

# Non-Residential Permit Application

Planning and Development Customer Service Center • One Exchange Plaza, Suite 400 | Raleigh, NC 27601 | 919-996-2500

This form is required when seeking a non-residential building permit or zoning permit for development activity associated with townhome, apartment, office and/or commercial uses. Development activity involving a new structure, change of use, addition, fit up, or alteration/repair that qualifies as Tier One Site Plan as referenced in Unified Development Ordinance (UDO) Section 10.2.8 ([as amended](#)) should use this application.

PROJECT INFORMATION			
<b>Review Type:</b>	Express Review	Pony Express	Commercial Review
<b>Choose Work Type:</b>			
There are two types of change of use: (1) Change of use according to the building code, which is also referred to as a change in building occupancy, and (2) A zoning change of use based on UDO Chapter 6. If a project is either a change in building occupancy or a change zoning use, the "Change of Use" work type should be selected.

### ADDITIONAL PROJECT INFORMATION

Please fill in all blanks with the appropriate information. Missing information can result in a permit processing delay.

#### Site Information

Zoning district:		Overlay district:	
Existing use (UDO Ch. 6):		Required parking (UDO Sec. 7.1):	spaces
Proposed use (UDO Ch. 6):		Required parking (UDO Sec. 7.1):	spaces
Will impervious surface change?	Yes      No	Existing impervious surface:	sq. feet
Proposed change in impervious:	sq. feet	Proposed total imperious:	sq. feet

#### Building Information

Existing building:	sq. feet	Is the existing building:	Heated	Unheated
Proposed new building:	sq. feet	Is the proposed new building:	Heated	Unheated
Total building size:	sq. feet	Is the total building:	Heated	Unheated
Existing height:	feet	Proposed height:	feet	Number of stories:
Total construction cost:				

### MECHANICAL EQUIPMENT QUESTIONS

If the scope of the proposed work consists of replacement of existing mechanical equipment only, and the answer to ANY of the below questions is "No" then a tier one site plan is required. See the [Non-Residential Permit Checklist](#) for submission requirements. If the answer to ALL the below questions is "Yes" a permit could be obtained using the E-Permit process.

1. Is (are) the A/C unit(s) for which the permit is being applied for <b><i>at the same location of the old/existing unit?</i></b>	YES	NO
2. Is (are) the A/C unit(s) for which the permit is being applied for <b><i>the same size or smaller (BTU or Tonnage) than the old/existing unit(s)?</i></b>	YES	NO
3. Is (are) the A/C unit(s) for which the permit is being applied for <b><i>the same type (split or package) unit?</i></b>	YES	NO

#### LIEN AGENT INFORMATION | [www.liensnc.com](http://www.liensnc.com)

NC law requires appointment of a lien agent. Contractors/subcontractors can give notice when they are working on the project. Lien Agent appointments are not required for improvements under \$30,000, or to the owner's existing residence, or for public building projects.

#### PLANS HOLDING POLICY

It is the responsibility of the Applicant to pick up plans after each review cycle. If plans are not picked up 180 days from the last review cycle, they will be considered abandoned and will be destroyed.

### RESIDENTIAL INFILL COMPATIBILITY (UDO 2.2.7)

If this project is subject to residential infill compatibility (UDO Section 2.2.7) a foundation survey may be required. The foundation survey must be available at the time of zoning site inspection. For more information about residential infill, visit the [Residential Infill web page](#).

Please select the response that applies to your application:

Yes, this property does qualify as residential infill development

No, this property does not qualify as residential infill development

NOTE: If you are not sure if your property meets the infill standards, please complete an Infill Verification Request in the [Permit and Development Portal](#). There is a \$45 fee for this request.

Signatures are required for all license holders performing work. Permits will not be issued until all signatures are received. A [Permit Application Signature Addendum](#) is available for signatures not on this application.
