LOCATION: The site is located at the northeast corner of N Carver Street and Boyer Street with a street address of 106 N Carver Street and PIN number 1713490519.

REQUEST: Subdivision of a 0.60 acre site zoned R-10 into 6 townhome lots and one open lot as a revision to the previously approved subdivision for East College Park Townhome Site 4 (S-16-17). The revisions generally include shifted building footprints, revised utility connections and grading for the shifted buildings, and revised grade calculations for the new building locations. Note that approval of this revised plan does not change the sunset date for the plan.

An Administrative Alternate was approved for this project to provide outdoor amenity area in lieu of a portion of the required building facade to comply with the minimum build-to requirement. Reference Unified Development Ordinance Section 1.5.6 and case number AAD-23-17.

A Design Adjustment for alternate streetscape and right-of-way dedication was approved for this project.

DESIGN ADJUSTMENT(S)/ALTERNATES, ETC: N/A

FINDINGS: City Administration finds that this request, with the below conditions of approval being met, conforms to the Unified Development Ordinance. This approval is based on a preliminary plan dated December 20, 2019 by J DAVIS ARCHITECTS.

CONDITIONS OF APPROVAL and NEXT STEPS:

This document must be applied to the second sheet of all future submittals except for final plats. This is a preliminary plan and as such no permits have been issued with this approval. To obtain permits and/or completion of the project, the following steps are required:

☑ SITE PERMITTING REVIEW - For land disturbance of 12,000 square feet or greater, public or private infrastructure, shared stormwater devices, etc. Site Permitting Review may be submitted upon receipt of this signed approval document.

The following items are required prior to approval of Site Permitting Review plans:

Engineering

1. A right-of-way obstruction permit must be obtained from Right-of-way Services prior to the commencement of any construction activities within the right-of-way.

Stormwater

2. A stormwater control plan with a stormwater operations and maintenance manual and budget shall be approved (UDO 9.2).
3. A nitrogen offset payment must be made to a qualifying mitigation bank (UDO 9.2.2.B).

4. A surety equal to or of the cost of clearing, grubbing and reseeding a site, shall be paid to the City (UDO 9.4.4).

☑ LEGAL DOCUMENTS - Email to legaldocumentreview@raleighnc.gov. Legal documents must be approved, executed, and recorded prior to or in conjunction with the recorded plat on which the associated easements are shown. Copies of recorded documents must be returned to the City within one business day of recording to avoid withholding of further permit issuance.

</tbody>
</table>

☑ RECORDED MAP(S) - Submit plat to record new property lines, easements, tree conservation areas, etc.). Plats may be submitted for review when the Site Permitting Review plans, if required, have been deemed ready for mylar signature.

The following items must be approved prior to recording the plat:

General

1. The City Code Covenant shall be approved by the City and recorded with the county register of deeds office where the property is located and a copy of the recorded document shall be provided to the City by the end of the next business day following the recordation of the final plat. Further recordings and building permits will be withheld if the recorded document is not provided to the City.

Engineering

2. A sidewalk deed of easement for any public sidewalk on private property shall be approved by City staff, and the location of the easement shall be shown on the map approved for recordation. The deed of easement shall be recorded at Wake County Register of Deeds within one day of recordation of the plat. A recorded copy of this document shall be provided to the Development Services Department within one day from authorization of lot recordation. If a recorded copy of this document is not provided, further recordings and building permit issuance will be withheld.

3. A 5’ utility placement easement and associated deed of easement shall be approved by the City and the location of the easement shall be shown on the map approved for recordation. The deed of easement shall be recorded at Wake County Register of Deeds within one day of recordation of the recorded plat. A recorded copy of these documents must be provided to the Development Services Department within one day from authorization of lot recordation. If recorded copies of the documents are not provided, further recordings and building permit issuance will be withheld.

4. A public infrastructure surety is provided to the City of Raleigh Development Services – Development Engineering program (UDO 8.1.3).
Administrative Approval Action
Case File / Name: SUB-S-16-2017
East College Park Townhome Site 4

Stormwater

5. A payment equal to twenty-four percent (24%) of the estimated cost of constructing all stormwater control facilities shown on the development plans shall be paid by the developer to the City stormwater facility replacement fund (UDO 9.2.2.G.3).

6. A surety equal to 125% of the cost of the construction of a stormwater device shall be paid to the Engineering Services Department (UDO 9.2.2.D.1.d).

7. The City form document entitled Declaration of Maintenance Covenant and Grant of Protection Easement for Stormwater Control Facilities shall be approved by the City and recorded with the county register of deeds office (UDO 9.2.2.G).

8. All stormwater control measures and means of transporting stormwater runoff to and from any nitrogen and stormwater runoff control measures shall be shown on all plats for recording as private drainage easements (UDO 9.2).

☐ BUILDING PERMITS - For buildings and structures shown on the approved plans. Commercial building permit plans must include the signed, approved Site Permitting Review plans attached, if applicable. Permit sets may be reviewed prior to the recordation of required plats, but cannot be approved.

The following items must be approved prior to the issuance of building permits:

Urban Forestry

1. A tree impact permit must be obtained for the approved streetscape tree installation in the right of way. This development proposes 7 street trees along N Carver Street and 4 along Boyer Street.

EXPIRATION DATES: If significant construction has not taken place on a project after preliminary subdivision approval, that approval may "sunset" and be declared void, requiring re-approval before permits may be issued. To avoid allowing this preliminary approval to "sunset", the following must take place by the following dates:

3-Year Sunset Date: June 14, 2021
Record at least ½ of the land area approved.

5-Year Sunset Date: June 14, 2023
Record entire subdivision.

I hereby certify this administrative decision.
