

Primary Street Determination Request

**DEVELOPMENT
SERVICES
DEPARTMENT**

The purpose of this request is to determine the primary street(s) for a lot or site. The primary street dictates the placement and orientation of a building on the lot and its relationship to the street. The Planning and Development Officer makes the determination based on the criteria outlined in Sec. 1.5.4.C of the UDO. Please attach a map, sketch, or plan of the development if new streets or internal driveways are being constructed, or road patterns are being altered.

PROJECT	Address of Property and/or PIN(s) (required)	
	Case Number (if available)	Transaction Number (if available)
	Project Description (Include proposed building types)	

CONTACT	Name		Firm	
	Email			
	Address		City	
	State	Zip Code	Phone	

CRITERIA	Please address the following five criteria:	
	1. The street abutting the site with the highest street classification:	
	2. The established orientation of the <i>block</i> in which the site is located. The UDO defines a block as an area of land enclosed by streets or other public rights of way:	
	3. The street abutting the longest face of the <i>block</i> :	
	4. The street parallel to an alley within the <i>block</i> (if there is no alley, write n/a):	
5. The street that the lot (or lots) takes its address from:		

By signing this document, I hereby acknowledge the information on this application is, to my knowledge, accurate.
