IN RE: Busy Bee Cafe

On December 7, 2010, the Raleigh City Council held a hearing to receive evidence in the matter of Busy Bee Cafe, a request to be issued a special use permit for outdoor amplified entertainment. The request is to allow outdoor performances between the hours of 11:00 am and 11:00 pm Monday through Sunday. All events are proposed to be located entirely on the business premises on the second floor roof deck at the rear of the building, located at 225 S. Wilmington Street. As a result of that hearing and the testimony and other evidence received there the City Council makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. All parties necessary to the determination of this request were properly notified and were or had the opportunity to be represented at the hearing.

2. Raleigh City Code §12-2120 requires the following conditions be satisfied before an amplified entertainment permit may be issued.

   a. The establishment’s proximity to residential areas, schools, churches, and health care facilities.

   The business is located at 225 S. Wilmington Street, on the east side of Wilmington with Hargett Street to the north and Martin Street to the south. The business has been in operation since May 2009. It is located in the Business zoning district and is surrounded by non-residential uses. The proposed location for the outdoor amplified music is on the second floor outdoor roof deck at the rear of the building. The building is adjacent to a retail store to the north, a bar (Slim’s) to the south and the Moore Square parking deck to its rear. The closest residential dwelling is approximately 200 feet away, which is in the RBC Plaza Condominiums on Martin and Fayetteville Street, whose residential condos start on the 23rd floor. The closest school is about 3 blocks away on the Martin and Person Street. The closest church is about 2 blocks away at Edenton and Wilmington. There is no nearby healthcare facilities.
