This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

This application serves to request approval for new gutters to be installed on 534 N. East St, Raleigh NC 27604. This home has no existing gutters. K-style gutters will be installed into the exposed rafter tails as high as possible to expose as much of the rafter tail as possible, while still providing adequate slope to effectively move water. The gutters will be dark bronze in color, which is similar to many homes within Oakwood. Downspouts to be round.

Circles below represent downspout locations, red lines represent new gutters.
