Know Before You Go

We can't wait to see you again! We will be following additional safety precautions to ensure that our participants will have an exceptional experience. Please read the following information to learn more about what we're doing to maintain a healthy environment and what you can do before you leave home.

Please note: these protocols may change based on Centers for Disease Control (CDC) guidelines as well as guidance from federal, state, and local public health agencies.

Before You Arrive

- Please stay home if you are sick!
- Bring a face covering, bottle of water, towel and mat. Our water fountains are closed.
- All fitness rooms will be operating at a reduced capacity.

When You Arrive

- Wellness checks are required for all participants. During the screening, you will be asked a few short questions and a temperature check will be performed using a touchless thermometer. Anyone that does not clear the screening will not be allowed to enter.
- You will see that our fitness equipment is spaced to allow for the appropriate 6 feet of physical distancing to ensure the safety of all users.
- You will find sanitizing equipment wipes in every fitness room.
- You will need to purchase a City-Wide Daily, Monthly, or Annual Membership Pass to use a fitness room. Please review the details below as our membership passes and rates have changed.

While You're Here

- Wear a mask or face covering.
- Maintain social distance and wash hands frequently.
- Please plan to arrive 30 minutes early to allow time for wellness checks to be completed.

Additional Safety Measures and Information

- Increased cleaning of seating areas, restrooms, high-touch areas like door handles and shared equipment. In addition, enhanced restroom cleaning will be done at least once a day.
