

City Of Raleigh
NORTH CAROLINA

Certification of Landscape Agreement

I _____, the Property Owner/Registered Agent (Principal), submit this document regarding the project located at address: _____, Raleigh, North Carolina, known as (subdivision name and UF#)_____.

Due to the expiration of the planting window (October 1st to April 30th) the street trees cannot be installed at this time. Therefore, in compliance with Unified Development Ordinance (UDO) Section 8.4.1, UDO Section 8.5, and Chapter 8, part 9 of the Municipal Code, we the undersigned hereby certify that all street trees, as shown on the plans approved by the City of Raleigh, shall be installed (according to TPP-03) after October 1, 20 and before December 31, 20. Failure to plant the street trees within the stated timeframe can result in a Notice of Violation accompanied by civil penalties.

The undersigned Principal shall also agree to provide the required street trees specified in paragraph (1) above as a condition for obtaining a letter of acceptance for the principal use in accordance with UDO 8.4.1.C. Per UDO Section 8.4.1.C a surety in the amount of 125% of the value of the street trees shall be provided to the City.

A copy of the approved plan per City of Raleigh requirements defining the deferred work is attached.
