

SUBJECT: REFINANCING AND SUBORDINATION POLICY AND PROCEDURES

Policy No.: 1
Page No.: 1
Effective: July 1, 2022- June 30, 2023

- Purpose** The purpose of this policy is to provide guidance to staff in reviewing requests for subordinations and to maximize the likelihood that homebuyers assisted with HOME funds will successfully sustain homeownership.
- Scope** This policy applies to all requests where the refinance mortgage amount exceeds the current balance of the original mortgage amount by more than \$5,000, where the refinanced mortgage interest rate exceeds the interest rate on the Note related to the original mortgage, where the refinance type is “cash out” and/or where the request includes a change in the City’s lien position.
- Definitions**
- “Refinance mortgage” means the mortgage, deed of trust or other instrument creating a security interest in real estate given to secure a refinancing.
- “Refinancing” means the replacement of a loan secured by a prior mortgage with a new loan secured by a mortgage, deed of trust or other instrument and the payment in full of the debt owed under the original loan secured by the prior mortgage.
- “Subordinate mortgage” means a mortgage or deed of trust encumbering or conveying an interest in real estate containing not more than one dwelling unit that is subordinate in priority to a mortgage, deed of trust or other security interest in real estate
- “Subordination Agreement” is a legal document that reduces the priority of one lien on a piece of property relative to another.
- Background** This policy has been established because the HOME regulations at 24 CFR 92.254(f) require participating jurisdictions operating HOME-assisted homebuyer programs to develop and implement homebuyer program policies and procedures, including standards for underwriting HOME-assisted homebuyers, responsible lending standards, and standards for refinancing and subordination of HOME liens.
- Policy**
- A. The City will not permit re-subordination of the HOME lien under the following circumstances:
1. Cash-out refinance loans for debt consolidation.
 2. Refinance loans for obtaining a reverse mortgage.
 3. Loans that change the City’s lien position (such as equity lines of credit).
 4. Refinance loans that the City’s borrower is not a party to.
 5. Refinance loans to a person who does not have an ownership interest in the house.
- B. The City may permit refinancing of the homeowner’s primary mortgage and re-subordination of the HOME lien under the following circumstances:
1. Refinance loans to change rate or term. Rate must be less than the original rate and must be fixed.
 2. Cash-out refinance loans for home improvement (to correct code violations, or other extenuating circumstances, as determined by staff) or economic/medical emergencies.
