Who Can Initiate a Zoning Request?

If requesting to down-zone property, the rezoning application must be signed by all the property owners whose property is subject to the downzoning. Downzoning is defined as a zoning ordinance that affects an area of land in one of the following ways:

1. By decreasing the development density of the land to be less dense than was allowed under its previous usage.
2. By reducing the permitted uses of the land that are specified in a zoning ordinance or land development regulation to fewer uses than were allowed under its previous usage.

If requesting to rezone property to a conditional district, the rezoning application must be signed by all owners of the property to be included in the district. For purposes of the application only (not the zoning conditions), the City will accept signatures on behalf of the property owner from the following:

1. The property owner;
2. An attorney acting on behalf of the property owner with an executed power of attorney; or
3. A person authorized to act on behalf of the property owner with an executed owner's affidavit.

An owner's affidavit must be made under oath, properly notarized and, at a minimum, include the following information:

- The property owner's name and, if applicable, the property owner's title and organization name.
- The address, PIN and Deed Book/Page Number of the property.
- A statement that the person listed as the property owner is the legal owner of the property described.
- The name of the person authorized to act on behalf of the property owner as the applicant. If applicable, the authorized person's title and organization name.
- A statement that the property owner, as legal owner of the described property, hereby gives authorization and permission to the authorized person, to submit to the City of Raleigh an application to rezone the described property.
- A statement that the property owner understands and acknowledges that zoning conditions must be signed, approved and consented to by the property owner.
- The property owner's signature and the date the property owner signed the affidavit.

If requesting to rezone property to a general use district that is not a down-zoning, the rezoning application may be signed, for the purpose of initiating the request, by property owners or third-party applicants.

Temporary Option for Virtual Neighborhood Meetings

During times when in-person gatherings are restricted, this document consists of guidance and templates for conducting a virtual meeting that may satisfy the pre-submittal neighborhood meeting prerequisite for filing a rezoning request and, when required, the second neighborhood meeting prerequisite for Planning Commission review. All requirements related to notice and neighborhood meetings found in the UDO are still applicable and should be reviewed when preparing for a neighborhood meeting.

Raleigh Planning & Development staff are available to advise you in the preparation for virtual neighborhood meetings. For more information, contact Carmen Kuan: (919) 996-2235 or Carmen.Kuan@raleighnc.gov.

WHAT IS THE PURPOSE OF A NEIGHBORHOOD MEETING?

A neighborhood meeting is a required form of community outreach to receive community feedback regarding a rezoning prior to submittal to Raleigh Planning & Development or prior to Planning Commission review, per the standards found in [UDO Ch. 10](#). The intention of the meeting is to facilitate neighbor communication; identify issues of concern early on; and provide the applicant an opportunity to address neighbors' concerns about the potential impacts of the rezoning request at key steps in the rezoning process.

GUIDANCE FOR VIRTUAL NEIGHBORHOOD MEETINGS

The virtual neighborhood meeting option is available to applicants on a temporary basis during times when in-person gatherings are restricted. Above and beyond the requirements for neighborhood meetings found in the UDO, the following practices are strongly encouraged for virtual neighborhood meetings:

Verification of mailed notice for virtual neighborhood meetings can be completed by USPS or Raleigh Planning & Development staff.

Neighborhood meeting notification letters can be verified in one of two ways for virtual neighborhood meetings:

- By using USPS in compliance with [UDO Sec. 10.2.1.C.1.b](#).
 - By coordinating with Raleigh Planning & Development staff.
 - Applicants may present stuffed, stamped, and addressed neighborhood meeting notifications to Raleigh Planning & Development staff prior to the 10-day period for confirmation that the complete list of property owners is being noticed and that the notices contain adequate information to satisfy the requirements of the UDO and are in keeping with this guidance document.
- Applicants may present electronic documentation to city staff prior to the 10-day period for verification. Documentation should include: an electronic copy of the notification letter and any enclosures, the mailing list, photographs of the mailing that demonstrates the number of envelopes prepared for mailing, an attestation from the applicant that the mailing satisfies all UDO requirements and that acknowledges that false statements negate validity of the mailing.

The meeting should be held within specific timeframes and meet certain requirements.

The UDO requires that “the applicant shall provide an opportunity to meet with property owners of the development site and property owners within the mailing radius described in UDO Sec. 10.2.1.C.1. In order to provide meaningful opportunity, a virtual neighborhood meeting should follow these guidelines:

- Electronically via an interactive online video conferencing software such as Microsoft Teams, Zoom, WebEx, or any similar platform of the applicant’s choice.
- The software must support a two-way conversation that allows for residents to ask questions and provide thoughts, as well as hear the applicant’s presentation.
- The software should provide an option for an individual to participate exclusively by telephone.
- The meeting should be conducted for a minimum of one (1) hour, Monday through Thursday, during the 5:30 p.m. - 9:00 p.m. time period.
- The meeting should not be held on City of Raleigh or State of North Carolina recognized holidays.
- Just as with an in-person meeting, an attendance sheet must be completed to log known attendees of the virtual meeting. Note if no one attended.

Additional informational material should be provided by post to all invitees.

To help facilitate discussion during the meeting for all participants, especially those that may participate exclusively by telephone, informational material should be provided by post. A copy of all mailed materials should be included as part of the Neighborhood Meeting report required for the rezoning application. In addition to details required by UDO Sec. 10.2.1.C.1, the following information should be mailed with the meeting notice:

- The date, time, and detailed instructions for how to participate in the virtual meeting either online or by telephone.
- A current aerial photograph of the area.
- A current zoning map of the area.
- A draft of the rezoning petition to be submitted.
- For a rezoning request to a district that requires a master plan (UDO Art. 4.6 and 4.7) preliminary or schematic plans of the proposed master plan should be provided to help facilitate discussion.

The meeting agenda should describe the action to be requested and the nature of the questions involved.

This information should be addressed during the meeting:

- Explanation of the rezoning process.
- Explanation of future meetings (additional neighborhood meetings, if any; Planning Commission review; City Council public hearing).
- Explanation of the development proposal, including proposed uses and zoning conditions; explanation of any proposed master plan; and any public information available about the property owner or buyer, developer or builder, and/or likely tenant.
- Questions or concerns by virtual attendees and responses by the applicant.

- Report of any questions and concerns received by the applicant in correspondence or phone call in advance of the meeting, along with any applicant-provided responses.

The applicant shall be responsible for notifying any neighbors who request to be kept up-to-date of any additional neighborhood meetings and the actual submittal date to the City of Raleigh Development Portal.
