Project Description:

- Remove dead, dangerous tree;
- Plant new tree.

This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the Inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

Pending the resolution of appeals, commencement of work is at your own risk.

Minor Work Approval (office use only)

Upon being signed and dated below by the Planning Director or designee, this application becomes the Minor Work Certificate of Appropriateness. It is valid until 9/85/15. Please post the enclosed placard form of the certificate as indicated at the bottom of the card. Issuance of a Minor Work Certificate shall not relieve the applicant, contractor, tenant, or property owner from obtaining any other permit required by City Code or any law. Minor work projects not approved by staff will be forwarded to the Certificate of Appropriateness Committee for review at the next scheduled meeting.

**NOTE TO CLIENT:**

I would recommend removing your Elm tree. More than half of the tree is already dead.

Prior to the Elm tree being removed, you must obtain the necessary permit from the City of Raleigh. Raleigh has strict regulations concerning the removal of city street trees.

Please make arrangements with Duke Energy to cut / remove the Elm branches that are over / near the power lines. Leaf and Limb Tree service, by law, cannot work within 10 feet of energized power lines. This is required before we can remove the tree.

A bucket truck will have to access the tree by driving on the sidewalk and/or your grass.

All efforts will be made to minimize any possible damage.

Leaf and Limb Tree Service cannot be held responsible for any damage to the sidewalk or your grass caused by the tree removal process.
