

A Wake County Town Hall Meeting (In-Person)

Mind Over Matter: Empowering Youth to Address Vaping, Mental Health and COVID-19

Join our panel of experts and teens in this special youth edition of Ask the Doc Town Hall. Together with Wake County’s Youth Health Council, we’ll explore the pressing issues of mental health, COVID-19, and vaping, offering insights and essential resources. Have burning questions? Participate in an interactive Q&A session and get answers directly from our knowledgeable panel.
