**If you like mystery books this trip is for you.
Tuesday, March 3, 2026**

Join Scott Blackburn, author of *It Dies With You* as he takes us on a journey to the locations throughout the book. Story takes place in Flint Creek, NC, which is a fictional location, but the places are based on locations in Greensboro and Kernersville, NC.

After a postfight brawl jeopardizes his boxing career, Hudson Miller takes a job as a bar bouncer—only to be hit with worse news: his estranged father has been murdered. Upon returning to settle the estate and discovering he's inheriting his father's salvage yard. But Miller's Pull-a-Part hides more than scrap metal. The property was a front for an illegal gun-running operation—and a gruesome discovery there pulls Hudson into a deadly mystery.
