This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the Inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

Pending the resolution of appeals, commencement of work is at your own risk.
Raleigh Historic Development Commission – Certificate of Appropriateness (COA) Application

For Office Use Only

Transaction # 49820
File # C008-15-ML7
Fee $25
Amt Paid $25
Check # 199
Rec’d Date 4/21/14
Rec’d By
by mail

- If completing by hand, please use BLACK INK. Do not use blue, red, any other color, or pencil as these do not photocopy.

Property Street Address 415 East Edenton Street, Raleigh, NC 27601
Historic District Oakwood
Historic Property/Landmark name (if applicable) N/A
Owner’s Name Charles and Meredith Archie
Lot size .12 acre (width in feet) 52 (depth in feet) 105

For applications that require review by the COA Committee (Major Work), provide addressed, stamped envelopes to owners of all properties within 100 feet (i.e. both sides, in front (across the street), and behind the property) not including the width of public streets or alleys:

I understand that all applications that require review by the commission’s Certificate of Appropriateness Committee must be submitted by 4:00 p.m. on the application deadline; otherwise, consideration will be delayed until the following committee meeting. An incomplete application will not be accepted.
Applicant: Charles and Meredith Archie
Mailing Address: 415 E. Edenton Street
City: Raleigh  State: NC  Zip Code: 27601
Date: 3/9/2014  Daytime Phone: (252) 521-5790
Email Address: CHARLESVARCHIE@GMAIL.COM
Signature of Applicant: [Signature]

Minor Work Approval (office use only)
Upon being signed and dated below by the Planning Director or designee, this application becomes the Minor Work Certificate of Appropriateness. It is valid until 1/22/15. Please post the enclosed placard form of the certificate as indicated at the bottom of the card. Issuance of a Minor Work Certificate shall not relieve the applicant, contractor, tenant, or property owner from obtaining any other permit required by City Code or any law. Minor work projects not approved by staff will be forwarded to the Certificate of Appropriateness Committee for review at the next scheduled meeting.

Signature: [Signature]  Date: 1/22/15

Project Categories (check all that apply)
- Exterior Alteration
- Addition
- New Construction
- Demolition

Will you be applying for state or federal rehabilitation tax credits for this project?
- Yes
- No

Design Guidelines: Please cite the applicable sections of the design guidelines (www.rhdc.org).

Attach 8-1/2" x 11" sheets with written descriptions and drawings, photographs, and other graphic information necessary to completely describe the project. Use the checklist below to be sure your application is complete.

**Minor Work (staff review) – 1 copy**

**Major Work (COA Committee review) – 13 copies**

1. **Written description.** Describe clearly and in detail the nature of your project. Include exact dimensions for materials to be used (e.g. width of siding, window trim, etc.) ❌

2. **Description of materials** (Provide samples, if appropriate) ❌

3. **Photographs** of existing conditions are required. ❌

4. **Paint Schedule** (if applicable) ☐ ✅

5. **Plot plan** (if applicable). A plot plan showing relationship of buildings, additions, sidewalks, drives, trees, property lines, etc., must be provided if your project includes any addition, demolition, fences/walls, or other landscape work. Show accurate measurements. You may also use a copy of the survey you received when you bought your property. Revise the copy as needed to show existing conditions and your proposed work. ☐ ❌

6. **Drawings** showing proposed work:
   - Plan drawings ☐ ❌
   - Elevation drawings showing the new façade(s). ☐ ❌
   - Dimensions shown on drawings and/or graphic scale. ☐ ❌
   - 8-1/2" x 11" reductions of full-size drawings. If reduced size is so small as to be illegible, make 8-1/2" x 11" snap shots of individual drawings on the big sheet. ☐ ❌

7. **Stamped envelopes addressed to all property owners within 100 feet of property not counting the width of public streets and alleys.** (Required for Major Work) ☐ ✅

8. **Fee (See Development Fee Schedule)** ✅
1. **Written Description:** We propose to remove the dead/declining Sycamore tree located at the front, south-western portion of the lot (as depicted on Photo 1 below). As indicated in the attached conversation with an arborist, the Sycamore has an irreversible bacterial infection that is slowly killing the tree. We plan to replace the Sycamore with a juvenile Sycamore during the appropriate planting season.

2. **Description of Materials:** We will obtain a replacement juvenile Sycamore.

3. **Photographs.**

   ![Photo 1](image1.png)  ![Photo 2](image2.png)

   **Photo 1:** Indicates the location of the declining Sycamore, oriented on the southwest corner of the lot facing Edenton Street.

   **Photo 2:** Indicates the peeling of bark from the top 2/3 of the Sycamore, indicating dead portions of the tree.

4. **N/A**

5. **N/A** (replacement Sycamore shall be placed in the same location as that which will be removed).

Charles,

Most Sycamores in our area are dying just like yours. Nothing can be done to really turn it around. The maple and hydrangeas look fine. I'm sure as you spend more time in the house your garden will grow so to speak. There could be moved if your garden changes with time.

Really no trees in tact!

Thank you,

Jeff Kish, Board Certified Master Arborist, CIASP

To: Jeffery Kish
Subject: Re: Proposal of: Tree and Shrub Care, pruning and removal

Charles Archie: Great, thanks! Is it just a regional thing with Sycamores or just a combination...

Meredith Archie: I see... which one is the sycamore? My day has been good so far. How about you...

Charles Archie: I think that's a great idea - plenty of Yoshitake's maybe some homemade... etc.

Jeffery Kish <jkish@battlet.com>

To: vte

It's a combination of things. The trees get a bacterial infection called BLS (Bacterial Leaf Scorch). Some get it and some don't. In your neighborhood there are some old beautiful sycamores. Most struggle like yours.
