per facility operation		CPI
Compressed Gases - Inert & Simple Asphyxiant ²	in excess of 6,000 cu ft @ NTP				\$90.00		\$92.00		per facility operation		CPI
Compressed Gases - Oxidizing ²	Storage, use and handling (including oxygen) in excess of 504 cu ft @ NTP				\$90.00		\$92.00		per facility operation		CPI
Compressed Gases - Pyrophoric ²	Storage, use and handling in any amount				\$90.00		\$92.00		per facility operation		CPI
Compressed Gases - Toxic ²	Storage, use and handling in any amount				\$90.00		\$92.00		per facility operation		CPI
Covered Mall Building	The placement of retail fixtures and goods, concession, equipment, displays of highly combustible goods and similar items in the mall.				\$181.00		\$186.00		per covered mall		CPI
Covered Mall Building	The display of liquid- or gas-fired equipment in the mall.				\$181.00		\$186.00		per covered mall		CPI
Covered Mall Building	The use of open flame or flame-producing equipment in the mall.				\$181.00		\$186.00		per covered mall		CPI
Cryogenic Fluids - Flammable	Produce, store, transport on site, use, handle or dispense cryogenic fluids in excess of 1 gallon inside a building and 60 gallons outside a building.				\$90.00		\$92.00		per facility operation		CPI
Cryogenic Fluids - Inert	Produce, store, transport on site, use, handle or dispense cryogenic fluids in excess of 60 gallons inside a building and in excess of 500 gallons outside a building.				\$90.00		\$92.00		per facility operation		CPI
Cryogenic Fluids - Oxidizing	Produce, store, transport on site, use, handle or dispense cryogenic fluids (including oxygen) in excess of 10 gallons inside and 50 gallons outside.				\$90.00		\$92.00		per facility operation		CPI

¹ For a multi-tenant building, the fees are applied for each tenant; except a high-rise building the inspection fees are applied to the entire structure.

² For multiple buildings owned by the same owner (s), inspection fees are per building as defined by the N.C. Building Code, Volume 1.

³ Inspection fees are applicable for each State mandated fire inspection.

