Welcome

to Raleigh Parks, Recreation and Cultural Resources

Summer Camps

We are so excited you are here!

How to choose the camp that is best for your camper:

Step 1: Choose the proper age category.

Preschool – Typically for ages 3-5

Youth – Typically for ages 6-12

Teen – Typically for ages 12-17

Step 2: Choose the type of camp.

Traditional Summer Camps – provide campers with an experience incorporating a wide variety of activities that may include games, songs, and arts/crafts.

Specialty Summer Camps – provide campers with activities centered around a particular theme or focus.

Specialized Recreation Summer Camps – are specifically designed for individuals with developmental disabilities.

Please see Summer Camp Locations and Map on pages 38 and 39.

Step 3: Read the camp description for your top choices.

Be sure to look for activities your camper will enjoy.

Ask yourself:

- Does the camp require special skills?
- Is the camp mostly indoors or outdoors?
- Does the camp require a lot of physical activity or walking?
- Does the camp include field trips or swimming?
- Is the camp location convenient for you?
- Do the camp hours accommodate your schedule?

Please call the camp contact or use the Summer Camp Locations list for specific information regarding the camp.

Step 4: Visit the camp location to ensure that you and your camper are comfortable.

Online

Registration will begin
March 2, 2020

Walk-in

Walk-in registration begins

Preschool

Really appreciate how active and engaged the camp and counselors are. My son was a bit shy at the first day's drop-off and a counselor came right over and helped ease him in. My son came home happy and worn out every day!

We will explore a different science concept and do experiments to gain a better understanding of how things work in our world. We will learn about how air and water move as well as observe some fun, but safe, reactions through nature and our own creations! Get ready for your child to experience this explosion of fun and learning! Participants will need a snack and water daily.

Modern Marvels

Age: 3-5 yrs. In this action-packed Superhero training camp, campers will participate in obstacle courses, leap through rings of 'fire', soar over buildings, strike out villains, slip through laser webs and escape the cavern of doom...a typical day in the life of a Superhero. Our little marvels will have the opportunity to design and create their own cape, shield and of course spin out an awesome superhero name to match their super hidden power. Campers will also participate in themed experiments, food experiences, games and other crafts in this exciting week-long adventure. Little heroes should be sure to bring a snack and water bottle each day!

One, Two, Three...Come Read with Me

Age: 4-5 yrs. This camp is all about popular children's books! Each day we will be reading a different book and making a craft that goes along with the book. Children will also get a chance to act out scenes from the books and even get to dress up like their favorite storybook characters. Campers should bring a water bottle, lunch and one snack each day. Campers must be potty trained.

Rescue Rangers

Age: 4-5 yrs. Calling all Rescue Rangers! If you love fire trucks, police cars, and ambulances come make it, take it, and display it. We've got models to make while we learn about the exciting and important jobs that our local rescuers do. Campers learn about and focus on a different vehicle each day such as a police car, fire truck, helicopter, and ambulance. They will build a different model and paint it to take home. Campers will get to meet at least one firefighter or police officer while exploring their vehicles. Campers also participate in recreational games and choice play. Campers should bring a snack daily and water bottle. Participants must be potty trained.

Splash Splash

Age: 4-5 yrs. This is the camp for children who love to get wet and are fascinated by water! During the week, we will be doing experiments with water, playing outside water games and making crafts with water. One day during camp, the children will get to swim at our pool next door. This week is sure to make a splash! Campers should bring a water bottle, lunch and one snack each day. Campers must be potty trained.

The Little Pre-Fessor

Age: 3-5 yrs. Calling all mixers, pourers, and potion makers! If you are enthusiastic about science and experimenting then our Little Pre-Fessor camp is just for you! If your child loves making slime, getting a little messy and seeing if a Volcano will erupt when vinegar is added to baking soda they will have a BLAST learning the basic chemistry that make these reactions take place. Campers will also enjoy games, activities, food experiences, arts & crafts, and more...all science themed of course! Come EXPLODE with fun and excitement surrounded by other science fanatics! Our little scientists should plan to bring a water bottle and snack to camp each day!

