PROCEDURE FOR HEARING AND APPROVAL OF A SPECIAL USE PERMIT BY CITY COUNCIL:

It is very important that this application be complete, the adjacent property owners list be accurate, and the signature of the property owner be notarized! A special use hearing is a quasi-judicial proceeding, and the special use permit may be invalidated if any information is inaccurate or incomplete.

If a preliminary site plan is submitted for approval along with this special use request, both plans will be forwarded to City Council approx. 6 weeks from submittal. If only the special use permit is being requested the case will be heard by City Council approx. 4 weeks from submittal.

You, or your representative must be present at the hearing to present the case for issuance of the special use permit. You will be notified as to the time and place of the proceeding. City staff will provide a written draft set of findings for the Council to consider. A coordinating planner will contact you and will provide a draft of the special use findings for you prior to the hearing.