Fire Department

Fee / Rate Description				FY22	FY23	Unit of Measure	Change Reason
Cryogenic Fluids - Hazardous	Produce, store, transport on site, use, handle or dispense cryogenic fluids that are Physical or Health Hazard not indicated above in any amount inside or outside a building.			\$90.00	\$92.00	per facility operation	CPI
Dry Cleaning Plants	To engage in the business of dry cleaning or to change to a more hazardous cleaning solvent used in existing dry cleaning equipment.			\$90.00	\$92.00	per building operation	CPI
Exhibits & Trade Shows	To operate exhibits and trade shows.			\$181.00	\$186.00	per exhibit and/or trade show	CPI
Explosives - Up to 90 Days	For the manufacture, storage, handling, sale or use of any quantity of explosives, explosive materials. (Up to 90 Day permit - Blasting)			\$362.00	\$371.00	per blasting site up to 90 days	CPI
Explosives - Mfg., Store, Handle, Sale & use	To manufacture, storage, handling, sale and use			\$181.00	\$186.00	per explosives site	CPI
Floor Finishing Exceeding 350 sf. Ft.	Using Class I or II Liquids			\$90.00	\$92.00		CPI
Fumigation and Insecticidal Fogging	Operate a business			\$90.00	\$92.00	per business operation	CPI
High-Piled Combustible Storage	Exceeding 500 sq. ft.			\$90.00	\$92.00		CPI
Liquid or Gas-Fueled Vehicles or Equipment in Assembly Buildings	To display, operate or demonstrate liquid or gas-fueled vehicles or equipment in assembly buildings.			\$181.00	\$186.00	per hazard in assembly buildings	CPI
Magnesium	Melt, Cast, Heat Treat or Grind more than 10 lbs.			\$90.00	\$92.00	per facility operation	CPI
Miscellaneous Combustible Storage	In excess of 2,500 cu. ft.			\$90.00	\$92.00	per business operation	CPI
Open Burning	Bon Fire or Commercial Land Development			\$181.00	\$186.00	per open burning site	CPI
Place of Assembly	To operate a place of assembly			\$90.00	\$92.00	per place of assembly	CPI
Private Fire Hydrants	Removal from service, use or operation - Up to 5 Private Hydrants			\$90.00	\$92.00	per private hydrant system	CPI
<i>Rate Description</i>	Removal from service, use or operation - 6-10 Private Hydrants			\$120.00	\$123.00	per private hydrant system	CPI
<i>Rate Description</i>	Removal from service, use or operation - 11 or more Private Hydrants			\$181.00	\$186.00	per private hydrant system	CPI
Pyrotechnic Special Effects Material	For use and handling of pyrotechnic special effects material			\$181.00	\$186.00	per location	CPI
Refrigeration Equipment	As regulated in Chapter 6 of NC Fire Code			\$90.00	\$92.00	per refrigeration equipment	CPI
Repair Garage & Motor Fuel-Dispensing Facilities	Operation of repair garages and automotive, marine and fleet motor fuel-dispensing facilities			\$90.00	\$92.00	per repair garage or motor fuel-dispensing facility	CPI
Rooftop Heliports	For the operation of a rooftop heliport			\$90.00	\$92.00	per rooftop heliport	CPI
Spraying or Dipping	Conduct a spraying or dipping operation utilizing flammable or combustible liquids or the application of combustible powders as regulated by the NC State Fire Code			\$181.00	\$186.00	per operation involving spraying or dipping utilizing flammable & combustible liquids or application of combustible powders	CPI
Storage of Scrap Tires & Tire Byproducts	To establish, conduct or maintain storage of scrap tires and tire byproducts that exceeds 2,500 cubic feet of total volume of scrap tires and for indoor storage of tires and tire byproducts			\$90.00	\$92.00	per business operation	CPI
Tire-Rebuilding Plants	Operation and maintenance of a tire-rebuilding plant			\$90.00	\$92.00	per facility operation	CPI
Temporary membrane structures, tents & air-supported structures	To operate an air-supported temporary membrane structure, or a temporary stage canopy having an area in excess of 400 square feet or a tent having an area in excess of 800 square feet			\$90.00	\$92.00	per structure	CPI
Large tents and membrane structures	In excess of 15,000 sf			\$302.00	\$310.00	per structure	CPI
Waste Handling	Operation of wrecking yards, junk yards and waste material- handling facilities			\$90.00	\$92.00	per facility operation	CPI
Carbon Dioxide Systems	Used in dispensing applications having more than 100 pounds of carbon dioxide.			\$90.00	\$92.00	per facility operation	CPI
Flammable & Combustible Liquids	Fuel dispensing locations where produced, processed, transported, stored, dispensed or used.			\$181.00	\$186.00	per dispensing location	CPI
<i>Rate Description</i>	Place temporarily out of service aboveground or underground storage tanks			\$181.00	\$186.00	per tank	CPI
<i>Rate Description</i>	Change the contents in a tank to a greater hazard.			\$181.00	\$186.00	per tank	CPI
<i>Rate Description</i>	Manufacture, process, blend or refine flammable or combustible liquids.			\$181.00	\$186.00	per facility operation	CPI
<i>Rate Description</i>	Dispensing at Commercial, Industrial, Governmental or Manufacturing establishments.			\$181.00	\$186.00	per establishment	CPI
<i>Rate Description</i>	Utilize a site for the dispensing of liquid-fuels from tank vehicles.			\$181.00	\$186.00	per site location	CPI
Hazardous Materials	As regulated by the NC State Fire Code (See Table 105.6.20)			\$90.00	\$92.00	per hazardous materials facility or operation	CPI
Industrial Ovens	For the operation of industrial ovens			\$90.00	\$92.00	per operation with Industrial oven(s)	CPI
Non-Emergent Lift Assist	For non-emergent list assists at skilled nursing facilities, assisted living, and independent living facilities; first offense				\$200.00	per assist	New
<i>Rate Description</i>	Second offense				\$350.00	per assist	New
<i>Rate Description</i>	Third offense				\$500.00	per assist	New

Temporary Sleeping Units for Disaster Workers	Temporary sleeping units for disaster relief workers		\$90.00	per event	New

Office of Emergency Management & Special Events

The Office of Emergency Management and Special Events establishes and maintains a strategic framework to efficiently guide and coordinate City resources while collaborating with external partners throughout emergencies and special events. The office also oversees the private use of public space, acting as a liaison to the nightlife industry to ensure a more vibrant and safe community. As part of a reorganization, certain Zoning permit fees have moved from the Planning and Development and Finance Departments, and now reside within the Hospitality program of the Office of Emergency Management and Special Events.

