

# DIY Lava Lamp

## Steps

1. Fill the water bottle 2/3 full with oil.
2. Fill the remainder of the bottle with water. (The water will sink to the bottom.)
3. Add a few drops of food color (or mix colors to create your own).
4. Break a fizzy tablet into pieces - drop pieces in one at a time.
5. Watch your lava lamp erupt into activity! \*Keep adding for more fun!

## Things You'll Need
