### Midtown-St. Albans Area Plan Confirmation Group Roster

Raleigh City Council has created a confirmation group to assist with the Midtown-St. Albans Area Plan. The group, which was designed to incorporate a range of perspectives, is charged with ensuring that the plan process invites and includes input from all relevant stakeholders and that plan recommendations align with received input. The group will also play an important role in disseminating information to the community.

Members, along with neighborhood or other relevant affiliations, are listed below.

|                 |                                  |
