

Specialized Recreation and Inclusion Services

SRIS Adaptive Climbing

Experience the thrill of climbing in a supportive and inclusive environment with SRIS Adaptive Climbing Program at Triangle Rock Club! Designed for individuals of all abilities, this program offers personalized instruction, adaptive equipment, and accessible climbing routes to ensure everyone can participate. Whether you're a beginner or an experienced climber, join us to build confidence, connect with others, and reach new heights.

Additional paperwork from Triangle Rock Club is required prior to the program start date.
