City of Raleigh Museum Rentals

The City of Raleigh Museum, located in the historic Briggs Building, showcases the building's beautiful storefront as well as its original wood floors, tall pressed tin ceilings and other unique architectural details.

The museum's lobby, first floor main gallery, and lower-level classroom are available to rent for weddings, rehearsal dinners, cocktail parties, receptions, birthday parties, office parties, seminars, and more.

City of Raleigh Museum and Mordecai Square Associates' members receive a 10 percent discount toward rental rates as do nonprofit agencies with 501(c)3 status.

In addition to the rental rate, other required rental fees include a \$250 refundable damage deposit, an \$80 floor restoration fee, and either a \$125 or \$225 furniture setup/breakdown fee. Optional fees include a \$100 alcohol permit fee and a \$100 audiovisual fee.

Please remember that as a museum the facility and its exhibits may change frequently and without notice.

For more information or to discuss museum availability,
please contact the City of Raleigh Museum Rental Manager Amber Gorski.
