Attach 8-1/2" x 11" sheets with written descriptions and drawings, photographs, and other graphic information necessary to completely describe the project. Use the checklist below to be sure your application is complete.

Minor Work (staff review) – 1 copy

Major Work (COA Committee review) – 13 copies

1. Written description. Describe clearly and in detail the nature of your project. Include exact dimensions for materials to be used (e.g. width of siding, window trim, etc.).

2. Description of materials (Provide samples, if appropriate)

3. Photographs of existing conditions are required.

4. Paint Schedule (if applicable)

5. Plot plan (if applicable). A plot plan showing relationship of buildings, additions, sidewalks, drives, trees, property lines, etc., must be provided if your project includes any addition, demolition, fences/walls, or other landscape work. Show accurate measurements. You may also use a copy of the survey you received when you bought your property. Revise the copy as needed to show existing conditions and your proposed work.

6. Drawings showing proposed work
   - Plan drawings
   - Elevation drawings showing the new façade(s).
   - Dimensions shown on drawings and/or graphic scale.
   - 8-1/2" x 11" reductions of full-size drawings. If reduced size is too small as to be illegible, make 8-1/2" x 11" snap shots of individual drawings on the big sheet.

7. Stamped envelopes addressed to all property owners within 100 feet of property not counting the width of public streets and alleys. (Required for Major Work)
