1 Introduction

1.1 Purpose
The City of Raleigh, North Carolina ("COR" or the "City") is soliciting proposals from one or more firm(s) with which to contract for the following services:

The City of Raleigh Housing and Neighborhoods Department, Community Development Division ("CD"), is seeking Homebuyer Training services from a firm ("Consultant") located in the Raleigh area.

The Community Development Division of the City of Raleigh Housing and Neighborhoods Department seeks proposals from HUD-certified persons or organizations to provide training to first time home buyers. Raleigh annually spends about $12 million on housing and community development activities, including housing rehabilitation, second mortgages, housing development loans and support services for low to moderate income renters and first-time home buyers. Funding sources include federal Community Development Block Grant, HOME Investment Partnership funds, and local affordable housing funds.

A detailed scope of services is provided in Section 5 of this solicitation.

All information related to this solicitation, including any addenda, will be posted to the North Carolina Interactive Purchasing System (IPS) at: https://www.ips.state.nc.us/IPS/.

1.2 Background
The City of Raleigh, the Capital City of North Carolina, remains one of the fastest growing areas in the country. A great economy, top educational institutions, and exceptional health care facilities are some of the characteristics that attract people to the triangle area. The mild climate, diverse work force and proximity to Research Triangle Park combine to make Raleigh a great place to live.

Raleigh is a 21st Century City of Innovation focusing on environmental, cultural, and economic sustainability. The City conserves and protects our environmental resources through best practice and cutting-edge conservation and stewardship, land use, infrastructure and building technologies. The City welcomes growth and diversity through policies and programs that will protect and enhance Raleigh’s existing neighborhoods, natural amenities, history, and cultural and human resources for future generations. The City leads to improve quality of life for neighborhoods and standard of living for all citizens. The City works with universities, colleges, citizens, and local partners to promote new technology, create new job opportunities, and encourage local businesses and entrepreneurs. The City enlists and prepares 21st Century staff with the skill sets to carry out the duties of the City through transparent civic engagement and by providing the very best customer service to our citizens.

The 2013 HOME Final Rule includes a requirement that any homebuyer that receives HOME down payment assistance or buys a HOME-assisted unit must
have housing counseling. Any homebuyer that enters into a written agreement for HOME assistance (i.e., down payment or closing cost assistance) or enters into a sales contract for the purchase of a HOME-assisted unit must receive housing counseling. [See §92.254(a)(3)]. HUD recommends that HOME-participating cities review and adopt the benchmarks for counseling established by the National Industry Standards for Homeownership Education and Counseling available at: https://homeownershipstandards.org/home/Standards.aspx. The City of Raleigh will follow this recommendation from HUD in the evaluation of proposals submitted in this Request for Qualifications (RFQ) process, as well as the threshold standard (which means individuals and firms not in conformance will not be considered eligible for competing in the RFQ process) that **ONLY organizations and individuals that have at least one year of experience as a HUD-certified counseling agency or counselor** may submit proposals.

1.7 Rights to Submitted Material
All proposals, responses, inquiries, or correspondence relating to or in reference to this RFP, and all reports, charts, and other documentation submitted by Proposers (other than materials submitted as and qualifying as trade secrets under North Carolina law) shall become the property of the City when received and the entire proposal shall be subject to the public records laws of the State of North Carolina except where a proper trade secrets exception has been made by the Proposer in accordance with the procedures allowed by North Carolina law.

The City reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the Proposer of the conditions contained in this RFP.

If the City receives a request to disclose materials that have been labeled as a trade secret or confidential by the proposer, the City shall provide the proposer with notice of the request. Within five (5) calendar days of the receipt of this notice, the proposer must notify the City of whether or not it instructs the City to withhold the materials from public inspection and the proposer must seek, at its sole cost, appropriate judicial action to prevent the disclosure of the materials. If the proposer notifies the City to withhold materials from public inspection, said notice must also include a legal justification for why the withheld materials qualify for exemption from the North Carolina public records act. If such justification is not provided with the notice to withhold materials, the proposer acknowledges that the notice shall be void and deemed of no effect and that the City may release the information without penalty. Further, if the proposer does not take action to prevent the disclosure of the materials within this five (5) calendar day period, the City may release the information pursuant to the public records request without any penalty from or liability to the proposer.

By submitting a proposal to the City, the proposer accepts all terms and conditions of this section. Any exception to this section shall not be allowed and an attempt to except a proposal from this section will be deemed void and of no effect and may result in the proposal being disqualified from the selection process.

