

Lesson Policies

Absence Policy: Classes are not made up when a student misses a class; however, if the pool cancels a class, we will make it up at a time to be announced.

Inclement Weather Policy: Lessons are conducted regardless of weather, except in cases of pool closure due to thunderstorms. In the event of a thunderstorm or other pool closure, the lesson will be made up on the next available Friday at the regular lesson time. If a lesson is canceled due to unforeseen circumstances (i.e., lightning, pool closure, etc.), we reschedule the lesson when possible. If rescheduling is not feasible, we issue refunds or credits toward another activity.

Medical Concerns: If your child has a medical condition, such as, but not limited to, allergies, seizures, or epilepsy, a medical clearance form from your physician is required and must be submitted to the pool manager prior to the first day of class. In an emergency, knowledge of medical conditions will aid our staff and emergency personnel in providing care.
