This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

We would like to remove a non-original jalousie window from the north facade of our home. The window has deteriorated, does not serve our needs, and does not contribute to the historic character of the home.

If approved, we would remove the window and replace with painted wood siding to match existing.
