Welcome to Raleigh Parks, Recreation and Cultural Resources

Summer Camps

We are so excited you are here!

How to choose the camp that is best for your camper:

Online

Registration will begin **February 19, 2024.**

Walk-in

Walk-in registration begins **March 12, 2024.**
Registration forms will be available online and at the Recreation Business Office.

Step 1 Read the camp policies found on pages 28-32 and be sure your camper can meet the requirements.

Step 2 Choose the proper age category.

Preschool – Typically for ages 3-5

Youth – Typically for ages 6-11

Teen – Typically for ages 12-17

Step 3 Choose the type of camp.

Traditional Summer Camps – provide campers with an experience incorporating a wide variety of activities that may include games, songs, and arts/crafts.

Specialty Summer Camps – provide campers with activities centered around a particular theme or focus.

Specialized Recreation Summer Camps – are specifically designed for individuals with developmental disabilities.

Please see Summer Camp Locations and Map on pages 34 and 35.

Step 4 Read the camp description for your top choices.

Be sure to look for activities your camper will enjoy.

Ask yourself:

- Does the camp require special skills?
- Is the camp mostly indoors or outdoors?
- Does the camp require a lot of physical activity or walking?
- Does the camp include field trips or swimming?
- Is the camp location convenient for you?
- Do the camp hours accommodate your schedule?

Please call the camp contact or use the Summer Camp Locations list for specific information regarding the camp.

Step 5 Visit the camp location to ensure that you and your camper are comfortable.

Step 6 We want to get to know your camper.

Our goal is for your camper to have an exceptional experience in our programs. When registering please share with us any information that will help make that possible.

PAYMENT INSTRUCTIONS

Payment options include check or money order (payable to City of Raleigh), American Express, Visa, MasterCard or Discover. All registrations submitted after May 15, 2024 must be paid in full. Please do not mail or drop off cash.

FINANCIAL ASSISTANCE

The City of Raleigh Parks, Recreation and Cultural Resources Department strives to provide programs to all. Thanks to generous donations and support, we are able to provide financial assistance to those in need. Financial assistance is provided on a sliding scale based on income and other financial circumstances. All patrons who wish to register for programs provided by the City of Raleigh Parks, Recreation and Cultural Resources Department are eligible to apply for financial assistance. Please note that financial assistance is not available for: specialty camps (with the exception of DIGI camp), organizations, adult teams, special events, trips, or rentals. For more information on eligibility or to request the financial assistance application, please call 919-996-4839 or email Fee.Assistance@raleighnc.gov

NON-DISCRIMINATION POLICY

The policy of the City of Raleigh is, and shall be, to oppose any discrimination based on actual or perceived age, mental or physical disability, sex, religion, race, color, sexual orientation,

gender identity or expression, familial or marital status, economic status, veteran status, or national origin in any aspect of modern life. A participant alleging discrimination on the basis of any of the aforementioned areas may file a complaint with either the Director of Raleigh Parks, Recreation and Cultural Resources Department or the Office of Equal Opportunity, U.S. Department of the Interior, Washington, D.C. 20240.

INCLUSION SERVICES

Do you need support to engage or participate in a Raleigh Parks camp? Inclusion Services works in accordance with the **Americans with Disabilities Act (ADA)** to make reasonable and appropriate accommodations and modifications to reduce barriers to participation within summer camp for individuals with disabilities and/or medical conditions. We believe that meeting the diverse needs of the community we serve promotes dignity, success, and enjoyment for all participants. To notify Inclusion Services of your request, select 'YES' to the ADA prompt on your registration. Please allow 14 days prior to program start day for the Inclusion Team to work through your request.

Want more information on Inclusion Services? Contact Us!
919.996.2147 or email ParksInclusion@RaleighNC.gov

Camp Parent Meetings

Camp Parent Meetings are a great place for you to have the opportunity to meet the staff who will be working with your camper this summer and to obtain important information about the camp's operations.

Please plan to attend the parent meeting(s) for your camper's summer camps. If you are unable to attend the meeting, please use the contact information provided with the camp to obtain information that will be shared at the meeting. For a schedule of camp parent meetings, visit parks.raleighnc.gov Keyword search: **Camp**

Age: 13-15 yrs. Attention campers here's your chance to build and fly your very own remote-controlled airplane! If you're interested in airplanes, electronics, and building, then say no more! Learn how to construct an aircraft out of some household materials, hot glue, wires, and sophisticated electronics. Safely prepare for takeoff using a fun, software-based RC flight simulator. Then later, take control of your own newly constructed aircraft using a transmitter you programmed to get flying outside and above the trees. Gain the necessary entry level skills to fly, repair, and rebuild. With staff supervision, campers will be using hot glue guns and sharp knives to construct their aircraft. And at the end, campers will take home what they've built...or crashed. Do you have the right stuff?

