

# Active Adult Trip - NC Botanical Gardens - Chapel Hill, NC

## Explore the North Carolina Botanical Garden Wednesday, May 13, 2026

Discover the natural beauty and botanical wonders of North Carolina Botanical Garden. For more than 50 years, the Garden has been dedicated to preserving the state's incredibly rich and unique plant life—much of which is found nowhere else in the world.

Stroll through habitats representing the Coastal Plain, Sandhills, Piedmont, and Mountains—all in one place. Get an up-close look at fascinating carnivorous plants, including the iconic Venus flytrap, and explore the Herb Garden filled with culinary and medicinal plants. Be sure to leave time to browse the Garden Shop and visit the DeBerry Gallery for Botanical Art & Illustrations for a truly enriching experience.
