Office Use Only

Rezoning case #

Statement of Consistency

Provide brief statements regarding whether the rezoning request is consistent with the future land use designation, the urban form map, and any applicable policies contained within the 2030 Comprehensive Plan.

R-6 zoning is specifically contemplated under the Low-Scale Residential Future Land Use Map designation applicable to this property. The 2030 Comprehensive Plan strongly supports zoning for a range of housing types, particularly within already urbanized areas and close to services and transportation. The property is located within a developed area of the city, immediately adjacent to Lynn Road Elementary School and Peter Williams Park, and within walking distance of the Lynnwood Shopping Center, offering a grocery store, restaurants, and personal services. Additionally, bus service is available at Creedmoor Road, providing a direct connection to further shopping, services, and job opportunities, including at Crabtree Valley Mall which is only 20 minutes away by foot and bus.

Policies supported by the proposal include:

LU 1.2 Future Land Use Map Zoning Consistency

LU 3.2 Location of Growth

LU 5.1 Reinforcing the Urban Pattern

LU 8.1 Housing Variety

LU 8.3 Conserving, Enhancing, and Revitalizing Neighborhoods

LU 8.5 Neighborhood-scale Housing

LU 8.10 Infill Development

LU 8.12 Infill Compatibility

LU 8.17 Zoning for Housing Opportunity and Choice

H 1.5 Scattered Site Infill

H 1.8 Zoning for Housing

Public Benefits

Provide brief statements explaining how the rezoning request is reasonable and in the public interest.

The requested R-6 zoning supports the Low-Scale Residential designation of the site while providing conveniently located housing in a developed area of Raleigh served by nearby schools, parks, transit and commercial uses.

Rezoning Application Addendum #2

Impact on Historic Resources

The applicant is asked to analyze the impact of the rezoning request on historic resources. For the purposes of this section, a historic resource is defined as any site, structure, sign, or other feature of the property to be rezoned that is listed in the National Register of Historic Places or designated by the City of Raleigh as a landmark or contributing to a Historic Overlay District.

Who Can Initiate a Zoning Request?

If requesting to down-zone property, the rezoning application must be signed by all the property owners whose property is subject to the downzoning. Downzoning is defined as a zoning ordinance that affects an area of land in one of the following ways:

1. By decreasing the development density of the land to be less dense than was allowed under its previous usage.
2. By reducing the permitted uses of the land that are specified in a zoning ordinance or land development regulation to fewer uses than were allowed under its previous usage.

If requesting to rezone property to a conditional district, the rezoning application must be signed by all owners of the property to be included in the district. For purposes of the application only (not the zoning conditions), the City will accept signatures on behalf of the property owner from the following:

1. The property owner;
2. An attorney acting on behalf of the property owner with an executed power of attorney; or
3. A person authorized to act on behalf of the property owner with an executed owner's affidavit.

An owner's affidavit must be made under oath, properly notarized and, at a minimum, include the following information:

- The property owner's name and, if applicable, the property owner's title and organization name.
- The address, PIN and Deed Book/Page Number of the property.
- A statement that the person listed as the property owner is the legal owner of the property described.
- The name of the person authorized to act on behalf of the property owner as the applicant. If applicable, the authorized person's title and organization name.
- A statement that the property owner, as legal owner of the described property, hereby gives authorization and permission to the authorized person, to submit to the City of Raleigh an application to rezone the described property.
- A statement that the property owner understands and acknowledges that zoning conditions must be signed, approved and consented to by the property owner.
- The property owner's signature and the date the property owner signed the affidavit.

If requesting to rezone property to a general use district that is not a down-zoning, the rezoning application may be signed, for the purpose of initiating the request, by property owners or third-party applicants.