Specialized Recreation

The staff were incredibly attentive and attuned to our individual needs. I took great comfort in feeling like my son was 'seen'.

— Parent of Summer Camp Participant

Specialized Recreation and Inclusion Services offers a variety of specialized programs and inclusion services for individuals of all abilities to enjoy recreation opportunities of their choice.

The following camps are community-based recreation programs specifically designed to encourage independence, enhance quality of life, and provide recreation and leisure opportunities in the least restrictive environment for individuals with disabilities. Participants are expected to follow basic rules of safety and interaction, have a moderate level of independence with toileting, feeding and personal care needs, and easily understand and follow directions within their small group.

To allow time to complete our assessment process, registration for all weeks of Camp Friendly and Camp Exploration will close on May 6, 2024. All participants must complete the following components of our assessment process as a final step to complete camp registration.

- Once you have registered for camp, families will receive additional forms that must be completed and returned to the SRIS office. These forms must be completed and returned no later than 3 weeks prior to the participant's first day of camp.
- Camp Supervisors will review the information and schedule a follow up interview with the participant/ family. These interviews will be live/ in-person for new participants and virtual/phone for returning participants. Interviews are a vital part of our assessment process and allow us to the opportunity to learn more about our participants while providing a forum where we can provide answers and follow-up to more specific questions.

All interviews must occur at least 2 weeks prior to the participant's first day of camp.

After completing the assessment process above, if it is determined by either the family or the Camp Supervisor, that Camp Friendly/Exploration is not suitable for the participant based on our operational guidelines and supports available, we will grant a full refund for the weeks in which the participant is registered.

Any paperwork not received or interviews not completed by the appropriate deadline will forfeit the participant's space at camp, at which time a full refund will be given.

Please visit our website at www.raleighnc.gov and search "Specialized Recreation and Inclusion Services." Navigate to the Summer Camps tab for the most current information. If you would like to speak with us further before beginning the registration process please contact Specialized Recreation at 919-996-2147 and we will be happy to answer any questions you may have regarding the camp programs and registration process.

Camp Friendly

Age: 6-12 yrs. Program hours are 9:00am-4:00pm. Early drop off is available starting at 8:00am and all participants must be picked up by 5:00pm. Supervised participant-choice activities will be provided for arrival and dismissal hours. Camp fees will be prorated to \$120 for the week of June 17-June 21 & July 1-July 5. Activities include indoor and outdoor group games, nature activities, music and movement, arts and crafts, specialists and field trips. Under normal camp guidelines and operations, the following are examples of how staff and participants will engage at camp.

Behavior: Staff will provide positive behavior support, redirection, preferred activities, and use behavior support strategies provided by families. Participants are expected to exhibit appropriate camp behavior, without presenting a safety concern to themselves, other participants or staff. Unsafe behaviors may include but are not limited to: biting, hitting, kicking, pinching, running, spitting, etc.

Feeding: Staff will provide verbal and visual prompting, reminders, assist with placement of food, break up food into small pieces, open containers for the participant. Participants should be able to physically feed themselves.

Participation: Staff will engage participants through multiple means of instruction, sensory engagement, supported transitions, and program modifications. Participants are expected to stay with their group, follow given/ modeled direction, and demonstrate engagement during camp activities, during transitions, and in the community on field trips.

Toileting & Personal Care: Staff will provide verbal and visual prompting, assist participant with pull-up/diaper and/or clothing. Participants should be able to clean/wipe themselves without assistance from staff.

Specialized Recreation continued to page 28—

Camp Friendly is designed for participants who can engage appropriately in a small group setting (approximately 6 participants with 2 staff). Participants are expected to follow basic rules of safety and interaction, have a moderate level of independence with toileting, feeding and personal care needs, and easily understand and follow directions within their small group.

Camp Friendly is offered at two locations:

Durant Nature Preserve

Located in northeast Raleigh. Durant Nature Preserve provides our camper's lots of outdoor space and opportunities for natural resource based recreation and environmental experiences. You will find more nature based, adventure type activities at this location.

