

Active Adult Trip - NC Zoo

Thursday, April 3, 2025

The North Carolina Zoo consists of Africa, North America, and a global Desert, having natural habitats – presenting animals together with plants in habitats that resemble the habitats in which they would be found in the wild. The zoo houses 1,700 animals of more than 250 species and is the world's largest natural habitat zoo.

With roughly five miles of walking trails to navigate, make sure you wear comfortable walking shoes and bring a refillable water bottle. Tram shuttle service is available with 3 stops within the park. Electric Convenience Vehicles (riding scooters) are available on a first come basis for \$33+ tax with a government ID.

- Depart from Anne Gordon Active Adult Center at 8:00 a.m.
- Enjoy lunch on your own at one of the many food concessions. Personal food can be eaten outside of the zoo.
- General admission entry tickets.
- Return to Anne Gordon Center around 4:00 p.m.
