For protection class and other insurance purposes please visit:

http://www.wakegov.com

This will open iMAPS https://maps.raleighnc.gov/iMAPS/

Search by property address
If Jurisdiction is RALEIGH then protection class is 1 (for all stations)

Select the LAYERS for fire and police
UNDER LAYERS On the PUBLIC SAFETY drop down select Raleigh Fire Response District – this will highlight the area of the property address and show ‘S’ and a number for the station district (station would be 13 in this example)

Use an online map to determine distance from property to station

All station numbers are **unlisted**, 911 is the contact for emergencies

Hydrants will have to be checked physically on site, we do not have this ability in office.
