Fibers – Sandy Creek Weavers Community Residency

Age: All Ages. For a Community Residency we are aware that most people know very little about weaving. Not often do people have an opportunity to observe a weaver at work or to see an exhibit entirely made up of woven objects, or perhaps more importantly to sit at a loom and make it work. We intend to change all that. Sandy Creek Weavers have woven with over 180,000 adults, in hospitals, arts councils, cancer centers, church's, and mini camps creating large tapestries on the 300-year-old floor loom which incorporates items of sentimental value woven into the weaving by the community members. The weaving becomes 'A Fabric Time Capsule' representing the time in history of the community. The tapestry is also left for permanent display. Participants are encouraged to bring an item that represents who they are at this time in their life or an item that represents what Sertoma Arts Center means to you. Participants are welcome to create individual weaving projects as well. Victoria Sowers from Sandy Creek Weavers will supervise and instruct. Drop in times listed below.

Community Weaving Project

We will be practicing different ways to use the tool to create different textures that build into a scene. Students will be taught the basics of impasto painting with Acrylic on Canvas using Gel Mediums to create different textures in the raised paint. We will touch on the use of color and space and how to achieve depth and space within the painting while also using thick paint application to bring certain objects into the foreground. This is a great class to take if you have already taken an acrylic painting class, and will teach you how to abstract objects just enough to create more interest within your work. Instructor Amanda Wilson will guide you every step of the way and be there to give in class demonstrations as well as one on one assistance. This course is great for any skill level. Pottery – Introduction to Majolica

Age: 16yrs. and up. Developed in the Middle East during the 9th century and made famous by Italian artisans, majolica is earthenware pottery with a white opaque glaze decorated with ceramic colorants brushed on top of the raw, unfired glaze. The glaze is formulated to be viscous which restricts the flow and movement of the glaze retaining most of the line quality of the decoration. In this class we will examine historical aspects, designs of majolica and explore the process using commercial glazes & majolica colors making the techniques easy to use. Formulas for mixing your own majolica glazes/colors will be provided & discussed. If you like color and painting designs on pottery, this class is for you. This class does not qualify for a studio card at Sertoma Arts Center. Open to qualified Sertoma Arts Center potters and qualified Pullen Arts Center potters who have completed the Studio Orientation for Pullen Potters class prior to registration only. Students must be able to throw or hand build forms for decorating. Registrants will be emailed information on tools and brushes shortly after registration. Students pay glaze and color fee of \$45 at the first class to the instructor.

Pottery – Sagger Firing and Terra Sigillatas

Age: 16yrs. and up. Throughout history potters have worked with saggars to protect pieces from the heat and damaging impact of direct flame. In this course we will use saggars, or protective containers, to create a contained environment where the pots can be impregnated by the metallic oxides and salts, and carbon bearing organic material that surrounds them. In order to create a wonderful shiny surface on these pots we will create terra sigillatas (a very fine clay slip) that will allow the pots to be burnished and achieve a nearly glass like surface with out the addition of a glaze. Prerequisite: Beginner Wheel at Sertoma or Pullen Arts Center.