For FY23, the Parks, Recreation and Cultural Resources Department has raised venue rental fees for special events held at Dorothea Dix Park. Also, fees associated with Amplified Entertainment Permits, which were waived during the height of the COVID-19 pandemic, will be reinstated in FY23 in keeping with the reinstatement of other fees citywide. This year's CPI rate is 2.5%. The rate is modified based on personnel and benefit increases.

OFFICE OF EMERGENCY MANAGEMENT & SPECIAL EVENTS					Fee / Rate Description	FY22	FY23	Unit of Measure	Change Reason
Emergency Management & Special Events									
Neighborhood Block Party Application Fee					Application fee for permit request to hold a neighborhood block party on the public right-of-way	\$50.00	\$50.00	per application	
Neighborhood Block Party Late Application Fee					Late fee assessed for neighborhood block party applications submitted after the deadline	\$25.00	\$25.00	per application	
Special Event Application Fee: General Event Tier I and Walks/Races/Parades					Application fee for permit request to hold a special event on the public right-of-way for General Event Tier I and Walks/Races/Parades	\$100.00	\$100.00	per application	
Special Event Late Application Fee					Late fee assessed for special event applications submitted after the deadline	\$250.00	\$250.00	per application	
Special Event Permit Fee: General Event Tier I					Permit fee for General Event Tier I	\$250.00	\$250.00	per permit	
Special Event Permit Fee: Race/Walk/Parade 5K or Under					Permit fee for all races, walks, or parades that are 5K in length or less	\$100.00	\$100.00	per permit

Parks Recreation and Cultural Resources

The Parks, Recreation and Cultural Resources Department oversees 1.18 miles of greenway trails, approximately 10,000 acres of land with more than 200 parks. Park amenities include amusement, art centers, athletic facilities, community centers, lakes, nature preserves, off-leash dog parks, playgrounds, swimming pools, historic sites, and open spaces.

Proposed fee changes for FY23 include new fees for Dix Park shelter rentals and Pullen Art Center gallery. Based on a market review fees are proposed to increased in aquatics, Walnut Creek Athletic Park gate fees and Cemetery lot fees.

Fees associated with urban forestry, facility fees, and fees in lieu are indexed on an annual basis using the Consumer Price Index (CPI) and the Engineering News-Record (ENR). This year's CPI rate is 2.5%. The rate is modified based on personnel and benefits. The ENR annual change is 5.83%. The tree permit fees are indexed based on CPI.

In addition to facility based fees, PRCR develops fees for programming. These fees are updated and approved according to the Department's cost recovery matrix.

PARKS FEES							Change Reason
Urban Forestry							
Fee in Lieu (existing)	Fee in lieu of installing replacement tree with approved removal - per inch of tree removed in right-of-way	\$101.00	\$104.00	per inch of tree	CPI

Planning and Development Services Department

The Planning and Development Services Department performs full project review and inspections for all private development within Raleigh to promote and ensure quality, safety, usability, sustainability and compliance in the built environment. Planning provides three main services: comprehensive planning, design and implementation, and regulation.

A new fee for reinspection is recommended at the minimum permit level to cover return trips to review work that previously failed an inspection. Additionally, to simplify the fee schedule, fees designated as having a minimum permit rate have been combined into an appendix for greater detail and is documented on one single line, referenced as minimum permit fee.

Development fees are reviewed annually in accordance with the Development Services User Fee Policy adopted by Council in June of 2017. Per the policy, two-thirds of the fees are indexed based on a Consumer Price Index (CPI) and the remaining third are reviewed to ensure the time and effort to provide the services is aligned with both the recovery of operating costs and prevailing market factors. For FY23, Planning and Development fees are indexed using Consumer Price Index (CPI). This year's CPI rate is 2.5%. The rate is modified based on personnel and benefit increases.

Convention and Performing Arts Complex Department

The Convention and Performing Arts Complex Department operates the Raleigh Convention Center, the Duke Energy Center for the Performing Arts, the Red Hat Amphitheater, Special Events and the maintenance and capital projects of the Walnut Creek Amphitheater.

Staff annually reviews the rental fees and rates for labor, equipment, and services at the venues. Staff recommends rates for all new rental equipment and services and market adjustments to ensure cost recovery.

Solid Waste Services Department

The Solid Waste Services Department provides safe and efficient garbage, recycling, and yard waste collection and disposal services across the city, including specialized services in the Central Business District and at special events.

Solid Waste Fees are reviewed on an annual basis to ensure that costs align with expense incurred from providing the various services to the community. Staff proposes a \$0.25 monthly increase to the solid waste collection services.