Tot Inventor's Workshop

Age: 3-5 yrs. Childhood curiosity, experimentation and imagination can develop one's play instinct; our Tot Inventor's Workshop will highlight camper's creativity, challenge critical thinking, enhance problem solving, encourage teambuilding and provide opportunities for children to tinker, design and build a variety of gadgets, models, mazes, projects and machines with moveable wheels/arms. Throughout the camp, participants will learn about physical concepts such as friction, speed, and movement. Campers will also participate in games, activities, food experiences, science experiments, arts & crafts and more. Come join us for a week of innovation, fun and excitement. Inventor's should bring a snack and water bottle each day.

Bricks 4 Kidz: Brick City Engineers

Age: 5-12 yrs. Do you love LEGO® City? Bring LEGO® City to LIFE by building a CITY! There are many different types of engineering jobs, and building is one of the most fun! What would a city be without the architects and engineers who come up with the ideas, plans and building skills to make it all come together? Campers will put their engineering and architectural skills to work as they build city-themed models using LEGO® Bricks, Technic® elements and motors and batteries. The sky's the limit when campers are challenged to use their own ideas and skills to build a skyscraper taller than their heads! They'll have a blast building working draw and truss bridges and using custom-built cars to move the people of the city all around town - brick by brick! Campers will also get to construct famous landmarks such as the Liberty Bell, the torch from the

Statute of Liberty and others! All campers take home a custom mini-figure at the end of the week! What an accomplishment to be able to proudly exclaim 'We built this BRICK City!' Games and crafts will also be part of the camper's daily experience. Participants should bring a water bottle and a snack each day.

Fit and Fun Camp

Age: 6-12 yrs. Our high-energy and fun camp creates workouts which combine cardiovascular/resistance training and functional training in a one of a kind environment. Our camp is designed to help children work on developing cardiovascular/muscular endurance, team work, and perseverance of physical and mental challenges. The atmosphere created by the class is fun and motivational which fosters a 'can do' attitude. All of the movements are taught safely and effectively under the close supervision of the thoroughly trained instructors. For kids who are new to exercise, our program introduces them to fitness at an early age and makes it easier for them to continue this 'healthy habit' for the rest of their lives. For kids who are already exercising or playing sports, our program is designed

to help them reach their next level of fitness and improve their performance. Participants should bring a snack and water bottle daily.

Specialized Recreation

My daughter absolutely loved Camp Friendly. All of the activities were perfect for her. I saw many positive changes in her at home while attending and after it was done. The staff was very caring and engaged with her.

— Parent of 2019 Summer Camp participant

The following camps are community-based recreation programs specifically designed to provide recreation and leisure opportunities for individuals with disabilities in a camp environment that is safe, fun, allows independence, and enhances quality of life. Camp fees will be pro-rated to \$120 for all camp session during the week of June 29-July 2. All participants should bring a lunch, 2 snacks, a water bottle and a change of clothes daily.

Registration for Camp Friendly and Camp Exploration will close on April 29, 2020. Once registered, families will receive additional information and forms to complete.

Once the camper's forms are received, the Camp Supervisor will review your camper's information and schedule a follow up interview. For campers who attended the same camp in 2019, a phone interview will be scheduled. For campers who are new to the specific camp program in 2020 a live interview with the camper and parent/guardian will be scheduled. This is part of the registration process to ensure that your camper is registered in the appropriate session so they can be the most successful at camp this summer.

This interview not only allows us to get to know the camper better but to also provide a forum where we can answer any of your more specific questions that you may have. If at this interview, or up to two weeks before your camper attends camp, it is determined that Camp Friendly/Exploration is not suitable for your camper, we will grant a full refund for the weeks in which they are registered.

All camper forms must be received by June 1, 2020, and interviews must occur at least 2 weeks before your camper's first day of camp. Any paperwork not received or interviews not completed by the appropriate deadline will forfeit the camper's space at camp, at which time a full refund will be given.

Please visit our website at www.raleighnc.gov and search "Specialized Recreation and Inclusion Services." Navigate to the Summer Camps tab for more detailed and outlined information. If you would like to speak with us further before beginning the registration process please contact Specialized Recreation at 919-996-2147 and we will happily answer any questions you may have regarding the camp programs and registration process.

