Blue Ridge Road Widening Project

Our goal is to make Blue Ridge Road safe for all modes of transportation.

Updated: Mar 18, 2024

About the Project

The purpose of this project is to provide a functional and safer multi-modal corridor for vehicles, cyclists, and pedestrians along the Blue Ridge Road corridor from Duraleigh Road to Crabtree Valley Avenue. We call this a [Complete Street](#).

The project will widen a segment of Blue Ridge Road from Duraleigh Road to Crabtree Valley Avenue to three lanes with:

- Curb and gutter;
- Pedestrian culvert,
- Sidewalks; and,
- A multi-use path.
