Frequently Asked Questions

How do I rent the building?
Check with the Jaycee Community Center Staff to see if the date/time is available. If it is then the renter must completely fill out a rental paperwork and make the full payment including damage deposit, application fee, and rental costs. The rental must then be entered into the system by the center director or assistant director before it is confirmed.

What times can I rent the facility?
The facility may be rented as early as 7am and as late as 11pm.

Whom will open the building and when can I start setting up?
You will be able to access the space at the start of your reserved rental time. All of the set up time needs to be included in the reservation. The building has a caretaker who will not open the building prior to the reserved time.

What if my rental finishes before the caretaker arrives to close the building?
The renter is responsible for the building until the caretaker arrives to lock the building. The renter is not allowed to leave the building unattended.

Who is responsible for cleaning?
The renter is responsible for cleaning up the space prior to the end of the rental time. This includes, but is not limited to, putting away tables and chairs, sweeping, and taking out the trash.

Can I see the building before I decide to rent?
Yes, please speak with the front desk staff at Jaycee Community Center. They will set up a time for you to meet the caretaker at Glen Eden to open the building and look around.

Can I put decorations in the room?
All decorations must be free standing. No decorations should be taped to the walls. The renter is responsible for any damage caused by decorations.

Are tables and chairs available?
Tables and chairs may be used by rental groups based on availability. We have 6’ rectangular tables and folding chairs. Please request the number of tables and chairs needed at time of reservation. They are located in the storage closet next to the large room. The renter is responsible for setting up and breaking down the tables and chairs.

What if I want to have a dance party or teen party?
There are specific guidelines related to a dance or teen party. Please speak with the staff regarding this information.

Can I have an inflatable?
Inflatables are allowed at specific parks; however the inflatable vendor must have a permit and be an approved inflatable vendor with the Parks, Recreation, and Cultural Resources Department. Please check with staff reserving the facility regarding specific rules about inflatables.
Glen Eden is an unstaffed neighborhood center available for rent through Jaycee Community Center 919-996-6833.
