We, the undersigned residents and/or property owners, support the placement of a Parklet on our block face. A Parklet is a privately constructed and maintained area within the parking lane that provides additional open space and is open for public use. The Parklet applicant is responsible for construction, maintenance, and, if necessary, removal of the Parklet. The Parklet application process requires the signatures of support of at least 75% of property owners on the relevant block face. Additional information on the Parklet permit process can be found at www.raleighnc.gov.