Camp Friendly Mini Session

Age: 6-15 yrs. Mini sessions are available for campers with disabilities who need more individualized assistance. Campers are included in a small group environment with other Day and PA Session Campers. An additional counselor is available to the group for each mini camper. Counselors are not able to provide individualized camp curriculum, or be pulled away from the group for an extended time. Behavior: staff will provide positive behavior support, redirection, preferred activities, and use behavior support strategies provided by families. Campers are expected to exhibit appropriate camp behavior, without presenting a safety concern to themselves, other campers or staff. Unsafe behaviors may include but are not limited to: biting, hitting, kicking, pinching, running, spitting, etc. Feeding: staff will assist with feeding campers, using hand over hand support, according to directions provided by the family. Participation: staff will engage campers through multiple means of instruction, sensory engagement, supported transitions, and program modifications utilizing strategies provided by families. Campers are expected to stay within their small group area and exhibit moderate engagement with other campers and staff, transition safely with the group, and stay with the group on community on field trips. Toileting & Personal Care: staff will provide pull-up/diaper and/or clothing changes to support the camper. Campers should be able to assist with transferring their own weight. Class Fee: \$150

Camp Exploration Day Session

Age: 16-21 yrs. The Day Session is for campers who can engage appropriately in a small group setting (approximately 6-8 campers with 2-3 staff). Campers are expected to follow basic rules of safety and interaction, be independent with toileting, feeding and personal care needs, and easily understand and follow directions. Staff will provide the following support in regards to these areas: Behavior: staff will provide positive behavior support, redirection, preferred activities, and use behavior support strategies provided by families. Campers are expected to exhibit appropriate camp behavior, without presenting a safety concern to themselves, other campers or staff. Feeding: staff will provide verbal and visual prompting, reminders, assist with placement of food, break up food into small pieces, open containers for the camper. Campers should be able to physically feed themselves. Participation: staff will engage campers through multiple means of instruction, sensory engagement, supported transitions, and program modifications. Campers are expected to stay with their group, follow given/modeled direction, and demonstrate engagement during camp activities, during transitions, and in the community on field trips. Toileting & Personal Care: staff will provide verbal and visual prompting and provide occasional assistance with pulling up and/or changing clothing. Campers should be able to clean/wipe themselves independently or with prompting from staff.

2020 Camp Policies

Age Verification

The City of Raleigh Parks, Recreation, and Cultural Resources Department strives to provide age-appropriate curriculum and programming for all recreation services delivered. To meet this goal, the age of the participant, as of the cut-off date for the program, is required at the time of registration to appropriately place the participant in our programs. The Parks, Recreation and Cultural Resources Department reserves the right to request that the parent/guardian provide a legal document (i.e. birth certificate) verifying the age of the participant, as of August 31st of this year that was denoted on the registration form. If legal documentation is requested and not provided within 24 hours, the program supervisor may offer the parent/guardian a transfer to an age-appropriate program if available or dismiss the participant from the program. The parent/guardian will be responsible for any difference in fee if a transfer occurs. No refund will be given if the participant is dismissed from the program.

Babysitting

Any babysitting arrangements with present or former staff of the Raleigh Parks, Recreation, and Cultural Resources Department are separate and independent from any Departmental program. These arrangements must be based on the independent responsibility and judgment of the parent/guardian. The City of Raleigh Parks, Recreation, and Cultural Resources Department shall not be responsible for any claims or liability in connection with such babysitting activities.

Behavior Management

We utilize and encourage the practice of praise and positive reinforcement as effective methods of behavior management. We believe that when participants receive positive and understanding interactions, they can develop good self-concept, problem-solving abilities, and self-discipline. Our programs will create an environment that encourages positive choices through understanding participant's basic needs and explaining program expectations.