By submitting a proposal, each respondent to the RFP agrees to indemnify and hold harmless the City and each of its officers, employees, and agents from all costs, damages, and expenses incurred in connection with the City refusing to disclose any material that the respondent has designated as a trade secret.
1.8 **Communications**
Questions must be submitted in writing to the individual designated in Section 1.1. prior to the deadline provided in Section 1.3. A proposer should not rely on any information provided by the City that is not provided as part of this RFP, any addenda to this RFQ, or communications with the City representative identified in Section 1.1.

1.9 **Lobbying**
By responding to this solicitation, the firm certifies that it has not and will not pay any person or firm to influence or attempt to influence an officer or employee of the City or the State of North Carolina, or any elected official in connection with obtaining a contract as a result of this RFP.

1.10 **Conflicts of Interest**
City of Raleigh contracts are controlled by three conflict of interest provisions.

First, federal procurement standards provide in 2 CFR 200.318 (c)(1),

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or a firm which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

Similarly, the North Carolina General Statutes provides a *criminal* statute for conflicts of interest in public contracting. N.C.G.S. § 14-234(a):

(1) No public officer or employee who is involved in making or administering a contract on behalf of a public agency may derive a direct benefit from the contract except as provided in this section, or as otherwise allowed by law. (2) A public officer or employee who will derive a direct benefit from a contract with the public agency he or she serves, but who is not involved in making or administering the contract, shall not attempt to influence any other person who is involved in making or administering the contract. (3) No public officer or employee may solicit or receive any gift, favor, reward, service, or promise of reward, including a promise of future employment, in exchange for recommending, influencing, or attempting to influence the award of a contract by the public agency he or she serves.

City of Raleigh Charter Section 3.9 regulates private transactions between the City and its officials and employees. The Charter states:

"No member of the City Council, official, or employee of the City of Raleigh shall be financially interested, or have any personal beneficial interest, either directly or indirectly, as agent, representative, or otherwise, in the purchase of, or contract for,
or in furnishing any materials, equipment or supplies to the City of Raleigh, nor shall any official or employee of the City of Raleigh accept or receive, or agree to accept or receive, directly or indirectly, from any person, firm or corporation to whom any contract may be awarded or from whom any materials, equipment or supplies may be purchased by the City of Raleigh, by rebate, gift, or otherwise, any money or anything of value whatsoever, or any promise, obligation or contract for future reward or compensation, for recommending or procuring the uses of any such materials, equipment or supplies by the City of Raleigh; no member of the City Council, official or employee of the City of Raleigh shall for his own personal benefit operate, directly or indirectly, any concession in any building or on any lands of the City of Raleigh, nor shall any official or employee of the City of Raleigh bid for or be awarded any contract granting concessionary rights of any nature or kind from the City of Raleigh; it shall be unlawful for any member of the City Council, official or employee of the City of Raleigh to bid for or to purchase or to contract to purchase from the City of Raleigh any real estate, equipment, materials, or supplies of any nature or kind whatsoever, either directly or indirectly, at either public or private sale, either singly, or through or jointly with any other person.”

1.11 Proposer Expenses
The City of Raleigh will not be responsible for any expenses incurred by any Proposer in the development of a response to this Request for Proposal or any other activities associated with this procurement including but not limited to any onsite (or otherwise) interviews and/or presentations, and/or supplemental information provided, submitted, or given to City of Raleigh and/or its representatives. Further, the City of Raleigh shall reserve the right to cancel the work described herein prior to issuance and acceptance of any contractual agreement/purchase order by the recommended Proposer even if the awarding authority for each entity has formally accepted a recommendation.

1.12 Proposer Acceptance
Submission of any proposal indicates a Proposer’s acceptance of the conditions contained in this RFP unless clearly and specifically noted otherwise on Appendix V, “Exceptions to RFP” and submitted with proposal. Furthermore, the City of Raleigh is not bound to accept a proposal on the basis of lowest price, and further, the City of Raleigh has the sole discretion and reserves the right to cancel this RFP, and to reject any and all proposals, to waive any and all informalities and/or irregularities, or to re-advertise with either the identical or revised specifications, if it is deemed to be in the City of Raleigh’s best interests to do so. The City of Raleigh reserves the right to accept or reject any or all the items in the proposal, and to award the contract in whole or in part and/or negotiate any or all items with individual Proposers if it is deemed in the City of Raleigh’s best interest. Moreover, the City of Raleigh reserves the right to make no selection if proposals are deemed to be outside the fiscal constraint or not in the best interest of the City of Raleigh.

\]

A—the lowest Proposer's cost.
B—the Proposer’s cost being scored.
C—the maximum number of cost points available.
D—Proposer’s cost score (points).

Note: If the formula results in a negative number (which will occur when the Offeror’s cost is more than twice the lowest cost), zero points shall be assigned.
