### **Garment Sewing: Hems**

The successful hem does more than just adjust the garment's length. The right hem can help the garment hang and move as intended. A skillfully made hem can prolong the life of the piece by providing appropriate support to the garment. In this class, we will be sewing samples of several of the most versatile hem techniques that are applicable to a variety of hem locations – sleeve and shirt hems as well as pants and skirt hems. You will learn how to determine which hem techniques to use based on garment type and fabric characteristics. This class will also introduce you to some sewing machine presser feet and specialty tools which make sewing hems easier and more successful. This class is part of a series for sewists who want to advance their sewing skills by exploring the techniques of garment making in more detail. To complete the class exercises you will need to be comfortable using a sewing machine and have basic sewing skills. **A supply fee of \$12** is due to the instructor for the materials needed to sew the class samples. We will be using Sertoma's sewing machines. 1 session.

### **Traditional Japanese Embroidery**

The technique of Japanese embroidery goes back more than 1,600 years. We use silk and metallic fibers on silk fabrics to produce traditional and modern designs for framing. Instruction follows an orderly progression of steps with a new design at each level. This workshop is open to beginners as well as current students at all levels. Current students should bring projects they are working on. New students are required to purchase kit and supplies from the instructor, payable at first class. Two options are available, see the supply list on Sertoma's webpage for details and cost. Instructor needs one month's notice to order supplies for new students. Additional supplies will be available for purchase from instructor in class. New students are required to contact the instructor for more information before enrolling at [nuidosensei@gmail.com](mailto:nuidosensei@gmail.com). 1 session.

### [Introduction to Majolica](#)

Developed in the Middle East during the 9<sup>th</sup> century and made famous by Italian artisans, majolica is earthenware pottery with a white opaque glaze decorated with ceramic colorants brushed on top of the raw, unfired glaze. The glaze is formulated to be viscous which restricts the flow and movement of the glaze retaining most of the line quality of the decoration. In this class we will examine historical aspects, designs of majolica and explore the process using commercial glazes & majolica colors making the techniques easy to use. Formulas for mixing your own majolica glazes/colors will be provided & discussed. If you like color and painting designs on pottery, this class is for you! **Prerequisite:** Beginner Wheel or Handbuilding at Sertoma or Pullen Arts Center. This class does not qualify for a studio card. Students pay glaze and color **fee of \$45** at the first class to the instructor. Registrants will be emailed information on tools and brushes shortly after registration. 4 sessions.