SOLID WASTE SERVICES FEES						Fee / Rate Description	FY22	FY23	Unit of Measure	Change Reason

Alternative Thoroughfare and Collector Street Fee Calculation

Cost/VMT	Alternative Thoroughfare and Collector: Street Fee Calculation in the event that fee payers believe that the attributable costs for improving the thoroughfare system to serve their new construction is less than the thoroughfare and collector street fee schedule, the fee payer may submit an alternative fee calculation to the Development Services Customer Service Center based upon the following: Facility Fee = (ADT) x (% New Trips) x (Trip Length) x (Cost/VMT) Where: ADT = The number of average daily trip ends of the new construction % New Trips = The percent of new trips added to the thoroughfare and collector system roadways. The percentage is 100% for all uses except retail uses (62%) and for schools (24%). Trip Length = Average length of a trip on the major roadway system Cost/VMT = Net cost per vehicle mile traveled, which includes adjustments for double payment credit, debt service credits and federal/state funding credits If the Transportation Department finds that the site data used to calculate the alternative facility fee is current, is based on full occupancy, is based on generally accepted transportation engineering practices and methodologies, and is carried out by a qualified transportation planner or engineer, the alternative facility fee shall be deemed the facility fee due and owed for the new construction.			\$160.02	\$169.35	per vehicle mile traveled	ENR

Raleigh Water Fee Schedule

Raleigh Water manages state-of-the-art facilities and provides clean drinking water and sanitary sewer treatment services to the City of Raleigh and six merger communities: Garner, Rolesville, Knightdale, Wake Forest, Wendell, and Zebulon. The City of Raleigh also provides wastewater treatment for the Towns of Middlesex and Clayton. As of FY 2020, approximately 600,000 people live in the contractual service area of 299 square miles. Source water supply is from Falls Lake located in the Neuse River watershed and from Lake Wheeler and Lake Benson, which are in the Swift Creek watershed. During FY 2020, the Utility received a reallocation of its water supply that increased the system's 50-year reliable yield to 97.4 million gallons per day.

The Dempsey Benton Water Treatment Plant is the newest water treatment facility constructed in 2010 with a peak capacity of 20 million gallons per day. Currently this facility is producing approximately 12 million gallons per day. The Benton plant is supplied by two City owed reservoirs that were constructed in the 1950s, Lake Wheeler and Lake Benson. These two reservoirs provide approximately 2.1 billion gallons of storage which provides a 50 year safe yield of approximately 13 million gallons per day. This is the reliable water supply we can expect in a 50 year drought.

The E.M. Johnson Water Treatment Plant was constructed in 1967 and currently has a peak capacity of 86 million gallons per day. The E.M. Johnson Plant is supplied by Falls Lake where Raleigh Water has a 20.3 billion gallon storage allocation. This storage provides a 50 year safe yield of 84.4 million gallons per day. Total water supplies are expected to provide adequate water until 2047 with an estimated service area population of just over 1 million.

Sanitary sewer is collected and delivered to one of three resource recovery facilities through the 2500 miles of sanitary sewer collection system piping and 120 pump stations that make up the collection system. The sanitary sewer is then treated to a high quality with a biological nutrient removal process followed by tertiary treatment and then ultimately discharged back to the Neuse River or reused by distributing back to customers for non-potable uses. The total combined treatment capacity is 80.2 million gallons per day and the system had no discharge violations.

Raleigh Water fees and charges are reviewed annually and adopted by City Council. Per policy, some fees are indexed based on an Engineering News-Record index (ENR). For FY23 the ENR annual change is 5.83% to ensure fees for services are increased by prevailing market factors. This process included an in-depth review of external influences such as new or revised regulations and internal factors related to staff realignments, process changes and adjustments to the time and effort associated with providing each service.

Official Schedule of Rates, Charges, and Rents for water, sewer and reuse water billed on or after July 1 of upcoming fiscal year regardless of the date of delivery of service, for the entire eligible service delivery areas (Reference Section 2-3001, Raleigh City Code).

Billing Services was broken out to reflect contract rates.

Hauled Waste Water fees were previously authorized in City Code (Reference Section 8-2121, Raleigh City Code) but are being included in the Raleigh Water Fee Schedule effective July 1, 2021.

Part 8, Public Utilities, Article B, Water and Sewer Extension Policies					Fee / Rate Description		FY22	FY23	Unit of Measure	Change Reason