The City of Raleigh Parks and Recreation Department supports and practices the following Behavior Management practices:

- Monitoring-Noticing program environment-daily check-in with participants-active participation with participants and proper staff placement.
 - Positive Reinforcement-providing participants a positive program environment.
 - Redirection-stop the undesired behavior and redirect participant to make a positive choice.
 - Time Out -Provide an opportunity for discussion between staff and the participant by asking questions about the behavior.
- When positive choices are not made by the participants, the following procedures will be followed:
1. Initially, participants will be given a reminder of behavior expectations and the opportunity to make positive choices.
 2. If the behavior persists after a verbal warning will be provided. In conjunction, a Behavior Action Plan will be developed and implemented to identify specific behaviors that require improvement. PROR staff will work with the participant and parent/guardian to develop appropriate behavior management solutions.
 3. If behavior problems continue after implementation of the Behavior Action Plan, a first Behavior Incident Report will be presented to the parent/guardian.
 4. Additional behavior problems will constitute a second Behavior Incident Report presented to the parent/guardian and a possible two (2) full-day suspension from the program may occur. The parent/guardian may be requested to pick up the participant within an hour of the initial contact with the parent/guardian. If a parent/guardian does not pick up the participant within an hour, a late fee may be charged.
 5. If a behavior problem persists, a third Behavior Incident Report will be presented, and the participant may be asked to leave the program. A two (2) full day suspension will be issued to the participant while the behavior incident reports are being reviewed.
 6. For severe offenses, such as but not limited to: fighting/hitting, theft, vandalism, bullying in program or through social media, possession of weapons or drugs, severe verbal threats, sexual misconduct, leaving the program/building without proper dismissal, or any other safety-related behavior, the participant may be suspended or dismissed from the program immediately.
 7. Refunds will not be available for program participants who have been suspended from camp because of behavior issues.

2020 Camp Policies

8. Participants will not be disciplined in camp for behavior that occurred outside of camp hours, even at parental requests.
9. Participation in camp activities during program hours is required.

Confidentiality

Raleigh Parks, Recreation, and Cultural Resources Department staff will not discuss confidential matters or personal information with anyone outside of the Department or with unauthorized individuals.

All participants are encouraged to respect the confidentiality of other participants by not disclosing personal information on social media such as Facebook, Twitter, etc. Departmental staff are not permitted to share personal information or pictures about any participants or staff with social media such as Facebook, Twitter, Instagram, SnapChat etc. or discuss any personal information about participants outside of the workplace.

Dress Code

Participants should wear cool, comfortable clothing and athletic shoes in order to participate in recreational or athletic activities each day. Due to active play, swimsuits should provide full coverage, such as one-piece bathing suits or board shorts/shirts. If appropriate attire is not worn, therefore preventing participation, the parent/guardian may be asked to bring appropriate clothing or will be required to pick up the participant. Certain programs may have additional clothing requirements.

Unacceptable attire: sandals or flip-flops; shirts with spaghetti straps; clothing that displays drugs, alcohol, tobacco, sexual, or gang references; bikinis or speedo briefs; excessively loose pants or shirts; revealing clothing; jewelry; Crocs™. Certain camps may allow exceptions to this list.

Electronic Devices/Items from Home

No electronic devices are permitted at camp programs (examples: cell phones, gaming/music devices, etc.) unless accommodations have been made for the participant through an Inclusion Plan. Staff reserves the right to confiscate electronic devices if issues arise.

Participants may have the opportunity to bring in items (toys, books, etc.) from home. Should you choose to allow your participant to bring in items from home the City of Raleigh Parks, Recreation and Cultural Resources Department does not assume any responsibility for lost, stolen, broken or confiscated items.

Departmental staff reserves the right to confiscate any item that is not appropriate or may be used in an inappropriate manner while in our program.

Items that are not appropriate include, but are not limited to:

- Any type of weapon (toy guns, knives, swords, including anything that can be used to approximate a weapon by the participant).
- Any item that can be used to harass or intimidate another participant.
- Any item that causes disruption to scheduled activities
- Confiscated items will be returned to the parent/guardian at the end of the day.

Field Trips

Raleigh Parks, Recreation, and Cultural Resources will transport participants offsite in vehicles provided by or contracted by the City of Raleigh. If a program participant arrives at the program after the scheduled departure for a field trip, it is the responsibility of the parent/guardian to either:

- Transport the participant to the field trip location and sign-in the participant with a City of Raleigh program staff member at the field trip site, or;
- Transport the participant to the program site once the program returns from the field trip location and sign-in.

Buses will leave the program location at the advertised scheduled time. Departure times will not be altered to accommodate participants arriving late to the program site.

