Watercolor II

Intermediate students will refine and learn new brush skills to allow them to paint with confidence and achieve glowing colors and rich darks. Three major styles of developing a watercolor painting; quick sketch, layered approach, and sectional development will be explored and practiced. Methods of developing a successful painting with consideration of composition, developing space, value, light, shadow, and atmosphere will be discussed. Abstract painting will be used to develop gestural brush strokes, a looser style, and methods of mixing colors on the paper. Students will be encouraged to identify skills they want to work on and will receive assistance with problem areas. Supply list prints on receipt. This class qualifies students for a painting studio membership. 6 sessions.

If it Fits: Wheel Thrown Small Scale Lidded and Closed Forms

In this intermediate workshop, experiment with a multi-step technique for making lidded vessels that will save you from one pot with a million ill-fitting lids. First, we will practice making narrow-necked forms on the wheel, then take the technique further to make small vessels and their lids at the same time by throwing and altering a closed form. We will be firing the piece intact to ensure a great fit, so special attention will be given to the trimming and glazing of these works. We will explore a range of designs and techniques for knobs, the visual ratio of lid to vessel, and the wide range of functional possibilities for your lidded vessels. Students purchase clay from the Pullen Arts Center. Students provide their own tools - kit and individual tools available for purchase from Pullen's supply store. Prerequisite: Students must have prior wheel throwing experience (whether at Pullen Arts Center or elsewhere) and should be able to comfortably center 2-3 pounds of clay on their own to be successful in this class. 5 sessions.
