*This card must be kept pasted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the Inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.*

Pending the resolution of appeals, commencement of work is at your own risk.

Minor Work Approval (office use only)

Upon being signed and dated below by the Planning Director or designee, this application becomes the Minor Work Certificate of Appropriateness. It is valid until **08-29-2019**. Please post the enclosed placard form of the certificate as indicated at the bottom of the card. Issuance of a Minor Work Certificate shall not relieve the applicant, contractor, tenant, or property owner from obtaining any other permit required by City Code or any law. Minor Works are subject to an appeals period of 30 days from the date of approval.

Attach 8-1/2" x 11" or 11" x 17" sheets with written descriptions and drawings, photographs, and other graphic information necessary to completely describe the project. Use the checklist below to be sure your application is complete.

**Minor Work** (staff review) – 1 copy

**Major Work** (COA Committee review) – 10 copies

1. **Written description.** Describe clearly and in detail the nature of your project. Include exact dimensions for materials to be used (e.g. width of siding, window trim, etc.)

2. **Description of materials** (Provide samples, if appropriate)

3. **Photographs** of existing conditions are required. Minimum image size 4" x 6" as printed. Maximum 2 images per page.

4. **Paint Schedule** (if applicable)

5. **Plot plan** (if applicable). A plot plan showing relationship of buildings, additions, sidewalks, drives, trees, property lines, etc., must be provided if your project includes any addition, demolition, fences/walls, or other landscape work. Show accurate measurements. You may also use a copy of the survey you received when you bought your property. Revise the copy as needed to show existing conditions and your proposed work.

6. **Drawings** showing existing and proposed work
   - □ Plan drawings
   - □ Elevation drawings showing the façade(s)
   - □ Dimensions shown on drawings and/or graphic scale (required)
   - □ 11" x 17" or 8-1/2" x 11" reductions of full-size drawings. If reduced size is so small as to be illegible, make 11" x 17" or 8-1/2" x 11" snap shots of individual drawings from the big sheet.

7. Stamped envelopes addressed to all property owners within 100 feet of property not counting the width of public streets and alleys (required for Major Work). Use the **Label Creator** to determine the addresses.

8. **Fee** (See Development Fee Schedule)

*Per Client, Melissa has all required INFO*
Hello Melissa,
I was told by the mural project people that our permit for the mural they want to do had expired. I'll be by there today with an updated application. Meanwhile, attached is the final draft of the mural. I'm not really sure what it is supposed to be, but it looks pretty cool to me!

Thank you,
Chris Post
