Second Neighborhood Meeting for Rezoning of 2500 Barwell Road (Z-47-24)

You are invited to attend an informational meeting to discuss the proposed rezoning of 2500 Barwell Road (with Property Identification Number (PIN) 1732-77-0586), with City of Raleigh rezoning case number **Z-47-24**. The meeting will be held on **Thursday, January 23, 2025, from 6:00 PM until 7:00 PM**, at the following location:

Barwell Road Community Center Meeting Room 5857 Barwell Park Drive Raleigh, NC 27610

The property totals approximately 43.67 acres in size and is located approximately 0.6 miles south of the Barwell Road and Poole Road intersection. The property is currently zoned Residential, four units per acre (R-4) and Manufactured Housing (MH). The proposed zoning is Residential Use, ten units per acre, conditional use (R-10-CU). The purpose of the rezoning is to facilitate a townhouse or single-family development.

The City of Raleigh requires a neighborhood meeting involving the owners and tenants of property within 1,000 feet of the property after filing the rezoning application, but before the rezoning application is heard by the Planning Commission. After the meeting, we will prepare a report for the Planning Department regarding the items discussed at the meeting.

Please do not hesitate to contact me directly if you have any questions or wish to discuss any issues. I can be reached at 919-645-4313 and wmills@longleaflp.com. Also, for more information about the rezoning, you may visit www.raleighnc.gov or contact the Raleigh City Planner Matthew Burns at 919.996.4641 or matthew.burns@raleighnc.gov. If you would like to submit written comments or questions after the neighborhood meeting, please participate in the applicable rezoning case at www.publicinput.com/rezoning.
