This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

The roof on our home at 705 N. East St is over 15 years old and has suffered from wind damage and more recently damage from falling limbs which has resulted in leaks. We, the owners, (Anne Bryan and Bruce Cosgrove) wish to replace the entire roof with the new shingles. I have attached the information regarding the shingles we have chosen. They are as close in color to the existing shingles as we were able to find.