Carolina Pines Community Center

Located on Lake Wheeler Road. Carolina Pines hosts many other camps throughout the summer in addition to Camp Friendly. Utilizing the center's many sport courts and fields, activity rooms and playground, campers will experience a more traditional type summer day camp experience.

Participants needing more support for behavior, feeding, mobility, participation or personal care & toileting must provide their own personal assistant. The City of Raleigh Parks, Recreation and Cultural Resources Department Personal Assistant Policy requires paperwork to be submitted, and signed, from both the service provider and the parent/guardian of the participant for approval. These forms must be submitted no less than 2 weeks prior to the Personal Assistant attending camp. Forms not submitted by the appropriate deadline will not be processed in time and the Personal Assistant may not be authorized to attend camp. Any participant registering with a Personal Assistant session should contact the SRIS Office at 919-996-2147.

2024 Camp Policies

Raleigh Parks is excited to have you join us for the 2024 camp season. It is our mission for you and your camper to have an exceptional experience this summer. You can help us achieve that mission by taking a few minutes to review the following information. These policies outline what Raleigh Parks is doing to maintain a healthy program environment and what participants (or their Parents/Guardians) should do in preparation for camp and while participating in our summer camp program.

Age Verification

Raleigh Parks, Recreation, and Cultural Resources Department strives to provide age-appropriate curriculum and programming for all recreation services delivered. To meet this goal, the participant must be in the age range of the camp as of August 31 of the current year. In order to attend a full day camp (more than 4 hours) the participant must meet the stated age requirement and have attended full day school (kindergarten or higher). Raleigh Parks reserves the right to request that the parent/guardian provide a legal/school document (i.e., birth certificate/school document) verifying the age of the participant, as of August 31 of the current year. If legal documentation is requested and not provided within 24 hours, the program supervisor may offer the parent/guardian a transfer to an age-appropriate program if available or dismiss the participant from the program. The parent/guardian will be responsible for any difference in fee if a transfer occurs. No refund will be given if the participant is dismissed from the program.

Babysitting

Any babysitting arrangements with present or former staff of Raleigh Parks are separate and independent from any department program. These arrangements must be based on the independent responsibility and judgment of the parent/guardian. Raleigh Parks shall not be responsible for any claims or liability in connection with such babysitting activities.

Behavior Management

We utilize and encourage the practice of praise and positive reinforcement as effective methods of behavior management. We believe that when participants receive positive and understanding interactions, they can develop good self-concept, problem solving abilities, and self-discipline. Our programs will create an environment that encourages positive choices through understanding participants' basic needs and explaining program expectations.

Raleigh Parks supports and practices the following Behavior Management practices:

- Monitoring-Noticing program environment-daily check-in with participants-active participation with participants and proper staff placement.
- Positive Reinforcement-Providing participants a positive program environment.

- Redirection-Stop the undesired behavior and redirect participant to make a positive choice.
- Time Out -Provide an opportunity for discussion between staff and the participant by asking questions about the behavior.

When positive choices are not made by the participants, the following procedures will be followed:

1. Initially, participants will be given a reminder of behavior expectations and the opportunity to make positive choices.
2. If the behavior persists a verbal warning will be provided. In conjunction, a Behavior Action Plan will be developed and implemented to identify specific behaviors that require improvement. Raleigh Parks staff will work with the participant and parent/guardian to develop appropriate behavior management solutions.
3. If behavior problems continue after implementation of the Behavior Action Plan, a first Behavior Incident Report will be presented to the parent/guardian.
4. Additional behavior problems will constitute a second Behavior Incident Report presented to the parent/guardian and a possible two (2) full-day suspension from the program may occur. The parent/guardian may be requested to pick up the participant within an hour of the initial contact with the parent/guardian. If a parent/guardian does not pick up the participant within an hour, a late fee may be charged.
5. If a behavior problem persists, a third Behavior Incident Report will be presented, and the participant may be asked to leave the program. A two (2) full day suspension will be issued to the participant while the Behavior Incident Reports are being reviewed.
6. For severe offenses, such as but not limited to: fighting/ hitting, theft, vandalism, bullying in program or through social media, possession of weapons or drugs, severe verbal threats, sexual misconduct, leaving the program/ building without proper dismissal, or any other safety-related behavior, the participant may be suspended or dismissed from the program immediately.
7. Refunds will not be available for program participants who have been suspended from camp because of behavior issues.
8. Participants will not be disciplined in camp for behavior that occurred outside of camp hours, even at parental requests.
9. Participation in camp activities during program hours is required.

