## summer camps

**540+**  
Summer  
Camps  
Offered

   
  
**4,474** Campers

Research shows

...that even being able to see a park can help improve an individual's health and well-being.\*

...people who live near trails are 50 percent more likely to get enough physical activity to help them stay healthy.\*

...that living close to parks and other recreation facilities results in higher physical activity levels for both adults and youth.\*
