

Colored Rice Bins

Things You'll Need

- Uncooked rice
- Food coloring
- Large bowl/bin (clear if available)
- Vinegar
- Large spoon
- Paper towels/newspaper

Steps

1. Dye rice: add 1 teaspoon of vinegar to desired amount of rice and food color of choice - mix thoroughly with spoon.
2. Dry rice: spread onto newspaper or paper towels for 1 hour.
3. Put rice into bowl/bin - add small fidgets of choice.
4. Mix rice/fidgets together.
5. Sift through rice to find objects.

Create a list of objects to find - see who can find the most or find them the fastest!!
