

Greenway Detour

Crabtree Creek Trail

The Crabtree Creek Greenway Trail Will be closed from Hertford Street to North Hill Park connector and from mile marker 11 to 11.5 beginning April 14, 2021.

The City of Raleigh Public Utilities Department (COPUD) is making capacity improvements to gravity interceptors in the Crabtree Basin Service Area of the City's wastewater collection system. Please visit the [Crabtree Pipeline Project](#) website for more information on this project. This work, which began in March 2018, requires periodic closures to segments of the Crabtree Creek Trail as well as to other trails that tie into the Crabtree Creek Trail.
