- Work Hours are between 7:00 AM and 6:00 PM Monday – Friday.
- No lane closures between 7:00 am to 9:00 am and 4:00 pm to 6:00 pm, Monday – Friday.

Raleigh

What to expect - General

- Utility relocation - Any possible service disruptions will be coordinated in advance.
- No detours are expected for this work.
- Access to properties and emergency services shall be maintained at all times.
- Contractor will notify property owner of any possible access disruption.

What to expect - General

- Mail boxes shall be maintained for delivery. Relocation of some mail boxes may be required and will not disrupt service.
- All trees and vegetation within R/W and easements will be cleared. Please contact Project Staff as soon as possible if there are concerns.
- All disturbed areas will be seeded and restored after construction is complete.

Raleigh

What to expect – North Hills Park

- Area at the entrance of the parking lot to North Hills Park will be used for construction staging. Please be mindful of construction traffic on driveway.
- North Hills Park will remain open throughout the project duration.
- All disturbed areas will be seeded and restored after construction is complete.

What to expect – On-street Parking

- No parking signs will be hung 48 hours in advance
- Restrictions will be limited to where work is being done
- Towing will be enforced

Project Phasing

- Construction is scheduled to be complete in 3 phases
- Phase 1 - North Side of Currituck Drive starting at Lassiter Mill
- Phase 2 – South Side of Currituck Drive starting at Tyrrell Road
- Phase 3 – Median work starting at Rowan Street

Raleigh