Participants will not be permitted to be dropped off at the program site while the camp program is off-site on a field trip. Refunds will not be awarded if participant misses a field trip. The City of Raleigh Parks, Recreation, and Cultural Resources Department does not accept responsibility for a program participant until they are signed in with program staff.

If a parent/guardian needs to pick up a participant early while still off-site on a field trip, it is the responsibility of the parent/guardian to pick up the participant at the field trip location. Recognizing emergency situations may occur, it is requested that the camp staff be informed of the need to pick up the program participant prior to the departure from the program site to the field trip.

Food

- Parent/Guardians should review camp descriptions for lunch, snack and drink requirements. Refrigerators and microwaves are not available for campers to use.
- Participants are not permitted to share lunches or snacks.
- Siblings should bring separate lunch containers for their individual lunches.
- Vending machines will not be available for purchasing drinks or snacks during program hours.
- Any food brought into any program to be served to all participants must be store-bought with labeled ingredient information. Due to allergy concerns, homemade food items will not be accepted into our programs to be served to participants.
- Parent/Guardians should notify the camp staff of a child's food allergies or dietary restrictions and discuss possible accommodations.

Illness/Injury

Any participant should remain home from all programs if they have had any of the following in the past twenty-four (24) hours:

- Fever (100 degrees or higher without fever-reducing medication), diarrhea, vomiting, sore throat, undiagnosed rash, chicken pox, pink eye, ring worm, head lice, or any other potentially contagious condition.
- Physical injury that does not allow the participant to safely participate in program activities.
- If a participant demonstrates any of the above while at the program, the parent/guardian will have one hour to pick up the participant from the program location.
- If the participant becomes sick while at the program, he/she will be separated from the other participants while the parent/guardian is called to come and pick them up. After 24 hours, if the participant is symptom-free or written documentation has been received from a doctor stating the participant is not contagious or can safely participate, they may return to the program. If you suspect that your participant has a contagious condition that may be spread to others, please notify your Camp Director as soon as possible. Please do not bring the participant back to the program until the program director has been contacted.

The above criteria apply to all participants, as well as those with Inclusion Plans or other accommodations.

Inclusion and Medical Support

In accordance with the Americans with Disabilities Act (ADA), Raleigh Parks, Recreation and Cultural Resources provides support to participants with disabilities and/or medical conditions who request a program modification. Participants who indicate a disability or medical condition AND request an accommodation will be contacted by Inclusion Services for follow-up. Those who do NOT request an accommodation will not be contacted by Inclusion Services.

Support plans are designed to be individualized based upon the participant's specific condition and the program(s) they register for. Additional forms are required from the parent/guardian and may require a physician's signature for specific medical support requests.

The accommodation/support request should be received at least two weeks prior to the start date of the program, so we can ensure appropriate supports are in place. The medical support process may take extended time for physician signatures, specialized training etc., so we suggest more advanced notice if possible. Please contact Inclusion Services at 919.996.2147 for more information or to request support.

Late Pick-up

Participants that are picked up after the closing time of the program will be charged a late fee. The fee is as follows: Once the parent/guardian is up to ten minutes late a \$5 fee will be charged per family. An additional \$1 per family will be added for every minute past ten minutes late. Payment is due at the time of late pick-up. Continual late pickups may lead to dismissal from the program in relation to excessive late pick-up policy forms.

Lost/Stolen Items

The City of Raleigh Parks, Recreation and Cultural Resources Department is not responsible for any personal items lost or stolen at our programs.

Medication

When possible, participants should take medications outside of program hours. Parents/Guardians should notify the program staff of any medication, to include prescription and over the counter, that may be administered during program hours and a PRCR medication form will need to be completed for each medication.

2020 Camp Policies

Movies

Movies may be shown while participants are in Raleigh Parks, Recreation, and Cultural Resources Programs. Before movies are shown, the title of the movie will be communicated to parent/guardians.

Participant Release

The Security Key Tag Identification Process is in place to properly identify individuals that have the parent/legal guardian's permission to sign-out a participant from the camp program. Legal guardians and other individuals listed on the participant form as an authorized pick-up person will be issued a security tag by showing a photo ID. A parent/guardian will not be issued multiple key tags to be given to other individuals authorized to pick up the participant. All authorized persons must be prepared to show a legal form of identification, such as a key tag and/or photo ID, each time a participant is released to their custody.

