By phone: +1 301 715 8592 US, Meeting ID: 824 9945 1373

The purpose of this meeting is to discuss a rezoning of a 4.09-acre parcel of real property located at 12117 Strickland Road. This site is current zoned R-4. The proposed zoning designation is R-10-CU.

The City of Raleigh requires that prior to the submittal of any rezoning application, a neighborhood meeting involving the property owners and tenants within 1000 feet of the area requested for rezoning. After the meeting a report will be submitted to the Raleigh Planning and Development Department. Any other person attending the meeting can submit written comments about the meeting or the request in general, but to be included in the Planning Commission agenda packet written comments must be received at least 10 days prior to the date of the Planning Commission meeting where the case is being considered.

If you have any concerns or questions I can be reached using the contact information above.

Information about the rezoning process is available online; visit www.raleighnc.gov and search for "Rezoning Process." If you have further questions about the rezoning process, or would like to submit written comments after the meeting please contact:
