Question:

Hi Jackie,

Are there any other grant programs or types of funding through the City that would make an organization ineligible for this CEG grant?

Specifically we have CDBG funding through the City, aren't sure of the exact details of our next year of funding through that source, and wanted to check that CDBG funding wouldn't make us ineligible for this grant.

Answer:

Applicants can be awarded in no more than two (2) of the following City of Raleigh grant categories below ONLY.

- Community Enhancement Grant
- Human Services
- Arts

This is not applicable to the CDBG funds that you may be receiving from the City from other source.

**Examples:**

- Non-profit applied for funding in all 3 categories above.  
If deemed eligible and selected, non-profit will only be allowed to receive funding for two of those grant categories.

- Non-profit applied for funding in 2 of the categories above.  
If deemed eligible and selected, non-profit will be allowed to receive funding for both of those grant categories.
