When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the Inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

Sarah and Eric David
500 Polk Street
January 29, 2015

We propose renewing the portion of COA 024-12-MW regarding moving the air conditioning units from the east side of the house to the west side of the house. The original application included photographs and the approximate location and visibility of the proposed units and nothing has changed regarding location and visibility. The following photographs show the current conditions of the proposed new location. The other components of COA 024-12-MW do not need to be renewed.
