GENERAL ELIGIBILITY REQUIREMENTS

The following criteria are minimum qualifications for an application to be considered. All funding recommendations will be based on available funds.

- Raleigh Headquarters:** The organization's headquarters must be located within the corporate limits of the City of Raleigh. Agency headquarter address is verified through NC Secretary of State records.
- Not-for-Profit & 501c3 Status:** Human services grant funds may be awarded only to not-for-profit organizations with 501c3 status, that have federal and state tax-exempt status. To ensure tax-exempt status, the organization's IRS Form 990 from the most recently completed fiscal year will be reviewed.
- Population Served:** Programs and programs must benefit low-income persons and households residing in Raleigh. (Example of financial eligibility criteria Federal Poverty Level
<https://www.payingforseniorcare.com/federal-poverty-level>)
- Agency Experience:** Qualified applicants must have at least one year of recent experience in the delivery of services to the specified target group(s) and demonstrate sensitivity to the special needs of their clientele.
- One Year Program Service Delivery:** Only programs or programs that have been established and providing services for at least one year will be considered.
- Request Amounts:** Request must not exceed 25% of the agency's total actual operating expenses for the last completed fiscal year. Additionally, requests must not exceed 50% of the total program budget.
- Fiscal Responsibility:** Must have an adequate financial management system in place to maintain effective control and accountability over all funds, property, and other assets covered by this proposal. Must be able to produce sufficient backup documentation for costs of the program and files for review and audit.
- Agency Audits:** With the application, organizations must submit annual financial statements audited within 120 days of fiscal year end by a certified public accountant licensed in North Carolina. If an organization was awarded

City grant funding for the fiscal year audited, that funding must be disclosed in the audit report submitted. The audit report must be accompanied by a management letter, if one is prepared by the auditor, or a letter signed by the organization’s Executive Director or Board President attesting that no management letter was issued.

9. **Raleigh Grant Programs:** Organizations may apply for funding in up to two City grant programs per year. More information on Raleigh grant opportunities can be found at <https://raleighnc.gov/services/grants-and-funding/grant-opportunities>.

Audit Requirements

Adhering to the guidelines above, organizations shall remit the most recent audit report completed before the application deadline. If the organization’s fiscal year- end is towards the end of the calendar the year (September-December), the city will accept the previous year’s audit report. See example illustration below:

Organization’s Fiscal Year-End	Applications Due by January 2025
March 31 st – September 30 th	FY 2023 Audit Report
October 31 st – December 31 st	FY 2022 Audit Report

Failure to comply with this requirement will preclude request of \$25,000 or more in City grant funding.

An audit is recommended but not required by the city if an organization requests less than \$25,000. If an organization does receive an audit, however, the agency should follow the process above for submitting the audit report and additional documentation to the city with its grant application. Any questions regarding audit requirements by the agency or the agency's auditors can be directed first to the appropriate contact and then forwarded on to the City's Accounting and Reporting division if needed.. If you have additional questions, please direct them to Robert.Morales@raleighnc.gov.

ELIGIBLE & INELIGIBLE EXPENSES

The Human Services Agency Funding is awarded to organizations that provide direct services to target populations.

Direct Costs

Grants awarded by the Human Services Agency Funding are intended to support the delivery of services directly to the target populations. As such, these grants cover a wide range of expenses directly related to program delivery. These expenses may include, but are not limited to:

- **Personnel Costs:** Salaries and wages of staff directly engaged in program delivery. This can encompass the salaries of program managers, case workers, counselors, and other frontline personnel.
- **Program Materials and Supplies:** Costs associated with the purchase of materials, supplies, and equipment essential for program operations. This may include items like educational materials, medical supplies, or tools required for service provision.
- **Client Assistance:** Financial assistance or support directly provided to the individuals or populations targeted by the grant. This might involve emergency aid, counseling services, or food and housing assistance for youth, older adults, homeless, individuals with a disability and substance users.

Indirect Costs

Indirect costs are those expenses that are not directly tied to the program delivery but are essential for the overall functioning of the organization. The Human Services Agency Funding does not cover these costs, and organizations need to secure alternative funding sources for these expenses. Common examples of indirect costs include:

- **Administrative/Operational Expenses:** These encompass the day-to-day costs associated with running the organization. Items like rent or mortgage payments, utility bills, insurance, office furnishings, and equipment fall under this category.
- **Financial Auditing:** Costs related to financial audits are considered indirect, as they are not directly linked to delivering services to target populations but are necessary for accountability and compliance.
- **Communication and IT Support:** Expenses related to communication infrastructure, such as telephone and internet services, and IT support for the organization are generally not covered by direct grants.

Exclusions

It's important to note that not all organizations or expenses are eligible for the Human Services Agency Funding. Some specific exclusions include:

- **Individuals:** Grants are typically awarded to organizations rather than individual applicants. Individuals seeking funding are generally not eligible recipients.
- **Housing Construction:** Costs associated with the construction and sale of residential dwellings are not covered. These costs are typically beyond the scope of services that the grants are meant to support.
- **Arts Programs:** Organizations that already receive multi-year funding from Raleigh's Arts Commission Grant Program are generally ineligible for additional funding from the Human Services Agency, ensuring that resources are distributed effectively across various sectors.

Application Submission Procedures

General Application Submission Guidelines:

Human Services Agency Funding Applications are due on **January 24, 2025, by 3:00pm**. **Applications submitted after the deadline date will be ineligible for consideration.**

It is important that organizations carefully review the Human Services Agency Funding guidelines and the Human Services Agency Funding Application Checklist form to ensure the submission of the required application information and components. Incomplete or inaccurate applications can jeopardize funding.

Good grantsmanship is a factor in a favorable review of application proposals. While an application may be technically eligible, items such as a miscalculated budget or incomplete responses, will make the application less competitive and potentially result in a negative evaluation.

Organizations that have previously received Human Services Agency Funding should be aware that all funding year reports, including audits, must be up to date and submitted according to deadlines for consideration in future funding. Human Services grantee organizations with a history of non-compliance with deadlines, must contact our Human Services Manager before applying.

Application Submission Procedures:

- Organizations must submit an electronic version of the application and all required application components to grants.equity@raleighnc.gov. Provide your organization’s name and “FY26 Human Services Grant Application” in the email subject line. If you require accommodations, please contact Robert.Morales@raleighnc.gov.
- The electronic version of the application must be a viewable and printable Adobe PDF document. Rename documents to include your organization’s name and a description of the document.
- Once your application is received, the City of Raleigh staff will provide an email confirmation.

Required Application Components

The following application forms and documents are required for applications to be considered complete:

- **Completed and signed Human Services Agency Funding Application.**

- **Most recent Form 990**
- **Copy of agency's current fiscal year (or calendar year) audit report** conducted by an independent certified public accountant. *(The City of Raleigh only asks agencies that already plan to audit, have a current audit report, or are required by their board/organizational policies to conduct an audit to provide their most recent audit report as normally required).*