Before the program begins parent/guardians should inform staff of any changes to the pick-up list by contacting the Recreation Business Office at 919-996-4800.

Any person listed as a parent/guardian on the registration form may add or remove additional person(s) to the authorized pick up list. Parents and guardians should contact the Registration Business Office at 919-996-4800 or camp.registration@raleighnc.gov to change information. Parents/guardians should inform anyone picking up a participant without a key tag that they will be required to show legal photo identification (e.g. school or work badge, driver's license).

The Raleigh Parks, Recreation and Cultural Resources Department recognizes that anyone listed as a parent/guardian on the registration form has equal access to their child in our programs. Should a parent/guardian desire to restrict access by the other, he/she shall be required to provide legal documentation authorizing. PRCR staff reserves the right to validate the appropriateness and authority of the documentation provided. Understanding the sensitivity of each instance, it may be necessary for PRCR staff to contact each of the parent/guardians involved in the legal proceedings to inform of the action being taken and/or obtain additional information.

Payment

If the required payment is not provided with the registration forms, the participant's registration will not be processed. We will attempt to notify you by telephone or email and you will have until the end of following business day to remit payment.

Personal Care

The City of Raleigh Parks, Recreation, and Cultural Resources Department does not provide personal care for program participants, unless otherwise stated in the program description or as indicated in an individual participant's inclusion/medical support plan. Raleigh Parks, Recreation, and Cultural Resources staff does not assist in the toileting of any program participants or help with dressing participants. The Department requires that all program participants are independent for toileting and personal care in order to participate. Program participants must be able to change their own clothing if soiled. Raleigh Parks, Recreation, and Cultural Resources staff is not permitted to change program participant's soiled clothing.

If a toileting accident does occur, a change of clothes must be brought to the program site or the participant must be picked up from the program site within one hour of the incident. If toileting accidents are frequent, participants may be dismissed from the program.

Sunscreen and Insect Repellent

If needed, the parent/guardian should apply these products to participants before they come to the program each day. Please supply any sunscreen and/or insect repellent that the participant may need during any program. Staff will provide frequent opportunities for participants to reapply over the course of the day. Staff or siblings may assist participants in applying sunscreen only to exposed skin that the participant cannot reach on their own. Spray or mist type sunscreen and/or insect repellent are recommended. These products are not to be shared with other campers. Participants in Specialized Recreation camps may be assisted in applying sunscreen and/or insect repellent, as provided and directed by the parent/guardian.

Swimming Information (for applicable camps)

Raleigh Parks, Recreation, and Cultural Resources staff conduct swim tests for all program participants and issue lifejackets to non-swimmers. To swim without a lifejacket, a swimmer must be able to swim one length of the pool (approximately 25 yds. or 75 ft.) on their front and tread water for 30 seconds. All non-swimmers will be required to wear a lifejacket or parents/guardians can request that staff not allow the participant to participate in the swim test and automatically place the participant in a lifejacket. Staff reserves the right to place a participant in a life jacket in the interest of a participant's

safety. All participants, regardless of swimming ability, will wear lifejackets when participating in water activities including swimming in lakes, rivers, or the ocean.

Waitlist Notification

If your participant clears the waitlist, you will be notified by telephone and/or email. You will have until the end of the following business day to accept and remit payment for the requested program. Your acceptance must be confirmed in writing. If notification is not received with the specified time frame you will forfeit your participant's placement.

Withdrawal and Transfers

All withdrawals and transfers must be received in writing 14 days or more in advance of the start date of the program. Non-attendance or non-participation in a program does not entitle a patron to a credit of the registration fee.

Play It Forward Financial Assistance Fund

Throughout the past 25 years the Parks, Recreation, and Cultural Resources Department has provided assistance to families and individuals who desire to participate in departmental programs but for financial reasons cannot always afford to. From 1993, when the department held its first employee auction to help raise funds for this purpose, to today, the fund has helped over 7,500 individuals in Raleigh and the surrounding communities to participate in recreation programs that encourage healthy lifestyles, promote self-confidence and teach life-

long lessons. Assistance is awarded based on financial need and is offered to support all who wish to participate in our programs. To make a tax-deductible donation, please mail a completed form to:
