

**6' Wood Semi-Privacy Fence**  
**Using 4x4 Posts**  
 (Horizontal Pickets)  
**Style: The Skyline**

(Post Size and Caps Style may vary from above Photo)

Est. doesn't include paint or staining; fence needs to cure 2-3mo. Before it's applied, have referral if needed, we don't offer.

**Red** lines new fence  
**Blue** lines distance markers  
**Green** lines old fence staying

Privacy fence to be installed ~2" above ground

We like trees, typically will take two panels and form a "V" around the embedment and go back to straight

Pickets will be installed on the OUTSIDE of the fence unless otherwise noted. Any requests to change sketch must be documented with the office in addition to the installers. This sketch is part of the contract with Big Jerry's Fencing, LLC.

Note: Sketch is not to Scale