Camper Expectations

- Campers are expected to maintain a positive attitude while using appropriate language and behavior.
- Campers are expected to stay with their counselors and follow their instructions.
- Campers are expected to be willing to try all activities with a positive attitude.

Confidentiality

Raleigh Parks, staff will not discuss confidential matters or personal information with anyone outside of the Department or with unauthorized individuals. All participants are encouraged to respect the confidentiality of other participants by not disclosing personal information on social media such as Facebook, Twitter, Instagram, SnapChat, TikTok, etc. Department staff are not permitted to share personal information or pictures about any participants or staff with social media such as Facebook, Twitter, Instagram, SnapChat, TikTok, etc. or discuss any personal information about participants outside of the workplace.

Dress Code

Participants should wear weather appropriate, comfortable clothing and athletic shoes in order to participate in recreational or athletic activities each day. Due to active play, swimsuits should provide full coverage, and be able to securely stay in place. If appropriate attire is not worn, therefore preventing participation, the parent/guardian may be asked to bring appropriate clothing or will be required to pick up the participant. Certain programs may have additional clothing requirements.

Unacceptable attire: sandals or flip-flops; shirts with spaghetti straps; clothing that displays drugs, alcohol, tobacco, sexual, or gang references; speedo briefs; excessively loose pants or shirts; revealing clothing; jewelry; Crocs™. Certain camps may allow exceptions to this list.

Electronic Devices/Items from Home

No electronic devices are permitted at camp programs (examples: cell phones, gaming/music devices, etc.) unless accommodations have been made for the participant through a support plan or for programmatic reasons. Staff reserves the right to confiscate electronic devices if issues arise.

Participants may have the opportunity to bring in items (toys, books, etc.) from home. **Should you choose to allow your participant to bring in items from home Raleigh Parks does not assume any responsibility for lost, stolen, broken or confiscated items brought from home.**

Department staff reserves the right to confiscate any item that is not appropriate or may be used in an inappropriate manner while in our program. Confiscated items will be returned to the parent/guardian at the end of the day.

Items that are not appropriate include, but are not limited to:

- Any type of weapon (toy guns, knives, swords, including anything that can be used to approximate a weapon by the participant).
- Any item that can be used to harass or intimidate another participant.
- Any item that causes disruption to scheduled activities

Field Trips

Raleigh Parks will transport participants offsite in vehicles provided by or contracted by the City of Raleigh. If a program participant arrives at the program after the scheduled departure for a field

trip, it is the responsibility of the parent/guardian to either:

- Transport the participant to the field trip location and sign-in the participant with a Raleigh Parks staff member at the field trip site, or.
- Transport the participant to the program site once the program returns from the field trip location and sign-in.

Buses will leave the program location at the advertised scheduled time. Departure times will not be altered to accommodate participants arriving late to the program site.

Participants will not be permitted to be dropped off at the program site while the camp program is off-site on a field trip.

Refunds will not be awarded if participant misses a field trip. Raleigh Parks does not accept responsibility for a program participant until they are signed in with program staff.

If a parent/guardian needs to pick up a participant early while still off-site on a field trip, it is the responsibility of the parent/guardian to pick up the participant at the field trip location. Recognizing emergency situations may occur, it is requested that the camp staff be informed of the need to pick up the program participant prior to the departure from the program site to the field trip.

Food

- Parent/Guardians should review camp descriptions for lunch, snack and drink requirements. Refrigerators and microwaves are not available for campers to use.
- Participants are not permitted to share lunch or snacks brought from home with staff or other participants.
- Siblings should bring separate lunch containers for their individual lunches.
- Vending machines will not be available for purchasing drinks or snacks during program hours.
- Any food brought into any program to be served to all participants must be store-bought with labeled ingredient information. Due to allergy concerns, homemade food items will not be accepted into our programs to be served to participants. Parent/Guardians should notify camp supervisor at least 24 hours in advance if food will be brought into camp.
- Parent/Guardians should notify the camp staff of a child's food allergies or dietary restrictions and discuss possible accommodations.

Illness/Injury

Any participant should remain home from all programs if they have had any of the following in the past twenty-four (24) hours:

- Fever (100 degrees or higher without fever-reducing medication), diarrhea, vomiting, sore throat, undiagnosed rash, chicken pox, pink eye, ring worm, head lice, or any other potentially contagious condition.
- Physical injury that does not allow the participant to safely participate in program activities.

