Garment Sewing: Hems

Instructor: Joy Kelley

Ages: 18+ years

Fee: \$37 resident | \$52 non-resident

Dates: Thursday, July 10

Time: 6:00 pm - 9:00 pm

Activity Code: STARGSHEMS_010

A successful hem does more than just adjust the garment's length. The right hem can help the garment hang and move as intended. A skillfully made hem can prolong the life of the piece by

providing appropriate support to the garment. In this class, we will be sewing samples of several of the most versatile hem techniques that are applicable to a variety of hem locations - sleeve and shirt hems as well as pants and skirt hems. You will learn how to determine which hem technique to use based on garment type and fabric characteristics. This class will also introduce you to some sewing machine presser feet and specialty tools which make sewing hems easier and more successful. This class is part of a series for sewists who want to advance their sewing skills by exploring the techniques of garment making in more detail. To complete the class exercises you will need to be comfortable using a sewing machine and have basic sewing skills. A supply fee of \$12 is paid to the instructor for the materials needed to sew the class samples. We will be using Sertoma's sewing machines. 1 session.

Garment Sewing: Seam Finishes

Instructor: Joy Kelley

Ages: 18+

Fee: \$37 resident | \$52 non-resident

Dates: Thursday, June 26

Time: 6:00 pm - 9:00 pm

Activity Code: STARGSSF_010

Applying a seam finish to the raw edges of your fabric will improve the look of your garment and increase its durability and longevity. In this class, we will be sewing samples of various seam finishes, focusing on those that will be most useful across a range of garment styles. You will learn how to choose a seam finish based on garment type and fabric characteristics. This class will also introduce you to some specialty sewing machine presser feet that will make finishing your seams quicker and easier. This class is part of a series for sewists who want to advance their sewing skills by exploring the techniques of garment making in more detail. To complete the class exercises you will need to be comfortable using a sewing machine and have basic sewing skills. A supply fee of \$12 is paid to the instructor for the materials needed to sew the class samples. We will be using Sertoma's sewing machines. 1 session.

Time: 9:30 am - 12:00 pm

Activity Code: STARMORMAJO_004

This class is designed for potters who have taken the Introduction to Majolica class at Sertoma who want to expand or reinforce their skills. We will start with a general review of products, brushes and brush strokes and move onto an assortment of exercises and projects to encourage the creation of new and exciting decorated pottery. Each student will work at their own pace and can pick and choose between the variety of techniques we cover to complete individual projects. This class does not qualify for a studio card. Open to qualified Sertoma Arts Center potters and qualified Pullen Arts Center potters. Students must be able to throw or hand build forms for decorating. Students pay glaze and color fee of \$45 at the first class to the instructor. Registrants will be emailed information on clay to purchase, pieces to make, tools and brushes shortly after registration. Register early so you will have time to make pieces and have them fired before class. 4 sessions. No Class: May 26

Continuing Handbuilding

Instructor: Steve Karloski

Ages: 16+ years

Fee: \$126 resident | \$141 non-resident

Dates: Monday, July 14 – August 25

Time: 9:30 am – 11:45 am

Activity Code: STARPOTCONT_016

Instructor: Steve Karloski

Ages: 16+ years

Fee: \$126 resident | \$141 non-resident

Dates: Wednesday, July 16 - August 27

Time: 7:00 pm - 9:15 pm

Activity Code: STARPOTCONT_017

Through a combination of demonstrations and individual work time, students will further develop their hand building skills while making distinctive pieces, including planters, unique boxes and tile. A variety of construction techniques will include soft slabs, stiff slabs and coils. Students will learn to add flair and professionalism to their pieces by adding finishing touches such as feet and handles. This class will help individuals develop and express their own unique style through clay. Students are encouraged to practice between class sessions and will have free access to Sertoma's well-equipped studio. While this class is open to new students, they are required to have previously handbuilding experience. New students may not miss more than two classes and must attend the first class and the glazing class (approximately 5th week) to qualify for a studio card. Students will purchase clay and tools at first class - students are welcome to bring their own tools.

Gestural Handbuilding

Instructor: Tim Cherry

Ages: 16+ years

Fee: \$73 resident | \$88 non-resident

Dates: Wednesday, July 23 - August 13

Time: 9:30 am - 11:45 am

Activity Code: STARPOTGESHB_001

In this four-week class, experienced handbuilders will learn to add gesture and motion to their forms. Gestural can be defined as using motion to express an idea or emotion, and in this class, students will use slabs and other types of handbuilding processes to create forms that are dynamic and built to express, much in the same way a dancer uses their body to express. Extra focus on creating volumes and terminations that create motion will be demonstrated and played with as students push their creative boundaries. This class does not qualify for studio membership. 4 Sessions.

This class is designed for those who have taken beginner wheel and need further refinement in basic throwing skills in order to progress to more challenging levels. It also serves as a refresher course for students who have previously taken throwing classes but have not thrown for some time. Students are encouraged to practice between class sessions and have free access to Sertoma's well-equipped studio. New students may miss no more than two classes and must attend the first class and the glazing class (approximately 6th week) to qualify for a studio card. Students will purchase clay and tools at first class - students are welcome to bring their own tools. Please arrive 20 minutes early for first class to buy materials. 7 sessions

Unleash your creativity in Clay Exploration, a welcoming and supportive beginner pottery program designed specifically for individuals with disabilities. Whether you're new to clay or looking to explore a fun, tactile art form, this program offers an inclusive space for self-expression and artistic growth. Experienced instructors provide step-by-step guidance in hand-building, wheel-throwing, and glazing techniques while allowing participants the creative freedom to explore different texture, shapes, and styles at their own pace. Projects include mirror frames, pinch pots, flower bouquets, and coil pots. Please note SRIS Clay Exploration does not qualify participants for studio membership.
