CERTIFICATE OF APPROPRIATENESS PLACARD

for Raleigh Historic Resources

Project Description:

Install front step and rear step railings

This card must be kept posted in a location within public view until all phases of the described project are complete. The work must conform with the code of the City of Raleigh and laws of the state of North Carolina. When your project is complete, you are required to ask for a final zoning inspection in a historic district area. Telephone the RHDC office at 832-7238 and commission staff will coordinate the inspection with the inspections Department. If you do not call for this final inspection, your Certificate of Appropriateness is null and void.

Signature,

Raleigh Historic Development Commission

Pending the resolution of appeals, commencement of work is at your own risk.

531 Moseley Ln Proposes to Add Simple Metal Rails to Steps

The owners would like to add simple metal rails to the front porch steps on the left side as you walk up them from the driveway. They would also like to add the same metal rail to the steps leading up from the carport to the screened in porch. Metal rails will be simple, no pickets, and painted black. They will be mounted to the steps and landing.