2024 Camp Policies

- If a participant demonstrates any of the above while at the program, the parent/guardian will have one hour to pick up the participant from the program location.
- If the participant becomes sick while at the program, he/she will be separated from the other participants while the parent/guardian is called to come and pick them up. After 24 hours, if the participant is symptom-free or written documentation has been received from a doctor stating the participant is not contagious or can safely participate, they may return to the program. If you suspect that your participant has a contagious condition that may be spread to others, please notify your Camp Director as soon as possible. Please do not bring the participant back to the program until you have been cleared to return by department staff.

The above criteria apply to all participants, including those with Support Plans or other accommodations.

Inclusion and Medical Support

In accordance with the Americans with Disabilities Act (ADA), Raleigh Parks provides support to participants with disabilities and/or medical conditions who request an ADA accommodation or program modification. Participants who request an ADA accommodation or program modification at registration will be contacted by Inclusion Services for follow-up. Those who do NOT select "yes" at the time of registration will NOT be contacted by Inclusion Services. Any information shared as a note for allergy, disability, health/medical condition or other information without requesting an ADA accommodation or program modification will not automatically notify Inclusion Services. Once registration is complete, it may take up to 14 days to have modifications in place. If registration or a waitlist pull occurs after the recommended 14-day period, a delay in start date, services, or modifications may be needed prior to entering the program.

Upon registration, additional forms, participant assessments, and communication are required and may involve a physician's signature for a specific medical support request. Individualized support plans are designed to be based upon the participant's specific condition and the program(s) they register for. Examples of supports/services available may include but are not limited to: adaptive/support materials, alternative print materials, emergency plans, program modifications, reduced ratios, and specialized trainings. If your participant has emergency medications that may need to be administered by program staff, contact Specialized Recreation and Inclusion Services at 919-996-2147. The individualized support plan does not exempt participants from following program policy, rules, and consequences. The agreed modifications may assist them in meeting policy and rules but does not exempt them from following them. Since camp/school-based programs are not direct therapeutic environments, Inclusion Services does not provide a 1:1 aide to support your participant within the program you register for. Participants who require a 1:1 aide for program success may bring their own Personal Assistant to the

program, at no additional cost. This requires a full background check prior to the personal assistant being cleared to enter the program. While every effort is made to meet the requests, there are situations in which programs may be determined as not the best fit for an individual's needs. In these situations, we will work with the participant, family, and staff to make recommendations.

Raleigh Parks is striving to create inclusive spaces that are successful for individuals of all abilities. In doing so, all summer camps and youth programs will implement the General Support Strategies regardless of support need within the program. To reference these strategies, please visit www.raleighnc.gov/parks/inclusion-and-medical-support.

Late Pick-up

Participants who are picked up after the closing time of the program will be charged a late fee. The fee is as follows: Once the parent/guardian is up to ten minutes late a \$10 fee will be charged per family. An additional \$1 per family will be added for every minute past ten minutes late. Continual late pickups may lead to suspension and/or dismissal from the program.

Lost/Stolen Items

Raleigh Parks is not responsible for any personal items lost or stolen at our programs. After the program ends items left at the site will be donated/disposed of.

Medication

When possible, participants should take medications outside of program hours. Parents/Guardians must notify the program staff of any medication, to include prescription and over the counter, that may be administered during program hours and a Raleigh Parks medication form will need to be completed for each medication. Some medications may require additional forms. Please see the Inclusion and Medical Support policy for additional information or contact Specialized Recreation and Inclusion Services at 919-996-2147.

Movies

Movies may be shown while participants are in Raleigh Parks. To the extent possible, before movies are shown, the title of the movie will be communicated to parent/guardians.

Participant Release

The Security Key Tag Identification Process is in place to properly identify individuals that have the parent/legal guardian's permission to sign-out a participant from the camp program.

Legal guardians and other individuals listed on the participant form as an authorized pick-up person will be issued a security tag by showing a photo ID. A parent/guardian will not be issued multiple key tags to be given to other individuals authorized to pick up the participant. All authorized persons must be prepared to show a legal form of identification, such as the current year's key tag and/or photo ID, each time a participant

is released to their custody. Before the program begins parent/guardians should inform staff of any changes to the pick-up list by contacting the Recreation Business Office at 919-996-4800.

