Certificate of Appropriateness Placard
for Raleigh Historic Resources

914 W SOUTH STREET
Address

BOYLAN HEIGHTS
Historic District

Historic Property
007-14-MW
Certificate Number

1/21/2014
Date of Issue

7/21/2014
Expiration Date

Project Description:

- Remove rear service chimney;
- Remove lower sash of rear side windows.

OK to PERMIT

Signature,
Raleigh Historic Development Commission

This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the Inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

I understand that all applications that require review by the commission's Certificate of Appropriateness Committee must be submitted by 4:00 p.m. on the application deadline; otherwise, consideration will be delayed until the following committee meeting. An incomplete application can not be accepted.
Minor Work Approval (office use only)

Upon being signed and dated below by the Planning Director or designee, this application becomes the Minor Work Certificate of Appropriateness. It is valid until 1/21/14. Please post the enclosed placard form of the certificate as indicated at the bottom of the card. Issuance of a Minor Work Certificate shall not relieve the applicant, contractor, tenant, or property owner from obtaining any other permit required by City Code or any law. Minor work projects not approved by staff will be forwarded to the Certificate of Appropriateness Committee for review at the next scheduled meeting.

Attach 8-1/2" x 11" sheets with written descriptions and drawings, photographs, and other graphic information necessary to completely describe the project. Use the checklist below to be sure your application is complete.

**Minor Work (staff review) – 1 copy**

**Major Work (COA Committee review) – 14 copies**

1. **Written description.** Describe clearly and in detail the nature of your project. Include exact dimensions for materials to be used (e.g. width of siding, window trim, etc.).

   ![ ]

2. **Description of materials** (Provide samples, if appropriate).

   ![ ]

3. **Photographs** of existing conditions

   ![x]

4. **Paint Schedule** (If applicable)

   ![ ]

5. **Plot plan** (If applicable). A plot plan showing relationship of buildings, additions, sidewalks, driveways, trees, property lines, etc., must be provided if your project includes any addition, demolition, fences/walls, or other landscape work. Show accurate measurements. You may also use a copy of the survey you received when you bought your property. Revise the copy as needed to show existing conditions and your proposed work.

   ![ ]

6. **Drawings** showing proposed work
   - ![ ] Plan drawings
   - ![x] Elevation drawings showing the new façade(s).
   - ![ ] Dimensions shown on drawings and/or graphic scale.
   - ![ ] 8-1/2" x 11" reductions of full-size drawings. If reduced size is so small as to be illegible, make 8-1/2" x 11" snap shots of individual drawings on the big sheet.

   ![x]

7. **Fee** *(See Development Fee Schedule)*

   ![ ]
3.7 Windows

We are remodeling the kitchen and the 2 large double hung windows greatly limit how the space can be laid out. We are planning to remove the 2 windows, restore and reuse the upper sashes as casement windows. All exterior trim with be reused and siding will be feathered in with wood lap siding. There are several other locations on this home that have either fixed or operable casements that are the same as what we are proposing. The windows are not visible from the sidewalk in front of the house.
3.2 Masonry
We plan to remove the rear chimney. It is smaller than the main chimney towards the front of the house that does have a fireplace. The rear chimney is covered in concrete inside and takes up a large portion of the kitchen. The roof will be patched with like-kind shingles. Salvageable bricks will be stored on site for future reuse.
Hi Emily –

I am reviewing your COA application for removal of chimney and window replacements at 914 W South Street and need the following additional information in order to complete my review:
- additional photographs of the house that show the front façade and primary chimney,
- information regarding storage of salvaged bricks (keep them out from under trees);
- photo(s) of the windows being altered and clarification on where on the house these windows are located;
- confirmation that the new siding under the new windows will match the existing in terms of profile and reveal in addition to material.

Thanks,
Tania

Additional pics of W South.
Bricks will be stored in the crawlspace.
Windows in the kitchen are the ones closest to the red umbrella in the pic