Any person listed as a parent/guardian on the registration form may add or remove additional person(s) to the authorized pick-up list. Parents and guardians should contact the Registration Business Office at 919-996-4800 or camp.registration@raleighnc.gov to change information. Parents/guardians should inform anyone picking up a participant without a key tag that they will be required to show legal photo identification (e.g., school or work badge, driver's license).

Raleigh Parks recognizes that anyone listed as a parent/guardian on the registration form has equal access to their child in our programs. Should a parent/guardian desire to restrict access by the other, he/she shall be required to provide legal documentation authorizing. Raleigh Parks staff reserves the right to validate the appropriateness and authority of the documentation provided. Understanding the sensitivity of each instance, it may be necessary for Raleigh Parks staff to contact each of the parent/guardians involved in the legal proceedings to inform of the action being taken and/or obtain additional information.

Payment

If the required payment is not provided with the registration forms, the participants registration will not be processed. We will attempt to notify you by telephone or email, and you will have until the end of following business day to remit payment.

Personal Care and Toileting

Raleigh Parks does not provide personal care for program participants, unless otherwise stated in the program description. In order to participate Raleigh Parks requires that all program participants are independent for toileting and personal care.

- Raleigh Parks staff is not permitted to assist in toileting or help with dressing participants.
- Participants should be able to use the restroom and dress independently without any assistance, such as: buttoning/ snapping/ zipping clothes, wiping, etc.
- Program participants must be able to change their own clothing if soiled.

If a toileting accident does occur, a change of clothes must be brought to the program site, or the participant must be picked up from the program site within one hour of the incident. If toileting accidents are frequent, participants may be dismissed from the program.

Sunscreen and Insect Repellent

If needed, the parent/guardian should apply these products to participants before they come to the program each day. Please supply any sunscreen and/or insect repellent that the participant may need during any program. Staff will provide frequent

opportunities for participants to reapply over the course of the day. Staff or siblings may assist participants in applying sunscreen only to exposed skin that the participant cannot reach on their own. Spray or mist type sunscreen and/or insect repellent are recommended. These products are not to be shared with other campers. Participants in Specialized Recreation camps may be assisted in applying sunscreen and/or insect repellent, as provided and directed by the parent/guardian.

Swimming Information (for applicable camps)

Raleigh Parks staff conduct swim tests for all program participants and issue lifejackets to non-swimmers. To swim without a lifejacket, a swimmer must be able to swim one length of the pool (approximately 25 yds. or 75 ft) on their front and tread water for 30 seconds. All non-swimmers will be required to wear a lifejacket or parents/guardians can request that staff not allow the participant to participate in the swim test and automatically place the participant in a lifejacket. Staff reserves the right to place a participant in a life jacket in the interest of a participant's safety. All participants, regardless of swimming ability, will wear lifejackets when participating in water activities including swimming in lakes, rivers, or the ocean.

Visitor Policy

Raleigh Parks prioritizes the safety and well-being of our program participants and staff. In line with this commitment, we have established protocols that define the involvement of volunteers, chaperones, visitors, or observers during our program operations. These protocols are in place to uphold the highest levels of safety, security, privacy, confidentiality, consistency, and to minimize potential disruptions to our daily operations. Parent/guardian/visitors may not be permitted to interact with registered program participants, including their own participant(s), without signing their participant(s) out of the program according to the Participant Release Policy. If an emergency arises, where immediate connection with your participant(s) is needed, the staff at your camp location will be able to assist.

Waitlist Notification

If your participant clears the waitlist, you will be emailed and given 24 hours to respond in writing. Responses not received within 24 hours will result in forfeiture of your participant's program placement. A payment will be required to secure program enrollment

Withdrawal and Transfers

All withdrawals and transfer requests must be made in writing 14 days or more prior to the program start date by emailing camp.registration@raleighnc.gov or faxing 919-996-1741. Non-attendance or non-participation does not entitle patrons to any type of credit or transfer. The full refund policy is on page 5.

Donate to Financial Assistance Fund

Together we connect and enrich our community through exceptional experiences

Play It Forward Financial Assistance Fund

Throughout the past 25 years the Parks, Recreation, and Cultural Resources Department has provided assistance to families and individuals who desire to participate in departmental programs but for financial reasons cannot always afford to. From 1993, when the department held its first employee auction to help raise funds for this purpose, to today, the fund has helped over 7,500 individuals in Raleigh and the surrounding communities to participate in recreation programs that encourage healthy lifestyles, promote self-confidence and teach life-long lessons. Assistance is awarded based on financial need and is offered to support all who wish to participate in our programs.
